Email:	

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated December [], 2022 (“*Walgreens Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the Walgreens Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Walgreens Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the Walgreens Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at [website link to national settlement website to be provided].
3. The Governmental Entity agrees to the terms of the Walgreens Settlement pertaining to Participating Subdivisions as defined therein.
4. By agreeing to the terms of the Walgreens Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Walgreens Settlement solely for the purposes provided therein.

6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Walgreens Settlement. The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Walgreens Settlement.
7. The Governmental Entity has the right to enforce the Walgreens Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Walgreens Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Walgreens Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Walgreens Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Walgreens Settlement.
10. In connection with the releases provided for in the Walgreens Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance,

oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Walgreens Settlement.

11. Nothing herein is intended to modify in any way the terms of the Walgreens Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Walgreens Settlement in any respect, the Walgreens Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

NOTES TO EXHIBIT M-2:

1. All figures for the Maximum Base Payment, Maximum Incentive A Payment, and Maximum Incentive Payment BC are maximum figures that reflect the following:
 - An assumption that all Eligible States are Settling States.
 - An assumption that all Settling States earn the full amount of the relevant incentive payment.
2. All figures for the Maximum Incentive Payment D show the amount earned based on all Settling States obtaining its maximum value of 10%, and reflect the following:
 - An assumption that all Eligible States are Settling States.
 - An assumption that all Settling States are eligible for Incentive Payment D in every Payment Year in which Incentive D is paid.
3. All figures for the Maximum Annual Remediation Payment reflect the following:
 - The credit amount of \$361,834,542 for Florida's prior settlements have already been applied. The credit amount for Suffolk and Nassau Counties in New York in the amount of 15.31% of New York State's Allocation has not been applied against New York's allocation.
 - An assumption that all Eligible States are Settling States.
 - An assumption that each Settling State earn the maximum amount of the available Incentive Payment by either qualifying for Incentive Payment A, or the combination of obtaining a 100% participation percentage for Incentive Payment BC and earning Incentive Payment D at a value of 3%).
4. Any offsets for Eligible States that are Non-Settling States would be deducted from the Maximum Base Payment, Maximum Incentive Payments (A, BC, and D), and Maximum Annual Remediation Payment by subtracting the amount of the payment times the Overall State Allocation Percentage for each Non-Settling State.

Exhibit O
Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes³ the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

³ Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

EXHIBIT P

Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms

I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, Walgreens shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).
2. To the extent that Walgreens already has in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.
3. Overview
 - a. Walgreens will implement or maintain a Controlled Substance Compliance Program (“CSCP”).
 - b. The CSCP must include written standard operating procedures and/or corporate policies (the “CSCP Policies and Procedures”) required by these Injunctive Terms.
 - c. The CSCP shall apply during the term of these Injunctive Terms, to each of Walgreens’ retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.
 - d. Walgreens shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within sixty (60) days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than thirty (30) days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Walgreens must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.
 - e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Walgreens and to perform such other roles as set forth herein. Upon the committee’s formation, Settling States shall provide notice to Walgreens of the members of the committee.
4. Compliance with Laws

- a. Walgreens acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Walgreens of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Walgreens to engage in any acts or practices prohibited by such laws, regulations or rules.
- b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Walgreens from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Walgreens to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.
- c. In the event that Walgreens determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court (“Express Interpretations”), such that Walgreens determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Walgreens shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from Walgreens referenced above, Walgreens and the State shall meet and discuss the potential conflict, and Walgreens shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that Walgreens believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Walgreens may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with Walgreens as to the conflict; (ii) be deemed to relieve Walgreens from following any subsequently enacted law or regulation,

or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iii) be deemed to relieve Walgreens from adhering to the outcome of a court or administrative action when it is determined that there is no conflict; or (iv) limit a Settling State's ability to relieve Walgreens of a duty under these Injunctive Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

- d. Walgreens shall retain all records it is required to create pursuant to its obligations hereunder for a period no shorter than three years, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.
5. No Admission and No Use as Evidence. Walgreens does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or to impose the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, or (2) a waiver or limitation of any defense otherwise available to Walgreens. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until August 15, 2032, unless otherwise specified herein.
2. Except as otherwise stated herein, the Injunctive Terms shall apply to Walgreens' retail pharmacy stores located in, and registered or licensed with, each Settling State that dispense Schedule II Designated Controlled Substances to Patients, including any Schedule II Designated Controlled Substances dispensed by any such retail pharmacy stores that are mailed or shipped to patients in a Settling State. Should Walgreens operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.⁴

⁴ Walgreens' specialty and mail order pharmacies are not subject to, and are not online pharmacies for purposes of, these Injunctive Terms.

3. These Injunctive Terms may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Settling Pharmacy. Any such amendments must be in writing.

13. The term "Walgreens Settlement Agreement" means the settlement agreement dated as of December [] between and among the Settling States, the Participating Subdivisions and Walgreens.

IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL

1. Walgreens shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Walgreens' compliance with 21 C.F.R. 1306.04 and these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.
2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. § 1306.04.
3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Walgreens' compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.
4. Staffing levels of Walgreens' Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Walgreens' Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.
5. Throughout the term of these Injunctive Terms, Walgreens shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms,

Walgreens' company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Walgreens shall publish its Hotline contact information to its employees and Patients in the Settling States. Walgreens shall maintain for the duration of Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Walgreens to investigate a pharmacist's professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

V. INDEPENDENCE

1. Walgreens' Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Walgreens' pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Walgreens from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
3. Personnel in Walgreens' Controlled Substance Compliance Department shall not report to Walgreens' sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.
4. Walgreens' sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-

making. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

5. To the extent necessary to comply with this section, Walgreens' Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Walgreens shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Compliance Committee." Walgreens shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.
2. Walgreens' Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Walgreens' adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.
3. On an annual basis, Walgreens' Controlled Substance Compliance Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settlement Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the corporate Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The corporate Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.

4. Walgreens, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.
5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Walgreens from implementing changes to the CSCP Policies and Procedures pending such review and approval.

VII. MANDATORY TRAINING

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each of Walgreens' retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.
2. Walgreens shall launch training for all existing CSCP Employees, to the extent practical (for example, accounting for employee leave), on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within one hundred twenty (120) days of the Injunctive Terms Implementation Date. All CSCP Employee new hires, to the extent practical, shall be required to participate in such trainings within sixty (60) days of hiring or six (6) months of the Injunctive Terms Implementation Date, whichever is later. Walgreens will further require that every CSCP Employee, to the extent practical, receive such training at least once every three (3) years for the term of these Injunctive Terms.
3. On an annual basis for the duration of these Injunctive Terms, Walgreens shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.
4. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

5. All trainings required under these Injunctive Terms shall also make clear that (i) Walgreens' compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of 2023.

VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSCP, Walgreens shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Walgreens in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an admission, concession, or evidence of any factual or legal contention related to such Red Flag. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.
2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.
3. Walgreens' CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information available to the pharmacist.
4. Walgreens' CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may

include reviewing the Patient's profile and history with Walgreens, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.

5. Walgreens' CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Walgreens records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Walgreens.
6. Walgreens' CSCP Policies and Procedures related to Schedule II Designated Controlled Substances shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any prescriptions that were rejected pursuant to Red Flags identified by the pharmacist, and the reasons why they were rejected, must be documented by the pharmacist, unless if based on the pharmacist's pre-existing knowledge of the Patient or Prescriber. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Walgreens' records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives fifty-five (55) miles from a Walgreens but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation shall not be interpreted to create a presumption that a pharmacist did not resolve any identified Red Flags. Nothing in these Injunctive Terms shall require Walgreens to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist rejects a prescription for clinical reasons, or where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.

7. Walgreens' CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

IX. RED FLAGS

1. Upon request by the Settling States, but no more than annually, and no earlier than four months after the Injunctive Terms Implementation Date, Walgreens shall provide to the Settling States a report (the "Annual Data Report") that sets forth: (1) the total number of prescriptions for Controlled Substances dispensed annually, aggregated nationally and by state; (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State; (3) the list of prescribers subject to disclosure in section X.5; (4) the specific process, system, metrics or algorithms (if any) sufficient to demonstrate the operational system's ability to identify each category of Red Flag listed in this section; and (5) the total number of prescriptions that pharmacists at the Settling Pharmacy refused to dispense using Walgreens' Good Faith Dispensing worksheet. The Settling States acknowledge that the Good Faith Dispensing worksheet documents the resolution of some Red Flags listed in this section, but does not document the resolution of every Red Flag listed in this section. Upon request, the State Injunctive Relief Committee may request a reasonable sample of completed Good Faith Dispensing worksheets. Unless otherwise required by law, if a Settling State seeks to disclose any data and/or information provided under this provision as part of a proceeding to enforce these Injunctive Terms or otherwise, it shall first provide ten (10) days' notice to Walgreens unless doing so would conflict with applicable law. A Settling State shall not otherwise disclose or provide any data provided under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any data under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Walgreens unless doing so would conflict with applicable law. All data and/or information provided under this paragraph shall be deemed confidential law enforcement material, to the extent state law permits, and shall not be subject to production unless required by law. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies.
2. Within the three months following the provision of the Annual Data Reports, either Walgreens or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Walgreens or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, Walgreens might propose reducing the

threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

- a. If Walgreens and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.
 - b. If Walgreens and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.
 - c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration (DEA) or other law enforcement agencies tasked with the regulation of Controlled Substances.
 - d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event a dispute is submitted to the National Arbitration Panel, it shall be Walgreens' burden to prove that the Red Flag(s) at issue are overly burdensome and that their burdensome nature outweighs any public health benefit.
3. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Patient Red Flags":

- a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;
- b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Walgreens from more than four other Prescribers, from separate practices, in a given 6-month period;⁵
- c. To the extent personally known by the dispensing pharmacist, Prescriber has been the subject of more than ten (10) documented refusals to fill within a six-month period;
- d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at Walgreens' pharmacies within thirty (30) days;
- e. The distance between a Patient's residence and the Walgreens receiving the Designated Controlled Substance prescription is farther than 50 miles;
- f. The Patient resides more than one hundred (100) miles from the Prescriber who issued the Designated Controlled Substances prescription;
- g. To the extent personally known by the dispensing pharmacist, a Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to documented refusals to fill by a Walgreens pharmacist within the past thirty (30) days;
- h. A patient pays in cash for a Designated Controlled Substance despite having prescription drug insurance on file for that medication;
- i. Three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substances;
- j. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and

⁵ In Walgreens' sole discretion, for administrative convenience Walgreens may implement this Red Flag without regard to whether Prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

- k. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated, or incoherent.
- 4. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescription Red Flags:"
 - a. A Controlled Substance prescription fails to meet the requirements of law;
 - b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;
 - c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;
 - d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and
 - e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.
- 5. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescriber Red Flags:"
 - a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;
 - b. A Prescriber has no office within fifty (50) miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and
 - c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

X. PRESCRIBER REVIEW

- 1. Walgreens shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Walgreens' retail dispensing for potential Prescribers of concern.
- 2. Walgreens shall initiate Prescriber Review Process in the following circumstances:
 - a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of Walgreens' retail pharmacy stores in the Settling States;

- b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or
 - c. Walgreens has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Designated Controlled Substances.
- 3. Based on the professional judgment of the employees operating the Prescriber Review Process, Walgreens may also initiate the Prescriber Review Process when:
 - a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of Controlled Substances;
 - b. A Prescriber of Designated Controlled Substances was flagged for review by a Walgreens pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise Walgreens' pharmacies in a Settling State; or
 - c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Walgreens' retail dispensing.
- 4. Once Walgreens identifies a Prescriber for further investigation, Walgreens shall review pertinent and available data or information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by Walgreens for the length of these Injunctive Terms. When permitted by law, nothing contained in this Section prevents Walgreens from taking immediate action to Block a Prescriber.
- 5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused Walgreens to further investigate the Prescriber, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at Walgreens' retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of Walgreens to seek future reinstatement by providing information to Walgreens that may resolve its concerns. Nothing in this Section shall limit the right or ability of Walgreens pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled

Substances from a given Prescriber independent of any decision by Walgreens to Block or not Block a given Prescriber. On written demand, on an annual basis, Walgreens shall provide to each Settling State the names of and DEA registration or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the Settling States, on an annual basis, Walgreens shall provide to the Injunctive Relief Committee the number, names and DEA registration or NPI numbers of Prescribers who were: (a) blocked, and (b) the number of prescribers who were reviewed but not blocked.

XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Walgreens shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Walgreens and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.
2. During the term of these Injunctive Terms, Walgreens personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy in a calendar year. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.
3. During site visits, Walgreens' personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.
4. Walgreens' personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

5. The site visit reports described above shall be maintained by Walgreens and made accessible to all Controlled Substance Compliance Department personnel for the duration of these Injunctive Terms. Upon its request, the States Injunctive Relief Committee shall be provided sample reports or a report for a particular store.

XII. THEFT AND LOSS PREVENTION

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, Walgreens shall maintain for at least three years information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store.
2. In addition to any other reporting obligations under state and federal law, Walgreens must provide to each Settling State on a quarterly basis any reports it has made to the DEA regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 C.F.R. §1301.76(b). Each Settling State shall provide contact information in order to receive such reports. There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy.

XIII. REPORTING TO LAW ENFORCEMENT

1. The Settling States shall inform Walgreens to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Walgreens shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within five (5) days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.
2. Walgreens shall document and for at least two (2) years maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.
 - a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Walgreens is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential

Violation may be for a single retail pharmacy. A violation of this Agreement is not presumed to occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Walgreens violates Walgreens' CSCP Policies and Procedures.

b. Potential Violation Discovered by Settling State.

- i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Walgreens in writing (the "State's Notice").
 - ii. Within thirty (30) days of receipt of the State's Notice, Walgreens shall provide a written response to the Settling State. The response shall include Walgreens' position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Walgreens believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.
 - iii. If the Settling State wishes to meet with Walgreens, Walgreens shall promptly make itself available for such a meeting.
- c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Walgreens and work in conjunction with Walgreens to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.
- d. Within sixty (60) and one hundred twenty (120) days after implementing the Corrective Action Plan, Walgreens will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Walgreens. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.
- e. If Walgreens fails or refuses to provide a written response, to devise or

implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Walgreens. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

- f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within thirty (30) days of reaching its conclusion.
2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

XV. COMPLIANCE CERTIFICATION

1. Walgreens' Controlled Substance Compliance Director shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).
2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.
3. The certification shall state:

"I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State]."

4. If the Controlled Substance Compliance Director is unable to provide such a certification, the Controlled Substance Compliance Director shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

XVI. DATA SHARING

1. Walgreens shall consent to the provision by its distributors of Walgreens' unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Walgreens) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Walgreens, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.
2. To the extent that Walgreens provide McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Walgreens agree that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Walgreens, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

XVII. CLEARINGHOUSE

1. Walgreens will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six (6) months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from Walgreens for a Settling Distributor to perform suspicious order monitoring; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by Walgreens to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt "deidentified" does not refer to Prescribers. If agreements are not reached, the matters in dispute shall be submitted to

arbitration. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, Walgreens may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.

2. Walgreens and Settling Distributors will also determine whether and in what amount each Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When Walgreens contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of Walgreens' contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.
3. Any data provided by Walgreens to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all applicable state and federal privacy laws.
4. No Settling Distributor or other participant in the Clearinghouse shall receive from the Clearinghouse information specific to Walgreens.

II. Fees and Costs

A. Total Attorneys’ Fees and Costs

1. Total attorneys’ fees and costs to be paid by Walgreens to Attorneys under this Fee Agreement shall be up to, but in no event more than, \$593,732,518.00, subject to the reductions and provisions set forth below. The total attorneys’ fees and costs consists of up to \$563,732,518 for the Attorney Fee Fund, as set forth in Section II, and \$30,000,000 in total for the Cost Fund, divided between the Subdivision Cost and Expense Fund and MDL Expense Fund, as set forth in Sections II.E and II.F, respectively. Additionally, Walgreens shall also pay \$44,867,483.00 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3, and shall be paid on the schedule set forth in Ex. M-3. The

⁶ Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

Maximum Attorney Fees and Costs, subject to the reductions set forth herein, are set forth in Ex. M-3 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Walgreens shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Walgreens Agreement.
3. The total attorneys' fees and costs to be paid under this Fee Agreement by Walgreens shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that do not participate in the Walgreens Agreement ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below.
4. If Walgreens settles with any Non-Settling State after December 9, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Walgreens agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the Walgreens Settlement and been awarded its full portion of the Remediation Payment (the "*Walgreens State Settlement CBF Assessment*"). If Walgreens settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after December 9 2022, then Walgreens agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the "*Walgreens Subdivision CBF Assessment*," and, along with the Walgreens State Settlement CBF Assessment, each a "*Walgreens CBF Assessment*"). If (a) Walgreens settles with a Non-Settling State after December 9, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Walgreens later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Walgreens agrees to deposit the Walgreens State Settlement CBF Assessment in the Common Benefit Fund. Any Walgreens CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order. To the extent that Walgreens is required to pay any additional and/or separate assessment on such settlement as a result of the Common Benefit Order, the Walgreens CBF Assessment shall be reduced by the amount required to be paid pursuant to the Common Benefit Order.

B. Attorney Fee Fund and Sub Funds

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into

the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Expense Fund and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States .
3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Walgreens Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.
5. In no event shall Walgreens be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.
6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walgreens Agreement, as set forth in Exhibit G to the Walgreens Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in

Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund)

1. The maximum potential total Common Benefit Fund payment to be made by Walgreens into the Attorney Fee Fund is \$338,239,510.80, and in no event shall it exceed that amount. Walgreens' maximum potential Common Benefit Fund payments are subject to the reductions set forth in Section II.A.2. for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	Walgreens Shall Pay Common Benefit
Year 2 December 31, 2023	\$50,373,251.40
Year 3 December 31, 2024	\$50,373,251.40
Year 4 December 31, 2025	\$59,373,251.40
Year 5 December 31, 2026	\$59,373,250.00
Year 6 December 31, 2027	\$59,373,250.00
Year 7	

December 31, 2028	\$59,373,250.60
Total	\$338,239,510.80

Additionally, Walgreens shall pay \$44,867,483.00 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3 and shall be paid on the schedule set forth in Ex. M-3.⁷

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
 - a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and
 - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Walgreens have also reached a settlement for Released Claims with Walgreens, and these settlements are the subject of agreements with Walgreens. Attorneys are eligible for Common Benefit consideration provided such agreement with Walgreens became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. Walgreens' Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Walgreens Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating

⁷ For the avoidance of doubt, Walgreens is not required to pay any sums under this Agreement for matters settled prior to December 6, 2022, other than the \$44,867,483.00 payment referenced above.

Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.

4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Walgreens Agreement as of the Initial Participation Date, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Walgreens Agreement, including the Walgreens Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Walgreens Agreement or not. It is the intent of this provision to recognize that the goal of the Walgreens Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivision does not further the goal of the Walgreens Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions is antithetical to the Walgreens Agreement and detracts from Common Benefit; the Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to Walgreens as set forth in Section II.H.⁸ The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.
5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Walgreens under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Walgreens in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Walgreens shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

⁸ Notwithstanding any provisions set forth herein, it is expressly understood and agreed that continued representation of CT-3 Bellwether jurisdictions, Lake County or Trumbull County, shall not be considered by the Fee Panel as common detriment or adverse to the stated purposes of the Master Settlement Agreement and will not in any way prejudice counsel in seeking common benefit for the work related to the representations of these counties or in any other respect.

D. *Contingency Fee Fund (40% of the Attorney Fee Fund)*

1. The maximum potential total Contingency Fee Fund payment to be made by Walgreens into the Attorney Fee Fund is \$225,493,007.20, and in no event shall it exceed that amount. Walgreens' maximum potential Contingency Fee Fund payment shall be subject to the reductions set forth in Section II.A.2 for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	Walgreens Shall Pay Contingency Fee Fund
Year 2 December 31, 2023	\$33,582,167.60
Year 3 December 31, 2024	\$33,582,167.60
Year 4 December 31, 2025	\$39,582,167.60
Year 5 December 31, 2026	\$39,582,168.00
Year 6 December 31, 2027	\$39,582,168.00
Year 7 December 31, 2028	\$39,582,168.00
Total	\$225,493,007.20

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.
 - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.
 - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
3. The amount owed by Walgreens to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
4. In the event that after the date of the Walgreens Agreement, Walgreens, prior to the Effective Date of the Walgreens Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Walgreens Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be returned to Walgreens, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

E. *Subdivision Cost and Expense Fund*

1. Walgreens shall pay \$22,500,000 into the Subdivision Cost and Expense Fund on the schedule set forth below.

	Cost Fund
Year 2 December 31, 2023	\$11,250,000

Year 3 December 31, 2024	\$11,250,000
--------------------------------	--------------

2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Subdivision Cost and Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022.
3. During the period between December 9, 2022 and the Effective Date of the Walgreens Agreement, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Subdivision Cost and Expense Fund, shall make best efforts to cease litigation activity against Walgreens, including by jointly seeking stays or severance of claims against Walgreens, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.
4. In the event that Walgreens, prior to the Effective Date of the Walgreens Agreement, settles with any Litigating Subdivision and, under such settlement agreement, pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the Walgreens Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Walgreens, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.
5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims against Walgreens. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Walgreens that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, the Subdivision Cost and Expense Fund is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions, and no funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Expense Fund*

1. Walgreens shall pay \$7,500,000 into the MDL Expense Fund on the schedule set forth below.

	MDL Expense Fund
Year 2	\$3,750,000

December 31, 2023	
Year 3 December 31, 2024	\$3,750,000

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid directly to the MDL Opiate Capital Account. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions, or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions or Non-Litigating Subdivisions.
3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022, unless the Administrator determines that there are sufficient funds to cover all Subdivision costs incurred prior to December 9, 2022 and that special circumstances exist to justify costs incurred following the public announcement of the Walgreens Agreement, including reasonable costs related to the implementation of the Walgreens Agreement.

G. Eligibility

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.
3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
 - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
 - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
 - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement..
 - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.
 - e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

- f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Walgreens Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
 - g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
 - h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Walgreens Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.
- 4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
 - 5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
 - 6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.
 - 7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the

avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below.. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Walgreens when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Walgreens Agreement represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Walgreens. Walgreens or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Walgreens, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Walgreens Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. Calculation of Amounts Due

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Walgreens as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Walgreens may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Walgreens) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
 - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
 - b. The novelty, time, and complexity of the Qualifying Representations;
 - c. The skill requisite to perform legal services properly and undesirability of the case;
 - d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

- e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
- f. Any “common detriment,” as set forth in paragraph II.C.4;
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Applicant in cases against Walgreens or any risk for Walgreens created by the Applicant in cases against Walgreens;
- m. Any risk for defendants created by Applicants in cases against Walgreens;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- o. The date of filing of any cases filed by the Applicant;
- p. Obtaining consolidation of the litigation in the Applicant’s jurisdiction;
- q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

- r. Whether the Applicant's clients brought claims against Walgreens prior to the announcement of this settlement on December 9, 2022;
 - s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
 - t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;
 - u. Whether the Applicant's cases have survived motions to dismiss;
 - v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
 - w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Walgreens Agreement on December 9, 2022, such latter litigation both being of less value and, the case of litigation filed after the announcement of the Walgreens Agreement on December 9, 2022, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and
 - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Walgreens Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:
- a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;
 - b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;
 - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

- d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
 - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:
- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
 - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
 - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
 - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
 - a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.
 - b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.
7. With respect to the Contingency Fee Fund, the Fee Panel shall:
 - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
 - b. Apply the Mathematical Model in Exhibit A.
 - c. Use such allocations to determine refund amounts owed to Walgreens from the Attorney Fee Fund, and inform Walgreens and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Walgreens is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been

approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. Miscellaneous

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Walgreens.
2. The MDL PEC will seek, and the Attorneys General for Settling States and the Walgreens will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.
3. The MDL PEC shall provide to Walgreens information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.
4. The MDL PEC and Walgreens agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision to represent a Later Litigating Subdivision or Later Litigating State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the Walgreens Agreement until the Effective Date of the Walgreens Agreement, as well as thereafter, if the Walgreens Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

- A. *Termination.* If the Walgreens Agreement does not proceed past the Reference Date, whether because Walgreens does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Walgreens shall have no obligation to make any payments under this

Fee Agreement, and Walgreens and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

- B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Walgreens Agreement. This Fee Agreement shall also be submitted by Walgreens and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached.
1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Walgreens under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Walgreens and the MDL PEC shall meet and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Walgreens related to fees and costs beyond the amounts described in this Fee Agreement.
 2. If Walgreens and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Walgreens shall have no obligation to make any payments under this Fee Agreement, and Walgreens and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante*.
- C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Walgreens and the MDL PEC and (2) approval by the MDL Court.
- D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Walgreens as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Walgreens, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Walgreens Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Walgreens Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Walgreens Settlement Agreement.⁹ Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walgreens Settlement Agreement.¹⁰ A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Walgreens (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Walgreens Settlement Agreement is \$225,493,007.20.¹¹

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, **not** for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Walgreens Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the \$4,788,165,458 Remediation amount [see Exhibit M of the Walgreens Settlement Agreement].
- 50% of the 1% share allocated to State A is \$23,940,827.29.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.

⁹ See Walgreens Settlement Agreement, Exhibit R § II.D.2.

¹⁰ Walgreens Settlement Agreement, Exhibit R § II.D.2.

¹¹ Walgreens Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$23,940,827.29, or \$239,408.27.

(2) Adjust the amounts in paragraph 1 as follows:

- Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Walgreens in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Walgreens in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
 - If City C named Walgreens before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.
- Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee

Fund (but only if the Subdivision timely named Walgreens in a lawsuit).

Illustrative example:

- $\$220,000$ [from para. 2.b] $\div$ $\$280,000,000$ [total amount owed under contingency fee contracts nationwide] = 0.0785714% ¹²
- $0.0785714\% * \$225,493,007.20$ [Contingency Fee Fund] = $\$177,173.01$

- b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Walgreens Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Walgreens in a lawsuit).

Illustrative example:

- $1\% * \$225,493,007.20 = \$2,254,930.072$ [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $\$2,500,000$ is owed under contingency fee contracts for State A.
- $\$220,000$ [from para. 2.b] $\div$ $\$2,500,000 = 8.8\%$
- $8.8\% * \$2,254,930.072 = \$198,433.85$

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.¹³

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are

¹² In this example, $\$280$ million is the amount theoretically owed under all contingency fee contracts for litigation against Walgreens as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

¹³ The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

EXHIBIT S

Agreement on the State Outside Counsel Fee Fund for Chain Pharmacy Settlements

1. Definitions.

- a. “Chain Pharmacy” means any of CVS, Walgreens, and Walmart, and “Chain Pharmacies” means all of the foregoing.
- b. “Multistate Chain Pharmacy Settlement Agreement” means This Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and a Chain Pharmacy.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Chain Pharmacy to which this Agreement is attached as an Exhibit.
- d. “Settling Chain Pharmacy” means the Chain Pharmacy that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Chain Pharmacy Settlement Agreement.

2. **Creation of a State Outside Counsel Chain Pharmacies Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Chain Pharmacies (such fund, the “State Outside Counsel Chain Pharmacies Fee Fund”).

3. **State Outside Counsel Chain Pharmacies Fee Fund Administration.** The State Outside Counsel Chain Pharmacies Fee Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Chain Pharmacies Fee Fund (the “Chain Pharmacies Fee Fund Committee”). The Chain Pharmacies Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Chain Pharmacies. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Chain Pharmacies Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Chain Pharmacies Fee Fund Committee.

4. State Outside Counsel Chain Pharmacies Fee Eligibility.

- a. To receive any amount from the State Outside Counsel Chain Pharmacies Fee Fund, an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Chain

Pharmacy in a state or federal court as of November 1, 2022. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Chain Pharmacies Fee Fund and any “Additional Remediation Amount” as may be provided for in This Settlement Agreement.

- b. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Chain Pharmacies Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Chain Pharmacies Fee Fund Amount.** The Settling Chain Pharmacy shall pay funds into the State Outside Counsel Chain Pharmacies Fee Fund in an amount equal to, and on the schedule identified in, Exhibit M (the “Contribution”). The Settling Chain Pharmacy’s Contribution shall subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Chain Pharmacies Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Chain Pharmacies Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraph 6.c, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Fees shall be aggregated across the Multistate Chain Pharmacy Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Chain Pharmacy Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State’s outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State’s contract with its outside counsel assuming that fifty percent (50%) of the Settling State’s recovery is allocable to a Settling State (rather than allocable to the Settling State’s Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Chain Pharmacies Fee Fund. The proportional share percentage will be the same for each Settling State

included in the State Outside Counsel Chain Pharmacies Fee Fund. Fees shall be split proportionally among each Multistate Chain Pharmacy Settlement Agreement, as set forth on the Fee Schedule.

- d. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator. The remainder of any unused administrative expenses shall be disbursed pro rata to States receiving monies from the State Outside Counsel Chain Pharmacies Fee Fund at the conclusion of such administration.

7. **Payment by the Fee Fund Administrator.**

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) the last of the three Multistate Chain Pharmacy Settlement Agreements becomes effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Chain Pharmacies Fee Fund in the following scenarios ("Payment Scenarios"):
 - 1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Chain Pharmacy Settlement Agreement.
 - 2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Chain Pharmacies Fee Fund.
 - 3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Chain Pharmacies Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.
- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a

Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Chain Pharmacies Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.

- e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Chain Pharmacy bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Chain Pharmacy.

8. **Reduction of Amounts owed**

- a. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Chain Pharmacy to the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. Specifically, the reduction in the amount owed by the Settling Chain Pharmacy shall be calculated as 2.25% times the total Remediation Payments that would have been allocated to the Non-Settling State had it been a Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.
- b. **Settling States; Redistribution.** If a Settling State under This Settlement Agreement (i) would otherwise be entitled to a payment from the State Outside Counsel Chain Pharmacies Fee Fund and (ii) is eligible to be a "Settling State" under either of the two other Multistate Chain Pharmacy Settlement Agreements but does not become such a "Settling State", then that Settling State's payment from the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced to an amount equal to the Contribution times the Settling State's allocation percentage on Exhibit F, which shall be treated as an additional remediation payment in lieu of a fee payment. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by

the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

- c. If either or both of the other Chain Pharmacies fail to enter into a Multistate Chain Pharmacy Settlement Agreement, or if such Multistate Chain Pharmacy Settlement Agreements fail to take effect by December 15, 2023, then the Settling Chain Pharmacy and the Enforcement Committee shall renegotiate the terms of Paragraph 8.b in order to permit prompt payment to Settling States that terminated contested litigation with the Settling Chain Pharmacy, and permitting additional time if necessary to finalize payments to the other Settling States. In no event will such renegotiation result in additional reversion of monies in the State Outside Counsel Chain Pharmacies Fee Fund to the Settling Chain Pharmacy.

9. Interpretation.

- a. This Agreement shall be an Exhibit to each Multistate Chain Pharmacy Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.
- b. It is the intent of all parties that the State Outside Counsel Chain Pharmacies Fee Fund function in a similar manner, with similar calculations and mechanics, as the “State Outside Counsel Fee Fund” established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

EXHIBIT T

Agreement on the Joint State Cost Fund

1. Definitions.

- a. “Opioids Defendant” means Walmart, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
- b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
- c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
- d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
- e. “Settling States” has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint

State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. Joint State Cost Fund Administrator.

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. State Cost Fund Guidelines and Principles.

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
 1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)
 2. Funds in any State Cost Fund shall be primarily used to reimburse costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:
 - the reasonable costs of the Joint State Cost Fund Administrator;
 - repayment of National Association of Attorneys General grants made in connection with opioid litigation, without regard to when the grants were made;
 - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
 - litigation-related costs; then
 - investigation-related costs; then
 - settlement and negotiation related costs; then
 - cost shares.
5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual state settlements.
8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.
9. When coordinating among different state cost funds that each could

be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.

10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.

11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).

- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
- d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.
- e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.
- f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost

Fund agrees:

- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
- b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;

WALMART SETTLEMENT AGREEMENT

This Settlement Agreement, dated as of November 14, 2022 (the “*Agreement*”), sets forth the terms of settlement between and among the Settling States, Walmart, and the Participating Subdivisions (as those terms are defined below). Upon satisfaction of the conditions set forth in Section II, this Agreement will be binding on all Settling States, Participating Subdivisions, and Walmart. This Agreement will then be submitted for entry as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section II.

WHEREAS, certain States and Subdivisions have filed or could file Actions in various forums against Walmart raising Claims or allegations concerning, related to, based upon, or in connection with the Alleged Harms and/or the Covered Conduct;

WHEREAS, Walmart (i) denies each and all of the Claims and allegations of wrongdoing made by the States and Litigating Subdivisions in each of the Actions and maintains that it has meritorious defenses; (ii) denies all assertions of wrongdoing or liability against Walmart arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions already brought or that could be brought by any State or Subdivision related to the Covered Conduct and/or Alleged Harms and contends that the factual allegations made in the current Actions relating to Walmart are false and materially inaccurate; (iii) denies that any State, Subdivision, or resident thereof, was harmed by any conduct of Walmart; (iv) denies liability, denies any wrongdoing, and denies it violated any federal or state statute or common law; and (v) maintains that Walmart would be able to successfully defend against the Claims and allegations at trial, that the facts do not support the allegations, that Walmart engaged in no misconduct or unlawful activity, and that Walmart caused no harm to any State, Subdivisions, or resident thereof;

WHEREAS, the Parties have investigated the facts and analyzed the relevant legal issues regarding the Claims and defenses that have been or could have been asserted in the Actions;

WHEREAS, objective data metrics reported in the federal ARCOS database demonstrate that on a national basis Walmart dispensed on average materially fewer and less potent opioids per store than other major chain pharmacies and many independent pharmacies nationwide, and Walmart’s share of opioids distributed and dispensed nationwide was substantially lower than other major chain pharmacies;

WHEREAS, Walmart has implemented policies, procedures, and controls relating to the dispensing of prescription opioid medications and other controlled substances, including pharmacist training and empowerment programs, company-wide limitations on strength and duration of acute opioid prescriptions, and opioid data analytics, which Walmart uses to identify and investigate potentially problematic prescribing practices;

WHEREAS, the Parties have determined that it is preferable to resolve any claims the States and Subdivisions may have through a cooperative and mutually beneficial settlement that provides funding to remediate Alleged Harms;

WHEREAS, the Parties have each considered the costs, delays and uncertainty associated with the prosecution and defense of an action and the continued prosecution and defense of the Actions;

WHEREAS, the Parties believe the settlement set forth herein avoids the uncertainties of litigation and assures that the benefits reflected herein are obtained;

WHEREAS, the States have concluded that the terms of the settlement are fair, reasonable and adequate and in the best interest of the States and all Subdivisions and citizens and residents of the States;

WHEREAS, the Parties have agreed to the terms herein for the sole purpose of settlement, and nothing herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing or lack thereof;

WHEREAS no part of this Agreement, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing, or of any lack thereof;

WHEREAS, unless the contrary is expressly stated, this Agreement is not intended for use by any Party or any third party for any purpose not expressly stated herein, including submission to any court for any purpose other than Court approvals associated with this Agreement;

NOW, THEREFORE, IT IS HEREBY AGREED by and between the States, Participating Subdivisions, and Walmart, by and through their respective counsel, as follows:

CCC. “*Released Claims*” means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern Covered Conduct and/or Alleged Harms occurring prior to the Threshold Subdivision Participation Date. any Settling State or any of its Litigating Subdivisions or Litigating Special Districts in any federal, state or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of or relating to, in whole or in part, the Covered Conduct and/or Alleged Harms, or any such Claims that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, any of its Subdivisions or Special Districts, or any Releasors (whether or not such State, Subdivision, Special District, or Releasor has brought such action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct and/or Alleged Harms. The Parties intend that “Released Claims” be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, any joint venture partner of a joint venture in subsection (2) or (4) is not a Released Entity unless such entity independently falls within subsections (1)-(5) above. An illustrative list of Walmart’s present joint ventures, subsidiaries and affiliates and predecessor entities is set forth in Exhibit J. With respect to joint ventures (including predecessor entities), only entities listed on Exhibit J are Released Entities. Current or former Defendants in *In re: National Prescription Opiate Litigation*, No. 1: 17-md-2804 (N.D. Ohio) (“MDL”) (or in other pending litigation asserting a Claim for Covered Conduct, as identified in the “*National Opiate Litigation – Case and Defendant Extract*” provided to Walmart by the Plaintiffs’ Executive Committee on November 12, 2022) not identified in Exhibit J are not considered Released Entities, provided, however, that any Walmart entities that fall within clauses (1)-(5) above against whom Released Claims are brought in the MDL on or after November 14, 2022 shall be considered Released Entities even if not listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by Walmart after the Threshold Subdivision Participation Date is not a Released Entity.

EEE. “*Releasors*” means (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State’s Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State’s and Participating Subdivision’s departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public

entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, qui tam, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in the Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Participation Agreement referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority.

II. Participation by States and Subdivisions; Effectiveness of Agreement

A. *State Participation Threshold.*

1. On November 14, 2022, this Agreement shall be distributed to all Eligible States by the Enforcement Committee. The Eligible States' Attorneys General shall then have until December 15, 2022, or such later date as agreed to in writing by Walmart and the Enforcement Committee prior to December 15, 2022 (the "*State Participation Date*"), to decide whether to become Settling States. Eligible States that determine to become Settling States shall sign a Participation Form, in the form attached as Exhibit V, on or before the State Participation Date and provide it to Walmart and the Enforcement Committee.

2. To meet the State Participation Threshold, more than 85% of all Threshold States, by number of such states (the "*State Participation Threshold*"), must have joined this Agreement as Settling States on or before the State Participation Date. For purposes of calculating the State Participation Threshold, each Separately Settling State that is also a Threshold State shall be included in both the numerator and the denominator for purposes of calculating whether the State Participation Threshold has been satisfied. For the avoidance of doubt, to be satisfied, the State Participation Threshold requires that 43 or more of the 50 Threshold States (a) become Settling States by signing a Participation Form or (b) be included in both the numerator and the denominator for purposes of calculating the State Participation Threshold by virtue of being a Separately Settling State that is also a Threshold State.

3. Within the first business day on or after three (3) calendar days after the State Participation Date, the Enforcement Committee will deliver all signed State Participation Forms to Walmart. If the State Participation Threshold has not been satisfied by the State Participation Date, this Agreement will have no further effect and all releases and other commitments or obligations contained herein or in State Participation Forms will be void, provided, however, that on or after the State Participation Date, Walmart shall have the unilateral right in its sole discretion to extend the State Participation Date or to proceed with the Settlement if the State Participation Threshold has not been satisfied.

B. *Subdivision Participation Thresholds.*

1. If the State Participation Threshold has been satisfied by the State Participation Date, each of the Settling States will use reasonable efforts to ensure that, by April 18, 2023, or such later date as agreed to in writing by Walmart and the Enforcement Committee prior to April 18, 2023 (the "*Threshold Subdivision Participation Date*"), the Settling States have met the following "*Subdivision Participation Thresholds*": (1) more than 85% of the aggregate population of all Litigating Subdivisions located in the Settling States and Separately Settling States (calculated on an aggregated basis and not a State-by-State basis): (a) have become Participating Subdivisions by executing a Subdivision Participation Agreement, including a release (subject to Section VII.D), in accordance with Section VII.C, (b) are subject to a Bar or Case-Specific Resolution or (c) have joined a settlement between Walmart and a Separately Settling State by executing a participation

form, including a release; and (2) more than 85% of the aggregate population of all Non-Litigating Threshold Subdivisions located in the Settling States and Separately Settling States (calculated on an aggregated basis and not a State-by-State basis): (a) have become Participating Subdivisions by executing a Subdivision Participation Agreement, including a release (subject to Section VII.D), in accordance with Section VII.B, (b) are subject to a Bar or Case-Specific Resolution, or (c) have joined a settlement between Walmart and a Separately Settling State by executing a participation form, including a release (together, the “*Participating Population Levels*”). For the avoidance of doubt, for purposes of calculating the Participating Population Levels for the Subdivision Participation Thresholds, all Litigating Subdivisions and Non-Litigating Threshold Subdivisions located in Separately Settling States shall be included in the respective denominators for purposes of calculating whether the Subdivision Participation Thresholds have been satisfied, and any such Litigating Subdivisions or Non-Litigating Threshold Subdivisions located in Separately Settling States that have joined such separate settlement agreement with Walmart by executing a participation form, including a release, shall be included in the respective numerators for purposes of calculating whether the Subdivision Participation Thresholds have been satisfied.⁶

2. As soon as practicable following the Threshold Subdivision Participation Date, the Settlement Fund Administrator shall calculate the Participating Population Levels and determine whether the Subdivision Participation Thresholds have been met.

a. As soon as practicable following calculation of the Participating Population Levels, the Settlement Fund Administrator shall give notice to Walmart, the Settling States, and the Enforcement Committee of the Participating Population Levels and whether the Subdivision Participation Thresholds have been met.

b. Within ten (10) calendar days of the notice provided by the Settlement Fund Administrator, any Party or the Enforcement Committee may dispute, in writing, the calculation of the Participating Population Levels or the determination of whether the Subdivision Participation Thresholds have been met. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, and Walmart (and the affected Settling State, as applicable) identifying the nature of the dispute.

c. Within ten (10) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, Walmart, and the disputing Party (and the affected Settling State, as applicable) identifying the basis for disagreement with the notice of dispute.

⁶ For purposes of calculating the Participating Population Levels for the Subdivision Participation Thresholds, the populations of Lake and Trumbull Counties of Ohio and Nassau and Suffolk Counties of New York shall be excluded entirely from both the numerator and denominator of the Subdivision Participation Thresholds of both the Litigating Subdivisions and Non-Litigating Threshold Subdivisions. Nassau and Suffolk Counties of New York also shall be excluded from both the numerator and denominator for purposes of calculating New York’s Incentive BC Subdivision participation.

d. After the time period for a response to be filed has passed, the Settlement Fund Administrator, the Enforcement Committee, Walmart, and the disputing Party (and the affected Settling State, as applicable) shall meet and confer within ten (10) calendar days in an attempt to resolve the dispute. If no resolution is reached, disputes described in this subsection shall be handled in accordance with the terms of Section VI.F.3.

3. If the Subdivision Participation Thresholds are not satisfied by the Threshold Subdivision Participation Date, then any and all releases, commitments or obligations contained herein or in State Participation Forms or Subdivision Participation Agreements shall be void, provided, however, that on or after the Threshold Subdivision Participation Date, Walmart shall have the unilateral right in its sole discretion to extend the Threshold Subdivision Participation Date or to proceed with the Settlement if one or both of the Subdivision Participation Thresholds have not been satisfied.

C. *Conditions to Effectiveness.* If (1) the State Participation Threshold is met by the State Participation Date and (2) the Subdivision Participation Thresholds are met by the Threshold Subdivision Participation Date, then this Agreement will be deemed effective fifteen (15) days after (a) the Threshold Subdivision Participation Date, or (b) such time as the Settlement Fund Administrator has completed the Participating Population Level calculations necessary to determine whether the Subdivision Participation Thresholds have been achieved, the Settlement Fund Administrator has provided notice of such calculations and determinations to the Parties, and any disputes concerning such calculations and determinations have been resolved subject to Section II.B.2.a-d, whichever is later (the “*Effective Date*”). Subject to Walmart’s unilateral right in its sole discretion to extend the State Participation Date and/or the Threshold Subdivision Participation Date if the State Participation Threshold or Subdivision Participation Thresholds have not been met by their respective deadlines, or to proceed with the Settlement if one or more of the State Participation Threshold or Subdivision Participation Thresholds have not been met, as set forth in Sections II.A.3 and II.B.3, if either of the foregoing clauses (1) or (2) is not satisfied by the State Participation Date or the Threshold Subdivision Participation Date, respectively, then any and all commitments or obligations (including any and all releases) contained herein or in any State Participation Form or Subdivision Participation Agreement shall be void.

D. *Consent Judgments.* Promptly after the Effective Date, the Parties will proceed to file the Consent Judgments, and the obligations in the State Participation Forms and Subdivision Participation Agreements will become effective and binding as of the Effective Date.

III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgments, the Parties agree to the entry of the injunctive relief terms as set forth in Exhibit P.

IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Payment by Walmart.*

1. Provided the conditions set out in Sections II.A-C are met, within seven (7) calendar days after the Effective Date, the Settlement Fund Administrator shall determine the amount representing the maximum total allocation of opioid remediation and abatement payments for the Settling States (the “*Remediation Payment*”), as calculated by multiplying (a) the total allocation percentages accorded to the Settling States in accordance with Exhibit F by (b) the Global Settlement Remediation Amount.

2. Fifteen (15) calendar days after the Effective Date (the “*Deposit Date*”), Walmart shall deposit the Remediation Payment into the Settlement Fund. The Remediation Payment shall be distributed to the Settling States and/or refunded to Walmart by the Settlement Fund Administrator consistent with the terms of this Agreement. Any interest earned on the Remediation Payment within the Settlement Fund, to the extent not used to pay the fees for the Settlement Fund Administrator, shall become and remain part of the Remediation Payment within the Settlement Fund and be made available for payments on a pro rata basis to the eventual recipients of the funds (either to Walmart in the case of refund or to the applicable Settling State) in accordance with this Agreement.

3. The Settlement Fund Administrator shall determine the Remediation Payment to be deposited by Walmart on the Deposit Date pursuant to Section IV.B.1. The allocation for each Settling State shall be based on the percentages set out in Exhibit F. For the avoidance of doubt, each of West Virginia, New Mexico, Florida, Alabama, and any other Separately Settling State are not eligible to receive payments under this Agreement.

C. *Payments to Settling States and Reversions to Walmart.*

1. *Payments and Refunds.* Subject to the terms of this Section IV.C.1, Settling States shall be eligible to receive payments under this Agreement over a period not to exceed six (6) years. Such payments shall be paid from the Settlement Fund by the Settlement Fund Administrator. Settling States shall be eligible for at most two payments from the Payout Amount in Payment Year 1 and one payment of the Payout Amount for each of Payment Years 2 through 6. Walmart shall be refunded any portion of the Remediation Payment that Settling States failed to earn in a given Payment Year and that Settling States are not able to earn in future years, as well as accrued interest on such amounts, as of the First Subdivision Participation Date and each subsequent anniversary of the First Subdivision Participation Date. The Settlement Fund Administrator will retain sufficient funds in the Settlement Fund in Payment Years 1 and 2 to pay amounts owed to Settling States due to additional Subdivision participation in Payment Years 2 and/or 3.

2. *Procedure for Calculation of Payments and Refunds; Disputes.*

a. Calculation of Payments and Refunds. As soon as practicable following the Threshold Subdivision Participation Date, after determining the Remediation Payment in accordance with Section IV.B, and as soon as practical after each of the First, Second, and Third Subdivision Participation Dates, and as soon as practical after each of the Incentive Payment D Look-Back Dates, the

Settlement Fund Administrator shall calculate (1) the Payout Amount (including the amount of the Settlement Fund to be allocated to the Settlement Fund Administrator in costs and fees pursuant to Section V.C.4); (2) the amount to be received by each Settling State; (3) the amount to be received by the separate types of funds for each Settling State (if applicable); (4) the allocation to be received by each Settling State's Participating Subdivisions listed on Exhibit G; and (5) the amount of any refund due to Walmart, and the Settlement Fund Administrator shall give notice to Walmart, the Settling States, and the Enforcement Committee of each such amount in clauses (1) through (5). If Walmart and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amounts to be calculated pursuant to clauses (1), (2), and (5) above, the Settlement Fund Administrator shall treat those amounts as the calculated amount. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have reached consensus on the amounts to be calculated pursuant to clauses (3) and/or (4) above, the Settlement Fund Administrator shall use those amounts so long as they are consistent with the amount calculated pursuant to clause (2). The Payout Amount shall be based on each Settling State's eligibility to receive one or more Incentive Payment(s) as set out in Section IV.E. For the avoidance of doubt, any Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund, and no provision of this Agreement shall be interpreted to create such an entitlement.

b. Notice of Dispute. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, (1) Walmart, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Payout Amount (including the amount allocated for Settlement Fund Administrator costs and fees), whether a Settling State qualifies for an Incentive Payment, or the amount to be received by a Settling State and/or its Participating Subdivisions listed on Exhibit G and (2) a Participating Subdivision may dispute, in writing, the calculation of the amounts under Section IV.C.2.a clauses 3 or 4 solely with respect to such amounts calculated for the Settling State in which it is located and without disputing the amounts calculated under Section IV.C.2.a clauses 1, 2, or 5. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State or Participating Subdivision, and Walmart identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) or Participating Subdivision(s) affected.

c. Response to Notice of Dispute. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State or Participating Subdivision, and Walmart identifying the basis for disagreement with the notice of dispute.

d. Resolution of Disputes. If no response is filed within the specified time period, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, the Settlement Fund Administrator shall pay the adjusted Payout Amount, and the dispute shall be considered finally resolved. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Walmart and the Enforcement Committee of the preliminary amount to be paid out by the Settlement Fund Administrator, which shall be the smaller of the amount originally calculated by the Settling Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid to a Settling State be higher than the maximum amount of Incentive Payment A for that Payment Year.

e. Final resolution of such disputes shall be handled in accordance with the terms of Section VI.F and the Settlement Fund Administrator shall not distribute any amount subject to a dispute being resolved under Section VI.F until such time when the dispute is finally resolved.

3. *Timing of Payments and Reversions.*

a. Payment to the Settling States from the Settlement Fund of the Base Payment will be made as soon as practicable following the Threshold Subdivision Participation Date and the Settlement Fund Administrator's calculation of payment amounts, provision of notice to the Parties, and resolution of any disputes, as applicable and as set forth in Section IV.C.2.a-e (the "*Payout Procedure*"). Any additional payments to the Settling States and/or any reversion to Walmart for Payment Year 1 will be made as soon as practicable following July 15, 2023 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*First Subdivision Participation Date*") and the Settlement Fund Administrator's completion of the Payout Procedure.

b. In Payment Year 2, payment to the Settling States and/or any reversion to Walmart will be based on Subdivision Participation as of July 15, 2024 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*Second Subdivision Participation Date*") and will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

c. In Payment Year 3, payment to the Settling States and/or any reversion to Walmart will be based on (i) Subdivision Participation as of July 15, 2025 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*Third Subdivision Participation Date*") and (ii) eligibility for Incentive D, as set forth in Section IV.E.3, and will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

d. In Payment Years 4 through 6, payment to the Settling States and/or any reversion to Walmart will be based on eligibility for Incentive Payment D, as set forth in Section IV.E.3. Payment will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

e. The Settlement Fund Administrator may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements. In determining when payments for each Payment Year will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

D. *Base Payment.* Each Settling State will receive a base payment equal to thirty-eight percent (38%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount (the "*Base Payment*"). The Base Payment shall be made as soon as practicable after the Effective Date.

E. *Incentive Payments.* Each Settling State shall be eligible to receive additional incentive payments totaling up to a maximum of sixty two percent (62%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State. In no event shall any Settling State receive more than one hundred percent (100%) of its respective Overall Allocation Percentage of the Global Settlement Remediation Amount under this Agreement. The incentive payments shall be divided among three (3) categories, referred to as Incentive Payments A, BC, and D. As applicable, Incentive Payments A and BC will be paid in at most three payments in Payment Years 1 through 3: one payment in Payment Year 1, one payment in Payment Year 2, and one payment in Payment Year 3. Incentive Payment D will be paid over four installments in Payment Years 3 through 6, provided a Settling State remains eligible to receive Incentive Payment D throughout that period and has not otherwise earned Incentive Payment A. The incentive payments shall be determined by the Settlement Fund Administrator and made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.

1. Incentive Payment A. Incentive Payment A shall be equal to sixty-two (62%) of a Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, provided such Settling State becomes eligible for Incentive Payment A and subject to Section IV.E.1.a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A, such Settling State is not eligible for Incentive Payments BC or D. If a Settling State is not eligible for Incentive Payment A by the Third Subdivision Participation Date, it shall not be eligible for Incentive Payment A in any succeeding year. Eligibility for Incentive Payment A is as follows:

a. A Settling State is eligible for Incentive Payment A if, as of the First Subdivision Participation Date in Payment Year 1, the Second Subdivision Participation Date in Payment Year 2, or the Third Subdivision Participation Date in Payment Year 3, (i) there is a Bar in that State in full force and effect; (ii) there

is a Settlement Class Resolution in that State in full force and effect; (iii) there is a ruling from the State's highest court barring all Subdivisions from bringing or maintaining Released Claims; (iv) the Released Claims of all of the following entities are released through the execution of Subdivision Participation Agreements: (1) all Litigating Subdivisions, (2) all Non-Litigating Primary Subdivisions, (3) all non-litigating School Districts with a K-12 student enrollment of at least 25,000 or 0.10% of a State's population, whichever is greater, (4) all non-litigating Health Districts and Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and (5) all Primary Fire Districts; or (v) a combination of the actions in clauses (i)-(v) has achieved the same level of resolution of Claims by Subdivisions (e.g., a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Each Settling State that believes it qualifies for Incentive A shall provide notice to Walmart, the Enforcement Committee, and the Settlement Fund Administrator, including data sources or other information establishing such Settling State's entitlement to Incentive A, by the First, Second, or Third Participation Dates, as applicable. Walmart and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section IV.E.1.a prior to the State Participation Date. For the avoidance of doubt, any disputes regarding whether a Settling State qualifies for Incentive A shall be handled in accordance with the Payout Procedure.

b. If a Settling State becomes eligible for Incentive A in Payment Years 2 or 3, then the Settling State shall be entitled to receive the remaining incentive payments that the Settling State could have earned (the "*Remaining Incentive Payments*"), which equals (i) ninety-seven percent (97%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, representing the maximum Incentive Payment BC, minus any Incentive Payment BC amounts previously paid to such Settling State in Payment Year 1 (or, if such Settling State first becomes eligible for Incentive Payment A in Payment Year 3, the sum of any Incentive Payment BC payment amounts previously paid to the Settling State in Payment Years 1 and 2), the resulting difference of which shall be reduced by 12.5% if Incentive Payment A is achieved in Payment Year 2 or by 25% if Incentive Payment A is achieved in Payment Year 3; and (ii) three percent (3%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, representing Incentive Payment D, as described in Section IV.E.3.

2. Incentive Payment BC. If a Settling State does not qualify for Incentive Payment A, it may still qualify to receive up to fifty-nine percent (59%) of the Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount under Incentive Payment BC. A Settling State may earn Incentive Payment BC in Payment Years 1 through 3 and may receive, when combined with the Settling State's Base Payment, a

maximum of up to 97% of the Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount. Eligibility for Incentive Payment BC is as follows:

a. Subject to Section IV.E.1, the amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State’s Incentive BC Subdivisions that participate in the Agreement or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all of the Settling State’s Incentive BC Subdivisions. The Settling State’s Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are “*Incentive BC Subdivisions*”). The percentage of the Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount, inclusive of the Base Payment, to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

Percentage of Incentive BC Subdivision Population⁷	Percentage of Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount (includes the Base Payment)
Participation of 85% but less than 86%	Payment of 43%
Participation of 86% but less than 87%	Payment of 46%
Participation of 87% but less than 88%	Payment of 49%
Participation of 88% but less than 89%	Payment of 52%
Participation of 89% but less than 90%	Payment of 55%
Participation of 90% but less than 91%	Payment of 58%
Participation of 91% but less than 92%	Payment of 61%
Participation of 92% but less than 93%	Payment of 64%
Participation of 93% but less than 94%	Payment of 67%
Participation of 94% but less than 95%	Payment of 70%
Participation of 95% but less than 96%	Payment of 75%
Participation of 96% but less than 97%	Payment of 79.5%
Participation of 97% but less than 98%	Payment of 84%
Participation of 98% but less than 99%	Payment of 88.5%
Participation of 99% but less than 100%	Payment of 93% o

⁷ The “Percentage of Incentive BC Subdivision Population” shall be determined by the aggregate population of the Settling State’s Incentive BC Subdivisions that participate in the Agreement or have had their claims resolved through a Case-Specific Resolution divided by the aggregate population of the Settling State’s Incentive BC Subdivisions. In calculating the Settling State’s population that resides in Incentive BC Subdivisions, the population of the Settling State’s Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in either the numerator or denominator of the calculation regardless if it (or any of its officials) is named more than once as plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Subdivision to be excluded.

Participation of 100%	Payment of 97%
-----------------------	----------------

b. For Payment Year 1, the Settlement Fund Administrator shall calculate and allocate Incentive Payment BC payments to Settling States based on the Settling State's Incentive BC Subdivision Population participation rate as of the First Subdivision Participation Date. Payments to the Settling States and/or any refund to Walmart shall be made as soon as practicable after the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

c. For Payment Year 2, additional payments of Incentive Payment BC shall be made to any Settling State for which the Settling State's Incentive BC Subdivision Population participation rate as of the Second Subdivision Participation Date results in a higher payment level than for Payment Year 1. Any Incentive Payment BC payment to a Settling State in Payment Year 2 will be 87.5% of the difference between (i) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Second Subdivision Participation Date and (ii) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the First Subdivision Participation Date. Any payments to Settling States or reversion to Walmart will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

d. For Payment Year 3, additional payments of Incentive Payment BC shall be made to any Settling State for which the Settling State's Incentive BC Subdivision Population participation rate as of the Third Subdivision Participation Date results in a higher payment level than for Payment Year 2. Any Incentive Payment BC payment to a Settling State in Payment Year 3 will be 75% of the difference between (i) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Third Subdivision Participation Date and (ii) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Second Subdivision Participation Date. Any payments to Settling States or reversion to Walmart will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

e. The Settlement Fund Administrator shall withhold sufficient funds from Participating Subdivisions in each Payment Year to pay Non-Participating Subdivisions listed on Exhibit G for the Payment Year if they become Participating Subdivisions by the Second Subdivision Participation Date or Third Subdivision Participation Date. If such Non-Participating Subdivisions do not become Participating Subdivisions by the Third Subdivision Participation Date, such withheld funds will be allocated to Participating Subdivisions based on the allocation percentages on Exhibit G. For the avoidance of doubt, nothing in this subsection allows a Non-Participating Subdivision to receive funds until and unless it becomes a Participating Subdivision.

3. Incentive Payment D. Incentive Payment D shall be applied starting at Payment Year 3 and the amount of Incentive Payment D in each year will depend on (i) the Settling State's eligibility as set out in Section IV.E.3.a and (ii) the Percentage of

Incentive BC Subdivision Population achieved by the Settling State as of the Third Subdivision Participation Date. Incentive Payment D shall be equal to between three percent (3%) and fifteen percent (15%) of the of the Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount. The Incentive Payment D may be earned in each of Payment Years 3 through 6. Eligibility for Incentive Payment D is as follows:

a. A Settling State is eligible for Incentive Payment D if there has been no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the State’s population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that State that has had a Claim against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion as of July 15 of Payment Years 3 to 6 (each, an “*Incentive Payment D Look-Back Date*”).

b. To the extent a Settling State achieves a Percentage of Incentive BC Subdivision Population of 95% or above as of the Third Subdivision Participation Date, the level of Incentive Payment D is reduced according to the schedule below. The following portions of Incentive Payment D are paid in equal installments in Payment Years 3 through 6:

Percentage of Incentive BC Subdivision Population as of the Third Subdivision Participation Date	Incentive Payment D Amount as a Percentage of Settling State’s Overall Allocation Percentage of the Global Settlement Remediation Amount
Participation below 95%	15%
Participation of 95% but less than 96%	13%
Participation of 96% but less than 97%	11%
Participation of 97% but less than 98%	9%
Participation of 98% but less than 99%	7%
Participation of 99% but less than 100%	5%
Participation of 100%	3%

c. The Settlement Fund Administrator shall determine a Settling State’s eligibility for Incentive Payment D as of the Incentive Payment D Look-Back Date in Payment Years 3 through 6. If a Later Litigating Subdivision’s lawsuit in that Settling State survives more than six (6) months after denial in whole or in part of a Threshold Motion, that State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year. Prior to the Incentive Payment D Look-Back Date in Payment Years 3 through 6, Walmart may provide the Settlement Fund Administrator and the

Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

d. If, at any time within six (6) years of the Threshold Subdivision Participation Date, any Subdivision becomes a Later Litigating Subdivision (as that term is limited by Section IV.E.3.a), then Walmart shall, within thirty (30) days of Walmart or any Released Entity being served or otherwise informed of the prosecution of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Walmart under the Agreement or the Injunctive Relief Terms imposed on it). The relevant Settling State and Walmart shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

e. Notwithstanding Section IV.E.3, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for any missed payments of Incentive Payment D in the following Payment Year, less any litigation fees and costs incurred by Walmart in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payment made under Section IV into the Settlement Fund shall be initially allocated among those three (3) Sub-Funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds).

B. Use of Settlement Payments.

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation to address Alleged Harms, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than eighty-five percent (85%) of Walmart's maximum payment amounts, distributed pursuant to Section IV, Section VIII, and Section IX as set forth on Exhibit M over the entirety of all Payment Years (but not in any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision may, subject to the limitation in the second sentence of Section V.B.1, use

monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation, provided that if, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision listed on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Walmart how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "*Total Remediation Amount*" for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different States, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. This Agreement has no effect on the ability of Settling States and their Subdivisions to internally agree on the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level Sub-Funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.D on a State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Base Payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under Section IV.E on a State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Incentive payments for which a Settling State is eligible under Section IV.E will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Settlement Fund Administrator. Prior to the Threshold Subdivision Participation Date, Walmart and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

4. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund; *provided, however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Walmart shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution.*

As set forth below, within a particular Settling State's account, amounts contained in the Sub-Funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Sub-Funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after November 14, 2022 shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.⁸ For a State-Subdivision Agreement to be applied to the relevant portion of the Payout Amount, notice must be provided to Walmart and the Settlement Fund Administrator at least ten (10) business days prior to the Settlement Fund Administrator issuing payment to Settling States pursuant to the Payout Procedure.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such Sub-Funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation,⁹ then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) Sub-Funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not

address distribution of all or some of these three (3) Sub-Funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation and abatement, then the default provisions in this Agreement concerning allocation among the three (3) Sub-Funds and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that State's State Fund shall be distributed to that State.

b. Amounts apportioned to that State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust, then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section V.F shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any

amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions to the extent such a distribution would violate Section VII.E or Section VII.F. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.G.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation¹⁰ and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

(i) At least fifty percent (50%) of distributions for remediation from a State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (A) define its initial regions, which shall consist of one (1) or more General-Purpose Subdivision(s) and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the

Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated using the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General-Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of block grants for future Opioid Remediation.¹¹ A Participating Subdivision eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more, and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.c shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-

Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Walmart and the Enforcement Committee.

F. *Nature of Payment.* Walmart, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) as damages for the Alleged Harms; (b) the Total Remediation Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Total Remediation Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Total Remediation Amount by Walmart constitutes restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Walmart in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes restitution and

remediation for alleged damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law; and

4. For the avoidance of doubt: (a) the entire Total Remediation Amount is properly characterized as described in Section V.F, (b) no portion of the Total Remediation Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount represents the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for or in place of any fine, penalty, punitive damages, or other punitive assessments.

VI. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Walmart; *provided, however*, that Released Entities may enforce Section X and Participating Subdivisions have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights with respect to either the terms of this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Walmart with respect to this Agreement or any Consent Judgment except that Participating Subdivisions shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Remediation Accounts Fund pursuant to Section V; *provided, however*, that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Walmart consents to the jurisdiction of the court in which the Consent Judgment is filed, limited to resolution of disputes identified in Section VI.F.2 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Walmart believes that the eighty-five percent (85%) requirement established in Section V.B.1 is not being satisfied, Walmart may request that Walmart and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall (i) be limited to Walmart obtaining a reversion of its Payout Amount by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the eighty-five percent (85%) requirement established in Section V.B.1; and (ii) only reduce payments to those Settling States and their Participating Subdivisions that are below the eighty-five percent (85%) requirement established in Section V.B.1;

provided that Walmart shall not obtain a reversion of funds restricted to future Opioid Remediation.

D. State-Subdivision Enforcement.

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. Subdivision Payment Enforcement. A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State pursuant to Section VI.F.3.a(iv) to seek resolution regarding the failure by Walmart to make its Payout Amount.

F. Other Terms Regarding Dispute Resolution.

1. Except as provided by Section VI.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section VI.F to resolve the dispute.

2. Except to the extent provided by Section VI.C or Section VI.F.3, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.3.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

3. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Walmart (together, "*Participating Parties*") shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.2's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of withholding attributable to Non-Settling States;

- (ii) issues involving the scope and definition of Product;
- (iii) interpretation and application of the terms Alleged Harms,” “Covered Conduct,” “Released Entities,” and “Released Claims”;
- (iv) the failure by the Settlement Fund Administrator to pay the Payout Amount or the Additional Remediation Amount in a Payment Year, but for the avoidance of doubt, disputes between Walmart and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;
- (v) the interpretation and application of any most-favored-nation provision in Section XII.E;
- (vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;
- (vii) disputes involving liability of successor entities;
- (viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;
- (ix) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and
- (x) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Walmart, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible,

and with a presumption in favor of remote participation to minimize the burdens on the Participating Parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any Participating Party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Walmart on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Walmart, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Walmart whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each Participating Party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Walmart and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Walmart and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

4. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining Participating Party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for

obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

5. If the Participating Parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Walmart such that the members of the Enforcement Committee have a majority of one (1) member will determine, within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum, the forum where the dispute will be initiated. The forum identified by such committee shall be the sole forum for resolving the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Walmart reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VII. Participation by Subdivisions

A. *Notice.* Prior to the State Participation Date, the Parties shall agree on a vendor to serve as the Implementation Administrator and provide notice pursuant to this Section VII.A. No later than fifteen (15) calendar days after the State Participation Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States, shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the State Participation Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. The notice will include that the deadline for becoming a Participating Subdivision is the Threshold Subdivision Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating

Subdivision, including beginning any of the activities described in this paragraph prior to the State Participation Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Settlement Fund Administrator (subject to Section VII.D) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the relevant state seat of government is located for purposes limited to that court's role under this Agreement. The required Participation Agreement is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Settlement Fund Administrator (subject to Section VII.D) and upon prompt dismissal with prejudice of its lawsuit following the Threshold Subdivision Participation Date or the date on which the conditions for effectiveness in Section II.C have been met, whichever is later. A Settling State may require each Litigating Subdivision in that State to specify on the Participation Agreement whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity. For avoidance of doubt, where a subdivision official other than a General-Purpose Government has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity, that Subdivision may become a Participating Subdivision only if, in addition to the other requirements of this Section VII.C, the lawsuit filed by the subdivision official has also been dismissed with prejudice.

D. All Subdivision Participation Agreements returned to the Settlement Fund Administrator prior to the Effective Date (if any) shall be held by the Settlement Fund Administrator until the Effective Date, at which time the obligations created by such forms and releases in them become effective. If, for any reason, the Settlement Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then-existing document preservation obligations.

E. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

F. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Payout Amount, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

G. *Unpaid Allocations to Non-Participating Subdivisions.* Any payments allocated pursuant to Section V.D to a Non-Participating Subdivision that cannot be paid pursuant to this Section VII will either be allocated to the Settlement Fund for the Settling State in which the Non-Participating Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust, or be refunded to Walmart, if such funds may no longer be earned by the applicable Settling State pursuant to Section IV.C.1.

VIII. Additional Remediation

A. *Additional Remediation Amount.* Pursuant to the maximum payment amounts set forth in Exhibit M and subject to the reduction specified in Section VIII.B, Walmart shall pay an Additional Remediation Amount to the Settling States.

B. *Reduction of Additional Remediation Amount.* The amounts owed by Walmart pursuant to this Section VIII shall be reduced by the allocations set forth on Exhibit N for any Non-Settling States.

C. *Use of Funds.* All funds paid as an Additional Remediation Amount shall be part of the Total Remediation Amount, shall be used for Opioid Remediation, except as allowed by Section V.B.2, and shall be governed by the same requirements as specified in Section V.F. Such funds shall be disbursed by the Settlement Fund Administrator to the relevant Settling States as allocated by Exhibit N as part of the first payment in Payment Year 1.

D. For the avoidance of doubt, (1) notwithstanding anything to the contrary in Section VIII.C, but subject to the limitation in the second sentence of Section V.B.1 and the identification and reporting requirements in Section V.B.2, a Settling State that retained outside counsel in connection with the investigation of one or more Chain Pharmacies, as that term is defined in Exhibit S, that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Sections V.C through V.E.

IX. Plaintiffs' Attorneys' Fees and Costs

The Agreement on Attorneys' Fees, Costs, and Expenses is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the Joint State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

X. Release

A. *Scope.* As of the Threshold Subdivision Participation Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim; or to cause, assist in bringing or permit to be brought, filed, or claimed; or to otherwise seek to establish liability for any Released Claim against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are broad, shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to any Released Claim, and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Alleged Harms and/or Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties shall not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. If any Releasor enters into a Non-Party Settlement on or after the Effective Date, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-

Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Walmart in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. If any Releasor obtains a judgment with respect to a Non-Party Covered Conduct Claim against a Non-Released Entity that does not contain the prohibition described in Section X.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Walmart shall take the following actions to ensure that the Released Entities do not pay more with respect to Alleged Harms and/or Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Walmart:

a. Walmart shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Agreement, whichever is later;

b. Walmart and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement;

c. That Releasor and Walmart shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Walmart or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Walmart to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Walmart by that Releasor to ensure Walmart is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Walmart under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Walmart may devise to hold Walmart harmless from the Claim-Over.

d. The actions of that Releasor and Walmart taken pursuant to clause (c) above must, in combination, ensure Walmart is not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to clause (c) above, Releasor and Walmart may seek review by the National Arbitration Panel, or, upon consent of the parties to the dispute, by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to order a remedy, including one or more of the actions specified in clause (c), sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Walmart shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Walmart harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Walmart may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Walmart shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a

Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date even if Releasors do not know or suspect such claims to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and even if knowledge of the existence of such claims would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct or Alleged Harms by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Walmart (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Walmart.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or will obtain no later than the Threshold Subdivision Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past

and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor, to be materially similar to that in Exhibit X, is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Settling States will meet and confer with Walmart and simultaneously make reasonable efforts to resolve any action filed by a Subdivision involving any Covered Conduct, Alleged Harms, or a Product that remains pending against Walmart after the First Subdivision Participation Date or that is filed by a Subdivision against Walmart after November 14, 2022. Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any Claims arising under this Agreement for enforcement of this Agreement.

XI. Later Litigating Subdivisions; Non-Settling States

A. *Released Claims against Released Entities.* If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Effective Date, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Walmart shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Walmart under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Walmart shall confer and use reasonable efforts to promptly resolve

the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

B. *Non-Settling States.* Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.

C. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Settling State shall seek to obtain either dismissal of the lawsuit in cooperation with Walmart, or a release of the Primary Subdivision's claims.

D. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If a Settling State received any Payout Amounts that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Payout Amount, that Settling State shall seek to obtain a release of the claims impacted by the Revocation Event, including but not limited to defending the legality of the Bar, obtaining a dismissal of the claims made against the Released Entity, and obtaining releases from impacted Subdivisions.

XII. Miscellaneous

A. *Population of General-Purpose Governments.* The population figures for General-Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.¹²

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.E.1.a and Section IV.E.3.b: (a) School Districts' populations will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("IDEA") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' populations will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including fire districts' and library districts') populations will be measured at ten percent (10%) of the population served. For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Walmart and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section XII.B prior to the State Participation Date.

¹² The estimates for counties and parishes were accessed at <https://www.census.gov/data/datasets/time-series/demo/popest/2010s-countiestotal.html>. The estimates for cities and towns can currently be found at <https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html>.

C. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* The Parties intend the settlement as described herein to be a final and complete resolution of all disputes between Walmart and all Releasors. Walmart is entering into this Agreement solely for the purposes of settlement, to resolve all Actions and Released Claims and thereby avoid significant expense, inconvenience and uncertainty. Walmart denies the allegations in the Actions and denies any civil or criminal liability in the Actions. Nothing contained herein may be taken as or deemed to be an admission or concession by Walmart of: (i) any violation of any law, regulation, or ordinance; (ii) any fault, liability, or wrongdoing; (iii) the strength or weakness of any Claim or defense or allegation made in any Action, or in any other past, present or future proceeding relating to any Covered Conduct, Alleged Harms, or any Product; (iv) the legal viability of the Claims and theories in any Action, including but not limited to the legal viability of the relief sought; or (v) any other matter of fact or law. Nothing in this Agreement shall be construed or used to prohibit any Released Entity from engaging in the conduct of its business relating to any Product in accordance with the Injunctive Relief Terms and applicable laws and regulations.

E. *Most-Favored-Nation Provision.*

1. If, after the Effective Date, Walmart enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States may elect to seek review, pursuant to Section XII.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to Walmart, overall payment terms at least as favorable as those obtained by such Non-Settling State. “Overall payment terms” refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amounts of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Walmart shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Walmart with a Non-Settling State are more favorable to the Non-Settling State, based on the totality of the considerations set forth in Section XII.E.1, the Settling State(s) and Walmart shall engage in the following process:

a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement

agreement or consent judgment to Walmart of their intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the State's belief that it is entitled to a revision of the Agreement.

b. Walmart shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Walmart do not reach agreement as to the application of Section XII.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XII.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.3.

d. The Settling State and Walmart shall be bound by the determination of the National Arbitration Panel.

4. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Walmart that is entered into with: (a) a Non-Settling State after a date ninety (90) calendar days prior to the scheduled start date of a trial between Walmart and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Walmart jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against Walmart. For avoidance of doubt, the National Arbitration Panel shall have no power to review agreements described in this paragraph.

5. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Walmart and Non-Participating Subdivisions.

6. This Section XII.E will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

F. *Tax Cooperation and Reporting.*

1. Upon request by Walmart, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Walmart to establish the statements set forth in Section

V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with Walmart with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “*Appropriate Official*”). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Walmart and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by Walmart, and (b) provides to Walmart a copy of (i) the IRS Form 1098-F filed with respect to Walmart and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.F.

4. Any return, amended return, or written statement filed or provided pursuant to Section XII.F.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the “Total amount to be paid” pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Total Remediation Amount as “Restitution/remediation amount” in Box 2 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Walmart a draft of such return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Walmart on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Walmart nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Total Remediation Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not affect the meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use reasonable efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *Legal Obligations.* Nothing in this Agreement shall relieve Walmart of the obligation to comply with all state and federal laws, regulations or rules, nor does any provision herein permit any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Walmart cannot comply with this Agreement without violating such a requirement or requirements, Walmart shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict.

With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in Exhibit P at § I(4)(c) of the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement. The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XII.N.

P. *Non-Admissibility.* Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement: (i) is or may be deemed to be or may be used as an admission or evidence relating to any matter of fact or law alleged in the Actions, the strength or weakness of any Claim or defense or allegation made in those cases, or any wrongdoing, fault, or liability of any Released Entities; or (ii) is or may be deemed to be or may be used as an admission or evidence relating to any liability, fault or omission of Released Entities in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purpose, except to enforce the terms of this Agreement, and except that Released Entities may file or use this Agreement in any action (1) involving a determination regarding insurance coverage; (2) involving a determination of the taxable income or tax liability of any Released Entities; (3) to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good-faith settlement, judgment bar or reduction or on any other theory of claim preclusion or issue preclusion or similar defense or counterclaim; (4) to support a Claim for contribution and/or indemnification; or (5) to support any other argument or defense by a Released Entities that the Remediation Payment provides a measure of compensation for Alleged Harms or otherwise satisfy the relief sought.

R. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Severability.* In the event any one or more immaterial provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Walmart and its respective successors and assigns.

2. Walmart shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Walmart's obligations under this Agreement.

3. Walmart shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Walmart) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Walmart where the sale or transfer transaction is announced after the Effective Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Walmart's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close

of a sale or transfer transaction. The above restriction shall not apply if Walmart obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Walmart's remaining payment obligations under this Agreement equal to the percentage of Walmart's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Walmart's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XII.U.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section XII.U.3 not raised within twenty (20) calendar days from the date that Walmart transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XII.U.3 shall be a National Dispute as described in Section VI.F.3 and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

4. The restrictions set forth in Sections XII.U.2-3 shall expire sixty (60) days after Walmart satisfies the payment terms in Section IV.B.

V. *Waiver.* Walmart, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the “Texas Statutes”), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until ninety (90) days after Walmart satisfies the payment terms in Section IV.B. The foregoing waiver and relinquishment includes, without limitation, until ninety (90) days after Walmart satisfies the payment terms in Section IV.B, Walmart's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

W. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Walmart concludes prior to December 1, 2022 that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Walmart shall

meet and confer and make such amendments as they agree are appropriate. Except as otherwise provided in this Agreement, after the State Participation Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Walmart, along with the signatures of at least two-thirds of the Settling States along with a representation from each such Settling State that either: (1) the Advisory Committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions; or (2) in States without any Advisory Committee, that 50.1% (by population) of the Participating Subdivisions expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

X. *Termination.*

1. Unless otherwise agreed to by Walmart and the Settling State in question, this Agreement or the Consent Judgment as to that Settling State and all of its terms (except Section XII.P and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect, only if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or

b. this Agreement has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XII.X.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Walmart and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Walmart and the Settling State in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Walmart and the Settling State in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Walmart and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties after the Payout Amount in Payment Year 6 is paid, *provided* that Walmart has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XII.X.3 or in this Agreement, all releases under this Agreement will remain effective in perpetuity.

Y. *Governing Law.* Except (1) as otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of each Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Walmart or against which Walmart is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.
12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.
8. Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.
9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.
10. Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.
11. Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.
12. Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.
13. Supporting screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in section C, D and H relating to first responders, support the following:

1. Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.
2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other

strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

The governmental entity identified above (“Governmental Entity”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated November 14, 2022 (“Walmart Settlement”), and acting through the undersigned authorized official, hereby elects to participate in the Walmart Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Walmart Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Walmart Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall promptly, and in any event within 14 days of the Effective Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in In re National Prescription Opiate Litigation, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at <https://nationalopiodsettlement.com/>.
3. The Governmental Entity agrees to the terms of the Walmart Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Walmart Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Walmart Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Walmart Settlement.

7. The Governmental Entity has the right to enforce the Walmart Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Walmart Settlement, including but not limited to all provisions of Section X (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Walmart Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Walmart Settlement shall be a complete bar to any Released Claim.
9. In connection with the releases provided for in the Walmart Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Walmart Settlement.

10. Nothing herein is intended to modify in any way the terms of the Walmart Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Walmart Settlement in any respect, the Walmart Settlement controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V of the Settlement Agreement and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes¹, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) 200% of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.
4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be a Participating Subdivision.

¹ Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

EXHIBIT P

Injunctive Relief

As part of this Settlement Agreement, Walmart agrees to implement the injunctive relief terms reflected in Exhibit F to Walmart's agreement with the State of Florida dated October 19, 2022, attached hereto as Appendix A ("Walmart-Florida Injunctive Relief Terms"), within 90 days of the Effective Date of the Settlement Agreement, provided, however, that the parties agree that those terms will be withdrawn and Walmart will implement the Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms ("Injunctive Terms") set out below if each Chain Pharmacy (defined as CVS and Walgreens) agrees to implement materially the same Injunctive Terms on a nationwide basis pursuant to a binding agreement with state attorneys general. To the extent there is a dispute between the Settling States and Walmart regarding whether the Injunctive Terms imposed on other pharmacies are materially the same as these Injunctive Terms, such dispute shall be heard by the National Arbitration Panel. If any Injunctive Term is found to be materially different, only that term and any co-dependent terms, as applicable, would be invalidated and inoperative. However, in no event shall the Injunctive Terms be any less stringent than those applied in the Walmart-Florida Injunctive Relief Terms. In the event a Settling State later settles with Albertsons or Kroger (or a merged company involving one or more of them), the Settling State shall impose materially the same Injunctive Terms as part of any settlement.

Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms

I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, Walmart shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).
2. To the extent that Walmart already has in place committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.
3. Overview
 - a. Walmart will implement or maintain a Controlled Substance Compliance Program ("CSCP").
 - b. The CSCP must include written standard operating procedures and/or corporate policies (the "CSCP Policies and Procedures") required by these Injunctive Terms.

- c. The CSCP shall apply during the term of these Injunctive Terms, to each of Walmart's retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.
- d. Walmart shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within 60 days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than 30 days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Walmart must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.

4. Compliance with Laws

- a. Walmart acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Walmart of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Walmart to engage in any acts or practices prohibited by such laws, regulations or rules.
- b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Walmart from taking or implementing any other compliance or policy steps necessary to conform with federal, state, or local legal requirements.
- c. In the event that Walmart 1) determines that there may be a conflict between the Injunctive Terms and the requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws, such that Walmart determines that it cannot comply with the Injunctive Terms without violating these requirements or express interpretations; or 2) believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Walmart may notify the Attorney General of the Settling State of such potential conflict or potential or pending action. Within thirty (30) days after receipt of a notification from Walmart referenced above, Walmart and the State shall meet and discuss the potential conflict, and Walmart shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the requirements of federal, state, or local

laws, or the express interpretations thereof by an agency responsible for their enforcement, or a conflict with the Injunctive Terms giving rise to the court or administrative action. If the State agrees that there is a conflict or that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the State to disagree with Walmart as to the conflict; or (ii) be deemed to relieve Walmart from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action; or (iii) be deemed to relieve Walmart from adhering to the outcome of the court or administrative action when it is determined there is no conflict..

- d. Walmart shall retain all records it is required to create pursuant to its obligations hereunder in an electronic or otherwise easily accessible format and a Settling State shall have the right to review and copy such records upon request and after reasonable notice for the term of these Injunctive Terms. Nothing in these Injunctive Terms shall waive any applicable privilege that may be asserted over any such record. Unless otherwise required by law, if a Settling State seeks to disclose any records created and obtained from Walmart under this provision as part of a proceeding to enforce these Injunctive Terms against Walmart, it shall first provide ten (10) days' notice to Walmart unless doing so would conflict with applicable law. A Settling State shall not otherwise disclose or provide any records created by and obtained from Walmart under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any records created by and obtained from Walmart under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Walmart unless doing so would conflict with applicable law. This notification requirement shall not apply to documents obtained by a Settling State or its agencies that are required to be produced to the Settling State or its agencies by law or regulation, nor shall it apply to documents obtained by a Settling State or its agencies that are shared with federal, state, or local law enforcement. This notification requirement shall also not apply to documents obtained by a Settling State or its agencies from other sources.

5. No Admission and No Use as Evidence. Walmart does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or limitation of any defense otherwise available to Walmart. These Injunctive Terms shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to these Injunctive Terms.

II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until ten years from the Injunctive Terms Implementation Date, unless otherwise specified herein.
2. Except as otherwise stated herein, the Injunctive Terms shall apply to Walmart's retail pharmacy stores registered or licensed with each Settling State that dispense Schedule II Designated Controlled Substances to Patients and to Schedule II Designated Controlled Substances dispensed to patients in each Settling State by its mail-order pharmacy. Should Walmart operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such online pharmacy as well.
3. This agreement may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Walmart. Any such amendments must be in writing.

III. DEFINITIONS

1. The term "Distributor Injunctive Terms" means Exhibit P of the Settlement Agreement, dated as of July 21, 2021, between McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation and certain States and subdivisions.
2. The term "Block" means an action taken by Walmart preventing or otherwise prohibiting any Walmart pharmacist from filling prescriptions for Controlled Substances from a specific identified prescriber.
3. The term "Clearinghouse" means the system established by Section XVII of the Distributor Injunctive Terms.
4. The term "Clearinghouse Advisory Panel" is as defined in Section XVII.B.4 of the Distributor Injunctive Terms.

5. The term “Controlled Substances” means those substances designated under schedules II-V pursuant to the federal Controlled Substances Act and the laws and regulations of the Settling State that incorporate the federal Controlled Substances Act. Controlled Substances shall also include gabapentin, except for purposes of dispensing in States that do not treat gabapentin as a controlled substance or similar designation (e.g., “drug of concern”).
6. The term “Designated Controlled Substances” shall be limited to: (a) oxycodone; (b) hydrocodone; (c) hydromorphone; (d) tramadol; (e) oxymorphone; (f) morphine; (g) methadone; and (h) fentanyl.
7. The term “Effective Date” is defined in Section II.C of the Walmart Settlement Agreement.
8. The term “Injunctive Terms Implementation Date” means (i) 90 days after the Effective Date of the Settlement Agreement, or (ii) 90 days after CVS and Walgreens have agreed to implement materially the same Injunctive Terms nationwide pursuant to a binding agreement with state attorneys general and such Injunctive Terms imposed upon CVS and Walgreens have become effective, whichever is later. To the extent there is a dispute between the Settling States and Walmart regarding whether the Injunctive Terms imposed on other pharmacies are materially the same as these Injunctive Terms, such dispute shall be heard by the National Arbitration Panel. If any Injunctive Term is found to be materially different, only that term and any co-dependent terms, as applicable, would be invalidated and inoperative. However, in no event shall the Injunctive Terms be any less stringent than those applied in the Walmart-Florida Injunctive Relief Terms.
9. The term “National Arbitration Panel” is defined in Section VI.F.3.b of the Walmart Settlement Agreement.
10. The term “Patient” means any individual who receives a prescription for a Designated Controlled Substance from a Prescriber, whether legally valid or not, and attempts to fill it at one of Walmart’s retail pharmacy stores in a Settling State.
11. The term “Prescriber” means any individual that has written a prescription, whether legally valid or not, that is presented to a Walmart pharmacy in a Settling State.
12. The term “Red Flag(s)” means the enumerated Patient Red Flags, Prescription Red Flags, and Prescriber Red Flags set out in Section IX.
13. The term “Settling State(s)” is defined in Section I.MMM of the Walmart Settlement Agreement.
14. The term “States Injunctive Relief Committee” means a committee representing the Settling States composed of between four and eight members designated by the Settling States.

IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL

1. Walmart shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Walmart's compliance with 21 C.F.R. 1306 these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.
2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular laws and regulations regarding 21 C.F.R. 1306 and requiring effective controls against the potential diversion of Controlled Substances.
3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Walmart's compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.
4. Staffing levels of Walmart's Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Walmart's Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.
5. Throughout the term of these Injunctive Terms, Walmart shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms, Walmart's company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Walmart shall publish its Hotline contact information to its employees and Patients in the Settling States. Walmart shall maintain for the duration of Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and

documentation regarding any investigation or response to such complaints. Nothing herein shall require Walmart to investigate a pharmacist's professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

V. INDEPENDENCE

1. Walmart's Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Walmart's pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in any part on revenue or profitability targets or expectations for sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations for sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Walmart from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.
3. Personnel in Walmart's Controlled Substance Compliance Department shall not report to Walmart's sales, marketing, or business development personnel, and sales, marketing, or business development personnel shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel.
4. Walmart's sales, marketing and business development department personnel are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-making.
5. Notwithstanding the prior paragraph, Walmart pharmacy operations personnel may sit on the Controlled Substance Compliance Committee and pharmacists and pharmacy managers may sit on the Controlled Substance Compliance Committee provided that they do not have voting privileges.

6. To the extent necessary to comply with this section, Walmart's Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Walmart shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and finance departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Compliance Committee." Walmart shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.
2. Walmart's Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Walmart's adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.
3. On an annual basis, Walmart's Controlled Substance Compliance Committee shall provide a written report to Walmart's President, Chief Financial Officer, Chief Legal Officer, and Chief Compliance Officer, as well as its Board of Directors, outlining (a) Walmart's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The Board of Directors or a committee thereof shall document in its minutes its review of the annual Controlled Substance Compliance Committee reports.
4. Walmart, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.

5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Walmart from implementing changes to the CSCP Policies and Procedures pending such review and approval.

VII. MANDATORY TRAINING

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each Walmart pharmacy location in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.
2. Walmart shall implement policies and procedures requiring that, to the extent practical (for example, accounting for employee leave), within 90 days of the Injunctive Terms Implementation Date, all existing CSCP Employees must complete a training on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and their corresponding responsibility. These policies and procedures shall further require that all new hires must complete such trainings within 60 days of hiring or 6 months of the Injunctive Terms Implementation Date, whichever is later. Walmart will further ensure that every CSCP Employee will receive such training at least once every 3 years for the term of these Injunctive Terms.
3. On an annual basis for the duration of these Injunctive Terms, Walmart shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and their corresponding responsibility.
4. Walmart shall train all third-party compliance consultants performing CSCP-related compliance functions for Walmart in the same manner as Walmart's CSCP Employees.
5. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.
6. All trainings required under these Injunctive Terms shall also make clear that i) Walmart's compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility.

VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSCP, Walmart shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Walmart in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an admission, concession, or evidence of any fact or contention related to such Red Flag. Nothing in these Injunctive Terms shall require Walmart to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.
2. A Red Flag will be considered “resolved” if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber’s professional practice. All Red Flags described in Sections IX.3 and IX.5 below shall be based on internal Walmart dispensing data regarding prescriptions filled at Walmart pharmacies and shall not be based on Prescription Monitor Program (“PMP”) or Prescription Drug Monitoring Program (“PDMP”) data or dispensing data regarding prescriptions filled at pharmacies other than Walmart pharmacies. Nothing in this Agreement requires Walmart to use nor prohibits Walmart from using any data other than internal Walmart dispensing data to identify any Patient Red Flags or Prescriber Red Flags (described in Section IX.3 and IX.5 below).
3. Walmart’s CSCP Policies and Procedures shall provide that if a pharmacist identifies any “Patient Red Flags” associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient’s profile and history with Walmart, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist’s pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program (“PMP” or “PDMP”) data, and/or reviewing other data or information available to the pharmacist.

4. Walmart's CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must either reject the prescription if the pharmacist concludes without further inquiry that the prescription is invalid or resolve the Prescription Red Flags; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with Walmart, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.
5. Walmart's CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Walmart records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Walmart.
6. Walmart's CSCP Policies and Procedures shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any Controlled Substance prescriptions that were rejected pursuant to the Prescription Validation Process, and the reasons why they were rejected, must be documented. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Walmart's records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a patient lives 55 miles from a Walmart pharmacy but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing patient distance from the pharmacy is required in connection with individual prescriptions dispensed for that patient.
7. Walmart's CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

IX. RED FLAGS

1. Walmart shall provide annually to the Settling States, beginning with an initial report twelve months after the Injunctive Terms Implementation Date, and annually

- thereafter, a report (the “Annual Red Flag Report”) that sets forth: (a) the total number of prescriptions for Controlled Substances dispensed annually aggregated nationally and by state; (b) the specific metrics or algorithms (if any) used to identify each category of Red Flag listed in this section; and, (c) for each category of Red Flags (excluding the Prescription Red Flags in IX.4 except to the extent collected and maintained), the following information on both a nationwide basis and, separately, for each Settling State:
- a. The number of times that Walmart pharmacists input a prescription into its systems and identified the Red Flag during the prior year;
 - b. The number of times when such Red Flag was not resolved and thus, the prescription was refused, during the prior year;
 - c. The percentage of instances where a Red Flag occurred, as in subsection a, that the Red Flag was not resolved, as in subsection b.
2. Within the three months following the provision of the Annual Red Flag Report, either Walmart or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Walmart or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Red Flag Report. For example, Walmart might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).
- a. If Walmart and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes. Further, any modified Red Flags shall thereafter become subject to tracking by Walmart and part of the Annual Red Flag Report.
 - b. If Walmart and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the

proposed change(s) may provide evidence from Annual Red Flag Reports or from other research, data and information.

3. Walmart shall treat the following circumstances as “Patient Red Flags”:

- a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of more than two earlier prescriptions of the Schedule II Designated Controlled Substance (e.g., exhaustion of the days’ supply assuming the prescription has been taken in accordance with the prescribers’ directions on the face of the prescription);
- b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions from three other Prescribers, from separate practices, in a given 6-month period;¹
- c. A Patient seeks to fill a Designated Controlled Substance prescription after having filled Designated Controlled Substance prescriptions at two other Walmart pharmacies within 30 days;
- d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions within 30 days;
- e. The distance between a Patient’s residence and the Walmart pharmacy receiving the Designated Controlled Substance prescription is farther than 50 miles (except if the prescription is presented to Walmart’s mail-order pharmacy, in which case this Red Flag shall not be applicable);
- f. The Patient resides more than 100 miles from the Prescriber who issued the Designated Controlled Substances prescription;
- g. A Patient seeks to fill an acute-condition Designated Controlled Substance prescription for more than a seven-day supply or over 50 MME per day and has not filled an acute-condition Designated Controlled Substance prescription within the past 30 days; and
- h. A Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to documented refusals to fill by a Walmart pharmacist within the past 30 days.

4. Walmart shall treat the following circumstances as “Prescription Red Flags:”

¹ In Walmart’s sole discretion, for administrative convenience Walmart may implement this Red Flag without regard to whether prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

- a. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;
 - b. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a Prescriber;
 - c. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a Prescriber; and
 - d. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.
5. Walmart shall treat the following circumstances as “Prescriber Red Flags:”
- a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;
 - b. A Prescriber has no office within 50 miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and
 - c. A Patient seeks to fill a Designated Controlled Substance prescription written by a Prescriber after having filled at least seven Designated Controlled Substance prescriptions written by the same Prescriber within 90 days.

X. PREScriBER REVIEW

- 1. Walmart shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the “Prescriber Review Process”). The Prescriber Review Process shall employ algorithms, or other means, to review data on Walmart’s retail dispensing for potential Prescribers of concern.
- 2. Walmart shall automatically refer a Prescriber for further investigation as part of the Prescriber Review Process in the following circumstances:
 - a. Personnel implementing the Prescriber Review Process become aware that a Prescriber has had his or her medical license suspended or revoked for violations of laws or regulations related to Controlled Substance prescribing in any jurisdiction of the United States within the prior six months;
 - b. A Prescriber has been the subject of a blanket refusal to fill;
 - c. A Prescriber has been the subject of more than ten (10) documented refusals to fill within a six-month period;

- d. Personnel implementing the Prescriber Review Process become aware that a Prescriber has been charged or indicted with a crime related to prescribing Controlled Substances by the Federal Government or in any jurisdiction of the United States; or
 - e. Walmart has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Controlled Substances.
- 3. Based on the professional judgment of the employees operating the Prescriber Review Process, Walmart may also refer a Prescriber for further investigation as part of the Prescriber Review Process based on one of the following circumstances:
 - a. A Prescriber was the subject of an inquiry by law enforcement;
 - b. A Prescriber was flagged for review by a Walmart pharmacist (other than through a refusal to fill or blanket refusal to fill) or supervisory field personnel; or
 - c. A Prescriber was identified by review or analysis of objective data metrics, alone or in combination, such as data pertaining to the Prescriber's Controlled Substance prescription practices or patients.
- 4. Once Walmart identifies a Prescriber for further investigation, Walmart shall review pertinent and available data and information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. When permitted by law, nothing contained in this Section prevents Walmart from taking immediate action to Block a Prescriber in lieu of referral for further investigation or prevents a Walmart Pharmacist from refusing to fill any particular prescription or refusing to fill prescriptions from a given Prescriber.
- 5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused Walmart to further investigate the Prescriber, then the Prescriber shall be Blocked and Walmart pharmacies will no longer fill controlled substance prescriptions written by that prescriber. If Walmart does not Block the Prescriber due to requirements of state law, Walmart shall provide notice to the Pharmacist that, but for this prohibition, the Prescriber would have been Blocked. A Prescriber may have an opportunity at the discretion of Walmart to seek future reinstatement by providing information to Walmart that may resolve its concerns. Nothing in this Section shall limit the right or ability of individual Walmart pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given prescriber independent of any decision by Walmart to Block or not Block a given prescriber. Walmart shall provide the names of doctors

it has Blocked to the Board of Medicine in each Settling State.

6. Walmart shall report to each Settling State the number and identity of Prescribers from such Settling State that were Blocked and the number of Prescribers from such Settling State who were referred for a decision regarding whether the Prescriber should be Blocked as part of Walmart's Prescriber Review Process. Such reporting shall occur on an annual basis. Walmart may, at its discretion, report on a more frequent basis.

XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Walmart shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze the data associated with each pharmacy to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Walmart and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.
2. During the term of these Injunctive Terms, Walmart personnel or qualified third-party compliance consultants shall also conduct site visits based on analysis of data regarding dispensing of Designated Controlled Substances at Walmart pharmacies, including unannounced site visits to at least one in every 50 of its retail pharmacy stores in each Settling State each year (but not less than five each year) for the duration of these Injunctive Terms. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; a review of fraud, theft and loss prevention equipment and processes; an audit of Controlled Substances inventory and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to Controlled Substances.
3. During site visits, Walmart personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of law, the CSCP Policies and Procedures, and these Injunctive Terms, as well as the retail pharmacy store's maintenance of effective controls against the potential diversion of Controlled Substances.
4. Walmart personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential

violations of law, the CSCP standard operating procedure, and these Injunctive Terms, and the results of any follow-up data analysis performed, as well as any other results or findings.

5. Site visit reports and all other compliance reports related to the dispensing of Designated Controlled Substances shall be maintained by Walmart and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.

XII. FRAUD, THEFT AND LOSS PREVENTION

1. In addition to complying with all fraud, theft and loss procedures, policies and precautions required by state and federal law, Walmart shall maintain information regarding the inventory accounting and auditing of all Designated Controlled Substances at each retail pharmacy store for at least three years from the date of the accounting or audit.
2. In addition to any other reporting obligations under state and federal law, Walmart must provide to each Settling State on a quarterly basis any reports it has made to the Drug Enforcement Administration regarding the theft or significant loss of Controlled Substances in that Settling State pursuant to 21 CFR §1301.76(b).

XIII. REPORTING TO LAW ENFORCEMENT

1. To the extent not already in place, Walmart shall implement standard operating procedures directing its employees to report any confirmed fraudulent or forged prescriptions to Settling State law enforcement authorities, to the extent they want to accept it, within 5 business days of completing any review of such prescription, and provide a summary of such reports, to the extent permitted by law, to the Settling State on a biannual basis upon request.
2. Walmart shall document and for at least 2 years maintain records of any such reports that are made to law enforcement regarding confirmed fraudulent or forged prescriptions.

XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.
 - a. A “Potential Violation” occurs when the Settling State determines, after appropriate investigation and due diligence, that Walmart is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement

does not necessarily occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Walmart violates Walmart's CSCP Policies and Procedures or the law.

b. Potential Violation Discovered by Settling State.

- a. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Walmart in writing (the "State's Notice").
- b. Within thirty (30) days of receipt of the State's Notice, Walmart shall provide a written response to the Settling State. The response shall include Walmart's position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Walmart believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.
- c. If the Settling State wishes to meet with Walmart, Walmart shall promptly make itself available for such a meeting.
- c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Walmart and work in conjunction with Walmart to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.
- d. Within 60 and 120 days after implementing the Corrective Action Plan, Walmart will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Walmart. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.
- e. If Walmart fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by

subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Walmart. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.

- f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the State will provide written notice of this conclusion to Walmart within 30 days of reaching its conclusion.
2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to Walmart prior to initiating any such action.

XV. COMPLIANCE CERTIFICATION

1. Walmart's Controlled Substance Compliance Director shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).
2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.
3. In addition to the responsibilities set forth in these Injunctive Terms, certain Walmart Pharmacy employees ("Certifying Employees") are expected to monitor and oversee activities within their areas of authority and beginning within 1 year of the Injunctive Terms Implementation Date shall annually certify that the applicable Walmart department is in compliance with applicable statutory requirements and the obligations of these Injunctive Terms. These Certifying Employees shall include, at a minimum, the following: Senior Vice President, Pharmacy; Vice President, Pharmacy Operations; Senior Vice President, Chief Financial Officer, Health & Wellness; and Chief Ethics and Compliance Officer, Health & Wellness. For each reporting period, each Certifying Employee shall sign a certification as set out in Section XV(4).
4. The certification shall state:

“I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to ensure compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State].”

5. If the Controlled Substance Compliance Director or Certifying Employee is unable to provide such a certification, the Controlled Substance Compliance Director or Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.
6. Within 120 days of the Injunctive Terms Implementation Date, Walmart shall develop and implement a written process for the Certifying Employees to follow for the purpose of completing the certification required by this section.

XVI. DATA SHARING

1. Walmart shall consent to the provision by its distributors of Walmart’s unblinded “867 Data” (data sent from the distributor to the manufacturer concerning the sale of its products to Walmart) regarding Designated Controlled Substances to opioid manufacturers as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Walmart, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data; (b) to implement safeguards and procedures to limit access to and use of the 867 Data; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.
2. To the extent that Walmart provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Walmart agrees that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Walmart, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors’ compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

XVII. CLEARINGHOUSE

1. Solely for purposes of this Section XVII, the term “Pharmacy Clearinghouse Data” means aggregated data for a 90-day period that contains:
 - a. A list of the total number of prescriptions and dosage units for each NDC for all Controlled Substances dispensed at each Walmart retail pharmacy;
 - b. A list of the top five prescribers of each Designated Controlled Substance by dosage volume and the top ten prescribers of all Designated Controlled Substances combined by dosage volume dispensed at each Walmart retail pharmacy. For each prescriber, the data shall include the following information:
 - i. Number of prescriptions and doses prescribed for each Designated Controlled Substance NDC;
 - ii. Number of prescriptions for each unique dosage amount (number of pills per prescription) for each Designated Controlled Substance NDC;
 - iii. Prescriber name, DEA registration number, and address; and
 - iv. Medical practice/specialties, if available;
 - c. Information on whether the method of payment was cash for Controlled Substances prescriptions dispensed at each Walmart retail pharmacy; and
 - d. Information on top ten patient residential areas by five-digit ZIP code prefix for filled Designated Controlled Substances by dosage volume, including number of prescriptions and doses for each Designated Controlled Substance NDC dispensed at each Walmart retail pharmacy.
2. To the extent that a Settling Distributor distributes Controlled Substances to Walmart pharmacies, Walmart shall make Pharmacy Clearinghouse Data available to such Settling Distributor for provision to the Clearinghouse on a quarterly basis and Walmart will confer with such Settling Distributor(s) and the States Injunctive Relief Committee to determine: what additional information, if any, is needed from Walmart for a Settling Distributor to perform suspicious order monitoring, including in connection with the effective operation of the Clearinghouse to assist with suspicious order monitoring; if additional information is needed, how Walmart shall provide it to a Settling Distributor; and what information provided by Walmart to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. Due to patient privacy and legal restrictions, in connection with any meet and confer described above, Walmart will not agree to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors and/or the Clearinghouse.
3. Walmart and Settling Distributors will also determine whether and in what amount Walmart will contribute financially to the Clearinghouse. Such contribution, if any, shall be in an amount proportionate to the contributions of other Chain Pharmacies based upon Controlled Substance market share, but in no event shall Walmart be

obligated to contribute more than a total of \$7,000,000 for the life of the Clearinghouse. If Walmart contributes financially to the Clearinghouse and/or provides data directly to the Clearinghouse, it shall have the option, in its sole discretion, to have a seat on the Clearinghouse Advisory Panel with rights identical to those of the Settling Distributors. If Walmart becomes a member of the Clearinghouse Advisory, the number of state members shall remain equal to the number of non-state members

4. Any data provided by Walmart to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and all applicable state and federal privacy laws.
5. At Walmart’s sole option, Walmart may obtain relevant information, analyses, and reports from the Clearinghouse, subject to the following conditions:
 - a. Walmart shall be permitted to use information obtained from the Clearinghouse for anti-diversion purposes, including the uses expressly contemplated by the Injunctive Terms.
 - b. Walmart shall ensure any data obtained from the Clearinghouse cannot be accessed by any of its employees or agents who are involved in negotiating pricing or other business terms with pharmaceutical distributors or manufacturers.
 - c. No pharmacy shall receive from the Clearinghouse information specific to another pharmacy. Notwithstanding the prior sentence, Walmart may receive from the Clearinghouse blinded data.
 - d. Walmart may use information it receives from the Clearinghouse only for the purposes of identifying, minimizing, or otherwise addressing the risk of Controlled Substances diversion. Walmart shall not attempt to obtain revenue from this information.
 - e. Walmart shall not sell (or obtain license fees for) data obtained from Clearinghouse to any third-parties.
3. Liability Related to the Clearinghouse.

- a. Walmart is entitled to rely upon information or data received from the Clearinghouse, whether in oral, written, or other form. Walmart shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Clearinghouse. In addition, Walmart shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Walmart based on incorrect,

inaccurate, incomplete or otherwise erroneous information or data provided by the Clearinghouse, unless the information or data was incorrect, inaccurate, incomplete or otherwise erroneous because Walmart itself provided incorrect, inaccurate, incomplete or otherwise erroneous data or information to the Clearinghouse.

- b. Reports or analysis generated by the Clearinghouse may not be based on complete data due to a lack of participation by other pharmacies and distributors. As such, Walmart shall not be held responsible for actions or inactions related to reports and analysis prepared by the Clearinghouse which may be based on incomplete data due to a lack of participation by other pharmacies and distributors.
- c. Walmart shall not require any distributor to indemnify or otherwise be responsible to it for any claims resulting from the provision of data, including Pharmacy Clearinghouse Data, to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse. Nothing in these Injunctive Terms shall require Walmart to indemnify, or otherwise be responsible to, any pharmacy, distributor, or Walmart customer for any claims arising out of or resulting from the provision of data, including Pharmacy Clearinghouse Data, to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse.
- d. Walmart and the Settling States shall not be liable for any breaches of any databases maintained by the Clearinghouse. This does not excuse the Clearinghouse or its vendor(s) from compliance with all state and federal laws and regulations governing (1) the protection of personal information and protected health information, or (2) notifications relating to Data Security Events. Solely for purposes of this Section XVII, the term “Data Security Event” means any compromise, or threat that gives rise to a reasonable likelihood of compromise, by unauthorized access or inadvertent disclosure impacting the confidentiality, integrity, or availability of Pharmacy Clearinghouse Data.

II. Fees and Costs

A. Total Attorneys’ Fees and Costs

1. Total attorneys’ fees and costs to be paid by Walmart to Attorneys under this Fee Agreement shall be up to but in no event more than \$297,720,376.93, subject to the reductions and provisions set forth below. The total attorneys’ fees and costs consists of up to \$267,720,376.93 for the Attorney Fee Fund, as set forth in Section II, and \$30,000,000 in total for the Subdivision Cost and Expense Fund and MDL Expense Fund, as set forth in Sections II.E and II.F respectively.
2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys’ fees and costs to be paid under this Fee Agreement by Walmart shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Walmart Agreement.
3. The total attorneys’ fees and costs to be paid under this Fee Agreement by Walmart shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that continue

² Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

to pursue Released Claims (“*Non-Participating Litigating Subdivisions*”), as set forth in Section II.D.4 and II.H.7 below.

4. If Walmart settles with any Non-Settling State after November 14, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Walmart agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the Walmart Settlement and been awarded its full portion of the Remediation Payment (the “*Walmart State Settlement CBF Assessment*”). If Walmart settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after November 14, 2022, then Walmart agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the “*Walmart Subdivision CBF Assessment*,” and, along with the Walmart State Settlement CBF Assessment, each a “*Walmart CBF Assessment*”). If (a) Walmart settles with a Non-Settling State after November 14, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Walmart later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Walmart agrees to deposit the Walmart State Settlement CBF Assessment in the Common Benefit Fund. Any Walmart CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Ongoing Common Benefit Order (Dkt. #4428) in *In re National Prescription Opiate Litigation*, Case No. 1:17-md-2804. To the extent that Walmart is required to pay any additional and/or separate assessment on such settlement as a result of the Ongoing Common Benefit Order, the Walmart CBF Assessment shall be reduced by the amount required to be paid pursuant to the Ongoing Common Benefit Order.

B. Attorney Fee Fund and Sub Funds

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund.

2. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund. The Cost Funds shall include the MDL Expense Fund, and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process

and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Walmart Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. In no event shall Walmart be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walmart Agreement, as set forth in Exhibit G to the Walmart Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund.)

1. Walmart shall pay the entirety of the Common Benefit Fund payments into the Attorney Fee Fund within fifteen (15) calendar days of the Effective Date of the Walmart Agreement, subject to the reductions set forth in Section II.A.2 and the adjustments set forth below.
2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
 - a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and
 - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Walmart have also reached a settlement for Released Claims with Walmart, and these settlements are the subject of agreements with Walmart. Attorneys are eligible for Common Benefit consideration provided such agreement with Walmart became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.
4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for

purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Walmart Agreement as of the Threshold Subdivision Participation Date, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Walmart Agreement, including the Walmart Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other Settlement Agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Walmart Agreement or not. It is the intent of this provision to recognize that the goal of the Walmart Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Walmart Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions or Later Litigating States is antithetical to the Walmart Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any refunds provided to Walmart as set forth in Section II.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivision. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to allocate funds among Applicants and to determine the amounts to refund to Walmart. Any reduction to an Applicant not refunded to Walmart shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Threshold Subdivision Participation Date.

D. Contingency Fee Fund. (40% of the Attorney Fee Fund.)

1. Walmart shall pay the entirety of the Contingency Fee Fund payment into the Attorney Fee Fund within fifteen (15) calendar days of the Effective Date of the Walmart Agreement, subject to the reductions set forth in Section II.A.2 and the adjustments set forth below.

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.
 - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.
 - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
3. The amount owed by Walmart to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions. The Fee Panel shall remit payment to Walmart from the Contingency Fee Fund for any amounts corresponding to such reductions.
4. In the event that after the date of the Walmart Agreement, Walmart, prior to the Effective Date of the Walmart Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Walmart Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be returned to Walmart, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

E. *Subdivision Cost and Expense Fund*

1. Walmart shall pay \$22,500,000 into the Subdivision Cost and Expense Fund.
2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund

may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Subdivision Cost and Expense Fund, the Administrator shall not allocate any funds for costs incurred after November 14, 2022.

3. During the period between November 14, 2022 and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Subdivision Cost and Expense Fund shall make best efforts to cease litigation activity against Walmart, including by jointly seeking stays or severance of claims against Walmart, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that Walmart, prior to the Effective Date of the Walmart Agreement, settles with any Litigating Subdivision and, under such settlement agreement pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the Walmart Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Walmart, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims against Walmart. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Walmart that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, the Subdivision Cost and Expense Fund is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions and no funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Expense Fund*

1. Walmart shall pay \$7,500,000 into the MDL Expense Fund.

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided

below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after November 14, 2022, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to November 14, 2022 and that special circumstances exist to justify costs incurred following the public announcement of the Walmart Agreement, including reasonable costs related to the implementation of the Walmart Agreement.

G. Eligibility

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.
2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.
3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit

Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

- a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
- b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
- c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Threshold Subdivision Participation Date.
- d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.
- e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.
- f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Walmart

Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

- g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
 - h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Walmart Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.
- 4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
 - 5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
 - 6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.
 - 7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Walmart

and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below. If an Attorney fails to notify Walmart and the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Walmart when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Walmart Agreement represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Walmart. Walmart or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Walmart to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Walmart Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. Calculation of Amounts Due.

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Walmart as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Walmart may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Walmart) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
 - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

- b. The novelty, time, and complexity of the Qualifying Representations;
- c. The skill requisite to perform legal services properly and undesirability of the case;
- d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
- e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
- f. Any “common detriment,” as set forth in paragraph II.C.4;
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Applicant in cases against Walmart or any risk for Walmart created by the Applicant in cases against Walmart;
- m. Any risk for defendants created by Applicants in cases against Walmart;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

- o. The date of filing of any cases filed by the Applicant;
 - p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;
 - q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
 - r. Whether the Applicant's clients brought claims against Walmart prior to the announcement of this settlement on November 14, 2022;
 - s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
 - t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;
 - u. Whether the Applicant's cases have survived motions to dismiss;
 - v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
 - w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Walmart Agreement on November 14, 2022, such latter litigation both being of less value and, the case of litigation filed after the announcement of the Walmart Agreement on November 14, 2022, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and
 - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Walmart Settlement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:
- a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;

- b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after November 14, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;
 - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
 - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
 - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:
- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
 - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
 - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

- f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - g. Notwithstanding “a-f” above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.
- 6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
 - a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.
 - b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.
- 7. With respect to the Contingency Fee Fund, the Fee Panel shall:
 - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
 - b. Apply the Mathematical Model in Exhibit A.
 - c. Use such allocations to determine refund amounts owed to Walmart from the Attorney Fee Fund, and inform Walmart and the MDL PEC of all such adjustments.
- 8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Walmart is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
- 9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise

a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. Miscellaneous.

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Walmart.
2. The MDL PEC will seek, and the Attorneys General for Settling States and the Walmart will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.
3. The MDL PEC shall provide to Walmart information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or having signed a Participation Agreement.
4. The MDL PEC and Walmart agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision to represent a Later Litigating Subdivision or Later Litigating State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the Walmart Agreement until the Effective Date of the Walmart Agreement, as well as thereafter, if the Walmart Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not

share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

- A. *Termination.* If the Walmart Agreement does not proceed past the date on which the Settlement Fund Administrator makes a determination as to whether the Subdivision Participation Thresholds have been satisfied and the time for the Parties to the Walmart Agreement to dispute such determination has passed, this Fee Agreement shall be null and void, Walmart shall have no obligation to make any payments under this Fee Agreement, and Walmart and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*. All funds paid by Walmart into the Attorney Fee Fund and Cost Fund shall be promptly returned to Walmart (including interest that accrues during such time as the monies are in escrow).
- B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Walmart Agreement. This Fee Agreement shall also be submitted by Walmart and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the notice date under Section II.A.3 of the Walmart Agreement as to whether the State Participation Threshold has been satisfied, to this Fee Agreement, as Exhibit B.
 - 1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Walmart under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Walmart and the MDL PEC shall meet and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Walmart related to fees and costs beyond the amounts described in this Fee Agreement.
 - 2. If Walmart and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Walmart shall have no obligation to make any payments under this Fee Agreement, and Walmart and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*. All funds paid by Walmart into the Attorney Fee Fund and Cost Fund shall be promptly returned to Walmart (including interest that accrues during such time as the monies are in escrow prior to the Effective Date of the Walmart Agreement).

- C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Walmart and the MDL PEC and (2) approval by the MDL Court.
- D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Walmart as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Walmart, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Walmart Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Walmart Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Walmart Settlement Agreement.³ Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walmart Settlement Agreement.⁴ A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Walmart (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Walmart Settlement Agreement is \$107,088,150.77.⁵

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, *not* for determining the dollar amount each Subdivision will receive.

- (1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Walmart Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the \$2,393,794,118.64 Remediation amount [see Exhibit M of the Walmart Settlement Agreement].
- 50% of the 1% share allocated to State A is \$11,968,970.59.

³ See Walmart Settlement Agreement, Exhibit R § II.D.2.

⁴ Walmart Settlement Agreement, Exhibit R § II.D.2.

⁵ Walmart Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$11,968,970.59, or \$119,689.71.

(2) Adjust the amounts in paragraph 1 as follows:

- Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Walmart in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Walmart in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
- If City C named Walmart before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.

- Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- National Fee Pool Calculation.* Determine each Litigating Subdivision's

percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Walmart in a lawsuit).

Illustrative example:

- $\$220,000$ [from para. 2.b] $\div$ $\$120,000,000$ [total amount owed under contingency fee contracts nationwide] = 0.1833333% ⁶
- $0.1833333\% \times \$107,088,150.77$ [Contingency Fee Fund] = $\$196,328.28$

- b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Walmart Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund.

Illustrative example:

- $1\% \times \$107,088,150.77 = \$1,070,881.51$ [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $\$1,600,000$ is owed under contingency fee contracts for State A.
- $\$220,000$ [from para. 2.b] $\div$ $\$1,600,000 = 13.75\%$
- $13.75\% \times \$1,070,881.51 = \$147,246.21$

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above less any amounts the Fee Panel is authorized to, and does, withhold.⁷

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract

⁶ In this example, \$120 million is the amount theoretically owed under all contingency fee contracts for litigation against Walmart as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

⁷ The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

1. Definitions.

- a. “Chain Pharmacy” means any of CVS, Walgreens, and Walmart, and “Chain Pharmacies” means all of the foregoing.
- b. “Multistate Chain Pharmacy Settlement Agreement” means This Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and a Chain Pharmacy.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Chain Pharmacy to which this Agreement is attached as an Exhibit.
- d. “Settling Chain Pharmacy” means the Chain Pharmacy that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Chain Pharmacy Settlement Agreement.

2. **Creation of a State Outside Counsel Chain Pharmacies Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Chain Pharmacies (such fund, the “State Outside Counsel Chain Pharmacies Fee Fund”).

3. **State Outside Counsel Chain Pharmacies Fee Fund Administration.** The State Outside Counsel Chain Pharmacies Fee Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Chain Pharmacies Fee Fund (the “Chain Pharmacies Fee Fund Committee”). The Chain Pharmacies Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Chain Pharmacies. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Chain Pharmacies Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Chain Pharmacies Fee Fund Committee.

4. State Outside Counsel Chain Pharmacies Fee Eligibility.

- a. To receive any amount from the State Outside Counsel Chain Pharmacies

Fee Fund, an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Chain Pharmacy in a state or federal court as of November 1, 2022. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Chain Pharmacies Fee Fund and any “Additional Remediation Amount” as may be provided for in This Settlement Agreement.

- b. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Chain Pharmacies Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Chain Pharmacies Fee Fund Amount.** The Settling Chain Pharmacy shall pay funds into the State Outside Counsel Chain Pharmacies Fee Fund in an amount equal to, and on the schedule identified in Exhibit M (the “Contribution”). The Settling Chain Pharmacy’s Contribution shall subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Chain Pharmacies Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Chain Pharmacies Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraph 6.c, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Fees shall be aggregated across the Multistate Chain Pharmacy Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Chain Pharmacy Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State’s

outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State's contract with its outside counsel assuming that fifty percent (50%) of the Settling State's recovery is allocable to a Settling State (rather than allocable to the Settling State's Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Chain Pharmacies Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Chain Pharmacies Fee Fund. Fees shall be split proportionally among each Multistate Chain Pharmacy Settlement Agreement, as set forth on the Fee Schedule.

- d. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator. The remainder of any unused administrative expenses shall be disbursed pro rata to States receiving monies from the State Outside Counsel Chain Pharmacies Fee Fund at the conclusion of such administration.

7. Payment by the Fee Fund Administrator.

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) the last of the three Multistate Chain Pharmacy Settlement Agreements becomes effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Chain Pharmacies Fee Fund in the following scenarios ("Payment Scenarios"):
 - 1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Chain Pharmacy Settlement Agreement.
 - 2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Chain Pharmacies Fee Fund.
 - 3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Chain Pharmacies Fee Fund Committee how to pay the amount

listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.
- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Chain Pharmacies Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Chain Pharmacy bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Chain Pharmacy.

8. Reduction of Amounts Owed

- a. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Chain Pharmacy to the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. Specifically, the reduction in the

amount owed by the Settling Chain Pharmacy shall be calculated as 2.25% times the total Remediation Payments that would have been allocated to the Non-Settling State had it been a Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

- b. **Settling States; Redistribution.** If a Settling State under This Settlement Agreement (i) would otherwise be entitled to a payment from the State Outside Counsel Chain Pharmacies Fee Fund and (ii) is eligible to be a “Settling State” under either of the two other Multistate Chain Pharmacy Settlement Agreements but does not become such a “Settling State,” then that Settling State’s payment from the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced to an amount equal to the Contribution times the Settling State’s allocation percentage on Exhibit F, which shall be treated as an additional remediation payment in lieu of a fee payment. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.
- c. If either or both of the other Chain Pharmacies fail to enter into a Multistate Chain Pharmacy Settlement Agreement, or if such Multistate Chain Pharmacy Settlement Agreements fail to take effect by December 15, 2023, then the Settling Chain Pharmacy and the Enforcement Committee shall renegotiate the terms of Paragraph 8.a in order to permit prompt payment to Settling States that terminated contested litigation with the Settling Chain Pharmacy, and permitting additional time if necessary to finalize payments to the other Settling States. In no event will such renegotiation result in additional reversion of monies in the State Outside Counsel Chain Pharmacies Fee Fund to the Settling Chain Pharmacy.

9. **Interpretation.**

- a. This Agreement shall be an Exhibit to each Multistate Chain Pharmacy Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.
- b. It is the intent of all parties that the State Outside Counsel Chain Pharmacies Fee Fund function in a similar manner, with similar calculations and mechanics, as the “State Outside Counsel Fee Fund” established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other

hand.

EXHIBIT T

Agreement on the Joint State Cost Fund

1. **Definitions.**

- a. “Opioids Defendant” means Walmart, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
- b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
- c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
- d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
- e. “Settling States” has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and

expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
 1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)

2. Funds in any State Cost Fund shall be primarily used to reimburse costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.
3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:
 - the reasonable costs of the Joint State Cost Fund Administrator;
 - repayment of National Association of Attorneys General grants made in connection with opioid litigation, without regard to when the grants were made;
 - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
 - litigation-related costs; then
 - investigation-related costs; then
 - settlement and negotiation related costs; then
 - cost shares.
5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate

Settlement or bankruptcy plan for the reimbursement of costs or any individual state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.
 9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.
 10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.
 11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).
- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
 - d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.

- e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.
- f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
- b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;
- c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and
- d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

**Proposed California State-Subdivision Agreement
Regarding Distribution and Use of
Settlement Funds – Allergan Settlement**

1. Introduction

Pursuant to the Allergan Settlement Agreement, dated as of November 22, 2022, and any revision thereto (the “Allergan Settlement Agreement”), including Section VIII and Exhibit O, the State of California proposes this agreement (the “CA Allergan Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections VI, VII, and VIII of the Allergan Settlement Agreement. For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections XII or XIII of the Allergan Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Allergan Settlement Agreement, acceptance of this CA Allergan Allocation Agreement is a requirement to be an Initial Participating Subdivision.¹

Further, pursuant to Sections X.B and X.C of the Teva Settlement Agreement and Sections IX.B and IX.C of the Allergan Settlement Agreement, eligible Subdivisions must participate in both the Teva Settlement Agreement and Allergan Settlement Agreement, or neither.²

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Allergan Settlement Agreement.
- b) *Teva Settlement Agreement* means the Teva Settlement Agreement dated November 22, 2022, and any revision thereto.
- c) *CVS Settlement Agreement* means the CVS Settlement Agreement dated December 9, 2022, and any revision thereto as well as any modification thereto entered into by the State of California and CVS.
- d) *Distributor Settlement Agreement* means the Distributor Settlement Agreement dated July 21, 2021, and any revision thereto.
- e) *Janssen Settlement Agreement* means the Janssen Settlement Agreement dated July 21, 2021, and any revision thereto.

¹ A parallel but separate agreement (the “CA Teva Allocation Agreement”) will govern the allocation, distribution, and use of settlement fund payments under the Teva Settlement Agreement.

² However, if Teva enters bankruptcy prior to the Effective Date, an eligible Subdivision can choose to only join the Allergan Settlement Agreement.

- f) *Walgreens Settlement Agreement* means the Walgreens Settlement Agreement dated December 9, 2022, and any revision thereto.
- g) *Walmart Settlement Agreement* means the Walmart Settlement Agreement dated November 14, 2022, and any revision thereto.
- h) *CA Litigating Special District* means a Litigating Special District located in California. CA Litigating Special Districts include Downey Unified School District, Elk Grove Unified School District, Kern High School District, Montezuma Fire Protection District (located in Stockton, California), Santa Barbara San Luis Obispo Regional Health Authority, Inland Empire Health Plan, Health Plan of San Joaquin, San Leandro Unified School District, Pleasant Valley School District Board, and LA Care Health Plan.
- i) *Plaintiff Subdivision* means a Subdivision located in California, other than a CA Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.
- j) *Opioid Defendant* means any defendant (including but not limited to Teva Pharmaceutical Industries Ltd., Allergan Finance, LLC, Allergan Limited, CVS Health Corporation, CVS Pharmacy, Inc., Walgreen Co., Walmart Inc., Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc., AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Allergan Settlement Agreement, as well as applicable law, and the Allergan Settlement Agreement governs over any inconsistent provision of this CA Allergan Allocation Agreement. Terms used in this CA Allergan Allocation Agreement have the same meaning as in the Allergan Settlement Agreement unless otherwise defined herein.

Pursuant to Section VIII(E)(1) of the Allergan Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section VIII(C) of the Allergan Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,³ pursuant to the Allergan Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA Allergan Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, CA Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.
- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Allergan Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of

³ For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).

- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Allergan Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.
- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Allergan Settlement Agreement and this CA Allergan Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Allergan Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.

- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Allergan Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Allergan Settlement Agreement and this CA Allergan Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Allergan Settlement Agreement and this CA Allergan Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision’s use of CA Abatement Accounts Funds is inconsistent with the Allergan Settlement Agreement or this CA Allergan Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision’s use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise

enforce the requirements of the Allergan Settlement Agreement or this CA Allergan Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.

- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the Allergan Settlement Agreement and this CA Allergan Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its

contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Teva Settlement Agreement and Allergan Settlement Agreement, and, if applicable, the CVS Settlement Agreement, Distributor Settlement Agreement, Janssen Settlement Agreement, Walgreens Settlement Agreement, and Walmart Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel (“State Back-Stop Agreement”), pursuant to Exhibit R, section I(X), of the Allergan Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Allergan Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Allergan Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State’s use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Allergan Settlement Agreement and this CA Allergan Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.

- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Allergan Settlement Agreement and this CA Allergan Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section VIII(C) of the Allergan Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and Allergan.
- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Allergan Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Allergan Settlement Agreement, this CA Allergan Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Allergan Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the Allergan Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

The undersigned, Yuba City, ACKNOWLEDGES acceptance of this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Allergan Settlement is a requirement to be an Initial Participating Subdivision in the Allergan Settlement and ACCEPTS this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Allergan Settlement. APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were not previously reimbursed and which were paid or incurred (i) prior to December 31, 2022 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting any CA Allocation Agreement(s) concerning a settlement with any Opioid Defendant(s). *Costs* does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the Distributor Settlement Agreement, Section XI and Exhibit R of the Janssen Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, Section IX and Exhibit R of the Walgreens Settlement Agreement, or Section IX and Exhibit R of the Walmart Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating National Opioid Settlements with various manufacturers, distributors, and chain pharmacies.
- b) Claims Procedure.

- i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in part, from funds available under Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, Section IX and Exhibit R of the Walgreens Settlement Agreement, Section IX and Exhibit R of the Walmart Settlement Agreement, Section X or Exhibit R of the Distributor Settlement Agreement, or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.
- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.

- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master's preparation of a report of Costs does not discharge a Plaintiff Subdivision's reporting requirement under Section VIII.C of the Allergan Settlement Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and Allergan a report of the fees and expenses incurred by the Special Master pursuant to Section VIII.C of the Allergan Settlement Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the Teva Settlement Agreement, Allergan Settlement Agreement, Distributor Settlement Agreement, CVS Settlement Agreement, Janssen Settlement Agreement, Walgreens Settlement Agreement, and the Walmart Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award

of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund. Any Plaintiff Subdivision that has submitted for reimbursement to any national fund and has not received a final determination by the First Claims Date may request that the settlement administrator withhold some or all of its payment from the CA Subdivision Fund in order to avoid repayment.

- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

APPENDIX 3

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the Allergan Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Costs, and Expenses) of the Allergan Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the Allergan Settlement Agreement and CA Allergan Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the Allergan Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the Allergan Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the Allergan Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the Allergan Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

Settlement Funds – CVS Settlement**

1. Introduction

Pursuant to the CVS Settlement Agreement, dated as of December 9, 2022, and any revision thereto as well as any modification thereto entered into by the State of California and CVS (the “CVS Settlement Agreement”), including Section V and Exhibit O, the State of California proposes this agreement (the “CA CVS Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections IV and V of the CVS Settlement Agreement. For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections IX or X of the CVS Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the CVS Settlement Agreement, acceptance of this CA CVS Allocation Agreement is a requirement to be an Initial Participating Subdivision.

3. General Terms

This agreement is subject to the requirements of the CVS Settlement Agreement, as well as applicable law, and the CVS Settlement Agreement governs over any inconsistent provision of this CA CVS Allocation Agreement. Terms used in this CA CVS Allocation Agreement have the same meaning as in the CVS Settlement Agreement unless otherwise defined herein.

Pursuant to Section V(E)(1) of the CVS Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section V(B)(2) of the CVS Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,¹ pursuant to the CVS Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA CVS Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

¹ For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, CA Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.
- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the CVS Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA CVS Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.

- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the CVS Settlement Agreement and this CA CVS Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the CVS Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the CVS Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or

ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the CVS Settlement Agreement and this CA CVS Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the CVS Settlement Agreement and this CA CVS Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the CVS Settlement Agreement or this CA CVS Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the CVS Settlement Agreement or this CA CVS Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the CVS Settlement Agreement and this CA CVS Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the CVS Settlement Agreement, and, if applicable, the Teva Settlement Agreement, Allergan Settlement Agreement, Distributor Settlement Agreement, Janssen Settlement Agreement, Walgreens Settlement Agreement, and Walmart Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(Y), of the CVS Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the CVS Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel

representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the CVS Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the CVS Settlement Agreement and this CA CVS Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the CVS Settlement Agreement and this CA CVS Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section V(B)(2) of the CVS Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and CVS.

- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA CVS Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the CVS Settlement Agreement, this CA CVS Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA CVS Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the CVS Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

The undersigned, Yuba City, ACKNOWLEDGES acceptance of this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – CVS Settlement is a requirement to be an Initial Participating Subdivision in the CVS Settlement and ACCEPTS this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – CVS Settlement. APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were not previously reimbursed and which were paid or incurred (i) prior to December 31, 2022 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting any CA Allocation Agreement(s) concerning a settlement with any Opioid Defendant(s). *Costs* does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section X and Exhibit R of the CVS Settlement Agreement, Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the Distributor Settlement Agreement, Section XI and Exhibit R of the Janssen Settlement Agreement, Section IX and Exhibit R of the Walgreens Settlement Agreement, or Section IX and Exhibit R of the Walmart Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating National Opioid Settlements with various manufacturers, distributors, and chain pharmacies.
- b) Claims Procedure.
 - i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in part, from funds available under Section X and Exhibit R of the CVS Settlement

Agreement, Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section IX and Exhibit R of the Walgreens Settlement Agreement, Section IX and Exhibit R of the Walmart Settlement Agreement, Section X or Exhibit R of the Distributor Settlement Agreement, or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.

- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for

reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.

- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master's preparation of a report of Costs does not discharge a Plaintiff Subdivision's reporting requirement under Section V(B)(2) of the CVS Settlement Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and CVS a report of the fees and expenses incurred by the Special Master pursuant to Section V(B)(2) of the CVS Settlement Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the CVS Settlement Agreement, Teva Settlement Agreement, Allergan Settlement Agreement, Distributor Settlement Agreement, Janssen Settlement Agreement, Walgreens Settlement Agreement, and the Walmart Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund. Any Plaintiff Subdivision that has submitted for reimbursement to any national fund and has not received a final determination by the First Claims Date may request that the settlement administrator withhold some or all of its payment from the CA Subdivision Fund in order to avoid repayment.
- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the CVS Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Costs, and Expenses) of the CVS Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the CVS Settlement Agreement and CA CVS Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the CVS Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the CVS Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the CVS Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the CVS Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

**Proposed California State-Subdivision Agreement
Regarding Distribution and Use of
Settlement Funds – Teva Settlement**

1. Introduction

Pursuant to the Teva Settlement Agreement, dated as of November 22, 2022, and any revision thereto (the “Teva Settlement Agreement”), including Section VIII and Exhibit O, the State of California proposes this agreement (the “CA Teva Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections VI, VII, and VIII of the Teva Settlement Agreement. For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections IX, XIII, or XIV of the Teva Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Teva Settlement Agreement, acceptance of this CA Teva Allocation Agreement is a requirement to be an Initial Participating Subdivision.¹

Further, pursuant to Sections X.B and X.C of the Teva Settlement Agreement and Sections IX.B and IX.C of the Allergan Settlement Agreement, eligible Subdivisions must participate in both the Teva Settlement Agreement and Allergan Settlement Agreement, or neither.

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Teva Settlement Agreement.
- b) *Allergan Settlement Agreement* means the Allergan Settlement Agreement dated November 22, 2022, and any revision thereto.

- e) *Janssen Settlement Agreement* means the Janssen Settlement Agreement dated July 21, 2021, and any revision thereto.
- f) *Walgreens Settlement Agreement* means the Walgreens Settlement Agreement dated December 9, 2022, and any revision thereto.

¹ A parallel but separate agreement (the “CA Allergan Allocation Agreement”) will govern the allocation, distribution, and use of settlement fund payments under the Allergan Settlement Agreement.

- g) *Walmart Settlement Agreement* means the Walmart Settlement Agreement dated November 14, 2022, and any revision thereto.
- h) *CA Litigating Special District* means a Litigating Special District located in California. CA Litigating Special Districts include Downey Unified School District, Elk Grove Unified School District, Kern High School District, Montezuma Fire Protection District (located in Stockton, California), Santa Barbara San Luis Obispo Regional Health Authority, Inland Empire Health Plan, Health Plan of San Joaquin, San Leandro Unified School District, Pleasant Valley School District Board, and LA Care Health Plan.
- i) *Plaintiff Subdivision* means a Subdivision located in California, other than a CA Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.
- j) *Opioid Defendant* means any defendant (including but not limited to Teva Pharmaceutical Industries Ltd., Allergan Finance, LLC, Allergan Limited, CVS Health Corporation, CVS Pharmacy, Inc., Walgreen Co., Walmart Inc., Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc., AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Teva Settlement Agreement, as well as applicable law, and the Teva Settlement Agreement governs over any inconsistent provision of this CA Teva Allocation Agreement. Terms used in this CA Teva Allocation Agreement have the same meaning as in the Teva Settlement Agreement unless otherwise defined herein.

Pursuant to Section VIII(E)(1) of the Teva Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section VIII(C) of the Teva Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,² pursuant to the Teva Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the

² For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

Settlement Fund shall be combined pursuant to this CA Teva Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, CA Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.
- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Teva Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Teva

Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.

- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Teva Settlement Agreement and this CA Teva Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Teva Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.

- d) For the avoidance of doubt, and subject to the requirements of the Teva Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Teva Settlement Agreement and this CA Teva Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Teva Settlement Agreement and this CA Teva Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the Teva Settlement Agreement or this CA Teva Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the Teva Settlement Agreement or this CA Teva Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, 6 investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the Teva Settlement Agreement and this CA Teva Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Teva Settlement Agreement and Allergan Settlement Agreement, and, if applicable, the CVS Settlement Agreement, Distributor Settlement Agreement, Janssen Settlement Agreement, Walgreens Settlement Agreement, and Walmart Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(X), of the Teva Settlement Agreement and the MDL Fees Order,

so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Teva Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Teva Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Teva Settlement Agreement and this CA Teva Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.

- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Teva Settlement Agreement and this CA Teva Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section VIII(C) of the Teva Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and Teva.
- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Teva Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Teva Settlement Agreement, this CA Teva Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Teva Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- a) Except as provided in the Teva Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

The undersigned, Yuba City, ACKNOWLEDGES acceptance of this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Teva Settlement is a requirement to be an Initial Participating Subdivision in the Teva Settlement and ACCEPTS this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Teva Settlement. APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were not previously reimbursed and which were paid or incurred (i) prior to December 31, 2022 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting any CA Allocation Agreement(s) concerning a settlement with any Opioid Defendant(s). *Costs* does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the Distributor Settlement Agreement, Section XI and Exhibit R of the Janssen Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, Section IX and Exhibit R of the Walgreens Settlement Agreement, or Section IX and Exhibit R of the Walmart Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating National Opioid Settlements with various manufacturers, distributors, and chain pharmacies.
- b) Claims Procedure.

- i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in part, from funds available under Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, Section IX and Exhibit R of the Walgreens Settlement Agreement, Section IX and Exhibit R of the Walmart Settlement Agreement, Section X or Exhibit R of the Distributor Settlement Agreement, or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.
- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.

- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master's preparation of a report of Costs does not discharge a Plaintiff Subdivision's reporting requirement under Section VIII.C of the Teva Settlement Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and Teva a report of the fees and expenses incurred by the Special Master pursuant to Section VIII.C of the Teva Settlement Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the Teva Settlement Agreement, Allergan Settlement Agreement, Distributor Settlement Agreement, CVS Settlement Agreement, Janssen Settlement Agreement, Walgreens Settlement Agreement, and the Walmart Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for 4 its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a

final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund. Any Plaintiff Subdivision that has submitted for reimbursement to any national fund and has not received a final determination by the First Claims Date may request that the settlement administrator withhold some or all of its payment from the CA Subdivision Fund in order to avoid repayment.

- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the Teva Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Costs, and Expenses) of the Teva Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the Teva Settlement Agreement and CA Teva Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the Teva Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the Teva Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the Teva Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the Teva Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

**Proposed California State-Subdivision Agreement
Regarding Distribution and Use of
Settlement Funds – Walgreens Settlement**

1. Introduction

Pursuant to the Walgreens Settlement Agreement, dated as of December 9, 2022, and any revision thereto (the “Walgreens Settlement Agreement”), including Section V and Exhibit O, the State of California proposes this agreement (the “CA Walgreens Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections IV and V of the Walgreens Settlement Agreement. For the avoidance of doubt, this agreement does not apply to payments made pursuant to Section IX of the Walgreens Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Walgreens Settlement Agreement, acceptance of this CA Walgreens Allocation Agreement is a requirement to be an Initial Participating Subdivision.

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Primary Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Walgreens Settlement Agreement.

Pleasant Valley School District Board, and LA Care Health Plan.

- i) *Plaintiff Subdivision* means a Subdivision located in California, other than a CA Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.
- j) *Opioid Defendant* means any defendant (including but not limited to Walgreen Co., Teva Pharmaceutical Industries Ltd., Allergan Finance, LLC, Allergan Limited, CVS Health Corporation, CVS Pharmacy, Inc., Walmart Inc., Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc., AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Walgreens Settlement Agreement, as well as applicable law, and the Walgreens Settlement Agreement governs over any inconsistent provision of this CA Walgreens Allocation Agreement. Terms used in this CA Walgreens Allocation Agreement have the same meaning as in the Walgreens Settlement Agreement unless otherwise defined herein.

Pursuant to Section V(D)(1) of the Walgreens Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section V(B)(2) of the Walgreens Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,¹ pursuant to the Walgreens Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA Walgreens Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

¹ For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, CA Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.
- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Walgreens Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Walgreens Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.

- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Walgreens Settlement Agreement and this CA Walgreens Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Walgreens Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Walgreens Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or

ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Walgreens Settlement Agreement and this CA Walgreens Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Walgreens Settlement Agreement and this CA Walgreens Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the Walgreens Settlement Agreement or this CA Walgreens Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the Walgreens Settlement Agreement or this CA Walgreens Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the Walgreens Settlement Agreement and this CA Walgreens Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Walgreens Settlement Agreement, and, if applicable, the Teva Settlement Agreement, Allergan Settlement Agreement, CVS Settlement Agreement, Distributor Settlement Agreement, Janssen Settlement Agreement, and Walmart Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(Y), of the Walgreens Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Walgreens Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Walgreens Settlement Agreement. Further,

private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Walgreens Settlement Agreement and this CA Walgreens Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Walgreens Settlement Agreement and this CA Walgreens Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section V(B)(2) of the Walgreens Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and Walgreens.

- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Walgreens Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Walgreens Settlement Agreement, this CA Walgreens Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Walgreens Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the Walgreens Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

The undersigned, Yuba City, ACKNOWLEDGES acceptance of this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Walgreens Settlement is a requirement to be an Initial Participating Subdivision in the Walgreens Settlement and ACCEPTS this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Walgreens Settlement. APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were not previously reimbursed and which were paid or incurred (i) prior to December 31, 2022 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting any CA Allocation Agreement(s) concerning a settlement with any Opioid Defendant(s). *Costs* does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section IX and Exhibit R of the Walgreens Settlement Agreement, Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the Distributor Settlement Agreement, Section XI and Exhibit R of the Janssen Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, or Section IX and Exhibit R of the Walmart Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating National Opioid Settlements with various manufacturers, distributors, and chain pharmacies.
- b) Claims Procedure.
 - i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in part, from funds available under Section IX and Exhibit R of the Walgreens

Settlement Agreement, Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, Section IX and Exhibit R of the Walmart Settlement Agreement, Section X or Exhibit R of the Distributor Settlement Agreement, or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.

- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for

reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.

- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master's preparation of a report of Costs does not discharge a Plaintiff Subdivision's reporting requirement under Section V(B)(2) of the Walgreens Settlement Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and Walgreens a report of the fees and expenses incurred by the Special Master pursuant to Section V(B)(2) of the Walgreens Settlement Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the Walgreens Settlement Agreement, Teva Settlement Agreement, Allergan Settlement Agreement, Distributor Settlement Agreement, CVS Settlement Agreement, Janssen Settlement Agreement, and the Walmart Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund. Any Plaintiff Subdivision that has submitted for reimbursement to any national fund and has not received a final determination by the First Claims Date may request that the settlement administrator withhold some or all of its payment from the CA Subdivision Fund in order to avoid repayment.
- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

APPENDIX 3

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the Walgreens Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Costs, and Expenses) of the Walgreens Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the Walgreens Settlement Agreement and CA Walgreens Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the Walgreens Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the Walgreens Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the Walgreens Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the Walgreens Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

**Proposed California State-Subdivision Agreement
Regarding Distribution and Use of
Settlement Funds – Walmart Settlement**

1. Introduction

Pursuant to the Walmart Settlement Agreement, dated as of November 14, 2022, and any revision thereto (the “Walmart Settlement Agreement”), including Section V and Exhibit O, the State of California proposes this agreement (the “CA Walmart Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections IV and V of the Walmart Settlement Agreement. For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections VIII or IX of the Walmart Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Walmart Settlement Agreement, acceptance of this CA Walmart Allocation Agreement is a requirement to be a Participating Subdivision.

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Primary Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Walmart Settlement Agreement.
- b) *Allergan Settlement Agreement* means the Allergan Settlement Agreement dated November 22, 2022, and any revision thereto.
- c) *CVS Settlement Agreement* means the CVS Settlement Agreement dated December 9, 2022, and any revision thereto as well as any modification thereto entered into by the State of California and CVS.
- d) *Distributor Settlement Agreement* means the Distributor Settlement Agreement dated July 21, 2021, and any revision thereto.
- e) *Janssen Settlement Agreement* means the Janssen Settlement Agreement dated July 21, 2021, and any revision thereto.
- f) *Teva Settlement Agreement* means the Teva Settlement Agreement dated November 22, 2022, and any revision thereto.
- g) *Walgreens Settlement Agreement* means the Walgreens Settlement Agreement dated December 9, 2022, and any revision thereto.
- h) *CA Litigating Special District* means a Litigating Special District located in California. CA Litigating Special Districts include Downey Unified School District, Elk Grove Unified School District, Kern High School District, Montezuma Fire Protection District (located in Stockton, California), Santa Barbara San Luis Obispo Regional Health Authority, Inland Empire Health Plan, Health Plan of San Joaquin, San Leandro Unified School District, Pleasant Valley School District Board, and LA Care Health Plan.

- i) *Plaintiff Subdivision* means a Subdivision located in California, other than a CA Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.
- j) *Opioid Defendant* means any defendant (including but not limited to Teva Pharmaceutical Industries Ltd., Allergan Finance, LLC, Allergan Limited, CVS Health Corporation, CVS Pharmacy, Inc., Walgreen Co., Walmart Inc., Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc., AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Walmart Settlement Agreement, as well as applicable law, and the Walmart Settlement Agreement governs over any inconsistent provision of this CA Walmart Allocation Agreement. Terms used in this CA Walmart Allocation Agreement have the same meaning as in the Walmart Settlement Agreement unless otherwise defined herein.

Pursuant to Section V(D)(1) of the Walmart Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section V(B)(2) of the Walmart Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,¹ pursuant to the Walmart Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA Walmart Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

¹ For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, CA Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.
- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Walmart Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Walmart Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.

- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Walmart Settlement Agreement and this CA Walmart Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Walmart Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Walmart Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement

Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Walmart Settlement Agreement and this CA Walmart Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Walmart Settlement Agreement and this CA Walmart Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the Walmart Settlement Agreement or this CA Walmart Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the Walmart Settlement Agreement or this CA Walmart Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Participating Subdivisions. The funds will be used, subject to any limits imposed by the Walmart Settlement Agreement and this CA Walmart Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Walmart Settlement Agreement, and, if applicable, the Allergan Settlement Agreement, CVS Settlement Agreement, Distributor Settlement Agreement, Janssen Settlement Agreement, Teva Settlement Agreement, and Walgreens Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(W), of the Walmart Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Walmart Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private

counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Walmart Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Walmart Settlement Agreement and this CA Walmart Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Walmart Settlement Agreement and this CA Walmart Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section V(B)(2) of the Walmart Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and Walmart.

- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Walmart Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Walmart Settlement Agreement, this CA Walmart Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Walmart Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the Walmart Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

The undersigned, Yuba City, ACKNOWLEDGES acceptance of this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Walmart Settlement is a requirement to be an Initial Participating Subdivision in the Walmart Settlement and ACCEPTS this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Walmart Settlement. APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were not previously reimbursed and which were paid or incurred (i) prior to December 31, 2022 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting any CA Allocation Agreement(s) concerning a settlement with any Opioid Defendant(s). *Costs* does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section IX and Exhibit R of the Walmart Settlement Agreement, Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the Distributor Settlement Agreement, Section XI and Exhibit R of the Janssen Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, or Section IX and Exhibit R of the Walgreens Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating National Opioid Settlements with various manufacturers, distributors, and chain pharmacies.
- b) Claims Procedure.
 - i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in

part, from funds available under Section IX and Exhibit R of the Walmart Settlement Agreement, Section XIV and Exhibit R of the Teva Settlement Agreement, Section XIII and Exhibit R of the Allergan Settlement Agreement, Section X and Exhibit R of the CVS Settlement Agreement, Section IX and Exhibit R of the Walgreens Settlement Agreement, Section X or Exhibit R of the Distributor Settlement Agreement, or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.

- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for

reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.

- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master's preparation of a report of Costs does not discharge a Plaintiff Subdivision's reporting requirement under Section V(B)(2) of the Walmart Settlement Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and Walmart a report of the fees and expenses incurred by the Special Master pursuant to Section V(B)(2) of the Walmart Settlement Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the Walmart Settlement Agreement, Teva Settlement Agreement, Allergan Settlement Agreement, Distributor Settlement Agreement, CVS Settlement Agreement, Janssen Settlement Agreement, and the Walgreens Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund. Any Plaintiff Subdivision that has submitted for reimbursement to any national fund and has not received a final determination by the First Claims Date may request that the settlement administrator withhold some or all of its payment from the CA Subdivision Fund in order to avoid repayment.
- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the Walmart Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Costs, and Expenses) of the Walmart Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the Walmart Settlement Agreement and CA Walmart Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the Walmart Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the Walmart Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the Walmart Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the Walmart Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

Introduction

Yuba-Sutter Economic Development Corporation (YSEDC), established in 1994 to support economic development efforts is organized as a nonprofit private corporation governed by a 23-member board of directors. The corporation represents business interests of both public and private sectors within the Yuba City Metropolitan Statistical Area.

The corporation was designated as an Economic Development District (EDD) by the U.S. Department of Commerce, Economic Development Administration (EDA) in 1996. Yuba-Sutter Economic Development District (YSEDD) is generally synonymous with Yuba-Sutter Economic Development Corporation (YSEDC). The district is comprised of the counties of Sutter and Yuba and the cities of Live Oak, Marysville, Wheatland and Yuba City. The region is referred to as the Yuba City Metropolitan Statistical Area (MSA) as defined by U.S. Office of Management and Budget and used by the U.S. Census Bureau and other U.S. government agencies for statistical purposes. The U.S. Department of Commerce Economic Development Administration provides financial assistance to designated districts for the purpose of developing an Economic Development Strategy and provides funding, in part, for community development planning designed to assist in alleviating economic distress and unemployment.

The Comprehensive Economic Development Strategy (CEDS) document is a significant component of remaining a designated EDD. YSEDC updates the region's CEDS and submits a performance report annually. The CEDS document and appendices can be found on YSEDC's website: <https://www.ysecdc.org/strategy>

Yuba-Sutter Economic Development Corporation is pleased to submit its 2022 CEDS Annual Performance Report to the EDA.

Adjustment to the Strategy

In 2020, YSEDD/YSEDC completed its five-year update of the Comprehensive Economic Development Strategy. The process began in February of 2020 and was approved by the Department of Commerce Economic Development Administration in August 2020. A comprehensive community-wide SWOT analysis and survey was

conducted, analyzed, reviewed and new regional goals and tactics were set or strengthened. Since the completion of the 2020-2025 CEDS five-year update, the Yuba City, CA MSA improved its economic strength ranking by one to now rank 85 out of 384 Metropolitan Statistical Areas. Since 2018, it improved by 96 rankings according to POLICOM, an independent research company that specializes in studying the dynamics of local economies.

Although the COVID-19 pandemic had a major impact to all sectors of the region, both private and public, the region has bounced back for the most part except for three factors which are currently affecting businesses in the region. These factors include workforce, cost of goods and supply chain issues and are reflected in the region's demographics.

Labor Force

The region's economic activity and well-being is reflected to large degree by the number and types of jobs available. Between December 2021 and December 2022, the region's annual labor force declined from 75,600 to 75,000 which was a 0.13 percent decrease over the year. Between 2011 and 2021, the number of individuals counted as part of the labor force increased by 600 or 8 percent over the 10 years. The region has 58.3 percent participation rate. For purposes of comparison, California has 63.9 percent and the nation has 63.2 percent. The region is currently experiencing an abundance of jobs but is lacking an experienced/trained workforce to fill these jobs.

Unemployment

The region's 2022 annual average unemployment rate (6.3 percent) was 171.67 percent higher than the national average (3.67 percent) and 157 percent higher than the state's (4.0 percent). Rates are not seasonally adjusted. Since the Yuba Sutter Economic Development District was formed, the gap between the regional and national annual average unemployment rate has been closing. In 1996, the annual average unemployment rate for the region was 15.3 percent and the national 5.5 percent, a 283 percent difference compared to the January 2021 rate, (Yuba City MSA 10.2. vs National 6.8 percent), a difference of 150 percent.

Per Capita Personal Income

Per capita personal income is widely used as an indicator of economic well-being of the residents in an area. Changes in these figures provide evidence that regions are becoming more or less wealthy as compared to a national benchmark. It is a measure of all income sources, wages and salaries, asset income and transfer payments divided by total population. In 2021, Yuba City MSA had a per capita personal income (PCPI) of \$51,174. This PCPI ranked 255th in the United States and was 79.8 percent of the national average of \$64,143. The 2021 PCPI reflected an increase of 6.7 percent from 2020. The 2020-2021 national change was 7.3 percent. In 2011, the PCPI of Yuba City was \$34,080 and ranked 283rd in the United States. The 2011-2021 compound annual growth rate of PCPI was 4.1 percent. The compound annual growth rate for the nation was 4.1 percent.

Per Capita Personal Income, 2021

In 2021, Yuba City MSA had a personal income of \$9,338,369*. This personal income ranked 244th in the United States. In 2011, the personal income of Yuba City MSA was \$5,708,358* and ranked 249th in the United States. (Source: U.S Department of Commerce Bureau of Economic Analysis).

**Personal income estimates are in thousands of dollars, not adjusted for inflation.*

Average Wages

The average worker in the Yuba City MSA earned annual average wages of \$54,183 as of 2022Q2. Average annual wages per worker increased 5.1 percent in the region over the preceding four quarters. For comparison purposes, national annual average wages were \$67,777 for the same period. The lower wages are generally attributed to the fact that the region is predominately rural with the largest industry sectors being Agriculture, Forestry, Fishing and Hunting, and Retail Trade.

Sectors in the Yuba City MSA with the highest average wages per worker are Management of Companies and Enterprises (\$99,455), Mining, Quarrying, and Oil and Gas Extraction (\$98,229), and Finance and Insurance (\$80,971). Regional sectors with the best job growth (or most moderate job losses) over the last 5 years are Accommodation and Food Services (+1,989 jobs), Health Care and Social Assistance (+1,108), and Transportation and Warehousing (+1,020).

Over the next one year, employment in the Yuba City MSA is projected to expand by 742 jobs. The fastest growing sector in the region is expected to be Arts, Entertainment, and Recreation with a +3.8% year-over-year rate of growth. The

strongest forecast by number of jobs over this period is expected for Health Care and Social Assistance (+199 jobs), Accommodation and Food Services (+148), and Agriculture, Forestry, Fishing and Hunting (+105). (Source: Jobs Eq. Employment data are derived from the Quarterly Census of Employment and Wages, provided by the Bureau of Labor Statistics, and imputed where necessary.)

Establishments

Establishment counts represent the number of locations with paid employees any time during the year. Growth in the number of establishments can reflect increased tax base and jobs. In 2022Q1, Yuba City MSA had 5,408 establishments, a 2.25 percent increase from 5,289 in 2021Q1. Source: JobsEQ

Gross Domestic Product

Gross Domestic Product (GDP) is the total value of goods and services produced by the region. In 2021, Yuba City MSA produced \$8,104,050 in current-dollar total GDP* compared to 2020 total GDP of \$7,384,911. This GDP ranked 272nd among MSAs. In 2021, real GDP grew 3.8 percent. For purposes of comparison California grew 7.8 percent and the nation grew 6.2 percent.

Industry Composition: Goods- and services-producing industries and government comprise total GDP. Industry statistics reflect the value of goods and services produced by each of those industries located in Yuba City MSA. In 2021, services-producing industries produced the largest portion of GDP, while government and goods-producing industries produced the second and third largest portion of GDP, respectively. Performance Measures

An evaluation framework serves as a mechanism to gauge progress on the implementation of the overall CEDS. It is a crucial element of the ongoing planning process and should answer the questions “How are we doing?” and “What can we do better?”

The following performance measures help to provide a framework for evaluating if the progress of activities in achieving the vision, goals, and objectives of the CEDS are making a difference in the local economy. The metrics are broad measures of progress. Improvement in the metrics may be attributed to external factors other than causally related to the economic and workforce development efforts underway in the region.

Evaluation of Progress on Goals and Tactics

This section presents the vision and goals for the Yuba-Sutter region. It also identifies actions that support the identified pillars and goals for the region. The CEDS will inspire and guide the community, its leaders and the Yuba-Sutter Economic Development District in creating a dynamic region. The strategy focuses on economic resiliency and recovery while building regional diversity, capacity and collaboration resulting in a vibrant and prosperous community.

Vision

To foster a vibrant, prosperous and growing Yuba-Sutter region through exceptional leadership and involvement of the community.

Goals and Accomplishments in 2022

Data for this section was provided by implementation partners for the region by responding to an evaluation questionnaire or providing direct outcomes to YSEDC. The implementation partners represented both public and private sectors.

Goal 1 – Create and maintain a competitive region through economic development

Strengthening existing clusters has the potential to entice similar industries and suppliers to the region's existing industries in agriculture, healthcare, manufacturing, aerospace and government. The region must coordinate efforts to build, grow and maintain competitive areas of proficiency and innovation to drive the evolution of these existing clusters. Regional development of the clusters will have considerable employment ripple effects and improve the wage and tax base.

Implementation Partners: Yuba-Sutter Economic Development Corporation (YSEDC); Sutter and Yuba Counties; Cities of Live Oak, Marysville, Wheatland and Yuba City; Yuba-Sutter Chamber of Commerce; Sutter and Yuba One Stops; and Yuba College.

Tactic 1 – Attract more industries to the region: Both Yuba and Sutter counties worked diligently to improve the region to attract more industries by continuing to develop infrastructure projects. In 2022, there were 38 project inquiries for the region which had the potential private investment of \$2.248 billion and the creation of over 5,028 jobs. Unfortunately, the region was unable to site all but one, which is still under discussion.

The two counties have continued support of their largest employers, Beale Air Force Base and agriculture. The pandemic, on-going drought conditions, and supply chain issues did adversely affect agriculture and agriculture-based tourism. However, Yuba County's agriculture's 2021 gross value increased by 29 percent from the 2020 values and Sutter County increased approximately 9.2 percent.

In 2019, Beale Air Force Base created 1,734 jobs, with an annual average salary of \$48,471. However, once the current continuing resolution expires, the National Defense Authorization Act (NDAA) will direct formal divestiture of Beale's Global Hawk program, with funding for that divestiture to commence. In the meantime, the Air Force is reducing its footprint of Global Hawk pilots at Beale and is looking at losing an additional 31 employees (and their families) through the summer reassignment cycle. The region must continue to support and enhance base/community engagements to support Beale Air Force Base and its missions. In 2022, Beale Air Force Base completed 4 of the 24 construction/renovations projects listed in Appendix V of the CEDS. These projects represented at minimum \$29 million in Federal Funds out of \$426 million designated to the projects.

Sutter County Superintendent of Schools announced the new Cosmetology School will be open to students beginning in February 2023 aligning with their vision of creating opportunities for students outside of a two or four-year university experience.

Yuba County continues to partner with Olivehurst Public Utility District (OPUD), Linda Water District, City of Wheatland, Hard Rock Hotel and Casino Sacramento at Fire Mountain and Enterprise Rancheria to expand water and wastewater lines for its employment corridor (East side of Highway 65 between Rancho Road and South Beale Road) and the Sports and Entertainment Zone (West side of Highway 65 between Rancho Road and South Beale Road). All parties are in final stages of submitting funding request for the expansion of water and wastewater line. The expansion has already generated several inquiries from a diverse range of businesses.

Tactic 2 – Boost Entrepreneurial Development: There were 87 inquiries for business financial assistance of which 12 were for start-ups. Most of these businesses were not ready and were referred to Ken Freeman Consulting Services, Small Business Development Center, or Small Business Administration for start-up assistance such as business basics and planning. YSEDC applied for and received \$210,000 in funding from the California Wellness Foundation to further enhance its business assistance programs and began implementation in January 2022. In 2022, YSEDC referred 46 businesses for this business assistance and 25 accepted assistance, 2 startups opened and currently employ 7 fulltime employees and 10 businesses are still in development process. In addition, YSEDC offered QuickBooks Online training to 6 businesses with 4 completing the training and 2 receiving a one-year online scholarship. YSEDC also partnered with Wide Awake Geek (WAG) which provided 15 new entrepreneurs and startups the process of starting a business and 4 annual small desk scholarships. WAG, in partnership with Yuba College, initiated an inaugural Yuba-Sutter Maker Faire to celebrate creativity and provide a networking venue for creatives and innovators to show their craft and share their passion.

Tactic 3 – Maintain, Promote and Expand Regional Businesses: The Yuba-Sutter Business Consortium, a committee of YSEDC, conducted a business outreach walk in November 2022 in Yuba City's Garden Highway Industrial Area. The purpose of the walk was to determine current health and needs of businesses in the survey area. Of those surveyed, 56 percent reported their business was up, 25 percent were down, and 12.5 percent were steady or fluctuated between up and down. The businesses surveyed reported their greatest challenge was workforce and related issues, followed by rising cost of goods and supply chain issues, and thirdly by business marketing challenges. The most requested business resource was assistance in addressing the issue of lack of qualified workforce and assistance with hiring, training, and vetting.

YSEDC in partnership with Sutter County and Yuba County, implemented a Micro Business Grant Relief program. This program is funded by California Office of the Small Business Advocate (CalOSBA) and its purpose is to provide relief to very small businesses with gross revenues under \$50,000. There were 73 microbusinesses funded a total of \$180,000. Awards were \$2,500 per business.

Sutter and Yuba County One Stops provided 9,666 business services to employers; promoted 373 employment opportunities for employers, provided 9,541 employment services to individuals; hosted 38 job fairs/on-site and

virtual recruitments; initiated 45 on-the-job training contracts; assisted 29 individuals with lay-off aversion and had 403 net jobs created. There was overall a 21 percent decrease in workforce services over the previous year and most likely is the result of the improved job market and jobs filled.

YSEDG provided a variety of technical/financial assistance resources and referrals via 18 email campaigns to 3,900 businesses in the past 12 months with an open rate of 41 percent (vs. industry average of 19 percent) and had a click rate of 14 percent (vs. industry average of 12 percent). This technical/financial assistance included federal, state and private funded grant/loan assistance, marketing, and general business technical assistance.

Yuba-Sutter Chamber of Commerce provided 107 business networking events to 5,951 businesses, 7 educational business webinars to 103 businesses and made multiple referrals to other Yuba-Sutter Business Consortium partners. Chamber also has an established Government Affairs Committee, to study and analyze issues of interest to the Yuba-Sutter area and its business community; to take advocacy positions on those issues; and to communicate the Chamber's viewpoint clearly to its membership, elected officials, and the community at large. This committee represents the entire business community. The Chamber was instrumental in organizing the Marysville Business Alliance, whose mission is to revitalize the city of Marysville through community events and create a unified voice to represent the business community. The Chamber's Yuba-Sutter Restaurant Association in partnership with United Chamber Advocacy Network, joined with the California Restaurant Association and the California Asian Chamber of Commerce to oppose AB 257 which unfortunately passed with a narrow margin. Currently they have joined Save Local Restaurants Coalition to place a measure to repeal AB 257. The landmark law creates a mandate for a first-of-its-kind council to set standards for franchise restaurant workers' hours and other workplace conditions. It also could raise the workers' minimum wage as high as \$22 an hour.

The Marysville Business Alliance (MBA) mission is to revitalize Marysville through community events and create a unified voice to represent the business community at a City and County level and set the direction and vision for the future, incorporating the deep history of the area, music, arts, and culture. The MBA is made up of more than 30 participants who are focused on efforts that create opportunities to grow business for Marysville. The group is actively engaged with the City of Marysville staff and elected officials. They are involved in creating events that attract business to downtown as well as participating in existing events such as Bok Kai, Peach Festival and Christmas Parade to enhance and boost business. The MBA is also involved in pursuing grant opportunities to beautify Marysville. Recently MBA contributed their recommendations in a grant proposal to SACOG focused on community design for Historical Downtown Marysville walkability improvements. The MBA meets monthly and is open to anyone with interest in the business growth and development of Marysville.

One of Yuba County's larger employers, Hard Rock Hotel & Casino Sacramento at Fire Mountain, opened its HARD ROCK LIVE music and entertainment venue in June 2022. With a design approach focused on innovative staging, the latest technology and unrivaled guest amenities, HARD ROCK LIVE serves as a flexible event center with the capability to host a multitude of programs including live shows, a variety of premier sporting events, galas and more and is currently looking at 75 shows and events in 2023 and anticipates another 15-20 outside uses of the facility including tradeshow, meetings, charity events, other activities, and even weddings.

Hard Rock Hotel & Casino Sacramento at Fire Mountain is continuing to focus on securing the 341 acres between the existing casino and Toyota Amphitheater for future ownership and development. They are currently developing a Letter of Intent to purchase and intend to start having master planning discussion in mid-2023 to brainstorm future development for the Tribal business diversification and for supporting the growth of the sports and entertainment zone. Hard Rock Hotel & Casino Sacramento at Fire Mountain continues to support the community philanthropically and in 2022 made charitable donations and in-kind gifts totaling \$1million to community entities, including \$100K to Adventist Rideout Cancer Center.

In Yuba City, a new 93-unit Holiday Inn Express with a swimming pool in the 500 block of Shasta Street is near completion and has begun the process of hiring. It is anticipated 75 jobs will be created. Hampton Inn is in process of a 50-room expansion. There were several other retail stores opened in 2022 which have created approximately 180 to 200 jobs. These include Hobby Lobby (65 jobs), Burlingtons (85 jobs), 5 Below and Turner Outdoorsman (approximately 25 jobs).

In Yuba County, According to Yuba County Media and Community Relations Coordinator Russ Brown, officials from Costco and local property owners have now completed a months long private negotiation to bring the warehouse-style store to the area. The store is expected to be about 160,000 square feet in size. Job creation is projected to be 175.

In Marysville, there have been 3 new businesses located within the city and one large development project.

- **Habit Burger:** Located at 723 E Str. Opened in Feb. 2022. Created approximately 18 jobs.
- **7-Eleven Convenience Store:** Located at 501 5th Street and includes filling station outfitted with electric vehicle rechargers. \$6,705,000 project opened December 2022, created approximately 11 jobs.
- **Dutch Bros. Coffee:** 1021 B Street anticipated to open in spring of 2023 and to create approximately 14 jobs.
- **B Street Property:** Marysville is setting the stage for a Hotel with a Banquet Hall, Restaurants and a Grocery Store across from Ellis Lake, on B Street. Marysville City Council recently entered into a Disposition and Development Agreement with Engstrom Properties LLC and the Presidio Companies LLC to move forward with the redevelopment of this five acre cityowned property.

Goal 2 – Develop, retain and attract talent

It is imperative that the region prepare young students and adult learners with critical in-demand education skills, competencies and knowledge that align with existing and evolving business and industry needs. Many industries are suffering because job seekers lack essential skills. The region must build awareness among residents, businesses and leaders that education and lifelong learning are important drivers of economic development.

Implementation Partners: Yuba-Sutter Economic Development Corporation, Sutter and Yuba One Stops; Tri-County ROP/CTE; Yuba-Sutter Chamber of Commerce; Wide Awake Geek, AeroSTEM Academy; K-12 Institutions; Sutter and Yuba Counties; Cities of Live Oak, Marysville, Wheatland and Yuba City; and Yuba College.

Tactic 1 – Increase Collaboration between educational institutions:

Yuba College: Since 2020, Yuba College has collaborated with Yuba City Unified School District, Marysville Joint Unified School District, Wheatland Union School District, and Sutter Union High School District to create additional opportunities for students to pursue higher education, including workforce-focused programs. Yuba College continues to create new partnerships with other Yuba-Sutter school districts, including charter schools. In the 2022-2023 Year, California's legislature called on all community colleges to partner to create pathways for all K-12 Districts in their effective service area. Yuba College will continue to work toward reaching that goal.

In addition, Yuba College (YC) is working on a series of educational institution partnerships to expand collaboration by engaging with four-year universities to support Yuba-Sutter. YC has an existing partnership with California State University Sacramento (Sacramento State) to provide pathways for early childhood education. This 2+2 program allows students to complete their associate's degree on-site at Yuba College and then transfer into Sacramento State courses that are offered on-site at Yuba College locally to complete their bachelor's degree. This partnership sets the stage for a series of other agreements that have increased collaboration. For example, in 2021 Yuba College partnered with the University of California Davis as a part of their Avenue B Program designed to expand opportunities for students to have a guaranteed admission pathway into STEM programs from Yuba College to UC

Davis. That partnership was expanded in 2022 when YC joined the Avenue M Program, designed to increase the number of students with a guaranteed pathway from rural community colleges to UC Davis with the ultimate goal of attending medical school at UC Davis. Local high school districts have joined this collaboration, including the Marysville Joint Unified School District.

Yuba College is working with both the Sutter and Yuba County Offices of Education and California State University Chico to create a local cohort to support teacher preparation. This developing partnership would create an in-person, 2+2 cohort for future teachers. This agreement would include courses hosted on-site at Yuba College at both the associate's and bachelor's levels, with some online course options, followed by student teaching in the Yuba-Sutter area. This 2+2 agreement would mean that local students would not have to travel to Chico State for classes but would instead have options in the Yuba-Sutter area to complete their degree and teaching credential, meeting both a local employment need and expanding partnerships amongst education institutions in and beyond Yuba-Sutter.

The Marysville Joint Unified School District (MJUSD) is rooted in the value of lifelong learning. The District recognizes the impact of the school programs on the larger community and therefore the need to work closely with local businesses and higher education partners to design pathways for graduates to succeed after high school. While a four-year degree is not the only way to success, the need to establish college preparation for transition to higher education is imperative to growing a trained workforce. The district has introduced a newly designed College and Career division this year to be intentional in preparing every student for college and career and to allow them to choose the future they desire.

In partnership with Yuba College, MJUSD added another cohort to their Early College program and are exploring a middle college program that will allow students multiple options to earn an AA degree while completing their high school graduation requirements. This year, the District formalized a partnership with Chico State which helped introduce information and start laying a belief-system that four-year university education is within reach. This is the first of many future partnerships with four-year colleges that will be introduced at our secondary schools.

The District supports 21 sequenced pathways in 8 industry sectors through our Career Technical Education (CTE) programs. CTE courses combine academic and occupation-related course requirements. In most cases, pathways are taught over multiple years, allowing students to develop critical workplace skills. Many CTE courses count for college credit and are approved to meet minimum admission requirements for the University of California system. CTE courses range from medical to agriculture mechanics and touch on a wide range of careers in between.

Tactic 2 – Improve understanding of all ethnic cultures that live, work within or visit the region: In 2022, **Yuba Sutter Arts and Culture** completed the Arboga Assembly Center Memorial Park in South Yuba County. This historic site is the location where 2,500 local Japanese Americans were held during WWII while the permanent concentration camps were being built. The project was done in collaboration with the Marysville Japanese American Citizens League and was funded by the CA State Library. **PROJECT COMPLETE - \$30,000 (CA State Library)**

The **Sutter County Museum** houses a permanent exhibit gallery with displays on the history and stories of Yuba-Sutter's diverse peoples. It includes permanent exhibits on Chinese Americans, Hmong Americans, Japanese Americans, Mexican Americans, and Punjabi Americans in the community's history. Temporary exhibits in 2022 also supported the understanding of diverse ethnic cultures within the region: *Disrupted Life: Replica Barrack from the Tule Lake Internment Camp*, in partnership with the Marysville Japanese American Citizens League and Yuba Sutter Arts & Culture, discussed anti-immigration sentiments in the United States and the executive order by President Franklin Roosevelt in 1942 that ordered the relocation of Japanese Americans to internment camps like the Tule Lake Relocation Center in northern California; *The Newest Americans*, featuring portraits and

interviews that capture the experiences of immigrants from 23 countries of origin and promoted discussion on America's legacy as a nation of immigrants; and *Chinese Pioneers*, which explored the social, political, and judicial disenfranchisement of Chinese Californians, as well as moments of Chinese agency and resilience, in the decades before and after the 1882 Chinese Exclusion Act.

Tactic 3 – Create awareness of the value of lifelong learning: In recognition of our community's need to increase educational attainment, Yuba College has partnered with Yuba City Unified School District, Marysville Joint Unified School District, Wheatland Union School District, and Sutter Union High School District to formalize dual enrollment pathways for their students. In 2017, Yuba College had just 428 K-12 students enrolled in a dual enrollment course. In 2019, that increased to 816 for the year. By 2021, that number had increased to 1,236 (nearly tripled in just four years), and YC expects that number to increase again for the 2023 year. In May of 2023, the first cohort of the Yuba City Unified School District's Dual Enrollment Pathway with Yuba College will simultaneously graduate from Yuba City and River Valley High Schools while also receiving an associate's degree from Yuba College. This formal dual enrollment pathway has paved the way for expanded partnerships.

Pathways exist for K-12 students to attain transfer degrees to UCs and CSUs, in addition to pathways designed for career and technical education such as automotive, public safety (police and fire), welding, and more.

Goal 3 – Improve and modernize infrastructure

Adequate capacity and condition of infrastructure assets contributes to overall economic competitiveness. Strategic investments must be made to ensure that these assets are maintained and expanded. The region will become more competitive when businesses, entrepreneurs and residents are able to make use of well-coordinated and robust regional infrastructure for transportation, water/sewer/gas, broadband, housing and the natural environment.

Implementation Partners: Yuba-Sutter Economic Development Corporation; Sutter and Yuba Counties; Cities of Live Oak, Marysville, Wheatland and Yuba City; Yuba-Sutter Chamber of Commerce; Yuba-Sutter Transit; and Caltrans.

Tactic 1 – Modernize the region's Infrastructure to meet future demand and respond to changing business needs:

Regional Projects:

Feather River West Levee Project: Sutter and Butte counties are planning to improve 44 miles of levees from Thermalito Afterbay south to the Sutter Bypass to reduce flood risk and remove more than 34,000 properties from FEMA Special Flood Hazard Areas. Among other important improvements, the project will sustain and grow the local economy by creating construction jobs, protect property values, and allow for responsible residential, commercial and industrial development. Phase I –Thermalito Afterbay to Star Bend was targeted to be completed by 2016. Phase II will include the area south of Star Bend to the confluence of the Feather River and the Sutter Bypass.

2022-2023 UPDATE: Levee repairs is a two phase project: Phase I, the Feather River West Levee Project, included work from Thermalito Afterbay to Star Bend, just south of Yuba City, and was completed at the end of 2020. Phase II includes the area south of Star Bend to the confluence of the Feather River and the Sutter Bypass. Phase II work completed to date includes a one-mile section of levee at Laurel Avenue and another five miles of levee improvements between Star Bend and Laurel Avenue completed by the U.S Army Corps of Engineers (USACE). USACE also completed another mile of levee improvements between Laurel Avenue and the Highway 99 bridge. The Feather River West Levee Project is on schedule and within budget.

Yuba River North Training Wall Project: The Yuba Goldfields North Training Wall (NTW) is located on the right bank of the Yuba River, approximately eight miles northeast of the city of Marysville in Yuba County. The NTW is approximately 12,000 feet in length, it was constructed by the California Debris Commission in 1899 to confine the Yuba River and to facilitate the migration of mining debris within the floodway. The use of mining tailings was used to construct the NTW, and although not an authorized flood control project, it does provide limited flood protection for the community of Hallwood. However, there have been changes over time, changes both in height and width due in part to erosion from high-water events, such as in 2017 and 2018, when Hallwood experienced localized shallow flooding. The project is being constructed in two phases.

2022-2023 Update: Phase I work was completed in early 2022 and included reshaping the NTW embankment to provide a more stable geometry and address the height and width reductions that had occurred over time and ongoing, persistent erosion from storm events. Phase II work includes construction of a high ground tie-in embankment to extend to the north end of the NTW upstream and for a contiguous line of protection that further reduces flood risk to the Hallwood community, the City of Marysville, and portions of Reclamation District 10. The Phase II project, which is still under design, will include potential ecological enhancement components: riparian aquatic habitat creation, fish passage enhancement, and salmonid foraging enhancement. **PROJECT PHASE I IS COMPLETE- \$3 Million (County, YWA)**

The Yuba Goldfields 200-Yr Levee Project: The Yuba Goldfields 200-Yr Levee Project is a recently completed 2.5 mile long levee that ties into the previously improved Upper Yuba River Levee and is designed to prevent water from the Goldfields from inundating the communities of Linda, Olivehurst, Arboga and Plumas Lake. This 2.5-mile-long levee complies with both State requirements for 200-Yr Urban Levee Design Criteria (ULDC) and CA Water Code Title 23 for urban levee flood protection.

2022-2023 UPDATE: PROJECT IS COMPLETE - \$54,000,000 (County-YWA, State - DWR)

Flood Protection of the City of Marysville: This is a public works project to repair and upgrade the ring levee to be certified as providing a 200-year level of flood protection. The Marysville Ring Levee project is a multi-phase project that will upgrade the levee that surrounds Marysville. The primary purpose of the project is to strengthen the existing levee by implementing additional measures to reduce the likelihood of through- and under-seepage. The Marysville Ring Levee reduces flood risk for more than 12,000 residents, the region's largest and only level-3 trauma services hospital and the more than 10,000 jobs it supports, two state highways and two Union Pacific Railroad mainlines.

2022-2023 UPDATE: The project has completed several phases of construction including Phase 1 on Simmerly Slough between Jack Slough Road and the Marysville High School; Phase 4A on Simmerly Slough in Binney Junction; Phases 2A North and South on the Feather River between 10th Street and the Yuba River; and on the Yuba River the project has completed improvements in Phase 3 between the landfill and Ramirez Road/Simpson Lane and Phase 2C from Highway 70 to the Feather River. A contract is currently being awarded to construct Phase 2B between Ramirez Road/Simpson Lane and Highway 70 on the Yuba River in 2023; and the final phase of construction will be to repair the Yuba River levee beneath Highway 70 in 2024. The US Army Corps of Engineers is also completing a risk assessment of areas not improved in this project to ensure they meet criteria for greater than 200-year level of protection and will implement any repairs/improvements identified in that analysis in 2025-2026. (See map on page 14.)

YWA – Water Projects:

Three Rivers Parkway System Development: The Three Rivers Parkway is envisioned as a multi-modal active transportation and recreation system encompassing as many as 40 miles of hiking, bike and equestrian trails and boat access along the Yuba, Feather and Bear Rivers. The northern terminus would be the Sycamore Ranch County Regional Park on the Yuba River. The trail would extend along the northern bank of the Yuba River to Marysville and would connect to the Sutter County trail system over the rehabilitated former railroad trestle on the Feather River. The trail would cross the Yuba River over the SR 70 bridge and continue south along the Feather River past Star Bend boat ramp to the junction with the Bear River. It would then extend east along the Bear River and possibly Dry Creek into downtown Wheatland. Future phases may connect to the Spenceville Wilderness Area. The River Parkway is anticipated to be a major draw for tourism in Yuba County, creating opportunities for additional lodging and restaurants, equipment rental concessions, recreational equipment sales, guide services and retail spending from visitors.

2022-2023 Update: Phase I: 20 miles of trails on the Feather River was completed - \$8.5 million. (YWA)

Yuba County:

Bikeways and Pedestrian Trails: Bikeways and pedestrian trails project provide an alternative mode of transportation as well as an outdoor activity that has the added benefit of connecting people with other points of interest. In January 2013, Yuba County adopted an update to the Yuba County Bikeway Master Plan, which lists and prioritizes projects and their estimated costs.

2022-2023 UPDATE: County was recently awarded a grant through a Sustainable Transportation Planning Grant cycle to complete a Bicycle and Pedestrian Mobility Plan (update to Yuba County Bikeway Master Plan).

County Bridge/Culvert Repair: There are 75 Highway Bridge Program-eligible bridges (greater than 20' in length) and numerous other culvert and drainage structures owned and maintained by Yuba County. Currently the County

has 75 bridges that are of sufficient length (>20') to be eligible for Caltrans inspection. Of these, 29 bridges have a Sufficiency Rating (SR) below 80 and above 50 which qualify for HBP rehabilitation funds, and 8 bridges have a SR below 50 which qualify for HBP replacement funds.

2022-2023 UPDATES: **Iowa City Road Bridge Replacement Project completed - \$2,081,000 (California Highway Bridge Program FSTIP).** Spring Valley Road bridge replacement planned for 2023. Other current bridge replacement projects include Los Verjeles Road, Waldo Road, and Ellis Road. These are anticipated to be in construction in 2024-2025.

Yuba County Broadband Initiative: The County of Yuba seeks to improve broadband service county-wide to support economic growth, enhance community resilience, and bolster connectivity. This initiative will remain a priority for the County into the foreseeable future, due to the complex nature and ever evolving technological advances of the industry. Currently, the County, in partnership with the Yuba Water Agency and Valley Vision, is developing a Broadband Master Plan highlighting industry best practices and community specific opportunities to expedite enhanced broadband services.

2022-2023 UPDATES: Initiatives/Projects

The County is in the process of assessing its regulatory structure to facilitate more rapid broadband project permitting in the areas of encroachment permits, wireless communication tower deployment, and deployment of conduit for future fiber expansion that complies with California Department of Transportation specifications permitting and single point of contact for SiFi Networks open access middle mile fiber micro trenching project in Linda, Olivehurst, Plumas Lake, and future expansion into Arboga to deliver a minimum speed of 1 gigabyte per second symmetrical download/upload speed. Any broadband provider currently operating within, or interested in expanding to the project areas, will be able to serve customers on the network. Work likely to begin in 2023.

- Entered into Joint Powers Authority with Golden State Connect Authority to combine staff capacity for future initiatives.
- Entered into Memorandum of Understanding with Golden State Finance Authority.
- Received \$500,000 Local Agency Technical Assistance grant from CPUC for broadband network deployment, broadband feasibility study which will include:
 - Conceptual Network design and cost estimation.
 - Refined High-Level Design and Foundational Planning.
 - Low-Level Design and Engineering. Received approval for construction drawings.

Outreach is ongoing for Affordable Connectivity Program. 54 percent of county residents are eligible, and Yuba County is 7th out of the 58 California counties with 35 percent enrolled.

Yuba County Airport Taxiway: Yuba County Airport constructed a taxiway serving the commercial buildings along Skyway Drive, west of the existing runway. The taxiway is 25 feet wide and extends 3,700 feet in length. Other improvements included installation of storm drains and crossings over existing storm drains.

2022-2023 UPDATE: **PROJECT COMPLETED - \$1,813,067 Million (Federal & Local funds)**

West Linda Detention Basin and Pumping Station: This public works project will modify the existing low-lying area into a detention basin and create a pumping station to manage drainage within the West Linda area and create a multi-use recreational field/park that benefits existing low-income residents and businesses.

2022-2023 UPDATE: Yuba County has submitted a grant application for Phase 1 of this project to construct a 4.6-acre-foot retention basin along with associated piping, fencing, and grading. Construction of an outfall structure and pumping station would occur in subsequent phases.

Reclamation District No. 784 (Special District)

Pump Station No. 9 Upgrades: This public works project would provide redundant pumping, backup generation and SCADA electronic system to existing Pump No. 9 as required by FEMA for operation during storm events and would protect West Linda and the Lindhurst Avenue commercial area.

2022-2023 RD784 UPDATE: RD784 has been awarded grant funding through Prop. 1 to finish the SCADA connection phase. Components for the project are now in fabrication stages. Estimated completion in 2023.

Pump Station No. 7 Upgrades: This public works project would provide upgrades to Pump Station No. 7 with SCADA electronic system and redundant pumping to serve Wal-Mart, Costco and the general commercial area of Linda.

Pump Station No. 5 Upgrades: This public works project would provide upgrades to Pump Station No. 5 with SCADA electronic system and redundant pumping to serve the east Linda area.

2022 RD784 UPDATE: RD784 has been awarded grant funding through Prop. 1 to install the instrumentation improvements (SCADA). The grant agreement has been executed and the project is now in the design phase. Estimated completion in 2023.

Regional Drainage Facility: This public works project will provide regional drainage and pumping for the North Arboga Study Area, Plumas Lake Specific Plan Area, and Pump Station No. 10.

2022-2023 RD784 UPDATE: Pump Station 10 was partially completed in 2014 with supervisory control and data acquisition (SCADA) electronic controls. Other parts of the Regional Drainage Facility improvements, in addition to the Ella Detention Basin, include 2 additional detention basins, outfall piping along Murphy Rd., outfall structure on the waterside of the levee, and a 3rd pump. The South Ella Detention Basin was completed in 2019 and construction of the Wheeler Ranch Detention Basin B has started but is not expected to be completed until development returns to Wheeler Ranch. Remaining phases await funding.

Forest Biomass Business Center Development: Camptonville Community Partnership (CCP), is a small, rural, community-based non-profit organization located in the town of Camptonville in the Yuba County foothills that proposes to develop a small forest biomass to energy facility that would be part of a new small business campus, located in an unincorporated area approximately 11 miles southwest of Camptonville and 3 miles east of Dobbins. CCP intends to attract other businesses to the site, where heat and power would be available from the facility making the overall facility a high efficiency combined heat and power operation.

2022-2023 UPDATE: The planning and engineering solidified costs and site plans needed. Through 2021, CCP began working with their developer and design and engineering team. Inflation and rising costs required CCP to pivot in 2022 and re-evaluate and search for cost savings as well as the need to secure additional funding from investors and grant opportunities.

- Entered into a land agreement for the purchase of an 100 acre parcel including the 11 acres for the current bioenergy site.
- Secured interest for the development of a co-located sawmill.
- Secured a Timberland Conversion Permit (TCP): Converting timberland into another use requires a TCP from Cal Fire. A part of the TCP process also includes preparation of a Timber Harvest Plan (THP).
- Secure a loan for interconnection costs from Yuba Water Agency (YWA).
- Update permits and contracts with local and state agencies.
- Develop a business plan for the bioenergy facility.

CCP continues to work with key partners such as USFS, USDA, YWA, Blue Forest Conservation, and others to develop the Forest BioMass Business Center. Project is working to be built and generating electricity to the grid in 2024-2025. To date \$7.5 million has been invested in the project.

City of Live Oak Projects:

Wastewater Treatment Plant Solar Project: Live Oak's new wastewater treatment plant was designed with the possibility of connection to a solar array to power the plant.

2022-2023 UPDATE: Live Oak completed a feasibility analysis and received a \$1.68 million grant and loan award from the California Water Resources Control Board in 2020 for 2023 construction.

City of Wheatland Projects:

Wheatland Comprehensive Water Project The City of Wheatland water system is aging with portions of the system more than 100 years old. The project consists of removing the seismically deficient water tower from service by employing new ground mounted hydro-pneumatic tanks and booster pumps to supply water pressure to the City. The project also includes replacement of domestic water meters, new production meters, water meter automation to assist with leak detection and remote metering reading, SCADA replacement, and new billing software.

2022-2023 UPDATE: Project is underway and will be completed in 2023.

Locate Research Center in Wheatland's Employment Zone: The city of Wheatland is working aggressively to build the partnerships necessary to locate a collaborative research center in Wheatland's Employment Zone. This center would create a collaborative research opportunity with Beale AFB, the US Air Force, Yuba Water Agency, City of Wheatland, and the University of California. The center could serve as an educational workforce training and advanced research hub. Initially, the workforce collaborative facility would consist primarily of PHD level researchers, but also development of BA level and high school educational programs as the center expands to its full mission. This creates a significant opportunity for the City of Wheatland and Yuba County to create an innovation center and technology node.

2022- 2023 UPDATE: Efforts to build the collaboration described above are ongoing.

City of Yuba City Projects:

Sutter Bike Path Extension: The project includes extending the existing bike path within the City right-of-way from Hooper Road to Harter Parkway and along Harter Parkway from State Route 20 to Butte House Road.

Aquifer Storage Recovery (ASR) Well: The project involves establishing an ASR well at the City's Water Treatment Plant to further bolster the City's accessible water resources during times when the City's surface water rights are curtailed. The ASR concept includes injecting treated water into the groundwater aquifer during times when surface water availability exceeds demands while extracting groundwater during times when surface availability does not meet demands.

2022-2023 UPDATE: Design and environmental/permitting will commence in 2023 with construction anticipated in 2024.

WWTF Outfall and Diffuser Project: The project includes constructing a new 42-inch diameter discharge pipeline from the City's Wastewater Treatment Facility (WWTF) and a new diffuser outlet to the Feather River. The

proposed pipeline and diffuser will replace the City's existing diffuser, which was damaged in 2011 by erosion of Shanghai Falls. This project will ensure the City's capability to safely treat wastewater for existing customers, as well as future development.

2022-2023 UPDATE: Final design complete pending receipt of permit conditions from regulatory agencies. Project will be advertised for bids once funding and permits are secured.

Tactic 3 – Promote transit planning to move people throughout the region and housing development:

Yuba-Sutter Transit:

Just like public transportation systems worldwide, Yuba-Sutter Transit has been severely impacted by the COVID-19 pandemic. In the first full fiscal year of the pandemic (FY 2019), Yuba-Sutter Transit ridership hit a 25-year low at just 37% of the pre-pandemic level (FY 2019). Systemwide ridership has since been slowly recovering and average weekday ridership is now about 60% of the pre-pandemic level (December 2019 vs. December 2022), but all services have not been impacted the same as local fixed route ridership is at 59% of the pre-pandemic level while Sacramento Commuter ridership is at just 24%. In response to lower ridership, some service has been suspended indefinitely (including 30% of all commuter schedules) and the systemwide number of vehicle service hours being operated is now at 83% of the pre-pandemic level.

Assuming an extended pandemic recovery period, Yuba-Sutter Transit is now preparing a state-funded Comprehensive Operational Analysis / Short-Range Transit Plan to evaluate the appropriate scope, level and even model of public transit service for the bi-county area. The last study of this kind was adopted in early 2015 and a current plan is required to remain eligible for federal transit funding. This effort, which is expected to be completed in mid-2023, is a top-to-bottom assessment of the existing system and will result in specific service and program recommendations along with a corresponding operating and capital financial plan for implementation consideration over the next five to ten years. This plan is being developed with significant outreach to a wide range of community stakeholders.

Facility Replacement. Yuba-Sutter Transit continues to plan for the replacement of its current operations, maintenance, and administration facility at 2100 B Street in Marysville. A new location is needed because this undersized and technologically obsolete 1960's-era former Seven-Up Bottling Plant that was converted to transit use in 1996, lacks sufficient capacity to accommodate the infrastructure needed to meet the state mandate that only zero-emission buses can be purchased after 2028. In addition, Caltrans' programmed and fully funded expansion of Highway 70 (B Street) adjacent to the facility may render it useless even earlier.

2022-2023 UPDATE: To begin the process of replacing the existing facility, Yuba-Sutter Transit secured a Caltrans planning grant to conduct a needs analysis and site selection study as part of the Next Generation Resilient Transit Facility Plan that was completed in early 2021. In July 2021, Yuba-Sutter Transit completed the purchase of the top ranked site from the study at 6035 Avondale Avenue in Linda for the ultimate operation and maintenance of up to 70 zero-emission buses. This 19.7-acre property is located on the northeast corner of Avondale Avenue and North Beale Road in Linda. The process to fund the design, construction and equipping of the new facility is now well underway as more than half of the estimated \$47.5 million needed has already been secured from a mix of federal, state, regional and local sources. If sufficient funding is quickly secured, this state-of-the-art zero-emission bus facility and possible future mobility hub could be completed by as early as 2027. Regardless, a new facility will be needed by about 2030 to enable a significant number of zero-emission buses to be used in daily operations.

Housing and Affordable Housing:

There has been a concerted effort within the region to increase housing stock for all income levels.

Lakeside at Sutter Pointe in Sutter County is 873-acres located in South Sutter County consisting of 3,382 single-family homes, 399 multi-family units, 59-acres of parks, 55-acres of open space, 44-acres of employment center, 25-acres of commercial/retail, and a 20-acre K-8 school.

Phase 1 of Lakeside is the southern 386-acres adjacent to Riego Road. In late 2022 the site was mass graded in preparation for site development. Improvement plans for Phase 1 are currently being processed by the County. Phase 1 will include 1,239 single-family residences, 193 multi-family units, 40-acres of open space, 34-acres of parks, 26-acres of employment (up to 400k sf of office/flex space), and 9-acres of commercial/retail (up to 7,500sf). The first phase is proposed to be an active adult community. Sutter County is currently reviewing the

tentative maps for Phases 2 and 3 of Lakeside. Approval of Phases 2 and 3 is anticipated in 2023. This will allow Lakeside to construct a wider variety of housing types.

The 7-mile force sewer main connecting Sutter Pointe south into Sacramento County is anticipated to begin construction in early 2023. Yuba Sutter Arts & Culture is involved in several major projects lined up for 2023 that will directly impact the arts and culture Community. These projects include:

Plaza Park Improvements and Cotton Rosser Bronze Statue Project

In early 2023, improvements at Plaza Park in Marysville along First Street will pave the way for the installation of a larger-than-life size bronze statue of Rodeo legend, Cotton Rosser, in the summer just ahead of the Marysville Stampede. Enhanced lighting in the park surrounding the statue will make the location a destination day or night and a fitting site for the termination of the annual cattle drive. The statue will be installed in August of 2023.

Murals of Live Oak

The City of Live Oak has renewed its contract with YSAC for three years to paint additional large exterior murals. Over a dozen murals have been created the last few years to celebrate history and heritage of Live Oak. Each mural also has a hidden object in it to help keep the viewer engaged. The first 20 signs have been funded by a SACOG grant to the City of Marysville. The free-standing signs will vary in size depending on the locations but will be nominally 2'x3'. Each sign will have text and images explaining the significance of the structure of the location and a QR code. Visitors can access a video of an actor explaining the location by scanning the QR code with their smart phone. A printed tour guide and eventually a smart phone app will guide visitors from location to location.

Yuba County Projects:

Bikeways and Pedestrian Trails: Bikeways and pedestrian trails provide an alternative mode of transportation as well as an outdoor activity that has the added benefit of connecting people with other points of interest. In January 2013, Yuba County adopted an update to the Yuba County Bikeway Master Plan, which lists and prioritizes projects and their estimated costs.

2022-2023 UPDATE: County was recently awarded a grant through a Sustainable Transportation Planning Grant cycle to complete a Bicycle and Pedestrian Mobility Plan (update to Yuba County Bikeway Master Plan).

City of Live Oak Projects:

Complete Live Oak Community Trail Project: This one-mile rail conversion project establishes a dedicated bicycle and pedestrian trail through the center of Live Oak on former railroad right-of-way. The project has four phases, with the first phase completed in 2010 and the third phase completed in 2015.

2022-2023 UPDATE: Phase 4 will be completed during 2022/2023. Phase 4 runs from Kola Street to Epperson Way utilizing the old Railroad Right of Way. It includes a bike/pedestrian trail and landscaping. The city continues to seek funding for phase 2.

City of Marysville Projects:

Ellis Lake Restoration: A public works project to restore the 37-acre Ellis Lake area (between 9th and 16th streets and from B to D streets). This park and open space is a regional landmark attracting visitors from throughout the Yuba-Sutter area and the north state region. The lake was developed in the 1930s by the Work Progress Administration (later renamed Work Projects Administration). The intended scope of work would include a master plan for facility improvements around the lake, including parking, lighting, landscaping, and irrigation, together with water quality improvements for the lake itself.

2022-2023 UPDATE: The city, with the assistance of YSEDC has applied for a \$2.4 million Proposition 68 grant to make improvements and add amenities to the greenspace around the lake. The city will continue to look for funding opportunities to allow for improvements.

City of Wheatland Projects:

Wheatland Aquatic Center: The City of Wheatland received a generous \$1 million private donation for future operations, maintenance and recreational programming of a future Wheatland Community Pool. The city has seven years to complete the project beginning July 2019.

2022-2023 UPDATE: The city submitted a Prop 68 Rural Recreation and Tourism Facilities grant in January 2022. Award announcements are expected later this year

City of Yuba City Projects:

Yuba City Pedestrian Trail – Railroad Right of Way Conversion: The project includes the conversion of existing railroad right of way, across the city, to facilitate a bike and pedestrian trail that ultimately links the Sutter Bike Path from the west to the east into the city's bike network and across the city's 5th Street Bridge. Ultimately connecting into the trail network in Marysville/Yuba County. This is a multi-phased project that will promote quality of life and ultimately economic development for the city.

2022-2023 UPDATE: The first phase involves completing a Feasibility Study with assistance from a \$200,000 Caltrans grant. The Feasibility Study will be completed in 2023. Final design and construction will be substantially more expensive since there are two crossings of State Highways, as well as numerous city arterial street crossings.

Sutter Bike Path Extension: The project includes extending the existing bike path within the City right-of-way from Hooper Road to Harter Parkway and along Harter Parkway from State Route 20 to Butte House Road.

2022-2023 UPDATE: Final design is in progress with construction anticipated to commence and BE completed in 2023.

Plumas Street Historic District and Water Tower Park Improvements: The project will help transform, beautify, and connect the Plumas Street Historic District with other improvements already completed in downtown Yuba City to create a cohesive downtown area enhancing civic pride and drawing businesses and visitors to this shopping and recreation district. Project elements include improvements to the Water Tower Park lighting improvements, construction of placemaking gateway arch, and development of a "Clean and Safe Yuba City" litter abatement campaign.

2022-2023 UPDATE: The City was awarded a \$2,234,888 grant from Clean California Local Grant. It is anticipated that the project will be completed in 2023.

Tactic 2 – Promote and support collaboration and shared resources for regional public safety:

Regional Projects:

Sutter Yuba Homeless Consortium: The purpose of the Sutter Yuba Homeless Consortium (SYHC) is to connect our homeless population with programs and services that can help them overcome obstacles that are preventing permanent housing solutions for individuals and families. In 2022, SYHC clients achieved the following:

- Employment: 31 clients obtained employment
- Education: 55 children and youth achieved basic grade levels, 100 adults demonstrated improved basic education
- Income and Asset Building: 140 individuals achieved and maintained capacity to meet basic need for 180 days.
- Housing: 407 households obtained safe temporary shelter and 117 obtained safe and affordable housing.

Sutter County Projects:

Better Way: Better Way Shelter is a low barrier homeless shelter that provides 40 individuals with a temporary place to stay for up to three months. This voluntary program works with single individuals 18 years old and above who are Sutter County residents. Participants in the shelter work alongside a case manager and housing navigator to find transitional or permanent housing. Better Way follows the *Housing First* model and case managers work with participants to secure housing while receiving supported services.

2022-2023 UPDATE: In 2022, Better Way added electricity to all the units to support the HVAC system which allows for the units to be warmer in the cold winter and cooler in the hot summer days. This was a priority for the county as the extreme heat and cold temperatures were not conducive to our medically fragile population. Better Way provided services to 128 participants and provided shelter for 10,788 nights. Of the 128 individuals served, 35 exited into Permanent Housing living independently and 2 were reunited with family.

Yuba County Projects:

14FORWARD Homeless Temporary Shelter

Yuba County partnered with several nonprofit agencies and the private sector to develop 14FORWARD, the first temporary shelter and resource center for the homeless in the region. The site includes 205 two-person structures, an onsite manager, dog facility, and provides services and resources to move the homeless toward permanent employment and housing.

2022-2023 UPDATE: The management of the project was taken over by The Salvation Army Yuba-Sutter Corps. 14Forward upgraded the interiors of all 25 temporary structures including new flooring, new insulation and new walls. In 2022, the facility served 163 people and provided 10,581 shelter nights.

Yuba City Projects:

The City of Yuba City added four new projects concerning safety:

Local Roadway Safety Plan

The plan will create a framework to systematically identify, analyze, and prioritize safety improvements on roads in Yuba City.

Citywide Signal Hardware Upgrades

The project will improve signal hardware at 56 intersections throughout Yuba City. Improvements will include installation of new reflective backplates and upgrades to bulbs and lenses.

Roadway Safety Signing Audit and Upgrades

The project will evaluate roadway signing on critical corridors in Yuba City for safety and generate the necessary information and prioritization to proceed with signage replacement and installation.

Pedestrian Safety Crosswalk Upgrades

The project will improve crosswalks at 15 unsignalized intersections, primarily near schools, in Yuba City. Improvements will include installation of high visibility striping to crosswalks, advance stop bars, and yield lines.

Tactic 3 – Promote the role of the Yuba-Sutter Economic Development District: YSEDC/YSEDD completed the 2022 annual updates in March 2022 which were submitted and approved by EDA. All updated documents were made available on YSEDC's website and promoted through social media platforms and email blasts. YSEDC and the CEDS committee is currently working on 2023 update and anticipates it will be completed March 2023.

Economic Disaster, Recovery and Resiliency

Mitigation planning is essential to the region's ability to withstand and recover from disasters.

Yuba County Office of Emergency Services has completed its five-year update of its Multi-Jurisdictional Multi-Hazard Mitigation plan (MJMH plan). This 2021 Local Hazard Mitigation Plan (LHMP) Update serves to update the 2015 Federal Emergency Management Agency (FEMA) approved Yuba County LHMP. The purpose of hazard mitigation is to reduce or eliminate long-term risk to people and property from hazards. Yuba County, two incorporated communities, and nine special districts prepared this LHMP Update. The purpose of Yuba County LHMP is to make the County and its residents less vulnerable to future hazard events.

Yuba County maintains a comprehensive emergency services webpage that provides current information for disaster, flood and emergency preparedness, and resources and tools.
https://www.yuba.org/departments/emergency_services/about_yuba_county_oes.php

Sutter County has completed its update for its Local Hazard Mitigation Plan (LHMP). Sutter County partnered with the cities of Yuba City and Live Oak and several special districts to update their 2013 Local Hazard Mitigation Plan (LHMP). Flood, drought, earthquake, and wildfire are just a few of the hazards to Sutter County. While natural hazards such as these cannot be prevented, an LHMP forms the foundation for a community's long-term strategy to reduce disaster losses by breaking the repeated cycle of disaster damage and reconstruction.

In 2021, YSEDC completed a Yuba-Sutter Pandemic and Disaster Economic Recovery and Resilience plan. This plan is prominently displayed on YSEDC'S website, <https://www.ysedc.org/strategy>.

Yuba Water Agency

Yuba Foothills Healthy Forest Project – In 2019, Cal Fire awarded \$4.5 million to Yuba Water Agency and partners to fund needed forest health treatments in the Yuba County foothills. The project is a collaborative effort that includes Yuba Water, the Plumas National Forest, Yuba Watershed Protection and Fire Safe Council, private timber companies and landowners. This grant is supporting significant biomass removal treatments on 5,375 acres in the Yuba County foothills, all of which are adjacent to communities with limited resources for fire risk reduction efforts, including Oregon House, Dobbins, Brownsville, Challenge, and Rackerby. These treatments will improve

forest health and reduce the risk of a catastrophic wildfire within a “Project Impact Zone” that spans more than 71,000 acres and includes an estimated 2,721 structures. This project began implementation in 2020 and is expected to be completed in 2024.

North Yuba Forest Partnership is a diverse group of nine organizations passionate about forest health and the resilience of the North Yuba River watershed. Together, the partners are working on an unprecedented scale to collaboratively plan, analyze, finance and implement forest restoration across 275,000 acres of the watershed. Through ecologically-based thinning and prescribed fire, the partnership seeks to protect North Yuba communities from the threat of catastrophic wildfire and restore the watershed to a healthier, more resilient state. Restoration efforts are expected to take many years, if not decades to complete, with the most critical project areas targeted first, i.e. at-risk communities, emergency response, evacuation access routes and treatments to areas that have the potential to stop a wildfire from spreading. In FY 2022 \$6.8 million in Bipartisan Infrastructure Law funding (BIL) was expended and for 2022 through 2024 a total of \$25.5 million in BIL funding is expected.

PG&E has instituted a Safety Action Center to make sure families, homes and communities are ready to face emergencies and natural disasters. The Safety Action Center provides useful information to help residents and businesses prepare. Through its Resilient Together project, PG&E has worked with Resilient Together Advisory Groups across its five service regions to consult and lead community engagement on equitable climate change planning in Disadvantaged Communities. This has included outreach in Yuba and Sutter Counties and will identify where to invest in targeted climate resilience programs and infrastructure. The outreach and advisory group findings will be published in the forthcoming, first ever Climate Vulnerability Assessment that will be submitted to the California Public Utilities Commission.

DRAFT

ECONOMIC STRENGTH RANKING

In 2022, Yuba City, CA MSA moved to an economic strength ranking of 85 out of 384 MSAs, up 189 places from 2016

Economic strength rankings measure how the economy has behaved, not why. A local economy is defined by where people live and work, earn and spend. The criteria to determine the economic strength are industrial sectors and consistency of growth (rate or stability).

Metropolitan Statistical Areas (MSA) have at least one urbanized area with a population of at least 50,000, plus adjacent territory (counties) which have a high degree of social and economic integration with the core as measured by commuting. The Yuba-Sutter region is identified as Yuba City, CA MSA. There are 384 MSAs in the United States.

Industrial Sectors

Group 1 – Industrial sectors reflect overall growth in size and quality. The quality of the economy is based upon what people earn, as individual earnings influence a person's "standard of living".

All Workers- Earnings, Jobs and Wages

Per Capita Total Worker Earnings, Personal Income and Earnings by Residences

Wage & Salaried Workers- Earnings

Wage & Salaried Workers – Jobs and Wage and Salaried Worker Wages

Group 2 – These sectors reflect how the economy is behaving. Small businesses and the construction and retail industries are extremely reactive to the "flow of money" coming into an area. They typically grow or decline in direct proportion to the condition of the economy. There are, of course, exceptions. Areas, which have become destinations for retirement age individuals will have high growth numbers in both construction and retail, while they might not have a strong economy.

Non Farm Proprietors- Earnings, Jobs and Wages

Construction- Worker Earnings, Jobs and Wages

Retail- Worker Earnings, Jobs and Wages

Group 3 – These sectors are negative sectors. Growth in these reflects a poor economy.

Per Capita Income Maintenance (Welfare)

Actual Per Capita Income Maintenance (Welfare)

Per Capita Medical Assistance for the Poor (Medicaid)

Actual Per Capita Medical Assistance for the Poor (Medicaid)

Consistency of Growth

Simply identifying the areas that have the fastest or slowest growth rates is insufficient when trying to determine the character of a local economy. The rate, consistency, or stability of the growth area equally important.

**Yuba City, CA MSA
has improved its
ranking by 189
since 2016.**

EDUCATIONAL ATTAINMENT

School enrollment for the population, ages three years and older in Yuba City MSA, includes nursery and preschool, kindergarten, elementary, high school, college and graduate school. In 2013-2017 U.S. Census Bureau American Community Survey five-year estimates indicate there was 48,297 or 26.31 percent of the region's population in school.

29.88 percent of the population in Yuba and Sutter Counties have an Associate's Degree or higher. This attainment increased 2.61 percent over the previous year. 57.04% have completed some college or higher.

Expected growth rates for occupations vary by the education and training required. While all employment in the Yuba City, CA MSA is projected to grow 1.0% over the next ten years, occupations typically requiring a postgraduate degree are expected to grow 1.2% per year, those requiring a bachelor's degree are forecast to grow 1.0% per year, and occupations typically needing a 2-year degree or certificate are expected to grow 1.0% per year.

Annual Average Projected Job Growth by Training Required for Yuba City, CA MSA

Employment by occupation data are estimates as of 2022Q3. Education levels of occupations are based on BLS assignments. Forecast employment growth uses national projections from the Bureau of Labor Statistics adapted for regional growth patterns.

POVERTY

Poverty thresholds (U.S. Census Bureau) represent a federal government estimate of the point below which a household of a given size has pre-tax cash income insufficient to meet minimal food and other basic needs. The poverty rate for the Yuba-Sutter region typically has been higher than both national and state levels. American Community Survey 2021 poverty estimates the percentage of Yuba-Sutter's families for which poverty status is determined to be at 16.4 percent compared to the state's percentage of 12.3 percent and USA's level of 12.8 percent. The overall poverty rate (16.4 percent) for the region is trending down after peaking in 2015 (19.85 percent) but increased 2.4 percent from 2020 levels.

AGRICULTURE AS ECONOMIC DEVELOPMENT

California is the leading state in the US in terms of income derived from agricultural activities. This sector also provides 10 percent of the state's labor force. Of approximately 99 million acres of land comprising the State, 25 million acres have been dedicated to farmland. The success of this sector is associated with the state's long growing season as well as the fertile soil. Additionally, most of the land is irrigated which results in the stability of farming activities. The agricultural products in California are utilized for both consumption and export nationwide and internationally. The exports account for one-fifth of the state's income.

This appendix will help economic developers, planners, local food advocates, and community members to understand the geography of the Yuba-Sutter region's place in the multi-billion-dollar California agriculture industry. The economic indicators provided can help local governments design ways to support agricultural businesses as key components of vibrant and resilient local economies.

Yuba-Sutter generally enjoys an abundant water supply, good soil and a long growing season. However, California has had the driest period on record and water deliveries were substantially slashed during the drought. According to the National Integrated Drought Information System (NIDIS) the outlook for Sutter County is drought remains but improves. In Yuba County the northern half of the county drought removal is likely and in the southern half drought conditions remains but improves.

More than 600,000 of the 798,000 acres (75 percent) in Yuba-Sutter are in agricultural use. The largest use of agricultural land is for field crops and vegetables. Fruit and nut crops account for the second highest use of acreage. Yuba and Sutter counties are among the leading counties of California that produce sorghum, kiwi fruit, honeydew melons, peaches, pears, rice, walnuts, wool, and mohair.

Approximately 272,480 acres or 66 percent of the total county area, are comprised of agricultural croplands and pasture. The gross value of Yuba County's agricultural production for 2021 is \$278,931,580, up approximately 29 percent from the 2020 value estimate of \$215,152,000. The increase in value can be attributed to the increase in commodity prices for rice, walnuts, kiwi, prunes, livestock and almonds. Peaches and timber declined in value due to decreases in yield and price. The overall value in Yuba County's agricultural production has remained strong with this year's values reaching the county's all time high of \$281 million.

The contribution of agriculture to the economy of Yuba County is not totally reflected by the value of the crops. Processing, transporting, marketing and other farm

related services directly or indirectly tied to agriculture benefit appreciably. It is estimated the agricultural industry returned an additional 62.5 percent of the gross agriculture value for an estimated total value of \$453,263,817 in 2020. Agriculture accounts for 1 out of every 11 jobs in Yuba County. (Source: Yuba County 2021 Crop Report)

In 2020, Yuba County ranked 31st in gross value of agricultural production of the entire state of California, third in dried plums and fifth in rice production value. (Source: CDFA)

The gross value of Sutter County agricultural production for 2021 was \$621,366,000. This is an increase of \$52,509,000 or 9.2% below the 2020 total value.

Rice remains the top-ranking crop in 2021 despite a 30.5 percent decrease in acreage. An increase in yield and price offset the reduction in acreage as the total value fell to \$174,352,000. In second place, walnuts total value increase 60.9% to \$121,405,000 due to increases in harvested acreage and price. Cling Peaches remained at third with increases in yield to a total value of \$55,765,000. Remaining in fourth was processing tomatoes which increased in acreage and price, and decreased in yield and price, to a total value

of \$54,964,000. In fifth, nursery products total value rose to \$45,782,000 despite decreases in acreage and quantity sold. (Source: Sutter County 2021 Crop Report)

In 2020, Sutter County ranked 22nd in gross value of agricultural production of the entire state of California, second in rice and dried plums production, third in peach production, fourth in corn and fifth in bean production. (Source: CDFA)

Regional R35 Mid Term	3 3.2	Reroute State Routes 70/20 North to 14th Street Currently, State routes 70 and 20 follow an alignment on 9th Street along the south shore of Ellis Lake, before turning north at B Street. By redirecting these state highways north by five blocks to 14th Street, the highway congestion is eliminated along 9 th Street, allowing a safer, more pedestrian-friendly walkable interconnection between the Lake District and the adjoining historic Downtown District to the south.	\$15,000,000		Unknown
Regional R36 Long-term	3 3.2	Wheatland Parkway 1B Develop alignment alternatives, design and construct the East Wheatland Expressway that connects Highway 65 and Spenceville Road. The General Plan, adopted in 2006, provides for a bypass to be developed to the east of the existing city limits. No specific alignment has yet been determined but it will likely connect to the Lincoln Bypass south of Wheatland and then reconnect to the existing Highway 65 somewhere north of Wheatland (likely somewhere between South Beale Road and Ostrom Road). The bypass is known as the Wheatland Parkway. 2022 Update: In 2017 a JPA was formed between Yuba County and the City of Wheatland, called the South Yuba Transportation Authority (SYTIA). The JPA is currently in the process of completing a Comprehensive Implementation Strategy for the SYTIA projects for adoption in 2021. Wheatland's immediate focus is the planning and construction of Phase 1B, identified as the East Wheatland Expressway. 2023 Update: No further progress	Not Determined

Regional R37 Long-Term	3 3.2	Wheatland Parkway 1A Project would construct a new freeway interchange at SR65 and South Beale Road.	Not Determined		
Regional R39 Mid-term	3 3.1	Feather River West Levee Project Sutter and Butte counties are planning to improve 44 miles of levees from Thermalito Afterbay south to the Sutter Bypass to reduce flood risk and remove more than 34,000 properties from FEMA Special Flood Hazard Areas. Among other important improvements, the project will sustain and grow the local economy by creating construction jobs, protect property values, and allow for responsible residential, commercial and industrial development. Phase I –Thermalito Afterbay to Star Bend is targeted to be completed by 2016. Phase II will include the area south of Star Bend to the confluence of the Feather River and the Sutter Bypass. 2022-2023 Update: Levee repairs will be completed in two separate phases: Project I, the Feather River West Levee Project, includes work from Thermalito Afterbay to Star Bend, just south of Yuba City, and was completed at the end of 2020. Project II includes the area south of Star Bend to the confluence of the Feather River and the Sutter Bypass. Project II work completed to date includes a one-mile section of levee at Laurel Avenue, another five miles of levee improvements between Star Bend and Laurel Avenue completed by the U.S Army Corps of Engineers (USACE). USACE also completed another mile of levee improvements between Laurel Avenue and the Highway 99 bridge. SBFA is currently in design and permitting of the last 1.6 miles of levee along the lower Feather River west levee which is scheduled to be in construction in 2025. The Feather River West Levee Project is on schedule and within budget.	\$410,000,000	State of California, property assessment revenues, Federal appropriations.	Phase 2- open ended
Regional R40 Long-term	3 3.2	Reroute Union Pacific Railroad Tracks around Marysville on the West Union Pacific Railroad track beds crisscross the community, effectively dividing neighborhoods and impeding the Lake District's potential of being prime development areas for upscale commercial and residential construction. The current track running out of Sutter County, turning south along B Street would be rerouted to the westerly city limits before turning south along a new double track bed along the Feather River levee and rejoining the existing track bed south of the city limits at approximately Erle Road in Linda.	\$60,000,000		2030
Regional R41 Mid-term	3 3.1	Flood Protection of the City of Marysville A public works project to repair and upgrade the ring levee to be certified as providing a 200-year level of flood protection. The Marysville Ring Levee project is a multi-phase project that will upgrade the levee that surrounds Marysville. The primary purpose of the project is to strengthen the existing levee by implementing additional measures to reduce the likelihood of through- and under-seepage. The U.S. Army Corps of Engineers Sacramento District is partnering with the California Central Valley Flood Protection Board and the Marysville Levee District to complete the estimated \$92.5 million project. The state of California has appropriated \$17 million toward the project as part of their commitment to upgrade the state's levee systems. Currently, project completion is slated for 2019. The project is designed and constructed to meet the state's requirement of 200 year-level flood risk for urban areas - or a 1-in-200 chance of flooding in any given year. Due to the elevation of the levees, the project will surpass those criteria making Marysville one of the lowest at-risk cities in California's Central Valley after all flood reduction measures are constructed. 2022 UPDATE: The project has completed several phases of construction including Phase 1 on Simmerly Slough between Jack Slough Road and the	\$92,500,000 \$13,000,000 \$200,000	U.S Army Corp of Engineers YWA	2026

A contract is currently being awarded to construct Phase 2B between Ramirez Road/Simpson Lane and Highway 70 on the Yuba River in 2023; and the final phase of construction will be to repair the Yuba River levee beneath Highway 70 in 2024. The US Army Corps of Engineers is also completing a risk assessment of areas not improved in this project to ensure they meet criteria for greater than 200-year level of protection and will implement any repairs/improvements identified in that analysis in 2025-2026.			
Regional R42 Long-Term	3 3.2	Plumas Lake Connector Project would construct a high-capacity roadway between the new South Beale Road Interchange and the Plumas Lake Boulevard Interchange on SR70.	Not Determined		
Regional R43 Long-Term	3 3.1	South Yuba County Regional Sewer Project Yuba County continues to partner with Olivehurst Public Utility District (OPUD), Linda Water District, City of Wheatland, Hard Rock Hotel and Casino Sacramento at Fire Mountain and Enterprise Rancheria to expand water and wastewater lines for its employment corridor (East side of Highway 65 between Rancho Road and South Beale Road) and the Sports and Entertainment Zone (West side of Highway 65 between Rancho Road and South Beale Road) and within the City of Wheatland. 2022-2023 UPDATE: OPUD and Wheatland are submitting an application to the Water Resources Control Board Clean Water State Revolving Fund (SCWSRF) for construction funding for the regional pipeline from Wheatland to OPUD and for other necessary improvements to the OPUD wastewater treatment plant. YUBA-SUTTER TRANSPORTATION PROJECTS					
Regional YST1 Short-Term	3 3.3	Dial-A-Ride Bus Replacement (6) – Replacement of existing buses to zero-emissions buses.	\$1,320,000	Federal, State	2023
Regional YST2 Mid-Term	3 3.3	Facility Replacement. Yuba-Sutter Transit continues to plan for the replacement of its current operations, maintenance, and administration facility at 2100 B Street in Marysville. A new location is needed because this undersized and technologically obsolete 1960's-era former Seven-Up Bottling Plant that was converted to transit use in 1996, lacks sufficient capacity to accommodate the infrastructure needed to meet the state mandate that only zero-emission buses can be purchased after 2028. 2022-2023 Update: To begin the process of replacing the existing facility, Yuba-Sutter Transit secured a Caltrans planning grant to conduct a needs analysis and site selection study as part of the Next Generation Resilient Transit Facility Plan that was completed in early 2021. In July 2021, Yuba-Sutter Transit completed the purchase of the top ranked site from the study at 6035 Avondale Avenue in Linda for the ultimate operation and maintenance of up to 70 zero-emission buses. This 19.7-acre property is located on the northeast corner of Avondale Avenue and North Beale Road in Linda. The process to fund the design, construction and equipping of the new facility is now well underway as more than half of the estimated \$47.5 million needed has already been secured from a mix of federal, state, regional and local sources. If sufficient funding is quickly secured, this state-of-the-art zero-emission bus facility and possible future mobility hub could be completed by as early as 2027. Yuba Co. PVT1 Mid Term	3 3.1	Forest Biomass Business Center Development – Camptonville Camptonville Community Partnership (CCP), is a small, rural, community-based non-profit organization located in the town of Camptonville in the Yuba County foothills that proposes to develop a small forest biomass to energy facility that would be part of a new small business campus, located in an unincorporated area approximately 11 miles southwest of Camptonville and 3 miles east of Dobbins. CCP intends to attract other businesses to the site, where heat and power would be available from the facility making the overall facility a high efficiency combined heat and power operation. In the Fall 2020, with funding from SNC and the CEC EPIC grant, CCP was able to complete the extensive preliminary design and engineering for the facility including bid packages for major equipment. The planning and engineering solidified costs and site plans needed. Through 2021, CCP began working with their developer and design and engineering team. Inflation and rising costs required CCP to pivot in 2022 and re-evaluate and search for cost savings as well as the need to secure additional funding from investors and grant opportunities. 2023 Update: - Entered into a land agreement for the purchase of an 100 acre parcel including the 11 acres for the current bioenergy site. - Secured interest for the development of a co-located sawmill - Secured a Timberland Conversion Permit (TCP): Converting timberland into another use requires a TCP from Cal Fire. Yuba Co. YWA1 Mid-term	2 2.1	Research Innovation Center The creation of a collaborative research opportunity with Beale AFB, the US Air Force, the Yuba Water Agency, City of Wheatland, and the University of California. The facility could serve as an educational, workforce training, and advanced research hub. Initially, the workforce at the collaborative facility would consist primarily of PhD level researchers, but also development of BA level and even high school educational programs as the facility expands to its full mission. This creates a significant opportunity for the City of Wheatland and Yuba County to create an innovation center and technology node.			
Yuba Co. YWA2 Mid-term	3 3.1	Three Rivers Parkway System Development The Three Rivers Parkway is envisioned as a multi-modal active transportation and recreation system encompassing as many as 40 miles of hiking, bike and equestrian trails and boat access along the Yuba, Feather and Bear Rivers. The northern terminus would be the Sycamore Ranch County Regional Park on the Yuba River. The trail would extend along the northern bank of the Yuba River to Marysville and would connect to the Sutter County trail system over the rehabilitated former railroad trestle on the Feather River. The trail would cross the Yuba River over the SR 70 bridge and continue south along the Feather River past Star Bend boat ramp to the junction with the Bear River. It would then extend east along the Bear River and possibly Dry Creek into downtown Wheatland. Future phases may connect up to the Spenceville Wilderness Area. The River Parkway is anticipated to be a major draw for tourism in Yuba County, creating opportunities for additional lodging and restaurants, equipment rental concessions, recreational equipment sales, guide services and retail spending from visitors. 2022-2023 Update: Phase I: 20 miles of trails on the Feather River was completed	Phase I \$8.5 Million	YWA Yuba County Marysville Wheatland	2025
Yuba Co. YWA3 Mid-term	3 3.1	Atmospheric River Control Spillway at New Bullard's Bar Dam Yuba Water Agency Board of Directors authorized design of an estimated \$225 million Atmospheric River Control Spillway at New Bullards Bar Dam to help reduce flood risk in Yuba County. The spillway is one piece of a three-part initiative that will significantly reduce flood risk and improve public safety in Yuba County and nearby communities. The effort includes the development of Forecast-Informed Reservoir Operations for the Yuba and Feather rivers and an update to the U.S. Army Corps of Engineers' water control manual for New Bullards Bar, which guides flood operations for the dam. Together, the trio of projects will allow Yuba Water to better predict large, threatening storms and release water from New Bullards Bar before dangerous weather hits, while there is still plenty of capacity downstream. 2022-2023 Update: Yuba Water is now working with a team of engineers to bring the project to a 100 percent design phase and is exploring potential partners to collaborate on this important multi-benefit project. Construction on the new spillway is expected to take three to four years. Both the cost and schedule are rough estimates at this time but are expected to be more clearly defined as the project is further designed. Yuba Co. YWA4 Mid-term	2 2.3	Water Education Center Yuba Water Agency and its partners are in the planning process on a Water Education Center along the Yuba River to educate Yuba County students and residents about the value of the area's water resources, from farming to hydropower, the environment and more. It is anticipated that this will be a multi-million-dollar project, with long-term funding requirements of several hundred thousand dollars per year for operations and maintenance, however the Yuba Water Agency Board of Directors has not yet determined what the overall scope of the project will be. If the community expresses interest in such a facility, Yuba Water Agency will seek supplemental funding support from grants and interested private industry partners.			
Yuba Co. TRLIA1	3 3.1	Yuba River North Training Wall The Yuba Goldfields North Training Wall (NTW) is located on the right bank of the Yuba River, approximately eight miles northeast of the city of Marysville in Yuba County. The NTW is approximately 12,000 feet in length, it was constructed by the California Debris Commission in 1899 to confine the Yuba River and to facilitate the migration of mining debris within the floodway. The use of mining tailings was used to construct the NTW and although not an authorized flood control project, it does provide limited flood protection for the community of Hallwood. However, there have been changes over time, changes both in height and width due in part to erosion from high-water events, such as in 2017 and 2018, when Hallwood experienced localized shallow flooding. The project is being constructed in two phases. 2022-2023 Update: The project is being constructed in two phases. Phase I work was completed in early 2022 and included reshaping the NTW embankment to provide a more stable geometry and address the height and width reductions that had occurred over time and ongoing, persistent erosion from storm events. Phase II work, indicated in blue on the map, includes construction of a high ground tie-in embankment to extend to the north end of the NTW upstream and for a contiguous line of protection that further reduces flood risk to the Hallwood community, the City of Marysville, and portions of Reclamation District 10. The Phase II project, which is still under design, will include potential ecological enhancement components: riparian aquatic habitat creation, fish passage enhancement, and salmonid foraging enhancement. Yuba Co. TRLIA2	3 3.1	The Yuba Goldfields 200-Yr Levee Project The Yuba Goldfields 200-Yr Levee Project is a recently completed 2.5 mile long levee that ties into the previously improved Upper Yuba River Levee and is designed to prevent water from the Goldfields from inundating the communities of Linda, Olivehurst, Arboga and Plumas Lake. This 2.5-mile-long levee complies with both State requirements for 200-Yr Urban Levee Design Criteria (ULDC) and CA Water Code Title 23 for urban levee flood protection. 2022-2023 Update: Construction began on this levee project in May of 2020 and was completed in Spring of 2022.	\$54,000,000	YWA, DWR	
Yuba Co. TRLIA3	3 3.1	Climate Resiliency Project Upon realization of all state and federal funding, the money will be used to complete design and implementation of the Climate Resiliency Project, which will create a uniform level of protection for Plumas Lake, Arboga, Linda and Olivehurst. Those areas are currently certified at the 200-year level of protection for the state. This project will increase that level significantly, and, when combined with Yuba Water's planned Atmospheric River Control Spillway at New Bullards Bar Dam, the area could potentially see up to a 500-year level of flood protection.	\$41,600,000	Prop 1E (\$9M) YWA FEMA

Yuba Co. TRLIA4	3 3.1	Goldfields Multi-Benefit Project Feasibility Study The purpose of the Goldfields Multi Benefit Study is to develop a replacement feature for the 100-year embankment that is outside of the approved mining areas for both the dredge operations and aggregate extraction and that addresses the increase in flood risk associated with Western's reclamation plan. The study will include opportunities to expand the Yuba River floodway to reduce flood stages and provide for ecosystem enhancement. The intent will be to develop an alignment for the flood protection embankment that will have a flood control easement that will allow for both the existence of the feature as well as OMRR&R. 2022-2023 Update: Three Rivers Levee Improvement Authority will combine the Yuba Water grant funding with approximately \$400,000 in state funds from the Disaster Preparedness and Flood Protection Bond Act of 2006 (Proposition 1E) to complete a feasibility study on construction of a Multi-benefit project south of the Yuba River downstream of Daguerre Point Dam.	\$500,000	YWA DWR

Wheatland W3 Mid-Term	3 3.1	Wheatland Comprehensive General Plan Update The project would consist of producing a City of Wheatland Comprehensive General Plan Update. The current City of Wheatland General Plan was completed in 2006. City General Plans are expected to have a 20-year lifespan and typically require several years to complete. Therefore, the City of Wheatland is due to begin a General Plan Update. The project would include an update to the seven elements of the general plan required by the State of California, including an update to the City's Housing Element. The project would require substantial input and review by city stakeholders and the community. The project would also include the preparation of a program-level environmental impact report as required by the California Environmental Quality Act	\$500,000	ARPA/SACOG/ Developer contributions	2023- 2024
Wheatland W4 Mid-Term	3 3.1	Wheatland Comprehensive Zoning Code Update The project would consist of updating the City of Wheatland Zoning Code to be consistent with a Wheatland Comprehensive General Plan Update. The current City of Wheatland Zoning Code was adopted in 1991, and much of the land use restrictions are considered outdated. The project would consist of reviewing and applying current land use and zoning restrictions to modern types of land use development. A substantial public outreach program would be necessary to ensure zoning would adequately meet the needs of the community. An environmental impact report would be included as a component of this project.	\$100,000	ANTICIPATE SACOG COMMUNITY DESIGN FUNDING	2025
Wheatland W5 Short-Term	4 4.1	Wheatland Parks and Recreation Master Plan The project involves the completion of a parks master plan for the City of Wheatland. The City of Wheatland does not have a parks and recreation master plan and has limited policy direction on how future parks are to be developed. A parks and recreation master plan will provide developers and community an understanding of how and where parks will be constructed, the amenities that will be incorporated into the parks, and the sizes of the parks. These parks may include such facilities as tot-lots, ball fields, and aquatic facilities. The recreation plan will identify the types of recreation activities that the City of Wheatland will provide to its constituents. A public outreach program will be included to create the plan. The plan will also require an environmental review as required by the California Environmental Quality Act. 2022-2023 UPDATE: The City continues to seek funding for this project	\$100,000		
Wheatland W6 Mid-Term	3 3.2	Highway 65 Interim Capacity Improvements Provide interim congestion relief on Hwy-65 within the Wheatland city limits until completion of the Wheatland By-Pass. Traffic volumes in this segment have substantially increased since completion of the Lincoln By-Pass in 2014. Peak hour traffic queues extend well beyond the City limits on weekdays and local traffic finds it difficult to get across town to access local schools and businesses. In addition, the increase in traffic from Beale Air Force Base, due to added missions at the base, puts even more traffic pressure on the Main Street traffic signal and Highway 65. Off-peak volumes increased with completion of the	\$7M	SHOPP, CMAQ, SACOG, FLAP, Impact Fees	2022

		Hard Rock Casino (Fall of 2019). Additional traffic will be generated as planned development occurs to the north and east of the City. Improvements may include traffic signal coordination, intersection modifications, restrict turning movements, highway widening, roundabouts or other measures as determined effective by Caltrans and the City.			
Wheatland W7 Short-Term	3 3.2	Wheatland Pavement Management Program (PMP) Develop the City's first pavement management program (PMP). The PMP will produce a comprehensive and detailed inventory of the City's roadways, estimate the pavement condition index (PCI) for each segment, develop treatment costs and strategies, and provide various recommended treatment scenarios. 2022-2023 UPDATE: PLAN COMPLETED IN 2022	\$50,000	Gas Tax SB1	2022
Wheatland W8 Short-Term	3 3.2	Spenceville Road Rehabilitation (joint City/County project) Spenceville Road is a two-lane arterial facility connecting Beale Air Force Base and State Route 65 through the City of Wheatland. The project will provide rehabilitation, restoration and resurfacing to approximately 7 miles of roadway between Main Street and Beale Air Force Base. This two-lane roadway provides access to City, County and Air Force Base residents as well as general traffic and school buses that access Beale Air Force Base. The proposed project site follows a level to gently rolling terrain that lends to higher than posted speeds and numerous speed related accidents. Traffic counts range from 3,200 vehicles per day on Main Street east of SR 65 to 3,100 vehicles per day on Spenceville Road west of Japer Lane. The majority of the traffic counts can be attribute to Beale Air Force Base due to the geography of the road and connectivity to the Base. The rehabilitation of this project is essential to continue providing access to the public and to Beale Air Force Base. This roadway helps to generate revenue for local business in the area. Spenceville Road is eligible to receive funding under the California Federal Lands Access Program (CA FLAP) which provides funds for transportation facilities that provide access to or are located on or adjacent to Federal Lands. 2022 UPDATE: FLAP applications will be due in May 2021. The city of Wheatland was notified in November 2021 FLAP funds were not awarded and is seeking other funding.	\$7M	Gas Tax, SB1, SACOG	2022
Wheatland W9 Short-Term	3 3.1	Wheatland Comprehensive Water Project The City of Wheatland water system is aging with portions of the system more than 100 years old. The project consists of removing the seismically deficient water tower from service by employing new ground mounted hydro-pneumatic tanks and booster pumps to supply water pressure to the City. The project also includes replacement of domestic water meters, new production meters, water meter automation to assist with leak detection and remote metering reading, SCADA replacement, and new billing software. The primary goal of the Wheatland Water System Reliability Project is to ensure an adequate and reliable water supply that meets the needs for the City of Wheatland 2022-2023 UPDATE: Project is underway and will be completed in 2023	\$1.4M	DWR YCA	2023

Wheatland W11 Long-Term	4 4.1	Improve Walkability to Elementary, Middle and High Schools The project involves providing walking and biking opportunities for students across Wheatland's four railroad grade crossings. Currently, three of the four crossings have no bike or pedestrian accommodations, and the only improved crossing is the furthest from school routes. The improvements would include modifying railroad grade crossings at Second Street, Third Street and Fourth Street to include ADA compliant sidewalks on both sides of the street and railroad protection devices in accordance with CPUC and railroad standards. Other improvements would include the addition of fencing and other barriers to discourage the unsafe and illegal crossing of the tracks between grade crossings.	\$1,400,000	State, Unknown	Unknown
Wheatland W12 Mid-Term	3 3.1	Wheatland Complete Streets Project - (First Street/Wheatland Road) The project is on Wheatland Road beginning at First Street and Highway 65 and continues east past Wheatland High School and Bear River Middle School to the westerly city limit. The project will provide complete bike and pedestrian facilities along the corridor by improving and extending existing sidewalk and bike lanes. The project involves utility relocations, road widening, pavement rehabilitation, buffered bike lanes, and safety lighting. This segment of Wheatland Road serves several varied uses: a regional connector between Highway 65 and Highway 70, a bi-directional school routes linking three schools and neighborhoods, and a farm to market route serving over 6-square miles of agricultural lands. 2022-2023 UPDATE: Design project to go to bid in 2023.	\$2,500,000	SACOG Gas Tax/SB1 ATP RUCS	2024

The pipeline will connect to a new Olivehurst Public Utility District (OPUD) sewer or continue of the City's force main (currently under design by others) near South Beale Rd and Highway 65. OPUD sewers will convey the flow to OPUD's wastewater treatment plant (WWTP), where it will be treated to a tertiary level and discharged into the Feather River. Alternatively, the City's pipeline may continue further northward to connect to the Linda County Water District (LCWD) wastewater collection system and then into their WWTP. The City's WWTP will eventually be decommissioned, and the site re-purposed for other uses. 2022-2023 UPDATE: A Basis of Design Report was completed in 2021. Completion of design expected in 2023. Wheatland W20 Short-Term	3 3.1	Locate Research Center in Wheatland's Employment Zone The city of Wheatland is working aggressively to build the partnerships necessary to locate a collaborative research center in Wheatland's Employment Zone. This center would create a collaborative research opportunity with Beale AFB, the US Air Forces, Yuba Water Agency, city of Wheatland, and the University of California. The center could serve as an educational, workforce training and advanced research hub. Initially, the workforce collaborative facility would consist primarily of PHD level researchers, but also development of BA level and high school educational programs as the center expands to its full mission. This creates a significant opportunity for the city of Wheatland and Yuba County to create an innovation center and technology node. 2022-2023 UPDATE: Efforts to build the collaboration described above are ongoing.

CITY OF YUBA CITY
STAFF REPORT

Date: April 4, 2023
To: Honorable Mayor & Members of the City Council;
From: Finance/IT Department
Presentation By: Spencer Morrison, Finance Director

Summary

Subject: Unfunded Accrued Pension Liability Management Policy
Recommendation: Adopt a Resolution to approve the Unfunded Accrued Pension Liability Management Policy for the City of Yuba City
Fiscal Impact: Potential and eventual increase in pension assets which will reduce the unfunded actuarial liability for the City of Yuba City and improve the City's net position

Purpose:

Provide City Council and staff a policy to formalize and guide the City's intent to reduce the unfunded accrued liability (UAL).

Council's Strategic Goal:

This item supports the City Council priority of fiscal responsibility by providing a tool that guides UAL management.

Background:

The City of Yuba City currently has a contract with the California Public Employees Retirement System (CalPERS) to provide retirement benefits for employees. As part of the contract, the City is obligated to pay any unfunded accrued liability (UAL). This is the amount by which CalPERS is short of the amount that will be necessary, without further payments from the City, to pay benefits already earned by current and former employees covered by CalPERS (collectively, the "UAL Obligation").

Analysis:

Each year, the possibility exists that CalPERS will accrue new pension liabilities due to several factors, including:

- Changes in actuarial assumptions and experience changes (e.g., changes in the discount rate, changes in demographic experience, etc.).
- Changes in actuarial gains and losses due to asset returns being higher or lower than expected.

- Changes in plan benefits.

On June 30 of each year, CALPERS completes a new actuarial valuation that will provide the City with a calculation of the City's total pension liability as of the new valuation date. Based on that annual valuation report, the City will then know whether it has developed any new UAL at that point in time.

In an effort to ensure that any future pension liabilities do not grow to unmanageable levels, staff has developed a proposed Unfunded Accrued Liability Management Policy (the "UAL Management Policy") for Council consideration. If approved, the UAL Management Policy would require that any new increase or decrease in the liability resulting from the annual CalPERS actuarial valuation be explicitly identified each year during the budget cycle, and that the City consider making discretionary contributions with City resources (or other legally available resources), with the objectives of increasing each of the Pension Plan's funded status, by reducing the unfunded actuarially accrued liability, and reducing ongoing pension costs.

The UAL Management Policy will also provide guidance in making annual budget decisions, demonstrate prudent financial management practices, help create fiscally sustainable budgets for pensions in future years, and help reassure bond rating agencies and investors that the City is being proactive in the management of its fiscal affairs.

Fiscal Impact:

Potential and eventual increase in pension assets which will reduce the unfunded actuarial liability for the City of Yuba City and improve the City's net position.

Alternatives:

1. Approve the policy with additional direction for staff.
2. Do not approve the policy and provide alternative directions to staff.
3. Do not approve the policy and allow maximum flexibility for future staff and City Councils with no formal guidance.

Recommendation:

Adopt a Resolution to approve the Unfunded Accrued Pension Liability Management Policy for the City of Yuba City.

UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY

DRAFT

CITY OF YUBA CITY

**Adopted by the City Council of the
City of Yuba City**

Pursuant to Resolution No.

MM DD YYYY

CITY OF YUBA CITY**UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY****Section 1. Purpose**

The purpose of this Unfunded Accrued Liability Pension Management Policy (the “Policy”) is to strategically address the existing and any future unfunded accrued liability (the “UAL”) associated with the City of Yuba City’s (the “City”) California Public Employees’ Retirement System (CalPERS) pension plans (the “Pension Plans”). This Policy also addresses some of the principal elements and core parameters central to the policy objectives discussed in this Policy. In the development of this Policy, the City strives to reduce its UAL and the associated financing costs in the most cost-efficient and fiscally responsible manner possible.

The City is committed to fiscal sustainability by employing long-term financial planning efforts, maintaining appropriate reserve levels, and employing prudent practices in governance, management, budget administration, and financial reporting. This Policy is intended to make all relevant information readily available to decision-makers and the public to improve the quality of decisions, identify policy goals, and to demonstrate a commitment to long-term financial planning. Adherence to this Policy signals to rating agencies and capital markets that the City is well managed and able to meet its obligations in a timely manner.

The Policy is intended to reflect a reasonable and conservative approach to managing the UAL costs associated with the Pension Plans. This Policy recognizes that the Pension Plans are subject to market volatility and that actual economic and demographic experience of the plans will differ from the actuarial assumptions. Accordingly, it is intended to allow for adaptive responses to changing circumstances, providing flexibility to address such volatility in a financially sound manner. As such, the City is required to continually monitor its Pension Plans and the corresponding UAL.

Section 2. Policy Goals and Objectives

The overarching goals and objectives of this Policy are as follows:

- Establish, attain, and maintain targeted pension plan funding levels
- Provide sufficient assets to permit the payment of all benefits under the Pension Plans
- Seek to manage and control future contribution volatility to the extent reasonably possible
- Strive to make Annual Discretionary Payments to accelerate UAL pay-down, reduce interest costs, and stabilize future payments
- Maintain the City’s sound financial position and creditworthiness
- Provide guidance in making annual budget decisions
- Create sustainable and fiscally sound future budgets
- Demonstrate prudent financial management practices
- Ensure that pension funding decisions protect both current and future stakeholders
- Create transparency as to how and why the Pensions Plans are funded

Section 3. Background and Discussion

In General. Each Pension Plan is a multiple-employer defined benefit pension plan administered by the California Public Employee Retirement System (“CalPERS”). All full-time and certain part-time City employees are eligible to participate in the CalPERS retirement and disability benefits, annual cost of living adjustments and death benefits offered to plan members and their beneficiaries. CalPERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute.

The financial objective of a defined benefit pension plan is to fund the long-term cost of benefits provided to the plan participants. In order to assure its financial soundness and sustainability, the plan should accumulate adequate resources in a systematic and disciplined manner to ensure sufficient resources are available to meet employee benefit requirements. This Policy outlines the practices the City will utilize to address its actuarially determined contributions to fund the long-term cost of benefits to the Pension Plan participants and annuitants.

Pension Costs and Liabilities. In order to fund its employees’ pension benefits, the City is required to make contributions (a portion of which may come from the employees) to CalPERS. CalPERS then invests these contributions to generate returns to help fund the pension benefits. The regular required contributions, known as the “normal cost,” are calculated as a percent of salaries and represent the annual cost of service accrual for the upcoming fiscal year for active employees. If, for any reason, the actual Pension Plan experience and investment performance fall short of the actuarial assumptions, the Pension Plan can become underfunded (i.e., the Pension Plan’s Normal Accrued Liability exceeds the Plan’s market value of assets). This shortfall is known as the Unfunded Accrued Liability (the “UAL”) and usually has to be covered by the City through a series of UAL Payments, which are above and beyond the “normal cost” contributions. The UAL Payments are calculated in total dollar amounts, not as a percent of salaries.

The UAL can be caused by multiple factors, including but not limited to, changes to CalPERS’ actuarial amortization policy, retroactive pension benefit enhancements, investment underperformance, actuarial assumption changes, demographic factors, and discount rate reductions.

UAL is Debt. The UAL balance at any given point in time is a debt of the City owed to CalPERS which is amortized over a set period of time with interest accruing at the then current CalPERS discount rate (the “Discount Rate”). However, this debt can be prepaid at any time without penalties. Recognizing the UAL as debt helps the City identify proper steps to address it and minimize the associated financing costs.

Ongoing CalPERS Practices. Every year CalPERS prepares updated actuarial valuation reports for each of the City’s Pension Plans wherein it calculates the City’s total pension liability as of the end of the prior fiscal year (each a “Valuation Report”). If the investment performance during that fiscal year was different from the Discount Rate, or if CalPERS made any changes to its actuarial assumptions, or if the actual demographic or compensation experience within the Pension Plans was different from the actuarial assumptions, new line items, or UAL amortization “bases,” may be added to the plan and result in a change to the UAL balance. Such UAL amortization bases may be positive (indicating funding shortfall for the Pension Plans) or negative (indicating funding surplus for the Pension Plans). Since CalPERS can add new UAL amortization bases every year, the Pension Plans must be monitored annually and managed continually – there is no one-time solution.

CITY OF YUBA CITY

UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY

CalPERS has adopted the UAL amortization methods that were meant to help public agencies “ease into” paying for the UAL increases. New UAL amortization bases are implemented incrementally, with a five-year ramp-up period, and at times include additional small increases in each of the subsequent years. The ramp-up period, while reducing the cash flow impact in the near term, increases the overall UAL repayment costs for the City by delaying repayment. Since the UAL balances accrue interest at the rate that is equal to the then current Discount Rate, the delayed payments prior to the commencement of the amortization and the reduced payments during the ramp-up period that do not fully cover the interest costs result in negative amortization, causing further increases to the UAL balance. To help reduce the overall costs of the UAL repayment, this Policy encourages level annual payments (i.e., no ramp-up) whenever possible.

Section 4. Policy

A. Funding Level Objective. It is the City’s policy to strive to achieve and maintain a Pension “Funded Ratio” (being the ratio by which the Market Value of Assets—as set forth in the most recently published Valuation Report—exceeds the Entry Age Normal Accrued Liability or “EANAL”—as set forth in the most recently published Valuation Report) for each Pension Plan of 85%, but never dropping below 80% (the “Funding Level Objective”).

Funding Level Objective = 85%

Achieving and maintaining the 85% Funding Level Objective ensures that the ongoing contributions of the City and its employees, and therefore the taxpayer funds, are properly and adequately funding the retirement benefits of retirees and today’s workers. This concept is commonly referred to as the intergenerational equity. Falling short of this funded level forces future City Council to pay the costs of the poor planning and execution of today’s Pension Plans. The reason for a Funding Level Objective of 85% rather than 100% is to allow some cushion for the possibility that good investment returns by CalPERS in a given year might push the Funded Ratio of a Pension Plan above 100% (commonly referred to as “superfunded status”), which means that the City and its employees had contributed into the Pension Plan more than was necessary. Thus, while the City remains committed to maintaining a 100% funded level, it shall manage the 15% differential (i.e., the difference between 85% and 100%) through its own investment process by creating the “Pension Rate Stabilization Fund” discussed herein.

Guidance: To achieve the Funding Level Objective, this Policy provides the following guidance:

1. **Pre-Pay the Entire Annual UAL Payment by July 31st of each year.** On or before July 1st of each year, the City receives its annual CalPERS UAL invoice. The City has two payments options. The invoice can (1) be paid in equal monthly increments or (2) be fully pre-paid at the beginning of the fiscal year by July 31st. By prepaying the entire invoice amount due by July 31st, the City can concurrently save approximately 3.3% compared to making the monthly payments. As such, every effort should be made to pre-pay the UAL payment upon receipt of the annual invoice.
2. **Pre-Pay UAL from Reserves, One-Time Revenues and Fund Surpluses.** Reserves (often invested in LAIF) regularly do not earn returns that can offset the interest rate that CalPERS charges on the outstanding UAL balance. Supplemental contributions into the Pension Plans from available reserves, one-time revenues and fund surpluses can generate substantial long-

CITY OF YUBA CITY

UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY

term net savings. Each supplemental contribution, referred to by CalPERS as an Additional Discretionary Payment (ADP), reduces the UAL balance, the Annual Required Contributions (ARC) for future years, and the total interest costs associated with the UAL. CalPERS does not apply any prepayment penalties to ADPs. Therefore, during each budget cycle, the City staff shall review all available reserves, one-time revenues and fund surpluses to determine whether any such funds could be used to make an ADP to pay down the UAL, keeping in mind operational and capital budgetary constraints while maintaining adequate reserves and balancing the fiscal soundness of eliminating the high-interest UAL debt. ADPs should not adversely affect the general operations and fiscal soundness of the City.

3. **Capital Financing.** When considering capital projects, staff regularly reviews and plans for reserving capital to cash fund current and future projects. When considering how to pay for current and future capital projects, staff should review the current tax-exempt market to assess if it would be more cost effective to borrow at tax-exempt rates to pay for the capital projects and redirect the reserved funding (and/or such other appropriate funds of the City) to make ADPs to CalPERS.

If there are projected cost savings by using this method, and a capital financing strategy is to be implemented, the City Council would need to approve of the ADPs being paid to CalPERS prior to the financing to ensure that the annual savings generated by implementing the strategy are applied to UAL paydowns.

4. **Utilize Savings Achieved from Refunding Outstanding Non-Pension Related Debt to Pre-Pay UAL.** During each budget cycle, staff should review all outstanding long-term non-pension related debt of the City to determine whether a refunding of such debt might result in net present value (NPV) savings of greater than 3%, and if so, consider a structure and strategy that frontloads the savings from such debt refunding, which can then be used to pay down the UAL. This strategy should only be used if the interest rates on the currently outstanding debt is sufficiently below the then-current Discount Rate to ensure that overall NPV savings of greater than 3% are achieved by the City.
5. **Sources of Revenue.** All fees, rates and charges should incorporate full allocation of pension costs for employees providing associated services. While some funds cannot contribute more than their fair share (i.e., enterprise funds), they should not contribute less than their fair share. Staff shall review allocation of labor costs to proprietary and other funds to ensure full reimbursement of the pension cost burden. Staff shall provide, or cause to be provided, consistent and well-documented methodology for pension cost allocation to all funds.
6. **Pension Obligation Financing.** The City shall consider issuing taxable municipal debt obligations (generically hereafter referred to as “Pension Obligations”) to refinance the UAL, in part or in whole, if such bond obligations are expected to produce minimum cash flow savings of at least 10%, taking into account all debt service and costs of issuance associated with such bond obligations, in comparison to CalPERS’ respective UAL amortization schedule and the then-current Discount Rate.

CITY OF YUBA CITY**UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY**

Pension Obligations shall not utilize swaps or derivatives of any kind and should be structured with reasonable and flexible call provisions (with a maximum of 10-year call provision). Pension Obligations shall be used only to prepay the UAL liabilities and shall not be used to finance normal cost payments. The issuance of Pension Obligations must be voted upon and approved by the City Council.

7. **Annual Review of the CalPERS Actuarial Valuation Reports and Associated Tasks.** The City staff shall review or cause to be reviewed the annual CalPERS actuarial valuation reports within 30 days of their release by CalPERS, which usually takes place during the month of August. The review should focus on identifying the annual changes to each of the Pension Plans UAL and quantifying the associated cost implications and the corresponding impact on the Funded Ratio. Staff should annually reach out to the City's CalPERS actuary to request a calculation of flat payments (rather than ramp-up payments) for all outstanding and new UAL amortization bases. In making ADPs, the City staff shall determine or cause to be determined the optimal application of the ADPs to the outstanding UAL amortization bases to achieve the Funding Level Objective as well as desired budgetary outcomes.
8. **ADPs Shared Between All Benefiting City Funds.** Whenever an ADP is made, the City will endeavor to ensure that all benefitting funds (the "Benefiting Funds") contribute their fair share in accordance with the City's allocation method of charging off its pension costs for each City fund.

B. Establishment and Operation of a Pension Rate Stabilization Fund.

1. **Establishment of a Pension Rate Stabilization Fund.** The City shall establish a Pension Rate Stabilization Fund, either self-managed or a Section 115 trust fund managed by a third-party investment manager (the "Investment Manager"). The Pension Rate Stabilization Fund will receive Sequestered Savings (defined below) and Sequestered Surplus (defined below) as well as any other funds deposited into it at the discretion of the City Council, based on recommendations made by the City staff during the annual budget process. Funds in the Pension Rate Stabilization Fund should only be used to manage the City's pension benefits costs to maintain each of the Pension Plans at the Funding Level Objective in accordance with the goals and objectives set forth in this Policy.
2. **Funding the Pension Rate Stabilization Fund.**
 - (a) **Sequestered Savings.** Upon the issuance of each series of Pension Obligations, for each of the next ten (10) consecutive years (or such other period of years as deemed appropriate by the City Council at the time of any subsequent issuances of Pension Obligations) following such issuance, a fixed dollar amount equal to 50% (or such other percentage as deemed appropriate by the City Council at the time of any subsequent issuances of Pension Obligations) of the "Total Sequestered Savings" (as calculated in the manner set forth below) achieved by issuing Pension Obligations (the "Annual Sequestered Savings Savings"), shall be transferred from the Benefiting Funds (as established in section A8 above) and deposited into the Pension Rate Stabilization Fund until such time that the Pension Rate Stabilization Fund reaches the Pension Rate Stabilization Fund Maximum (as outlined in section B3 below), and thereafter all

CITY OF YUBA CITY

UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY

Sequestered Savings will be directed to a “Pension Obligation Prepayment Fund” which will be established and maintained by the City for the purpose of prepaying any outstanding Pension Obligations.

$$\text{Total Sequestered Savings} = \text{UALDS} - \text{DS}$$

$$\text{Annual Sequestered Savings} = \text{SSP} \times \left(\frac{\text{UALDS} - \text{DS}}{Y} \right)$$

SSP = Sequestered Savings Percentage

UALDS = Scheduled UAL debt service being paid off by the Pension Obligations

DS = Total principal amount of Debt Service on the Pension Obligations

Y = Number of years to pay back Sequestered Savings

Example of Annual Sequestered Savings Calculation

A \$5M Pension Obligation was issued in 2022 for the purpose of prepaying UAL. The total UAL debt service (UALDS) paid off with the Pension Obligation was \$8,000,000 and the total debt service (DS) on the Pension Obligation is \$7,000,000. The City elected to sequester 50% of the total savings over a 10-year period (Y), which in this example results in an Annual Sequestered Savings of \$50,000.

$$\begin{aligned} \text{Annual Seq. Savings} &= 0.5 \times \left(\frac{8,000,000 - 7,000,000}{10} \right) \\ &= \$50,000 \end{aligned}$$

(b) Sequestered Surplus. Each Fiscal Year during the City’s normal budget adoption process, beginning with the 2022-23 Fiscal year budget, and for each of the following 9 years, a percent between 0% and 33% of any available surplus from the prior Fiscal Year (the “Sequestered Surplus”) shall be set aside, transferred and deposited into the Pension Rate Stabilization Fund.

(c) Annual Contribution relative to Normal Cost. Recognizing the benefit of long-term returns and the variability of investment performance over time, the City may contribute funds to the Pension Rate Stabilization Fund proportional to the Normal Cost contributions to CalPERS. Each Fiscal Year during the City’s normal budget adoption process, beginning with the 2022-23 Fiscal Year budget, the City will plan to contribute amounts to the Pension Rate Stabilization Fund that are the equivalent to 15% of that year’s Normal Cost. These contributions may be made with whatever interval that is most advantageous to the City with preference for payments being made earlier in the Fiscal Year rather than later.

CITY OF YUBA CITY**UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY**

3. **Operation of the Pension Rate Stabilization Fund.** Sequestered Surplus and Sequestered Savings (and any other amounts contributed by the City) shall be deposited in the Pension Rate Stabilization Fund and used solely for the purpose of making ADP's (and Normal Cost payments during a Fiscal Hardship, and/or to the extent the amount therein exceeds the Pension Rate Stabilization Fund Maximum, as described below) to CalPERS for the purpose of achieving and maintaining Funding Level Objective.

With the goal of achieving and maintaining the Funding Level Objective, each year during the budget cycle, City staff shall calculate, or cause to be calculated, the upcoming Fiscal Year's estimated Funded Ratio by taking into account the most recent Valuation Report's statement of Funded Ratio and adjusting for the estimated UAL amortization base that will be either added or subtracted due to the prior Fiscal Year's investment result of either exceeding or falling short of the then current Discount Rate for that Fiscal Year (the "Estimated Funded Ratio"). If the Estimated Funded Ratio is estimated to be less than the Funding Level Objective, to the extent funds are available in the Pension Rate Stabilization Fund, the appropriate member of staff shall either make, or shall direct the Investment Manager to make, an ADP to CalPERS in the amount necessary to bring the Funded Ratio back up to the Funding Level Objective. Additionally, if sufficient funds are available in the Pension Rate Stabilization Fund, staff shall assess whether to fully amortize any new UAL amortization bases in order to reduce the long-term interest costs associated with the "ramping" procedures used by CalPERS.

Moneys in the Pension Rate Stabilization Fund shall not be used for normal costs until such time as the amount therein, when combined with the Market Value of Assets (as set forth in the most recently published Valuation Report) exceeds the Entry Age Normal Accrued Liability (as set forth in the most recently published Valuation Report) by 110% (the "Pension Rate Stabilization Fund Maximum"). To the extent monies in the Pension Rate Stabilization Fund on June 31st exceed the Pension Rate Stabilization Fund Maximum (after consideration has been given to the amounts therein required to be paid to CalPERS for the ensuing Fiscal Year to maintain the Estimated Funded Ratio at or above the Funding Level Objective), any accrued surplus over 110% may be used to offset the City's Normal Cost payment made to CalPERS in such Fiscal Year, and any Sequestered Savings will be directed to the Bond Call Fund.

4. **Fiscal Hardship.** In the event of a Fiscal Hardship (as defined below), transfers of Sequestered Savings may be abated and/or the Pension Rate Stabilization Fund may be utilized for either normal or UAL costs until the Fiscal Hardship is no longer in effect.

"Fiscal Hardship" means an economic hardship, or other unanticipated fiscal emergency, that has been declared by resolution of the City Council.

C. **Transparency and Reporting.** Funding of the Pension Plans should be transparent to all stakeholders, including plan participants, annuitants, the City Council, and City residents. To achieve this Policy objective, copies of the annual actuarial valuation reports for each Pension Plan shall be made available to the City Council and shall be posted on the City's website. The City's audited financial statements shall also be posted on the City's website because they include, among other things, information on the City's current and future annual Pension Plan contributions as well as the funded status of each Pension Plan.

CITY OF YUBA CITY**UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY**

D. Annual Budget to Contain Policy Directed Information. The City's annual operating budget shall consider the items specified in this Policy for inclusion in each such annual budget.

E. Review of Policy. Funding a defined benefit pension plan requires a long-term horizon planning approach. This Policy is intended to provide general objectives and guidelines, which will require periodic review to consider changes in the City's financial position and Pension Plan funded status over time. As such, City staff will review the policy for implementation of new best practices and will provide to City Council for adoption on an as needed basis, not to exceed 5 years.
