CITY OF YUBA CITY
STAFF REPORT

Date: April 4, 2023
To: Honorable Mayor & Members of the City Council;
From: Police Department
Presentation By: Brian Baker, Police Chief

Summary

Subject: Opposition of California Assembly Bill 742 - Use of Police K-9's
Recommendation: Adopt a Resolution opposing proposed California Assembly Bill 742, which if passed, would remove the ability of California law enforcement agencies to utilize Police K-9's as a non-lethal force option
Fiscal Impact: None

Purpose:

To oppose Assembly Bill 742, which if passed, would remove the ability of California law enforcement agencies to utilize Police K-9's as a non-lethal force option.

Council's Strategic Goal:

This item supports the City Council's goal of Public Safety.

Background:

On February 13, 2023, Assemblyman Corey Jackson (D-Moreno Valley) introduced California Assembly Bill 742 (AB 742) to "prohibit the use of unleashed police canine by law enforcement to apprehend a person, and any use of a police canine for crowd control. The bill would prohibit law enforcement agencies from authorizing any use or training of a police canine that is inconsistent with the bill." AB 742 proposes to add Section 13653 to the California Penal Code and would include the following:

13653.

- (a) It is the intent of the Legislature to prevent the use of police canines for the purpose of arrest, apprehension, or any form of crowd control.
- (b) A peace officer shall not use an unleashed police canine to arrest or apprehend a person.
- (c) A police canine shall not be used for crowd control at any assembly, protest, or demonstration.
- (d) A police canine shall not be used in any circumstance to bite.
- (e) A law enforcement agency shall not authorize any use or training of a police canine that is inconsistent with this section.
- (f) This section shall not be interpreted as to prevent the use of police canines by law enforcement for the purpose of search and rescue, explosive detection, and narcotics detection that do not involve

biting.

Analysis:

Police K-9 units are an important non-lethal force option and an effective de-escalation tool. K-9 units may be deployed in situations to limit risk and danger to their human counterparts, and they are the only remaining force option which can be "called off" after being deployed.

The Yuba City Police Department currently has three (3) K-9 officers, and has had a long history of a successful K-9 program. The K-9 officers have been an effective non-lethal tool in many situations. Yuba City Police Department staff strongly oppose AB 742 and encourage the City Council to do the same.

Fiscal Impact:

None associated with opposing AB 742. Should AB 742 pass, then staff will have to evaluate the alternatives and costs to modifying the current K-9 program and evaluating other non-lethal sources for apprehension.

Alternatives:

Do not oppose AB 742.

Recommendation:

Adopt a Resolution opposing proposed California Assembly Bill 742, which if passed, would remove the ability of California law enforcement agencies to utilize Police K-9's as a non-lethal force option.

OPPOSING PROPOSED CALIFORNIA ASSEMBLY BILL 742, WHICH IF PASSED, WOULD

POLICE K-9'S AS A NON-LETHAL FORCE OPTION**

WHEREAS, on February 13, 2023, Assemblyman Corey Jackson (D-Moreno Valley) introduced California Assembly Bill 742 (AB 742) which, if adopted, would prohibit the use of police K-9 units for apprehension and crowd control, as specified in the bill; and

WHEREAS, the City Council actively opposes AB 742 as it attempts to eliminate a lawful, effective, and legitimate non-lethal force option; and

WHEREAS, the City Council advocates for and promotes the use of controlled and necessary non-lethal force options versus lethal force options when appropriate; and

WHEREAS, the City Council understands the value of police K-9's and the invaluable non-lethal force option that police K-9's provide for police officers.

NOW, THEREFORE, the City Council of the City of Yuba City does hereby resolve as follows:

2. The City of Yuba City strongly opposes AB 742.

Summary

Subject: Support of California Senate Bill 14 - Human Trafficking - Serious Felony
Recommendation: Adopt a Resolution supporting Senate Bill 14, which if passed, would make human trafficking a serious felony
Fiscal Impact: None

Purpose:

To support Senate Bill 14, which if passed, would include human trafficking in the lists of crimes that are defined as serious under California law, making the crime a strike under the Three Strikes law.

Council's Strategic Goal:

This item supports the City Council's goal of Public Safety.

Background:

On December 5, 2022, Senators Grove, Caballero, and Rubio introduced Senate Bill 14 (SB 14), which was later amended on February 23, 2023, to amend the Penal Code to make human trafficking a serious felony. Penal Code section 1192.7(c) lists the 42 crimes that are defined as serious crimes under California law, and are considered a strike under California's Three Strikes law. Human trafficking is currently defined as a non-serious crime which means that the act of human trafficking cannot be considered a strike under California's Three Strikes law.

According to a Fact Sheet prepared for SB 14 by Senator Grove's office, California consistently ranks number one in the nation in the number of human trafficking cases reported to the National Human Trafficking Hotline. The California Attorney General notes that California is one of the largest sites for human trafficking in the United States.

Human trafficking often exploits children and young adults, which can lead to long-term physical and psychological trauma.

Analysis:

SB 14, if passed, will amend the Penal Code to add human trafficking to the list of serious crimes under

California law, thereby making it a strike offense, and will make those convicted subject to the same penalties that apply to all serious crimes.

Fiscal Impact:

None.

Alternatives:

Do not support SB 14.

Recommendation:

Adopt a Resolution supporting Senate Bill 14, which if passed, would make human trafficking a serious felony.

WHEREAS, on December 5, 2022, Senator Shannon Grove (R-Bakersfield), Senator Anna Caballero (D-Merced), and Senator Susan Rubio (D-Baldwin Park) introduced California Senate Bill 14 (SB 14) and later amended it on February 23, 2023, which, if adopted, would make human trafficking a serious felony under California law; and

WHEREAS, human trafficking is currently defined as a non-serious crime which means that the act of human trafficking cannot be considered a strike under California's Three Strikes law; and

WHEREAS, under SB 14, Penal Code section 1192.7(c) would be amended to define human trafficking as a serious felony, thereby making the crime a strike under California's Three Strikes law; and

WHEREAS, the City Council actively supports SB 14 as human trafficking often exploits children and young adults, which can lead to long-term physical and psychological trauma.

NOW, THEREFORE, the City Council of the City of Yuba City does hereby resolve as follows:

1. Human trafficking should be considered a serious felony under California law.

SENATE DISTRICT 12

SB 14

Human Trafficking – Serious Felony

SUMMARY

SB 14 will include human trafficking in the lists of crimes that are defined as serious under California law, making the crime a strike under the Three Strikes law. SB 14 will help strengthen protections for the millions of victims of sex and labor trafficking.

PROBLEM

Currently human trafficking is defined as a non-serious crime which means the act of human trafficking cannot be considered a strike under California's Three Strikes law.

California consistently ranks number one in the nation in the number of human trafficking cases reported to the National Human Trafficking Hotline. The California Attorney General notes that California is one of the largest sites for human trafficking in the United States, recognizes the serious nature of this crime, and has defined it as "modern day slavery." "Human trafficking is among the world's fastest growing criminal enterprises and is estimated to be a \$150 billion-a-year global industry. It is a form of modern day slavery that profits from the exploitation of our most vulnerable populations."

(<https://oag.ca.gov/human-trafficking>).

Children as young as 11 and 12 years old are exploited by traffickers who force them to sell their bodies for the trafficker's financial gain. Trafficking victims are frequently forced to have sex with upwards of 15 strangers a day or face beatings at the hands of their traffickers. Trafficking victims must meet daily sex or labor quotas before they are permitted to sleep, eat, rest, or receive other basic life necessities. Traffickers use a combination of physical violence and psychological manipulation to gain compliance over their victims. These tactics include death threats to the victim, threats to harm the victim's family, food deprivation, physical beatings, rape, and burning the victim, among other acts of violence. Trafficking victims are treated as property by their traffickers and are subject to their

physically exhausting and exploitive demands. In many instances, traffickers will also brand their victims with facial or body tattoos to signify their ownership over the victim and the victim's status as mere property.

Human trafficking victims often suffer long-term physical and psychological trauma. The American Academy of Pediatrics recognized the severe trauma human trafficking victims suffer and stated the following, "violence and psychological manipulation are common, and victims are at increased risk of injury, sexual assault, infectious diseases, substance misuse, untreated chronic medical conditions, malnutrition, post-traumatic stress disorder (PTSD), major depression and other mental health disorders, homicide, and suicide." The US Department of Health and Human Services Administration on Children, Youth, and Families further noted, "young people who are sexually trafficked typically experience physical violence, both at the hands of their traffickers and those who purchase sex, and often acquire sexually transmitted infections (STIs) through their exploitation."

EXISTING LAW

The Penal Code defines the crimes that are considered serious under California law. Penal Code section 1192.7(c) lists the 42 crimes that are defined as serious crimes under California law. Serious crimes are considered a strike under California law. Existing California law defines human trafficking as a non-serious crime.

SOLUTION

SB 14 amends the Penal Code to add human trafficking to the list of serious crimes under California law. SB 14 also classifies human trafficking as a strike offense and makes those convicted of this crime subject to the same penalties that apply to all serious crimes. It is

SB 14
Human Trafficking – Serious Felony

about time that California starts to prosecute these
horrendous acts as serious crimes.

CITY OF YUBA CITY
STAFF REPORT

Date: April 4, 2023
To: Honorable Mayor & Members of the City Council;
From: Development Services Department
Presentation By: Doug Libby, Deputy Director of Development Services

Summary

Subject: Yuba City and Sutter County Planning Commissioner Appointments
Recommendation: A. Confirm the appointment of Justine Gill, Yuba City Planning Commissioner, to the Sutter County Planning commission and forward the recommendation to the Sutter County Board of Supervisors.
B. Confirm the anticipated reappointment of Karri Campbell to the Yuba City Planning Commission for a second year subject to confirmation by the Sutter County Board of Supervisors.
Fiscal Impact: None.

Purpose:

To appoint a Planning Commissioner to the Sutter County Planning Commission in accordance with the Yuba City Municipal Code and Planning Commission By-Laws and to confirm the anticipated reappointment of Karri Campbell to Yuba City Planning Commission.

Council's Strategic Goal:

This item does not directly meet one of the Council's strategic goals but is necessary to comply with Municipal Code Section 8-1.02 and Sutter County Ordinance Code Chapter 72.

Background:

Both the Yuba City and Sutter County Codes require that a Planning Commissioner from each jurisdiction sit on each other's Planning Commission. Additionally, through the Election of Officers proceedings established in the Planning Commission Bylaws, the Mayor is to annually make a recommended appointment of an active Yuba City Planning Commissioner, to the Sutter County Planning Commission.

It is beneficial for the community when the City and County governmental bodies cooperate on various projects that impact both jurisdictions. Having a member of the Yuba City Planning Commission serving as a representative on the Sutter County Planning Commission and a member of the Sutter County Planning Commission serving on the Yuba City Planning Commission ensures that the interests, perspectives and priorities of each jurisdiction are voiced and considered, thus resulting in more informed decision making. These projects may include regional environmental analysis, the expansion

of infrastructure, the conversion of agricultural land to urban uses, and the distribution of natural resources.

After consideration, Mayor Kirchner has selected Planning Commissioner Justine Gill to serve as the representative on the Sutter County Planning Commission. Although Commissioner Gill is a new Planning Commissioner, she was raised in the community and has served on other Commissions and will bring a well-rounded perspective to the Sutter County Planning Commission.

On March 15, 2023, the Sutter County Planning Commission nominated Supervisorial District 4 Planning Commissioner Karri Campbell to the Yuba City Planning Commission for a second year. Commissioner Campbell has demonstrated a depth of planning knowledge and has provided a valuable perspective on the City Planning Commission. It is anticipated this nomination will be taken to the Board of Supervisors for confirmation in late April or early May. This reappointment must be approved by the City Council. Staff recommends conditional confirmation of this anticipated reappointment to avoid bringing forward a similar item in the near future.

Analysis:

Municipal Code Section 8-1.02 and Yuba City Planning Commission By-Laws require the Planning Commission's recommendation be transmitted to the City Council who, in turn, shall forward that recommendation to the Sutter County Board of Supervisors for consideration. Term limits for the appointment end February 28th of each year.

Fiscal Impact:

None.

Alternatives:

Do not confirm the appointment and the Council should provide direction of how it desires to proceed.

Recommendations:

A. Confirm the appointment of Justine Gill, Yuba City Planning Commissioner, to the Sutter County Planning commission and forward the recommendation to the Sutter County Board of Supervisors.

B. Confirm the anticipated reappointment of Karri Campbell to the Yuba City Planning Commission subject to confirmation by the Sutter County Board of Supervisors.

This includes activities suggested by the City as well as continuously reading books analyzing a variety of topics related to City planning. I recognize that we can learn from other communities to find potential solutions or changes that we should avoid. I find value in continuously learning, attending training and am nearing the completion of my MPA program.

4. SUPPLEMENTAL QUESTIONNAIRE

5. Describe your involvement with the Yuba-Sutter Community including any community service.

I am currently a board member for the Sutter County Community Action Agency, member of the Government Affairs Committee through the Chamber of Commerce, and member of the General Plan Advisory Committee for the City of Marysville. Most recently, I have become the Treasurer for Early Risers Kiwanis; I was excited to join this organization because of their continuous support they provide the youth within the community.

6. Can you attend meetings regularly, making them a priority for the duration of your appointment?

Yes, I can regularly attend meetings. Prior to joining any organization, I analyze the time required and the time that I have available. I ensure that I am not overextending myself in order to give each obligation the necessary attention.

7. Is your schedule flexible to allow for occasional special meetings? If not, please explain. Yes, I can adjust my schedule as needed. If a special meeting would need to be scheduled during the day, a week ' s notice would be greatly appreciated but I have great flexibility in my schedule that would allow me to attend special meetings.

8. Have you participated in local government as a committee member, commissioner, councilmember, or staff? What was your role and what did you learn from it?

I was the Vice-chairperson for the Youth Commission. That was my first exposure to local government, the structure of meetings and giving presentations to the City Council. I have also participated in the 5 year Economic Planning meetings and General Plan Advisory Committee. Both of these conveyed the importance of careful planning for the future. I am also the President of the Graduate Business Association at CSU, Chico. Through this role I was able to work with faculty to create additional tools and resources for MBA students.

SUPPLEMENTAL QUESTIONNAIRE

9. Do you anticipate residing in Yuba City for the next four years, or would there be any reasonable possibility of relocating out of the area for business or personal reasons in the foreseeable future?

Yes I plan on residing in Yuba City for many years. This is also where the majority of my family resides.

10. Approximately how many City Council, Planning Commission, or other City meetings have you attended in the last three years?

I've attended 3 City Council meetings (City of Marysville and Lincoln), 2 Planning Commission meetings (City of Lincoln and Yuba County) and a Placer Co LAFCO meeting within the last 3 years.

11. In your opinion, what is the purpose of the board or commission for which you are seeking appointment?

I believe that the purpose of the board is to ensure that development follows the General Plan and will not be detrimental to the quality of life of the local residents. This includes giving timely feedback to applicants to keep projects moving forward. It is imperative to work together to ensure that there is continued strategic growth and development within the City of Yuba City.

12. What do you perceive to be the primary "planning" issues facing the community now and over the next 5 years? Have you any ideas of how the community should approach solutions to these issues?

Please see attached pdf for answer.

Boards & Commissions SUPPLEMENTAL QUESTIONNAIRE

13. What do you feel are some of the factors which go into making residential neighborhood a "good place to live?" What are some of the negative factors?

I believe that safety and walk-ability are important factors for residential neighborhoods. The ability to safely walk throughout the neighborhood is essential. Access to local shops not only provides a healthier alternative to driving, but is also more equitable to those who may not be able to afford a vehicle. A negative factor to a residential neighborhood is proximity to busy roadways especially those with heavy semi-truck traffic.

14. What factors contribute to a good commercial or industrial area? What are some of the negative factors?

An ideal location for industrial areas is further from residential neighborhoods with access to the highway. Potentially with commercial areas as a buffer in between the two. A negative factor for commercial or industrial areas is not having a designated area for deliveries or safe ingress/egress for customers.

15. What do you believe is the responsibility of a Planning Commissioner to the community? To the developer? To the City Council?

Please see attached pdf for full answer.

16. Is there any additional information you would like to share about yourself or your qualifications for this position?

I genuinely care about our community and want to see it grow and prosper. Since I plan to live here for the next 20+ years, I will be able to see projects to fruition. It would be an honor to serve on the Planning Commission and thank you for considering my application!

12. What do you perceive to be the primary “planning” issues facing the community now and over the next 5 years? Have you any ideas of how the community should approach solutions to these issues?
- a. The City has pockets of land (infill) that can be and is in the process of being developed. However, there is also a growing number of commercial buildings along highway 20 that are vacant. I believe one challenge will be repurposing properties to find uses that add value to the community. I also think the lack of open space limits the leisure activity of the community; I believe we can incorporate more open space and walking trails into new developments moving forward. We can also use bike paths to connect these walking trails to pre-existing neighborhoods which do not have such amenities. Housing is and will likely remain an issue for the next few years. I know that the City is working with/approved a few projects, but we are still constrained by the current city limits. Annexing adjacent properties will allow the city to approve more housing projects and attract more businesses.
13. What do you feel are some of the factors which go into making a residential neighborhood a “good place to live?” What are some of the negative factors?
- a. I believe that safety and walk-ability are important factors for residential neighborhoods. The ability to safely walk throughout the neighborhood is essential. A negative factor for commercial or industrial areas is not having a designated area for deliveries or safe ingress/egress for customers.
15. What do you believe is the responsibility of a Planning Commissioner to the community? To the developer? To the City Council?
- a. I believe the responsibility of a Planning Commissioner is to keep the community’s interest and well-being in mind with future development. It is our responsibility to look at the long-term implications of the project and ensure that it follows and aligns with the respective General Plan. The responsibility of a Planning Commissioner to the developer is to provide timely feedback and not needlessly delay a project. It is our responsibility to come to meetings prepared and having reviewed all of the material to ensure that all potential issues are expressed to the developer. Our responsibility to the City Council is to ensure that projects align with their approved ordinances and plans. If there are issues or

areas where we can become more efficient, it is the responsibility of the Planning Commission to convey these matters to the City Council for consideration.

16. Is there any additional information you would like to share about yourself or your qualifications for this position?

- a. I genuinely care about our community and want to see it grow and prosper. Since I plan to live here for the next 20+ years, I will be able to see projects to fruition. It would be an honor to serve on the Planning Commission and thank you for considering my application!

CITY OF YUBA CITY
STAFF REPORT

Date: April 4, 2023
To: Honorable Mayor & Members of the City Council; for itself and as the Board of the Tierra Buena Community Services District
From: Public Works Department
Presentation By: Ben Moody, Public Works & Development Services Director

Summary

Subject: Tierra Buena Community Services District – Dissolution
Recommendation: Adopt a Resolution of the City Council of the City of Yuba City for itself and in its capacity as the Board of Directors of the Tierra Buena Community Services District requesting the Sutter County Local Agency Formation Commission undertake proceedings for the dissolution of the district
Fiscal Impact: \$3,000 – Account No. 1155 (Stonegate Treatment Works Demolition)

Purpose:

To facilitate the eventual disposal of surplus property located at 3086 Stonegate Drive (APN 62-020-064).

Council's Strategic Goal:

This item addresses the City Council's Strategic Goal of operating our City government in a fiscally responsible manner.

Background:

The Tierra Buena Community Services District (District) was originally formed by Sutter County to provide wastewater services to the Stonegate subdivision, which was originally located in the County. The development consisted of approximately 96 single family residences between Jefferson Avenue on the north, Monroe Road on the south, and east of Royo Ranchero Drive to the Live Oak Canal (see Attachment 2).

In 2004, the Stonegate subdivision was annexed to the City as part of annexation proceedings of the larger Tierra Buena area. The City, pursuant to Resolution No. 04-039, consented to the transfer of the District to the City as a Subsidiary District, with the City Council acting as the Board of Directors for the District. The District has limited powers for the purpose of collection, treatment and disposal of sewage waste generated by the District's residents only. The District no longer provides such services, as the Stonegate subdivision is now connected to the City's wastewater system. The District owns one piece of property located at 3086 Stonegate Drive (APN 62-020-064; PIN 062020064000) and has no liabilities. The District does not receive any share of the property taxes and has no revenues.

The District-owned property at 3086 Stonegate Drive is the site of the former Stonegate wastewater treatment works. The treatment works have primarily been abandoned, however lined disposal ponds, underground tanks, an outbuilding, and other miscellaneous facilities remain. The property is approximately 2.7 acres and zoned for low density residential development. It is in the City's best interest to dispose of this property, in accordance with Surplus Land Act, to reduce associated ongoing liabilities and utilize the land for the highest and best use. To facilitate disposal of the property the District must first be dissolved. Earlier last year, Council asked staff to look into dissolving the District.

Analysis:

The procedure to dissolve the District is pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. The procedure commences with the District's Board of Directors adopting a Resolution of Application requesting the Sutter County Local Agency Formation Commission (LAFCo) commence dissolution proceedings. The Resolution will request that LAFCo dissolve the District and transfer any assets to the City.

All costs to complete the dissolution, including LAFCo, State Board of Equalization and City's costs will need to be paid by the City, as the District has no funds. Following adoption of the Resolution, the City Manager will file the Application with LAFCo and pay a processing fee of \$3,000.

The City Attorney's office has been coordinating with City Staff and the Executive Officer of LAFCo regarding this matter. Following receipt of the application, LAFCo will process the dissolution of the District, which could take up to six months. Part of the process will include notice to residents and a public hearing on the dissolution. However, since this is a simple dissolution, with no property tax exchange agreements, it could be completed within an earlier timeframe.

Fiscal Impact:

Fees associated with the dissolution are estimated to be approximately \$3,000. Minimal staff time to coordinate the process will also be required. These costs will need to be paid for by the City, as the District has no revenues. The costs will be paid for through Capital Improvement Program Account No. 1155 (Stonegate Treatment Works Demolition). There is approximately \$470,000 available in this account.

The City will receive the single property owned by the District and then will begin coordination to dispose of the property in accordance with the Surplus Land Act. Disposal of the property may require demolition of the remaining treatment works facilities, which would have additional fiscal impacts that would be presented to Council at a later date.

Alternatives:

1. Do nothing. In this case, the District will retain ownership of the property and City staff will continue to be responsible for maintenance and liability.
2. Have the District sell the property it owns and then dissolve.

Recommendation:

Adopt a Resolution of the City Council of the City of Yuba City for itself and in its capacity as the Board of Directors of the Tierra Buena Community Services District requesting the Sutter County Local Agency Formation Commission undertake proceedings for the dissolution of the district.

CITY OF YUBA CITY
STAFF REPORT

Date: April 4, 2023
To: Honorable Mayor & Members of the City Council;
From: Public Works Department
Presentation By: Ben Moody, Public Works & Development Services Director

Summary

Subject: 3300 Brandywine Drive Well Demolition – Sale of Surplus Property
Recommendation: Adopt a Resolution authorizing the Public Works Director to execute all documents necessary to transfer real property interest in the City's former Well #21 property to the owner of the adjacent parcel to the west (3300 Brandywine Drive, APN 62-180-046). [no address, APN 62-180-043]
Fiscal Impact: Minimal staff time executing and recording the necessary documents

Purpose:

To transfer surplus City property to an adjacent property owner thereby reducing the City's maintenance responsibilities and potential liability.

Council's Strategic Goal:

The transfer of this property addresses the City Council's Strategic Goals of maintaining a business-friendly environment while also assuring maintenance of the City's infrastructure.

Background:

The City's former Well #21 was located on a 0.04-acre parcel adjacent to the northeast corner of 3300 Brandywine Drive (Attachment 1, Exhibit A). This well was initially constructed in 1986 as part of the Rancho Estates Unit Two and Three, Phase One development at Royo Rancho Drive and Butte House Road. The City acquired the well and distribution system upon annexation to the City in 2004. The City subsequently extended its surface water distribution system to the Tierra Buena area, including Royo Rancho Drive, eliminating the need for the well.

In 2016, the City officially abandoned Well #21 per Sutter County Department of Environmental Health requirements.

In September 2020, Council adopted Resolution No. 20-099 (Attachment 2) declaring this property to be exempt from the Surplus Land Act per Government Code Section 54221(f)(1)(B) as it is less than 5,000 square feet and therefore not suitable for affordable housing.

Analysis:

The good neighbor fence between the City's property and 3300 Brandywine Drive needs to be replaced. The owner of 3300 Brandywine Drive has approached the City requesting to purchase the City's former well site "as-is".

City staff have inspected the site and confirmed that the remaining piping is not connected to the City's water system. The City has no use for the former well site property. Additionally, the property requires periodic maintenance, including future fence replacement costs, and could represent a potential liability.

The well site was essentially "carved out of" 3300 Brandywine Drive at the time of development, so it is best suited to be combined with that parcel. The adjacent orchard property to the east and residential property to the north could not utilize the City's well site property as effectively as the 3300 Brandywine Drive property.

Staff is requesting authorization for the Public Works Director to execute all documents necessary to transfer real interest in this property. Upon Council approval to transfer this property to the contiguous 3300 Brandywine Drive property, staff will notify the California Department of Housing and Community Development in accordance with Surplus Land Act requirements.

Fiscal Impact:

Minimal staff time executing and recording the necessary documents, to be funded out of Public Works operating budgets, which would be more than offset by the savings in maintenance of the property.

Alternatives:

1. Require the City Manager or Mayor to execute the required property transfer documents.
2. Direct staff to allow all adjacent property owners to bid on the property. The property is "landlocked" and would not be useful to any other potential buyers.
3. Do not approve the property transfer at this time.

Recommendation:

Adopt a Resolution authorizing the Public Works Director to execute all documents necessary to transfer real property interest in the City's former Well #21 property to the owner of the adjacent parcel to the west (3300 Brandywine Drive, APN 62-180-046). [no address, APN 62-180-043]

(APN 62-180-046)**

WHEREAS, City staff have determined that the property is no longer needed for City services and instead represents an unnecessary maintenance burden on City resources; and

RESOLUTION NO. 20-099

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF YUBA CITY
DECLARING CERTAIN CITY-OWNED REAL PROPERTIES TO BE EXEMPT SURPLUS
LAND AND CERTAIN OTHER CITY-OWNED PROPERTIES TO BE SURPLUS LAND AND
DIRECTING THE CITY MANAGER TO FOLLOW THE PROCEDURES SET FORTH IN THE
SURPLUS LAND ACT FOR THE SALE OF SUCH PROPERTIES**

WHEREAS, under the Surplus Land Act, Government Code section 54220 *et seq.*, as amended on January 1, 2020 (the "Act"), surplus land is defined as "land owned in fee simple by any local agency for which the local agency's governing body takes formal action in a regular public meeting declaring that the land is surplus and is not necessary for the agency's use"; and

WHEREAS, under the Act, real property owned by a local agency, must be declared as "surplus land" or "exempt surplus land" as supported by written findings prior to the local agency taking any action to dispose of it; and

WHEREAS, the Act authorizes the to sell surplus real properties in the manner proscribed therein; and

WHEREAS, the City of Yuba City (the "City") owns certain real properties (i) identified in Exhibit A attached hereto, consisting of vacant and undeveloped land (the "Surplus Properties"), and (ii) identified in Exhibit B attached hereto, consisting of vacant and undeveloped land, each of which is less than 2,000 square feet and is therefore categorized as "exempt surplus land" under the Act (the "Exempt Properties"); and

WHEREAS, there is no present or contemplated use for these properties and therefore, they are surplus to the needs of the City as they are not intended to be used for any governmental purpose or operations; and

WHEREAS, the City has determined it would be in the best interest of the City to dispose of the Properties; and

WHEREAS, the City now desires to declare the Surplus Properties as surplus land and the Exempt Properties as exempt surplus land under the Act and to offer and initiate the sale of such properties in accordance with the procedures under the Act.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF YUBA CITY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The City Council finds the above recitals are true and correct and incorporated herein by this reference.

Section 2. The City Council hereby finds and declares the Surplus Properties as surplus land under the Act, based on the written findings set forth below:

(a) The Surplus Properties have been determined to be no longer needed by the City for any governmental purpose.

(b) The City has no current or future plans to use the Surplus Properties for any agency/City work or operations or any other governmental purposes.

(c) Therefore, the Surplus Properties are not necessary for the agency's use and qualify as surplus land under the Act.

Section 3. The City Council hereby finds and declares the Exempt Properties as exempt surplus land under the Act based on the written findings set forth below:

(a) Each of the Exempt Properties are less than 2,000 square feet in size and there is no value to the City in retaining such properties and disposing of the properties would alleviate the burden of the maintenance costs for holding them.

(b) Each of the Exempt Properties are less than 5,000 square feet in size and therefore, they qualify as exempt surplus land under Section 54221(f)(1)(B)(i) of the Act.

Section 4. The City Council hereby authorizes and directs the City Manager or his designee to send written notices of availability ("NOA") and offer the Surplus Properties for sale to each of the public agencies and entities listed in Government Code section 54222, and to negotiate the terms of a proposed sale of the Surplus Properties with any such agency or entity that responds to the NOA, and to otherwise follow the procedures of the Act, as applicable to a proposed sale of the Surplus Property.

Section 5. In the event that none of the public agencies or entities listed in Government Code section 54222 offer to purchase one or more of the Properties, or if the City and a public agency or entity listed in Government Code section 54222 does not reach an agreement on the terms and conditions of purchase/sale, the City intends to offer the Properties for sale to the general public in compliance with the requirements and procedures under the Act.

Section 6. Any proposed agreement(s) for the sale of the Surplus Properties or Exempt Properties shall ultimately be subject to the approval of the City Council.

Section 7. The disposal of the Surplus Properties and Exempt Properties is exempt from environmental review under the California Environmental Quality Act ("CEQA") pursuant to California Code of Regulation, Title 14, section 15312. However, if development was proposed on such properties by a subsequent buyer, then that development would be reviewed under CEQA.

Section 8. This resolution shall be effective on upon its adoption. The City Clerk shall certify the adoption of this Resolution.

The foregoing resolution was duly and regularly introduced, passed, and adopted by the City Council of the City of Yuba City at a regular meeting thereof held on the 1st day of September 2020.

CITY OF YUBA CITY
STAFF REPORT

Date: April 4, 2023
To: Honorable Mayor & Members of the City Council;
From: Community Services Department
Presentation By: Joshua Wolffe, Associate Engineer

Summary

Subject: Deed Restriction - Didar S. Bains Park
Recommendation: Adopt a Resolution authorizing the City Manager to execute a Deed Restriction for the Didar S. Bains Park Parcel, APN 62-310-021 on behalf of the City
Fiscal Impact: Receipt of \$800,000 in construction fund reimbursement for Didar S. Bains Park

Purpose:

To secure construction funding reimbursement for the City's newest community park.

Council Strategic Goal:

Filing a deed restriction on the park addresses the City's Council Strategic Goal of fiscal responsibility, as the deed restriction will ensure that the City meets necessary grant requirements to be eligible for funding reimbursement for a portion of the Park's construction costs.

Background:

In February of 2018, the City submitted a grant application to the Land and Water Conservation Fund (LWCF) for \$800,000 to construct the Didar S. Bains Park Project (Project). In August of 2019, the City received notification that grant funds were awarded in the amount of \$800,000, with a required City-match of \$800,000. In December of 2021, City Council awarded a construction contract to Marina Landscape of Orange, CA for the Project's construction. Since the contract award, City staff have been working diligently with the Project's construction management team, and contractors to deliver the Project.

Analysis:

To be eligible for receipt of grant funding, LWCF requires that the City file a 6(f)(3) deed restriction on the Project's parcel. Section 6(f)(3) of Public Law 88-578 states, "No property acquired or developed with assistance under this section shall, without the approval of the National Secretary of the Interior, be converted to other than public outdoor recreation uses. The secretary shall approve such conversion only if he finds it to be in accord with the then existing comprehensive statewide outdoor recreation plan and only upon such conditions as he deems necessary to assure the substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and location."

If staff fails to file a deed restriction over the property, as required by the Grant's conditions, the City will not receive an \$800,000 reimbursement for construction costs, through LWCF. If authorized, staff will immediately prepare, execute, file the deed restriction documents with Sutter County, and submit executed documents to LWCF's representatives, securing the grant funding.

Fiscal Impact:

The filing of this deed restriction will ensure that the City is eligible for receipt of \$800,000 in grant funding through LWCF for the construction of the Project. Minimal costs for staff time will be incurred for the execution and recordation of the deed restriction documents.

Alternatives:

Do not authorize the City Manger to execute the Deed Restriction for the Project. Staff does not recommend this, as it would make the City ineligible for the \$800,000 LWCF funding reimbursement.

Summary

Subject: National Opioid Settlement

Recommendation:

- A. Approve Settlement Agreements and Participation Forms for the City's participation in the National Opioid Settlement Agreements with Teva, Allergan, Walmart, Walgreens, and CVS.
- B. Approve the California State-Subdivision Agreements Regarding Distribution and Use of Settlement Funds relating to the National Opioid Settlement Agreements with Teva, Allergan, Walmart, Walgreens, and CVS.
- C. Adopt a Resolution approving and authorizing the City Manager to carry out all necessary acts such that the City can participate in the National Opioid Settlements with Teva, Allergan, Walmart, Walgreens, and CVS, including signing necessary documents and transmittal thereof as necessary.
- D. Authorize the City Manager to carry out all necessary acts such that the City can participate in the National Opioid Settlements, including, but not limited to, the transmittal of the executed documents in Recommendations A and B and all future settlements (as necessary and applicable) through the National Opioid Settlements process

Fiscal Impact: None. Any funds allocated will automatically be remitted to the County of Sutter.

Purpose:

To declare the City's continued participation in the National Opioid Settlement

Council's Strategic Goal:

This item supports the City Council priority of fiscal responsibility by bringing additional funding to the community to assist in the opioid crisis.

Background:

In 2021, the City entered into settlement agreements with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation. (collectively, the "Distributors") and Johnson & Johnson,

Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (collectively, the “Manufacturer”) (for purposes of this submittal, the Distributors and Manufacturer are collectively referred to as the “2021 Settling Defendants”). The 2021 settlement agreement related to litigation (the City was not a party to this litigation) by various States, cities, and counties relating to the 2021 Settling Defendants’ manufacture and distribution of opioids and, in particular, the impact of such activities upon the national opioid epidemic (“2021 Settlement Agreements”). The 2021 Settlement Agreements required that a “critical mass” of public agencies participate in order for it to become effective, which was achieved in 2022.

At this time, a new settlement is proposed with Teva, Allergan, Walmart, Walgreens, and CVS, who are additional defendants that are retailers and manufacturers of opioids (for the purposes of this submittal, Teva, Allergan, Walmart, Walgreens, and CVS are collectively referred to as the “2023 Settling Defendants”). The terms of the 2023 Settlement Agreements are similar to the 2021 Settlement Agreements, which includes the requirement that a critical mass of participation is required, provides for a broad release of the 2023 Settling Defendants from liability relating to opioids, and, further, direct or indirect payment of settlement funds to the various local agencies agreeing to participate. Additional information about these settlements can be found here: www.nationalopioidsettlement.com.

With respect to the release, as indicated above, it is a very broad release covering any activities by the 2023 Settling Defendants relating to opioids. It arguably also includes a release from liability relating to land use matters for facilities that manufactured, distributed, or sold opioids within the city.

Analysis:

With respect to the settlement funds, the 2023 Settlement Agreements could provide up to approximately \$1.8 billion to California. This amount assumes maximum participation. Like the 2021 Settlement Agreements, the more local agencies that participate, the more funds will be available to California. Further, the City’s share of this amount is approximately \$100,000, which is distributed over a 5-to-15-year period depending on the settlement agreement. It must be emphasized that this amount is an estimate of what the City may receive and assumes a best-case scenario where all local agencies participate. The actual amount will not be known until the process has been completed. Similarly to the 2021 Settlement Agreements, the use of the funds is restricted to opioid remediation (e.g., addiction treatment programs). By default, these funds are allocated to the County, but the City can elect to receive a direct distribution; however, use of the funds also requires strict accounting requirements. These requirements only apply to the City if it elects to receive direct distribution and does not apply to the City if the funds go to the County. In terms of enforcement, the State enforces the expenditure requirements. Because of this, it is recommended that the funds be allocated to the County.

Approval of Recommendation A and B would authorize the City to participate in the National Opioid Settlements with the 2023 Settling Defendants on the terms and conditions of those settlement agreements and, further, approve agreements with the State of California on the distribution of settlement funds, consistent with the 2023 Settlement Agreements. (Attachments 1, 2, and 3).

Approval of Recommendation C would approve and authorize the City Manager to carry out all necessary acts such that the City can participate in the National Opioid Settlements with Teva, Allergan, Walmart, Walgreens, and CVS, including signing necessary documents and transmittal thereof as necessary.

Council approval and authorization to execution, submission, and receipt of all required documents must be completed before April 18, 2023.

Fiscal Impact:

None. Any funds allocated will automatically be remitted to the County of Sutter.

Alternatives:

1. Approve with modifications as desired by the Council.
2. Choose not to participate and forfeit potential local funding to the state of California.

Recommendation:

- A. Approve Settlement Agreements and Participation Forms for the City's participation in the National Opioid Settlement Agreements with Teva, Allergan, Walmart, Walgreens, and CVS.
- B. Approve the California State-Subdivision Agreements Regarding Distribution and Use of Settlement Funds relating to the National Opioid Settlement Agreements with Teva, Allergan, Walmart, Walgreens, and CVS.
- C. Adopt a Resolution approving and authorizing the City Manager to carry out all necessary acts such that the City can participate in the National Opioid Settlements with Teva, Allergan, Walmart, Walgreens, and CVS, including signing necessary documents and transmittal thereof as necessary.
- D. Authorize the City Manager to carry out all necessary acts such that the City can participate in the National Opioid Settlements, including, but not limited to, the transmittal of the executed documents in Recommendations A and B and all future settlements (as necessary and applicable) through the National Opioid Settlements process

II. Participation by States and Condition to Preliminary Agreement

- A.** *Notice to States.* On November 22, 2022 this Agreement shall be distributed to all Eligible States. The Eligible States’ Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. Eligible States will decide whether to become Settling States for both this Agreement and the Teva Global Opioid Settlement Agreement, or decline participation in both settlements. However, if Teva enters bankruptcy prior to the Effective Date, Eligible States can choose to only join this Agreement. If a State is only an Eligible State with respect to one of the Agreements, the State need only decide whether to become a Settling State with respect to the Agreement for which it is an Eligible State. States that determine to become Settling States shall so notify the Enforcement Committee and Allergan within thirty (30) days after November 22, 2022 and shall further commit to obtaining any necessary additional State releases prior to the Effective Date. This notice

period for States may be extended by written agreement of Allergan and the Enforcement Committee.

- B.** *Ineligible States.* Non-Settling States and Prior Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.
- C.** *Condition to Preliminary Agreement.* Following the notice period to Eligible States set forth in subsection II.A above, Allergan shall determine on or before the Preliminary Agreement Date whether, in its sole discretion enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section X below. The determination to proceed shall be in the sole discretion of Allergan and may be based on any criteria or factors deemed relevant by Allergan. If Allergan determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Allergan determines that this condition has not been satisfied, it will so notify the Settling States by providing notice to the Enforcement Committee, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void, other than Allergan's funding of Implementation Costs to date. The Preliminary Agreement Date may be extended by written agreement of Allergan and the Enforcement Committee.
- D.** *Later Joinder by States.* After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Allergan, in its sole discretion. If a State becomes a Settling State more than thirty (30) days after the Preliminary Agreement Date, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts.

III. Cessation of Litigation Activities

- A.** Following the Preliminary Agreement Date, if Allergan has determined to proceed with notice pursuant to Section II, all Litigating States that intend to become Settling States and that are engaged in or have engaged in discovery and/or substantive motion practice ("*Active Litigation*") against a Released Entity shall make reasonable efforts to immediately cease litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Allergan where feasible, or to minimize litigation activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice. Allergan shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Allergan determines it is not going forward with the Agreement. This paragraph III.A does not apply to Litigating States with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating States and Allergan shall engage in good faith discussions regarding the potential cessation of litigation activity.
- B.** Following the execution of the Settlement Participation Form, attached as Exhibit K, a Litigating Subdivision or Litigating Special District that is engaged in active litigation

against a Released Entity shall make all reasonable efforts to immediately cease all litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Allergan, where feasible, or to minimize litigation activity by means of agreed deadline extensions and agreed postponement of litigation activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practices. Allergan shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Allergan determines it is not going forward with the settlement. This paragraph III.B does not apply to Litigating Subdivisions or Litigating Special Districts with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating Subdivisions or Litigating Special Districts and Allergan shall engage in good faith discussions regarding the potential cessation of litigation activity. Notwithstanding this provision no Litigating Subdivision is required to cease its litigation if it determines such action would be detrimental to its litigation.

- C. Following the Reference Date, the Settling States shall endeavor to file Consent Judgments (the contents of which must be agreed upon with Allergan) within thirty (30) days of the Reference Date. Participating Subdivisions and Participating Special Districts, as applicable, shall request dismissal of their actions with prejudice within fourteen (14) days of the Reference Date. The Settling States, Participating Subdivisions, and Participating Special Districts shall use best efforts to get Consent Judgments or orders of dismissal with prejudice, as applicable, entered promptly after filing.

IV. Injunctive Relief

- A. *Entry of Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the Injunctive Relief Terms attached as Exhibit P.

V. Release

- A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers), and Participating Special District (for itself and its Releasers) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State, its Attorney General, each Participating Subdivision, and each Participating Special District to release Claims. The release shall be a complete bar to any Released Claim of all Releasers. Nothing in this Agreement shall release or impair any Claims against Teva Ltd., Teva USA, Cephalon, or Anda, except to the extent expressly set forth in this Agreement.

B. *Claim Over and Non-Party Settlement.*

1. *Statement of Intent.* It is the intent of the Parties that:
 - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Agreement;
 - b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
 - c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and
 - d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.
 - e. The provisions of this subsection V.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.
2. *Contribution/Indemnity Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim Over against it. However, and notwithstanding the foregoing, this provision shall not preclude any Released Entity from seeking indemnification, contribution, or any other theory from and against Teva Ltd., Divested Entities, Pfizer Inc., King Pharmaceuticals, Inc., and Alpharma Inc., and/or each of their respective past and current parents, subsidiaries, and/or affiliates. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.
3. *Non-Party Settlement.* To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Allergan in subsection V.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases

contained in this Agreement) of any Claim Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement. The sole remedy for a Releasor's failure to include such a provision in a Non-Party Settlement shall be the application of Section V.B.4 below. Non-Released Entities include, but are not limited to, Teva Ltd., Teva USA, Divested Actavis Generic Entities or other Divested Entities, and Anda.

4. *Claim Over.* In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection V.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection V.B.3, and such Non-Released Entity asserts a Claim Over against a Released Entity, then Releasor and Allergan shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by Allergan:
 - a. Allergan shall notify that Releasor of the Claim Over within sixty (60) days of the assertion of the Claim Over or sixty (60) days of the Effective Date of this Agreement, whichever is later;
 - b. Allergan and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement;
 - c. That Releasor and Allergan shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement. Such steps may include, where permissible:
 - (i) Filing of motions to dismiss or such other appropriate motion by Allergan or Released Entities, and supported by Releasors, in response to any Claim filed in litigation or arbitration;
 - (ii) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim Over;

- (iv) Return of monies paid by Allergan to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim Over;
 - (v) Payment of monies to Allergan by that Releasor to ensure it is held harmless from such Claim Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (vi) Credit to Allergan under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim Over; and
 - (vii) Such other actions as that Releasor and Allergan may devise to hold Allergan harmless from the Claim Over.
 - d. The actions of that Releasor and Allergan taken pursuant to paragraph (c) must, in combination, ensure Allergan is not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement.
 - e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Allergan may seek review by the National Arbitration Panel, provided that, if the Parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Allergan shall have a Claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Allergan harmless from the Claim Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Allergan may have.
- C.** To the extent that the Claim Over is based on a contractual indemnity, the obligations under subsection V.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold or promoted Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Allergan shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim Over arising out of contractual indemnity against it.
- D.** *General Release.* In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or

other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement, the Participating Subdivisions' decision to participate in the Agreement, or the Participating Special District's decision to participate in the Agreement.

- E.** *Res Judicata.* Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement, and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.
- F.** *Representation and Warranty.* The signatories hereto on behalf of their respective Settling State, its Participating Subdivisions, and its Participating Special Districts, expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling State; (2) any of the Settling State's past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; (4) any Participating Subdivisions; and (5) any Participating Special District. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.
- G.** *Effectiveness.* The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use

of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

- H. *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.
- I. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals, Claims for Medicaid rebates, Claims asserted, or that could be asserted, by any State, Subdivision, or Special District related to the causes of action in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, in the United States District court for the District of Pennsylvania, MDL No. 2724, and any related action (such excluded claims include, but are not limited to, all antitrust claims and any claims related to any non-opioid generic drugs), and any claims arising under the Agreement for enforcement of the Agreement.

VI. Monetary Relief Overview and Maximum Payments

- A. Excluding Allergan's share of Implementation Costs and costs of the Settlement Fund Administrator, there are three main categories of monetary payments:
 - 1. *Annual Payments to the Settlement Fund.* These payments are generally addressed in Section VII. The maximum amount Allergan shall pay in Annual Payments to the Settlement Fund is the Net Abatement Amount of \$1,799,186,751.00, which reflects the application of the Prior Settlements Credit to the Global Settlement Abatement Amount. Annual Payments will be made over seven (7) years on the Payment Dates. The actual amount paid will depend on, among other things, the level of participation of Eligible States, their Subdivisions, and their Special Districts.
 - 2. *Additional Restitution Amount.* These payments are generally addressed in Section XII. The maximum amount Allergan shall pay for the Additional Restitution Amount is \$16,192,680.76. Payments for the Additional Restitution Amount will be made over four (4) years on the Payment Dates. The actual amount paid will depend on the number of Eligible States listed in Exhibit N that become Settling States.
 - 3. *Attorney Fee and Cost Payments.* These payments are generally addressed in Section XII and Exhibits M, R, S, and T. They consist of payments for the State Outside Counsel Fee Fund, the State Cost Fund, and the Attorney Fee and Cost Fund. These payments will be made over four (4) on the Payment Dates. The maximum amount Allergan shall pay into these funds is the Global Settlement Attorney Fee Amount of \$206,906,476.36.

- B.** The aggregate maximum amount Allergan shall pay for these for these payment categories is \$2,022,285,908.12 (the “*Post-Credit Global Settlement Amount*”). This figure does not include costs related to injunctive relief and document disclosure addressed in Exhibit P, Implementation Costs, and Settlement Fund Administrator Costs addressed in this Agreement. AbbVie agrees to satisfy the obligations to make the payments due in this Section VI if for any reason Allergan fails to fulfill its payment obligations under Section VI (the “*Payment Obligations*”).
- C.** For purposes of this Agreement only, Releasors represent that fifty-six percent (56%) of the Post-Credit Global Settlement Amount payable by Allergan constitutes consideration for the settlement of Claims involving, arising from, or related to generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and other Divested Entities and the operation of Divested Actavis Generic Entities and other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016 that the Releasors are asserting or might otherwise assert or could assert that Allergan (or any other Released Entity) is directly or indirectly and/or jointly or severally liable, including but not limited to, based on parent or control liability or a substantially similar theory. Releasors represent that forty-four percent (44%) of the Post-Credit Global Settlement Amount payable by Allergan constitutes consideration for the settlement of Claims involving, arising from, or related to branded opioid drugs that are Products of or attributable to Allergan or any other Released Entity (including but not limited to branded opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and other Divested Entities and the operation of the Divested Actavis Generic Entities and the other Divested Entities related to those branded opioid drugs that are Products before August 2, 2016) that the Releasors are asserting or might otherwise assert or could assert against Allergan or any other Released Entity, of which seventy-seven percent (77%) is specifically involving, arising from, or related to Kadian® (including but not limited to Kadian® manufactured, distributed, marketed, and/or sold from 1997 through 2008 by King Pharmaceuticals, Inc. and/or Alpharma Inc.).
- D.** *Settlement Fund Administrator and Implementation Costs.* If this Agreement becomes effective, Allergan shall be responsible for one-third of the Implementation Costs. The full amount of the Implementation Costs shall be jointly advanced by Teva and Allergan. If this Agreement becomes effective, then Allergan shall deduct from Allergan’s Initial Year Payment the difference between the excess amount it advanced for Implementation Costs and its one-third obligation for such costs. Settlement Fund Administrator Costs shall be paid out of interest accrued on the Settlement Fund. Should such interest prove insufficient to fully cover the costs, the remaining cost amounts shall be paid one-third by Teva, one-third by Allergan and one-third from the Settlement Fund through the disbursement of Allergan’s final Payment Allergan shall not be responsible for any costs incurred by the Settlement Fund Administrator after the disbursement of its final Payment.

VII. Annual Payments to Settlement Fund

A. Structure of Payments to Settlement Fund

1. All payments under this Section VII shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VIII.
2. Allergan shall pay into the Settlement Fund the Net Abatement Amount consisting of \$1,799,186,751.00 minus: (1) any offsets specified in subsection VII.C below; (2) any unearned Incentive Payments under subsection VII.E below; and (3) any adjustments under Section XI below.
3. The payments to the Settlement Fund shall be divided into Base Payments and Incentive Payments as provided in subsections VII.D and VII.E below and set out in Exhibit M.

B. Settlement Fund Payment Process

1. Except as otherwise provided in this Agreement, Allergan shall make one Initial Year Payment (the first Annual Payment) and six (6) additional Annual Payments of equal installments of the Net Abatement Amount (after all applicable offsets) into the Settlement Fund. The Settlement Payment Schedule is set forth in Exhibit M. Annual Payments shall be made on the Payment Date, provided that the necessary wire instructions, W-9 form, and Allergan's Bank Verification Form process is completed for the Settlement Fund at least twenty-one (21) days before the relevant payment is due and Allergan has completed any process required by the Settlement Fund Administrator and/or its financial institution(s) to complete the transaction. If there is a delay in making a payment because any of these conditions were not completed at least twenty-one (21) days in advance of the Payment Date, then the Annual Payment will be made within twenty-one (21) days of the completion of these conditions.
2. The Initial Year Payment shall consist of only Base Payments (after all applicable offsets). The other six (6) Annual Payments shall each consist of Base Payments (after all applicable offsets) and Incentive Payments (after all applicable offsets). The amount of the Initial Year Payment and each other Annual Payment, payable by Allergan shall not exceed the maximum amounts allocated to each Payment Year in Exhibit M.
3. To determine each Annual Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data in its records sixty (60) days prior to the Payment Date for each payment. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to Settling States and Exhibit G Participants consistent with the terms of this Agreement as quickly as practical.

4. The Settlement Fund Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:
 - a. determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the State is entitled by applying the criteria in this Section;
 - b. applying any reductions, or offsets required by Sections VII and XI; and
 - c. determining the total amount owed by Allergan to all Settling States and Exhibit G Participant.
5. If, no later than fifty (50) days prior to the Payment Date for each payment for Payment Year 2 forward, Allergan and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State, Allergan shall pay the agreed-upon Annual Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in subsection VII.B.4. If the Settlement Fund Administrator is not so informed, it shall give notice to Allergan, the Settling States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, following the determination described in subsection VII.B.4, and the following timeline shall apply:
 - a. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, Allergan, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Payment, or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Allergan identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
 - b. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Allergan identifying the basis for disagreement with the notice of dispute.
 - c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Allergan shall pay the adjusted amount as the Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Allergan of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with

the notice of dispute, *provided, however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M.

- d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Allergan into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Exhibit G Participants.
6. If a Settling State informs the Settlement Fund Administrator that it and its Exhibit G Participants have reached consensus on the amount of its Statewide Payment Amount, determined pursuant to subsection VII.B.3 or VII.B.4, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Exhibit G Participants, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State. For a Settling States that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section VII, among the separate types of funds for the Settling State (if applicable), and among its Exhibit G Participants using the following procedures:
 - a. As soon as possible for each payment and following the determination described in subsection VII.B.3 and VII.B.4, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Exhibit G Participants of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Exhibit G Participants.
 - b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Exhibit G Participant may dispute, in writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
 - c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit

a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.

- d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.
 - e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Exhibit G Participants.
- 7. Disputes described in this subsection (other than those for which no response is filed under subsection VII.B.5.c or VII.B.6.d) shall be resolved in accordance with the terms of Section XIV.
 - 8. The Settlement Fund Administrator may combine the disbursements of Annual Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.
 - 9. For the avoidance of doubt, Subdivisions and Special Districts not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

C. Offsets to Annual Payments to the Settlement Fund for Non-Settling States

- 1. An offset equal to the Net Abatement Amount of \$1,799,186,751.00 times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by Allergan to the Settlement Fund.
- 2. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the Annual Payments specified in Exhibit M are reduced by the aggregate State Allocation Percentage of Non-Settling States as set forth in Exhibit F-2.

D. Base Payments

- 1. Allergan shall make Base Payments into the Settlement Fund in an amount equal to 45% of the Net Abatement Amount of \$1,799,186,751.00 minus any offsets for Non-Settling States specified in Section VII.C.I. The maximum total for Base Payments is \$809,634,037.95. The Base Payments will be paid in accordance with the Settlement Payment Schedule specified by Exhibit M, subject to potential offsets for Non-Settling States as provided in Section VII.C.1.
- 2. The Base Payments will be allocated by Settling State proportionate to each Settling State's State Allocation Percentage in Exhibit F-2, adjusted for any Non-Settling State.

E. Incentive Abatement Payments

1. Allergan shall make potential Incentive Payments totaling up to a maximum of 55% of the Net Abatement Amount of \$1,799,186,751.00 for all Settling States with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is \$989,552,713.05.
2. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section VII.E.1 times the Settling State's State Allocation Percentage specified in Exhibit F-2. Incentive Payments are state-specific, with each Settling State receiving an Incentive Payment based on the incentives for which it is eligible for that year under the criteria set forth below and any offset specified in Section XI.
3. The Incentive Payments shall be divided among four (4) categories, referred to as Incentives A–D. Incentives A–C will be due in installments over six (6) Payment Years beginning with Annual Payment 2 and Incentive D will be due in installments over four (4) years beginning with Annual Payment 4, as shown on Exhibit M. The total amount of Incentive Payments in an Annual Payment shall be the sum of the Incentive Payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The Incentive Payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.
4. The maximum amount available for Incentive Payments, \$989,552,713.05, is divided into two pools. The maximum amount of Incentive Payments for Incentives A-C shall be \$863,609,640.48, which is 48% of the maximum Net Abatement Amount. A Settling State may be eligible for its full allocable share of this payment by either achieving Incentive A or by fully earning both Incentives B and C. The maximum amount of Incentive Payments for Incentive D shall be \$125,943,072.57, which is 7% of the maximum Net Abatement Amount. (These figures represent maximum payments prior to being adjusted for any offsets and assumes every State is a Settling State and will satisfy the requirements specified below to earn its maximum incentive amount. The Incentive Payments will be paid in accordance with the payment schedule in Exhibit M, subject to potential deductions as provided herein.) A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. Settling States may qualify for Incentive Payments in four ways. If a Settling State qualifies for Incentive A, it will become entitled to receive the maximum payment allocable to the State for Incentives A-C as stated in subsection VII.E.5. If a Settling State does not qualify for Incentive A, it can alternatively qualify for Incentive B and/or Incentive C. A Settling State can qualify for Incentive D regardless of whether it qualifies for another Incentive Payment.

5. *Incentive A: Full Participation or Fully Released Claims of Litigating Subdivisions, Litigating Special Districts, Non-Litigating Subdivisions with Population Greater Than 10,000, and Non-Litigating Covered Special Districts.*
- a. A Settling State's total potential Incentive A payment allocation is \$863,609,640.48 times the percentage allocation assigned that Settling State in Exhibit F-2.
 - b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section V above from all Litigating Subdivisions and Litigating Special Districts, Non-Litigating Subdivisions with population over 10,000, and Non-Litigating Covered Special Districts; (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District Claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a "Litigating Subdivision" or "Litigating Special District" if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered "Non-Litigating." For purposes of Incentive A, Non-Litigating Covered Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.
 - c. If a Settling State qualifies for Incentive A after receiving an Incentive Payment under Incentives B or C, described below, the Settling State's payments under Incentive A will equal the remainder of its total potential Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its total potential Incentive A payment allocation shall not receive additional Incentive Payments under Incentives B or C.
 - d. A Settling State that is not eligible for Incentive A as of two (2) years after the Effective Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.
6. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*
- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.
 - b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population are either Participating

Subdivisions, Participating Special Districts, or have their claims resolved through Case-Specific Resolutions.

(i) A Settling State's litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State's litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.

(ii) For example, if School District A is a Litigating Special District in City B with a population of 1, City B is itself a Litigating Subdivision with a population of 8, and City B is located within County C, and County C is a Litigating Subdivision with a population 10, then each of their individual populations shall be added together (i.e., $1 + 8 + 10$) to determine the total litigating population (i.e., 19).

c. The following time periods apply to Incentive B payments:

(i) Period 1: Zero to two hundred ten (210) days after the Effective Date.

(ii) Period 2: Two hundred eleven (211) days to one year after the Effective Date.

(iii) Period 3: One year and one day to two years after the Effective Date.

d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State's litigating population are Participating Subdivisions or Participating Special Districts, or have their Claims resolved through Case-Specific Resolutions during Period 1, then a sliding scale will determine the share of the funds available under Incentive B, with a maximum of 60% of the Settling State's total potential Incentive Payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

Participation or Case-Specific Resolution Levels (As percentage of litigating population)	Incentive B Award (As percentage of total amount available to Settling State for Incentive B)
75%	50%
76%	52%
77%	54%
78%	56%
79%	58%
80%	60%
85%	70%
90%	80%
95%	90%
100%	100%

- e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1 but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.
- f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.
- g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and/or Litigating Special Districts (or Case-Specific Resolutions of their Claims) during Periods 2 and/or 3. Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.
- h. The percentage of the available Incentive B amount for which a Settling State is eligible by the end of Period 3 shall cap its eligibility for that Payment Year and all subsequent Payment Years. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or Participating Special Districts, or achieved Case-Specific Resolution

status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.

- i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.
- j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. Calculations to increase Incentive Payments in later periods based on additional joinder shall not reduce any amount already vested at the end of a prior period.

7. *Incentive C: Participation or Release of Claims by Primary Subdivisions*

- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.
- b. Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) collectively representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.
 - (i) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). A Settling State's Primary Subdivision population shall include all Primary Subdivisions whose populations overlap in whole or in part with other Primary Subdivisions, for instance in the case of a Primary Subdivision that is a city contained within a Primary Subdivision that is a county. Because Primary Subdivisions include Subdivisions whose populations overlap in whole or in part with other Subdivisions, the Settling State's Primary Subdivision population may be greater than the Settling State's total population. (Special Districts are not relevant for purposes of Incentive C calculations.)
 - (ii) For example, if City A is a Primary Subdivision with a population of 1 within County B, and County B is a Primary Subdivision with a population of 10, then each of their individual populations shall be added together (i.e., 1+10) to determine the total Primary Subdivision population (i.e., 11).

- c. A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

Participation or Case-Specific Resolution Levels (As percentage of total Primary Subdivision population)	Incentive C, Part 1 Award (As percentage of total amount available to Settling State for Incentive C, Part 1)
60%	40%
70%	45%
80%	50%
85%	55%
90%	60%
91%	65%
92%	70%
93%	80%
94%	90%
95%	100%

- d. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the Settling State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.
- e. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the Effective Date, the Settlement Fund Administrator will conduct a lookback to assess which Subdivisions had agreed to participate or had their Claim resolved through a Case-Specific Resolution that year. Based on the lookback, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year. The percentage of the available Incentive C amount, for both Part 1 and Part 2, for which a Settling State is

eligible three years after the Effective Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

8. *Incentive D: No Qualifying Lawsuits Surviving Threshold Motions at Two Look-Back Dates.*
- a. A Settling State's total potential Incentive D payment allocation is \$125,943,072.57 times the percentage allocation assigned that Settling State in Exhibit F-2.
 - b. If, at any time within five and one-half (5.5) years of the Preliminary Agreement Date, any Subdivision or Special District within a Settling State files litigation pursuing Released Claims against any Released Entity (a "Qualifying Lawsuit"), then Allergan shall, within thirty (30) days of Allergan or any Released Entity being served or otherwise informed of the prosecution of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Allergan under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Allergan shall confer and use reasonable efforts to promptly resolve a Qualifying Lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a Qualifying Lawsuit.
 - c. Part 1: Under Incentive D, Part 1, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at two years after the Effective Date (the "*First Look-Back Date*"), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.
 - d. Part 2: Under Incentive D, Part 2, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at five and one-half (5.5) years after the Preliminary Agreement Date (the "*Second Look-Back Date*"), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.
 - e. After the First Look-Back Date, a Settling State can become re-eligible for Incentive Payment D Part 1 if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall become eligible for Incentive Payment D less any litigation fees and cost incurred by the Released Entity in the interim, except that if the dismissal motion occurs after the

completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

VIII. Allocation and Use of Settlement Funds

- A.** *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section VI into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Allergan.
- B.** *Use of Settlement Payments.* It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Exhibit G Participants be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VII.C. In no event may less than 85% of Allergan’s payments pursuant to Section VI.A.1-3 over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.
- C.** While disfavored by the Parties, a Settling State or Exhibit G Participant may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or Exhibit G Participant uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Exhibit G Participant shall identify such amounts and report to the Settlement Fund Administrator and Allergan how such funds were used, including if used to pay attorneys’ fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this subsection VIII.C shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VIII.C as used to pay attorneys’ fees, investigation costs, or litigation costs shall be included in the “Compensatory Restitution Amount” for purposes of subsection VIII.G and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.
- D.** *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Exhibit G Participants, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under subsection VII.D among the Settling States in proportion to their respective State Allocation Percentages. Base Payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
 2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under subsection VII.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection VII.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
 3. Application of Adjustments. If any offset under Section XI applies with respect to a Settling State, the offset shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.
 4. Settlement Fund Administrator. Prior to the Initial Participation Date, Allergan and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.
- E. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under subsections VIII.E.1-2, then the default provisions of subsection VIII.E.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VIII.E.1-2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.
1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after July 26, 2022 shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Allergan

and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VIII.E.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VIII.E only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.
3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. An Exhibit G Participant may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.
4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VIII.E.1-2 do not apply, and subject to any voluntary redistribution pursuant to subsection VIII.E.3, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be distributed as follows:
 - a. Amounts apportioned to that State's State Fund shall be distributed to that State.
 - b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VIII.F. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling

State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.

- c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection X.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.
 - d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VIII.E.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.
5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section IX, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection IX.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VIII.E.1 or by an Allocation Statute or a Statutory Trust described in subsection VIII.E.2.

F. *Provisions Regarding Abatement Accounts Fund.*

- 1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsection VIII.E.1 or VIII.E.2 as applicable, and all direct payments to Subdivisions comply with subsections IX.E-H.
- 2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

- (i) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VIII.F.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.
- (ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.
- (iii) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.

- b. *Subdivision Block Grants.* Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, Bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.

- c. *Small States.* Notwithstanding the provisions of subsection VIII.F.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VIII.F.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VIII.F.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the State is a region.
- d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:
 - (i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
 - (ii) Composition that includes at least an equal number of local representatives as state representatives;
 - (iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and
 - (iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

G. *Nature of Payment.* Allergan, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. Allergan has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C.

§ 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts;

3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts; and (b) the portion of the Compensatory Restitution Amount received by each Settling State, Participating Subdivision or Participating Special Districts is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State, Participating Subdivision or Participating Special Districts;
4. The payment of the Compensatory Restitution Amount by Allergan constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Allergan;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States, Participating Subdivisions and Participating Special Districts to the same position or condition that they would be in had the Settling States, Participating Subdivisions and Participating Special Districts not suffered the Alleged Harms;
6. No portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation. The entire Compensatory Restitution Amount is properly characterized as described in subsection VIII.G. No portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and
7. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Allergan.

IX. Participation by Subdivisions and Special Districts

- A. *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Allergan, shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions and Special Districts in the Settling State that are (1) Litigating Subdivisions or Litigating Special Districts, or (2) Non-Litigating Subdivisions listed in Exhibit G. To the extent a Non-Litigating Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special District. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Allergan's share of costs of the written notice shall be paid by Allergan as part of the Implementation Costs. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions, Litigating Special Districts, and known counsel for Non-Litigating Subdivisions listed on Exhibit G and Non-Litigating Special Districts listed on Exhibit G. The notice will include that the deadline for becoming an Initial Participating Subdivision or Initial Participating Special District is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions or Special Districts about becoming a Participating Subdivision or Participating Special District, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.
- B. *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Subdivision submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Non-Litigating Subdivision can choose to only join this Agreement.
- C. *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection IX.B for Non-Litigating Subdivisions, commits it to

promptly dismissal its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Subdivision or Later Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Litigating Subdivision or Later Litigating Subdivision can choose to only join this Agreement. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.

- D.** *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections IX.B or IX.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Implementation Administrator until Allergan provides the notice in subsection X.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective. If Allergan determines not to proceed, all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.
- E.** *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):
1. A Later Participating Subdivision shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.
 2. A Later Participating Subdivision that becomes a Participating Subdivision after the Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Subdivision (unless the Later Participating Subdivision is subject to subsections IX.E.3 or IX.E.4 below). A Later Participating Subdivision that becomes a Participating Subdivision after June 15, 2023 shall receive no share of the Initial Year Payment.
 3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided,*

however, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payments or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.
- F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions or Later Participating Special Districts shall not increase the payments due from Allergan.
- G. *Ineligible Subdivisions and Special Districts.* Prior Settling Subdivisions and Subdivisions and Special Districts in Non-Settling States or Prior Settling States are not eligible to be Participating Subdivisions or Participating Special Districts.
- H. *Non-Participating Subdivisions and Non-Participating Special Districts.* Non-Participating Subdivisions and Non-Participating Special Districts shall not directly receive any portion of any Base Payments or Incentive Payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions and Non-Participating Special Districts.
- I. *Unpaid Allocations to Later Participating and Non-Participating Subdivisions.* Any Base Payments and Incentive Payments allocated pursuant to subsection VII.E to a Later Participating or Non-Participating Subdivision or a Later Participating or Non-Participating Special District that cannot be paid pursuant to Section IX, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.
- J. *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts.* A Non-Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Special District agrees to the terms of this Agreement pertaining to Special Districts, (2) that the Special District releases all Released Claims against all Released Entities, (3) that the Special District agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Special District submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither.

However, if Teva enters bankruptcy prior to the Effective Date, a Non-Litigating Special District can choose to only join this Agreement.

- K.** *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection IX.J for Non-Litigating Special Districts, commits it to promptly dismiss its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Special District or Later Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Litigating Special District or Later Litigating Special District can choose to only join this Agreement. Except for trials begun before the Initial Participation Date, a Litigating Special District or a Later Litigating Special District may not become a Participating Special District after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- L.** *Initial Participating Special Districts.* A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District set forth in subsections IX.J or IX.K by the Initial Participation Date. Provided however, all Special District Settlement Participation Forms shall be held by the Implementation Administrator until Allergan provides the notice in subsection X.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.
- M.** *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. or any agreement reached by the applicable Settling State with Initial Participating Special Districts. The following provisions govern what a Later Participating Special District can receive (but do not apply to Initial Participating Special Districts):
1. Except for the Initial Year Payment, a Later Participating Special District shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Special District.
 2. A Later Participating Special District that becomes a Participating Special District after Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Special District (unless the Later Participating Special District is subject to subsections IX.M.3 or IX.M.4 below). A Later Participating Special

District that becomes a Participating Special District after June 15, 2023 shall receive no share of the Initial Year Payment.

3. A Later Participating Special District that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Special District (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District prior to such judgment; *provided, however*, that if the Special District appeals the judgment and the judgment is affirmed with finality before the Special District becomes a Participating Special District, the Special District shall not receive any share of any Base Payments or Incentive Payments.
4. A Later Participating Special District that becomes a Participating Special District while a Bar or Case-Specific Resolution involving a different Special District exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District without such Bar or Case-Specific Resolution.

X. Condition to Effectiveness of Agreement and Filing of Consent Judgment

- A. *Determination to Proceed With Settlement.* Allergan will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Subdivisions and Special Districts in the Settling States (through participation under Section IX, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Allergan, in good faith, and may be based on any criteria or factors deemed relevant by Allergan.
- B. *Notice by Allergan.* On or before the Reference Date, Allergan shall inform the Settling States and MDL Plaintiffs' Executive Committee of its determination pursuant to subsection X.A. If Allergan determines to proceed, the Parties will proceed to file the Consent Judgments. If Allergan determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions and Participating Special Districts) and other commitments or obligations contained herein will be void and Settlement Participation Forms returned to the Subdivision or Special District or destroyed to the extent not prohibited by then existing legal obligations or document holds.

XI. Potential Payment Adjustments

- A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with

finality on terms requiring payment by the Released Entity, Allergan shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G.

B. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*

1. If Allergan made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Allergan shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State or Participating Subdivisions or Participating Special Districts listed on Exhibit G. This offset will be calculated as the dollar amount difference between (1) the total amount of Incentive Payments paid by Allergan during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Allergan during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of Incentive Payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision or Special District that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision or Participating Special District (in addition to all other Participating Subdivisions and Participating Special Districts) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for one or both parts of Incentive D, the Settling State and its Exhibit G participants shall return to Allergan all relevant payments made under Incentive D through offsets as set forth above.
2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Allergan's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any Incentive Payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

XII. Additional Restitution Amount

- A.** *Additional Restitution Amount.* Allergan shall pay an Additional Restitution Amount to each Settling State listed in Exhibit N in the amount and on the schedule set forth in Exhibit M. The maximum Additional Restitution Amount of \$16,192,680.76 shall be reduced by the allocation set forth on Exhibit N for any Non-Settling States listed on Exhibit N. The Settlement Fund Administrator shall allocate such funds among and within the Settling

States listed in Exhibit N at the same time as its allocation of Annual Payments pursuant to Section VII.B.

- B.** Additional Restitution Amount funds shall not be subject to allocation as provided in Sections VIII.D through VIII.F

XIII. Plaintiffs' Attorneys' Fees and Costs

- A.** Attorneys' fees and costs are addressed in the following exhibits and are incorporated herein by reference:

1. The State Outside Counsel Fee Fund is addressed in Exhibit U.
2. The State Cost Fund is addressed in Exhibit S.
3. The Attorney Fee and Cost Fund is addressed and the Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R.

XIV. Enforcement and Dispute Resolution

- A.** *Enforceability.* The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Allergan. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Allergan with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VII; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.
- B.** *Consent to Jurisdiction and Service of Process.* Allergan consents to the jurisdiction of the Court in which the Consent Judgment is filed, and any appellate court thereof, limited to resolution of disputes identified in subsection XIV.G.2; for a civil action for any appropriate relief to enforce compliance with the Parties' Agreement for Injunctive Relief pursuant to Exhibit P, Section K.5 herein; and for any proceedings for or related to the enforcement or collection of any payments on the Consent Judgment for resolution in the Court in which the Consent Judgment is filed. Allergan further agrees any service of process or notice required for such action or proceeding may be effectuated on Allergan through delivery of all required papers by hand or by a nationally recognized private courier on Allergan's representatives identified in Section XVI.P herein. To be clear, for the purposes of this Agreement only, Allergan consents to personal jurisdiction before such courts, and will not contend service must be effectuated through personal service of the Hague Convention process.
- C.** *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms in Exhibit P shall be resolved as provided therein and pursuant to Section VIII.E.3 herein.
2. In the event Allergan believes the 85% threshold established in subsection VIII.B is not being satisfied, any Party may request that Allergan and the Enforcement Committee meet and confer regarding the use of funds under subsection VIII.B. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VIII.B shall: (i) be limited to Allergan seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 85% threshold established in subsection VIII.B; (ii) only reduce Annual Payments to those Settling States and its Participating Subdivisions that are below the 85% threshold established in subsection VIII.B; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VIII.F.2.b.
2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.
3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Enforcement Committee Actions to Enforce Agreement.*

1. The Parties agree that in the event of any failure by Allergan to make any required payments under this Agreement, the Enforcement Committee, on its own or through its designee such as a Settling State or Participating Subdivision acting by its authorization and on its behalf, shall have the ability and right to file an action or proceeding in any New York state court, or federal court of the United States of

America, sitting in New York, for or related to the enforcement or collection of such payments.

2. If any National Dispute involving a Settling State, Participating Subdivision, and/or Allergan is pending before a National Arbitration Panel concerning a given year's payment to all Settling States, any action or proceeding pursuant to this subsection XIV.E shall be stayed as to any disputed amounts only, but may proceed as to any and all undisputed amounts. In the event there is a dispute between the Parties as to the disputed amounts at issue, the Enforcement Committee or any party to that dispute may seek an expedited determination from the National Arbitration Panel for that proceeding as to the disputed and undisputed amounts.
 3. The Parties further Agree that in the event of Allergan's breach of the Parties' Agreement for Injunctive Relief (Exhibit P attached hereto), the Enforcement Committee, on its own or through a single designee such as a Settling State shall have the ability and right to file a civil action pursuant to Exhibit P, after completing the processes laid out in Exhibit P, in any New York state court, or federal court of the United States of America, sitting in New York, seeking any appropriate relief to enforce compliance with such Agreement for Injunctive Relief.
 4. Allergan and other Released Entities consent to the jurisdiction of the New York state court, or federal court of the United States of America, sitting in New York, and any appellate court from any thereof, in which any action or proceeding is initiated pursuant to this subsection XIV.E, and for enforcement or collection of any related judgment entered by such court. Allergan further agrees any service of process or notice required for such action or proceeding, including for any action or proceeding for enforcement or collection of any judgment entered thereon, may be effectuated on Allergan through delivery of all required papers by hand or by a nationally recognized private courier on Allergan's representatives identified in Section XVI.P herein. For the purposes of this Agreement only, Allergan consents to personal jurisdiction before such courts and will not contend service must be effectuated through personal service or the Hague Convention process.
 5. The enforcement rights under this subsection XIV.E are in addition to, and not in lieu of, any other enforcement and collection rights of the Parties herein, including but not limited to enforcement rights as to payments as allowed by subsection XV.A.
- F.** *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XIV.G.4.a(iv) to seek resolution of any failure by Allergan to make its required Base Payments and/or Incentive Payments in a Payment Year.
- G.** *Other Dispute Resolution Terms.*
1. Except as provided in subsection VIII.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute prior to any filing or

presentation to the Court or National Arbitration Panel. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section XIV to resolve the dispute.

2. Except as provided in subsections XIV.C and XIV.G.4, disputes not resolved informally shall be resolved in either the Court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:
 - a. disputes concerning whether expenditures qualify for Opioid Remediation;
 - b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XIV.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;
 - c. whether this Agreement and relevant Consent Judgment are binding under state law;
 - d. the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release Claims;
 - e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and
 - f. all other disputes not specifically identified in subsections XIV.C and XIV.G.4.
3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.
4. National Disputes involving a Settling State, Participating Subdivision, and/or Allergan shall be resolved by a National Arbitration Panel.

- a. “*National Disputes*” are disputes that are exceptions to subsection XIV.G.2’s presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State’s law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:
- (i) the amount of offset and/or credit attributable to Non-Settling States;
 - (ii) issues involving the scope and definition of “Product”;
 - (iii) interpretation and application of the terms “Covered Conduct” and “Released Entities”;
 - (iv) disputes over a given year’s Annual Payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Allergan over the amounts owed to only that State shall not be considered National Disputes);
 - (v) questions regarding the performance and/or removal of the Settlement Fund Administrator;
 - (vi) disputes involving liability of successor entities;
 - (vii) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D,;
 - (viii) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and
 - (ix) any dispute subject to resolution under subsection XIV.G.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XIV.G.4.
- b. The “*National Arbitration Panel*” shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Allergan, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

- (i) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.
 - (ii) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.
 - (iii) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.
 - (iv) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Allergan on a state law issue.
 - (v) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Allergan, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Allergan whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.
- c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.
 - d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XIV.G. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Allergan and Settling States/Participating Subdivisions shall be split 50% by Allergan and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.

5. Prior to initiating an action to enforce pursuant to this subsection XIV.G, the complaining party must:
 - a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.
 - b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.
 6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XIV.G.2 or XIV.G.4, a committee comprising the Enforcement Committee and sufficient representatives of Allergan such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.
- H.** *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Allergan reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

XV. Judgment and Settlement Set-Off Related to Teva

- A.** The Parties recognize that some of the Settling States, Participating Subdivisions, and Participating Special Districts are pursuing Claims against Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates. If any of them achieves a judgment by verdict, judicial decision, or means other than settlement against any of Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates, each plaintiff listed above shall represent and agree that any payment(s) that the Settling States, Participating Subdivisions, and Participating Special Districts or their counsel receives from Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates

reflects the amount over and above 56% of the amount they or their counsel received from the Global Settlement Amount due under this Agreement that each and all of them deem to reflect a fair overall settlement value for liability attributable to the generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or attributable to the operation of the Divested Actavis Generic Entities and/or other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016.

- B.** The Settling States, Participating Subdivisions, and Participating Special Districts may reach a settlement agreement with Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates that resolves some or all of their respective Claims. In that event, the Releasors represent and agree that any payment(s) that the Settling States, Participating Subdivisions, and Participating Special Districts or their counsel receives from Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates reflects the amount over and above 56% of the amount they or they counsel received from the Global Settlement Amount due under this Agreement that each and all of them deem to reflect a fair overall settlement value for liability attributable to the generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or attributable to the operation of the Divested Actavis Generic Entities and/or other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016. In any such settlement agreement with Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates, the Settling States, Participating Subdivisions, and Participating Special Districts agree that the agreed settlement amount reflects the value the parties to the agreement deem a fair settlement value over and above the payments made or due to be paid under the Allergan Public Global Opioid Settlement Agreement for generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or relate to the operation of Divested Actavis Generic Entities and other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016.

XVI. Miscellaneous

- A.** *No Admission.* Allergan does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Allergan.
- B.** *Population of Subdivisions.* The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.
- C.** *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used: (a) School Districts' population will be measured by the

number of students enrolled who are eligible under the Individuals with Disabilities Education Act (“*IDEA*”) or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts’ and Hospital Districts’ population will be measured at 25% of discharges; and (c) all other Special Districts’ (including Fire Districts’ and Library Districts’) population will be measured at 10% of the population served.

D. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.

E. *Most-Favored-Nation Provision.*

1. If Allergan enters into any settlement agreement with any Non-Settling State after November 23, 2022 that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State on a net present value basis (calculated with a 7% discount rate) on overall payment terms the Non-Settling State would have received under this Agreement based on the same level of participation, then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XVI.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that the Settling State(s) may obtain, with respect to Allergan, overall payment terms at least as favorable as those obtained by such Non-Settling State. “*Overall payment terms*” refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.
2. For any settlement with a Non-Settling State involving Released Claims, Allergan shall provide the Enforcement Committee with a copy of the settlement agreement or relevant Consent Judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.
3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Allergan with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the considerations set forth in Section XVI.E.1, the Settling State(s) and Allergan shall engage in the following process:
 - a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or Consent Judgment is provided to the Enforcement Committee, to Allergan of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. Such notice shall be confidential and not disclosed publicly to the extent allowed by law and shall state, in detail, the basis for the Settling State’s belief that it is entitled to a revision of the Agreement.

- b. Allergan shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is entitled to more favorable overall payment terms than those provided for in this Agreement.
 - c. In the event the Settling State(s) and Allergan do not reach agreement as to the application of Section XVI.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XVI.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section XIV.G.4.
 - d. The Settling State(s) and Allergan shall be bound by the determination of the National Arbitration Panel.
4. This Section XVI.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Allergan that is entered into: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Allergan and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Allergan jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) with a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) the earlier of (i) after a Non-Settling State has obtained any court order or judicial determination that grants judgment (in whole or in part) against Allergan in the Non-Settling State's case, (ii) after a sanctions ruling against Allergan in the Non-Settling State's case against Allergan; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.
5. This Section does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Allergan and (a) federally-recognized tribe(s), (b) Non-Participating Subdivisions or (3) Non-Participating Special Districts. This Section XVI.E will not apply to any agreement entered into more than six (6) months after the Reference Date.

F. *Tax Reporting and Cooperation.*

- 1. The Parties agree that, unless otherwise required by law, Allergan's payment of the Compensatory Restitution Amount (after all applicable offsets) payable by Allergan shall be directed to Opioid Remediation for restitution of Alleged Harms allegedly caused by Allergan. By executing this Agreement (or the Settlement

Participation Form and thereby becoming a signatory to this Agreement), each Settling State, Participating Subdivision, and Participating Special District certify that: (1) the entity suffered Alleged Harms allegedly caused by Allergan; (2) the Compensatory Restitution Amount to be paid by Allergan to the entity represent an amount that is less than or equal to the actual monetary damage allegedly caused by Allergan; and (3) the entity shall use such payments for the sole purpose of Opioid Remediation.

2. Upon request by Allergan, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Allergan to establish the statements set forth in subsection VIII.G to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
 3. Without limiting the generality of subsection XVI.F, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Allergan with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
 4. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
 5. Neither Allergan nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).
- G.** *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.
- H.** *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.
- I.** *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

- J.** *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.
- K.** *Entire Agreement.* This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.
- L.** *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.
- M.** *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.
- N.** *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any Claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.
- O.** *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement or in any litigation or arbitration concerning Allergan's right to coverage under an insurance contract.

Q. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

R. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

S. *Successors*

1. The Agreement shall be binding upon, and insure to the benefit of, Allergan and its respective successors and assigns.
2. Prior to Allergan's last Payment Date, Allergan shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Allergan's obligations under this Agreement.
3. Prior to Allergan's last Payment Date, Allergan shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Allergan) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Allergan where the sale or transfer transaction is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Allergan's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction. The above restriction shall not apply if Allergan obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Allergan's remaining Payment Obligations under this Agreement equal to the percentage of Allergan's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Allergan's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XVI.S.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section X.VI.S.3 not raised within twenty (20) calendar days from the date that Allergan transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XVI.S.3 shall be a National Dispute as described in Section XIV.G and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

T. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Allergan along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VIII.F.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing. Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling

State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Allergan will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

U. Termination.

1. Unless otherwise agreed to by Allergan and the Settling State in question, this Agreement and all of its terms (except subsection XVI.O and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:
 - a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or
 - b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).
2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XVI.U.1, then:
 - a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Allergan and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and
 - b. Allergan and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order

reinstating the actions and Claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Allergan and the Settling State and its Participating Subdivisions in question shall be in the same position with respect to those actions and Claims as they were at the time the action or Claim was stayed or dismissed.

3. Unless Allergan and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of Annual Payment 6, *provided* that Allergan has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.
- V. *Waiver.* Allergan, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor or divisive mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the “Texas Statutes”), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Allergan’s payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Allergan’s payment obligations hereunder are satisfied in full, Allergan’s rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.
- W. *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel’s authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Allergan or against which Allergan is seeking enforcement.

Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
4. Provide resources to staff government oversight and management of opioid abatement programs.

C. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (*e.g.*, health care, primary care, pharmacies, PDMPs, etc.).

D. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.
3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).
7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (“ADAM”) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

The governmental entity identified above (“*Governmental Entity*”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Agreement dated November 22, 2022 (“*Allergan Settlement*”), and acting through the undersigned authorized official, hereby elects to participate in the Allergan Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Allergan Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Allergan Settlement as provided therein.
2. Following the execution of this Settlement Participation Form, the Governmental Entity shall comply with Section III.B of the Allergan Settlement regarding Cessation of Litigation Activities.
3. The Governmental Entity shall, within fourteen (14) days of the Reference Date and prior to the filing of the Consent Judgment, file a request to dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the MDL Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at [link to national settlement website page to be provided].
4. The Governmental Entity agrees to the terms of the Allergan Settlement pertaining to Subdivisions and Special Districts as defined therein.
5. By agreeing to the terms of the Allergan Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
6. The Governmental Entity agrees to use any monies it receives through the Allergan Settlement solely for the purposes provided therein.

7. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Allergan Settlement.
8. The Governmental Entity has the right to enforce the Allergan Settlement as provided therein.
9. The Governmental Entity, as a Participating Subdivision or Participating Special District, hereby becomes a Releasor for all purposes in the Allergan Settlement, including, but not limited to, all provisions of **Section V (Release)**, and along with all departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Allergan Settlement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Allergan Settlement shall be a complete bar to any Released Claim.
10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision or Participating Special District as set forth in the Allergan Settlement.
11. In connection with the releases provided for in the Allergan Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would

materially affect the Governmental Entities' decision to participate in the Allergan Settlement.

12. Nothing herein is intended to modify in any way the terms of the Allergan Settlement, to which the Governmental Entity hereby agrees. To the extent this Settlement Participation Form is interpreted differently from the Allergan Settlement in any respect, the Allergan Settlement controls.

I have all necessary power and authorization to execute this Settlement Participation Form on behalf of the Governmental Entity.

EXHIBIT O
Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of **Section VIII** and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this **Exhibit O** only, Population Percentages shall be determined as follows: For States with functional counties or parishes¹, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision

¹ Certain states do not have counties or parishes that have functional governments, including Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

(including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.
5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of **Section VIII** and is approved by the State and by the State's Subdivisions pursuant to the terms above.

- 4. Section II.C.1-3 is not intended and shall not be interpreted to prohibit or restrict any and all discussions or references to Opioids or Opioid Products or any Allergan conduct (including Promotion) related to non-Opioid Products (including those that are approved for the Treatment of Pain or Opioid-Induced Side Effects Treatment Products) when doing so is not to Promote Opioids or Opioid Products, including, for example, (a) if certain patient populations, such as those with a history of abuse of Opioids or Opioid Products, are identified as having a higher prevalence of other conditions, such as Hepatitis C, or being appropriate candidates for treatment of those other conditions, (b) if such discussions or references relate to products that may treat medical conditions that may also be side effects of Opioids or Opioid Products (e.g., anxiety, depression, and Hepatitis C), and/or (c) if such discussions or references relate to the Promotion of BOTOX®, CELEXA®, FETIZMA®, HUMIRA®, LEXAPRO®, LINZESS®, NIMBEX®, ORIAHNN®, ORILISSA®, QULIPTA®, RINVOQ®, SAVELLA®, UBRELVY®, ULTANE®, ULTANE NOVAPLUS®, VIBERZI®, or VIEKIRA PAK®.

A “trade secret” is information, including a formula, pattern, compilation, program, device, method, technique or process, that (a) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure and use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. Even if the information falls within the definition, “trade secret” does not include information reflecting sales or promotional strategies, tactics, targeting, or data, or internal communications related to sales or promotion or information in documents dated more than five (5) years before the disclosure required by this section.
- b. Confidential personal information. “Confidential personal information” means individual Social Security or tax identification numbers, personal financial account numbers, passport numbers, driver license numbers, home addresses, home telephone numbers, personal email addresses, and other personally identifiable information protected by law from disclosure. “Confidential personal information” does not include the names of Allergan’s officers, directors, employees, consultants, agents, or attorneys or of prescribers or of officials of a government agency.
- c. Information that is inappropriate for public disclosure because it is subject to personal privacy interests recognized by law (e.g., HIPAA), or contractual rights of third parties that Allergan may not abrogate.
- d. Information regarding Allergan employees’ personal matters unrelated to Allergan, including emails produced by Allergan custodians discussing vacation or sick leave, family, or other personal matters.
- e. Information that is protected by the attorney–client or attorney work product privilege.
- f. Financial documents designated as “Highly Confidential” or “Highly Confidential Information” under Case Management Order No. 2 in *In re Nat’l Prescription Opiate Litig.*, No. 1:17-md-02804 (N.D. Ohio) and produced in response to the April 3, 2019 Ruling Regarding Jurisdictional Discovery on Defendants Allergan, Teva, and Mallinckrodt, including tax returns including all schedules and attachments, policies regarding accounting, and annual reports.

C. Redaction of Documents Containing Protected Information

1. Whenever a document contains information subject to a claim of exemption pursuant to section B, Allergan will provide the document in redacted form. Such redactions must indicate that trade secret and/or private information, as appropriate, has been redacted. Redactions are limited to the minimum redactions possible, consistent with section B.
2. Allergan must provide to each Settling State a log noting each document redacted. The log must also provide fields stating the basis for redacting the document, with sufficient detail to allow an assessment of the merits of the assertion. The log is subject to public disclosure in perpetuity. The log shall be provided by the production deadline.
3. In addition to the redacted documents, Allergan shall, upon any Settling State's request, also produce all documents identified in subsection III.A above in unredacted form to such Settling State at the same time, but only to the extent the document was produced by Allergan in an unredacted form in the underlying litigation, and only for the purpose of permitting a merits assessment and potential challenge of the redaction pursuant to Section IV herein.

D. Public Disclosure Through a Document Repository

1. Each Settling State may publicly disclose all documents covered by this section through a public repository maintained by a governmental, non-profit, or academic institution. Each Settling State may specify the terms of any such repository's use of those documents, including allowing the repository to index and make searchable all documents subject to public disclosure, including the metadata associated with those documents.

E. Timeline for Production

1. Allergan shall produce all documents required by Section A within nine months from the Effective Date.

F. Support Payment

1. Within thirty (30) calendar days of the Effective Date, Allergan will make one-time payments totaling \$1,375,000 to the University of California, San Francisco Foundation (UCSF Foundation) and The Johns Hopkins University, to be used to support a public repository of documents subject to this section.

IV. ENFORCEMENT

- A. For the purposes of resolving disputes with respect to compliance with **Exhibit P**, should any of the Settling States have reason to believe that Allergan has violated a provision of **Exhibit P**, then such Settling State shall notify Allergan in writing of the specific objection, identify with particularity the provisions of **Exhibit P** that

the practice appears to violate, and give Allergan thirty (30) days to respond to the notification (“Response Period”).

- B. Upon receipt of written notice from any of the Settling States, Allergan shall provide a written response to the Settling State’s notification, containing either a statement explaining why Allergan believes it is in compliance with **Exhibit P**, or a detailed explanation of how the alleged violation occurred and a statement explaining how and when Allergan intends to remedy or has remedied the alleged violation. Allergan may request a reasonable amount of additional time to cure any violation through such remedial measures (“Cure Period”) and the Settling State shall not unreasonably withhold approval of such request.
- C. The Settling State may not take any action concerning the alleged violation of **Exhibit P** during the Response and Cure Periods. Nothing shall prevent the Settling State from agreeing in writing to provide Allergan with additional time beyond the thirty (30) days to respond to the notice. However, the Settling State may take any action, including, but not limited to legal action to enforce compliance with the Consent Judgment, without delay if the Settling State believes that a threat to the health or safety of the public requires immediate action.
- D. The Settling State may bring an action against Allergan to enforce the terms of **Exhibit P**, but only after providing Allergan an opportunity to respond to the notification and, if agreed upon, a period to cure any violation, as described above, or within any other period as agreed to by Allergan and the Settling State.
- E. Nothing in this Consent Judgment shall be interpreted to limit any Settling State’s Civil Investigative Demand (“CID”) or investigative subpoena authority, to the extent such authority exists under applicable state law.
- F. Nothing herein shall be construed to exonerate any failure to comply with any provision of **Exhibit P** after the Effective Date, or to compromise the authority of any Settling State to take action for any failure to comply with **Exhibit P**, consistent with this section.

II. MDL Direct Cost Fund and Subdivision Cost and Expense Fund (*“Cost Fund”*)

- A. The total Cost Fund shall be \$30 million dollars funded as set forth below.
 - 1. Total cost to be paid by Teva in each of the relevant Payment Years² under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

	Cost Fund
--	-----------

¹ Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

² Payment Year shall have the same meaning for Teva as set forth in the Teva Agreement and Teva Exhibits M-1 and M-3. Payment Year shall carry the same definition for Allergan as set forth in the Allergan Agreement and Allergan Exhibits M-1 and M-2.

Payment Year 1	\$9,000,000.00
Payment Year 2	\$9,000,000.00

2. Total cost to be paid by Allergan in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

	Cost Fund
Payment Year 1	\$6,000,000.00
Payment Year 2	\$6,000,000.00

3. The Cost Fund shall be split into the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund.
- a. The MDL Direct Cost Fund shall be Seven Million Five Hundred Thousand Dollars (\$7,500,000), payable 50% in Year One, and 50% in Year Two. The MDL Direct Cost Fund shall make payment without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, provided the costs have been approved by the Cost and Expense Fund Administrator appointed by the Court. The MDL Direct Cost Fund will be paid directly to the MDL Opiate Capital Account. The Cost and Expense Fund Administrator may include costs incurred by the MDL PEC in furtherance of litigation, mediation, implementation, and management of the Settlements.
 - b. The Subdivision Cost and Expense Fund shall be Twenty-Two Million Five Hundred Thousand Dollars (\$22,500,000), payable 50% in Year One and 50% in Year Two.
 - c. It is the intention of the Parties that the Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
 - d. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the

Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

- e. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs in pursuit of claims against Allergan or Teva. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this **Exhibit R**.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds.

III. Attorney Fee Fund

- A. An Attorney Fee Fund shall be paid in the following amounts and years:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	\$ 46,215,837.93	\$ 40,778,855.53
Payment Year 2	\$ 46,215,837.93	\$ 40,778,855.53
Payment Year 3	\$ 55,215,837.92	\$ 46,778,855.53

Payment Year 4	\$ 55,215,837.92	\$ 46,778,855.53
Payment Year 5	\$ 55,215,837.92	\$ 0.00
Payment Year 6	\$ 55,215,837.92	\$ 0.00

B. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.

2. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.

C. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Teva Agreement and Allergan Agreement or if the Teva Agreement does not proceed past Teva's determination in **subsection XI.A** of the Teva Agreement or if the Allergan Agreement does not proceed past Allergan's determination in **subsection X.A** of the Allergan Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

D. *Attorney Fee Fund and Sub Funds.*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.
2. In no event shall Teva or Allergan be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in subsection III.A., which amounts are reflected in **Exhibit M** to the Teva Agreement and Allergan Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Teva Agreement and Allergan Agreement, as set forth in **Exhibits F-2** and **G** to the Teva Agreement and **Exhibits F** and **G** to the Allergan Agreement, and shall be made applying the Mathematical Model attached as Exhibit “A” to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in subsection III.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.
4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

E. *Common Benefit Fund (60% of the Attorney Fee Fund).*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph III.E.6. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	\$ 27,729,502.76	\$ 24,467,313.32
Payment Year 2	\$ 27,729,502.76	\$ 24,467,313.32
Payment Year 3	\$ 33,129,502.75	\$ 28,067,313.32
Payment Year 4	\$ 33,129,502.75	\$ 28,067,313.32
Payment Year 5	\$ 33,129,502.75	\$ 0.00
Payment Year 6	\$ 33,129,502.75	\$ 0.00

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating

Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

- a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and
 - b. satisfy the eligibility criteria set forth in subsection III.G.
3. For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against Teva or Allergan have also reached a settlement for Released Claims with Teva and Allergan. These settlements shall be the subject of separate agreements with Teva and Allergan. Attorneys representing Tribal Nations are eligible for Common Benefit consideration, provided such agreements with Teva and Allergan become effective under their terms. Such Attorneys must meet the eligibility criteria in subsection III.G.
4. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in subsection III.G shall be eligible.
5. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.
6. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) the Initial Participation in the Teva Agreement or the Allergan Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Teva Agreement, including the Teva Tribal Agreement, or the Allergan Agreement, including the Allergan Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Teva Agreement or Allergan Agreement or not. It is the intent of this provision to recognize that the goal of the Teva Agreement

and Allergan Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Teva Agreement or Allergan Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Teva Settlement and the Allergan Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any offsets provided to Teva or Allergan as set forth in subsection III.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

7. As set forth in subsection III.H, the Fee Panel must consider the factors described in paragraph III.E.6 to determine how and whether to reduce the amounts to be paid by Teva or Allergan under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Teva or Allergan in this Fee Agreement shall be applied against the last Payment Year for that defendant and working backwards. Any reduction to an Applicant not credited to Teva or Allergan shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.
8. The MDL PEC will seek, and the Attorneys General for Settling States, Teva, and Allergan, will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.
9. If Teva and Allergan agree to go forward with their respective Agreements under subsections [XI.A and X.A] of their respective Agreements, they shall pay the full Common Benefit (60%) Fee into the Common Benefit Fund without regard to the number of Settling States or Participating Subdivisions. Should Teva and/or Allergan pay a judgment to, or settle

with, a Non-Participating State or a Non-Participating Litigating Subdivision subsequent to the Reference Date, and such settlement or judgment results in a common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund, the following shall apply:

- a. Teva or Allergan shall be credited dollar-for-dollar for the amount paid for the fee assessment up to 7.5% of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G** that the Non-Participating State or Non-Participating Litigating Subdivision would have received if it had participated in the Settlement Agreement;
- b. Except as set forth below in subparagraph III.E.9.c, for any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G**, no credits shall be taken against Teva or Allergan's obligation to make payments into the Common Benefit Fund for that portion of the settlement or judgment in excess of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G**;
- c. For any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G** that the Later Litigating State or Later Litigating Subdivision would have received if it had participated in the Settlement Agreement, where the Later Litigating State or Later Litigating Subdivision is represented by any member of the MDL PEC or that member's law firm, Teva or Allergan shall be credited dollar-for-dollar for the full amount of the 7.5% common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund;
- d. If a credit is made to Allergan or Teva pursuant to subparagraph III.E.9.c., then that amount shall be calculated as a direct reduction to any common benefit fee award made under this Fee Agreement

to the MDL PEC firm(s) that represented the Later Litigating State or Later Litigating Subdivision;

- e. Any credits shall be taken first against Teva's or Allergan's payment to the Common Benefit Fund in Teva's or Allergan's respective final Payment Year as set forth in paragraph III.E.1 (for Teva Year 6; for Allergan Year 4), up to the full amount of Teva's or Allergan's final year payment obligation, then from the next-to-final Payment Year's payment obligation, and so on;
- f. Teva and Allergan shall not be entitled to any credits against the Common Benefit Fund for settlements or judgments paid after Teva's or Allergan's final fee Payment Year.

F. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

- 1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	\$ 18,486,335.17	\$ 16,311,542.21
Payment Year 2	\$ 18,486,335.17	\$ 16,311,542.21
Payment Year 3	\$ 22,086,335.17	\$ 18,711,542.21
Payment Year 4	\$ 22,086,335.17	\$ 18,711,542.21
Payment Year 5	\$ 22,086,335.17	\$ 0.00
Payment Year 6	\$ 22,086,335.17	\$ 0.00

- 2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection III.G.
 - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of subsection III.G.
 - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee

the fairness of the distribution process, and enforcement of this Fee Agreement.

- c. Under the terms of the Teva Agreement and Allergan Agreement Litigating Subdivisions must become a Participating Litigating Subdivision under both Agreements to be eligible to participate. Therefore, **Exhibit R** applies jointly to Teva and Allergan with the Attorneys' Fee Fund and MDL Cost Fund to include the combined payment from Teva and Allergan.
3. Teva and/or Allergan shall each be entitled to a pro-rata reduction to their own portion of the Contingency Fee Fund payment(s) in accordance with subsection III.F.4., unless, by the Payment Date for the Initial Year Payment, (i) 41 states are Settling States for Teva or 43 states are Settling States for Allergan, (ii) 98% of all Litigating Subdivisions are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, and, (iii) 97% of all Non-Litigating Subdivisions with Populations over 10,000 as listed in **Exhibit I** are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, in which case no offset shall be applied.
4. If the participation conditions in paragraph III.F.3 are not met, then the amounts owed by Teva and/or Allergan to the Contingency Fee Fund shall be reduced as follows:
 - a. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.
 - b. Following the calculation in subparagraph III.F.4.a., the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
5. In the event that after the date of the Settlement Agreement Teva, prior to the Effective Date of the Teva Agreement, or Allergan, prior to the Effective Date of the Allergan Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the defendant's Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating

Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Teva Agreement or the Allergan Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Teva or Allergan as if determined under (a)(ii) above, except that such credit shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement and credits apply equally over the Fee Payment Years.

6. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against Teva and Allergan, including by jointly seeking stays or severance of claims against Teva and Allergan, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph III.G.3, must be subject to the criteria set forth in subsection III.C, and must be disclosed to the Fee Panel.
2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or

future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
 - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
 - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
 - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.
 - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit order.

- e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.
 - f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Teva Agreement or Allergan Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
 - g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
 - h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Teva Agreement and the Allergan Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.
- 4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Participating Subdivision except Common Benefit Fees as described in paragraph III.E.2. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this paragraph.
 - 5. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
 - 6. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further

review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Teva and Allergan when it receives notification.
8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Teva Agreement or the Allergan Agreement, represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Teva or Allergan. Teva, Allergan, or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Allergan or Teva to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of

Released Claims set forth in the Teva Agreement or Allergan Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from Teva or Allergan as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph III.E.6; and (c) such other information as Teva or Allergan may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Teva and Allergan) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in subsection III.G of this Fee Agreement and the criteria set forth in paragraph III.E.2. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
 - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's

financial commitment to such Qualifying Representations. Claimed “time” will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

- b. The novelty, time, and complexity of the Qualifying Representations;
- c. The skill requisite to perform legal services properly and undesirability of the case;
- d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
- e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
- f. Any “common detriment,” as set forth in paragraph III.E.6.
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;

- l. Any pressure points successfully asserted by the Applicant in cases against Teva or Allergan or any risk for Teva or Allergan created by the Applicant in cases against them;
- m. Any risk for defendants created by Applicants in cases against Teva or Allergan;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- o. The date of filing of any cases filed by the Applicant;
- p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;
- q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Applicant's clients brought claims against Teva or Allergan;
- s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;
- u. Whether the Applicant's cases have survived motions to dismiss;
- v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
- w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Teva Agreement or Allergan Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and
- x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate common benefit fund to be administered by the Fee Panel, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Fee Panel may:
 - a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;
 - b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after November 14, 2022;
 - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
 - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
 - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:
 - a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
 - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

- d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
 - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - g. Notwithstanding “a-f” above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.
6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
- a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in subsection III.G.
 - b. Reduce, on an annual basis, Teva’s or Allergan’s payment obligations, as set forth in paragraph III.E.7. The Panel shall inform Teva or Allergan, and the MDL PEC of all such amounts and adjust payment obligations accordingly.
 - c. Using criteria set forth in subsections III.E and III.H, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph III.E.6 and shall allocate any reduction in the payments specified in paragraph III.E.7 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.
7. With respect to the Contingency Fee Fund, the Fee Panel shall:
- a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in subsection III.G.
 - b. Apply the Mathematical Model in Exhibit A to this Fee Agreement.

- c. Use such allocations to reduce on an annual basis the payment obligations of Teva or Allergan to the Attorney Fee Fund as set forth in paragraph III.F.4, and distributions therefrom, and inform Teva or Allergan and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Teva or Allergan is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. Miscellaneous.

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Teva and Allergan.
2. The MDL PEC shall provide to Teva and Allergan information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.
3. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or

materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

IV. Miscellaneous

- A. *Termination.* If the Teva Agreement or Allergan Agreement does not proceed past the Reference Date, whether because Teva and Allergan do not determine to proceed or for any other reason, this Fee Agreement shall be null and void, neither Teva nor Allergan shall have any obligation to make any payments under this Fee Agreement other than Fee Panel costs advanced, and Teva, Allergan, and the PEC shall take such steps as are necessary to restore the *status quo ante*.
- B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Teva Agreement and Allergan Agreement. This Fee Agreement shall also be submitted by Teva, Allergan, and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Agreements, as Exhibit B.
 - 1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Teva and Allergan under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph III.E.6, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Teva, Allergan, and the MDL PEC shall meet and confer concerning such changes.
 - 2. If Teva, Allergan, and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Teva and Allergan shall have no obligation to make any payments under this Fee Agreement, and Teva, Allergan, and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.
- C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Teva, Allergan, and the MDL PEC and (2) approval by the MDL Court.
- D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Teva and Allergan as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Teva or Allergan, including data and documents, depositions, expert

reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Agreement or provides the MDL Court with jurisdiction over the Teva Agreement or Allergan Agreement.

EXHIBIT S
Agreement on the State Outside Counsel Fee Fund for Manufacturer Settlements

1. Definitions.

- a. “Manufacturer” means any of Teva and Allergan, and “Manufacturers” means all of the foregoing.
- b. “Multistate Manufacturer Settlement Agreement” means This Settlement Agreement along with the separate settlement of opioids-related claims among 30 or more states and the other Manufacturer.
- c. “This Settlement Agreement” means the settlement agreement between the Settling States and the Manufacturer to which this Agreement is attached as an Exhibit.
- d. “Settling Manufacturer” means the Manufacturer that is a party to This Settlement Agreement.
- e. “Settling States” has the meaning given such term in the relevant Multistate Manufacturer Settlement Agreement.

2. Creation of a State Outside Counsel Manufacturers Fee Fund. The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys’ fees of Settling States which have retained outside counsel in connection with litigation against one or more Manufacturers (such fund, the “State Outside Counsel Manufacturers Fee Fund”).

3. State Outside Counsel Manufacturers Fee Fund Administration. The State Outside Counsel Manufacturers Fee Fund shall be administered separately from any other funds for the payment of attorney’s fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Manufacturers Fee Fund (the “Manufacturers Fee Fund Committee”). The Manufacturers Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Manufacturers. The Settlement Fund Administrator (the “Fee Fund Administrator”) shall administer the State Outside Counsel Manufacturers Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Manufacturers Fee Fund Committee.

4. State Outside Counsel Manufacturers Fee Eligibility.

- a. To receive any amount from the State Outside Counsel Manufacturers Fee Fund, both of the following must be true:
 - 1. an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Manufacturer in a state or federal court as of November 1, 2022; and
 - 2. the State must become a Settling State for each Multistate Manufacturer Settlement Agreement for which it is eligible.

- b. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Manufacturers Fee Fund and any “Additional Restitution Amount” as may be provided for in This Settlement Agreement.
- c. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Manufacturers Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Manufacturers Fee Fund Amount.** The Settling Manufacturer shall pay funds into the State Outside Counsel Manufacturers Fee Fund in an amount equal to, and on the schedule identified in, **Exhibit M** (the “Contribution”). The Settling Manufacturer’s Contribution shall be subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Manufacturers Fee Fund Availability and Calculation of Amount.**

- a. The State Outside Counsel Manufacturers Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the “Fee Schedule”).
- b. The Fee Schedule is intended to reflect the fee calculation in subparagraphs 6.c and d, below (the “Fee Calculation”). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the “Final Fee Schedule.”
- c. Except as provided in Paragraph d, below, fees shall be aggregated across the Multistate Manufacturer Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Manufacturer Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State’s outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State’s contract with its outside counsel assuming that fifty percent (50%) of the Settling State’s recovery is allocable to a Settling State (rather than allocable to the Settling State’s Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Manufacturers Fee Fund. The proportional share percentage will be the same for each Settling State

included in the State Outside Counsel Manufacturers Fee Fund. Except as set forth in Paragraph 6.c, fees shall be split proportionally among each Multistate Manufacturer Settlement Agreement, as set forth on the Fee Schedule.

- d. Notwithstanding the foregoing, fees for the State of Oklahoma, if it becomes a Settling State under the Multistate Manufacturer Settlement Agreement with Allergan, shall be limited to Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Allergan's Contribution. Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Teva's Contribution shall be reallocated proportionally among the other Settling States eligible to receive payments from the State Outside Counsel Manufacturer Fee Fund.
- e. All amounts paid will be less the following:
 - 1. Any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of \$50,000 for such administrative expenses of the Fee Fund Administrator, the remainder of which shall be disbursed proportionally to States receiving monies from the State Outside Counsel Manufacturers Fee Fund at the conclusion of such administration.

7. Payment by the Fee Fund Administrator.

- a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) both Multistate Manufacturer Settlement Agreements become effective or (2) when instructed by the Settling State Members of the Enforcement Committee.
- b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Manufacturers Fee Fund in the following scenarios ("Payment Scenarios"):
 - 1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Manufacturer Settlement Agreement.
 - 2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Manufacturers Fee Fund.
 - 3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Manufacturers Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

- c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.
- d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Manufacturers Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- e. Nothing herein, including the amounts listed in Paragraph 5 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Manufacturer bars payment of a higher fee to outside counsel.
- f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Manufacturer.

8. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Manufacturer to the State Outside Counsel Manufacturers Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

9. **Interpretation.**

a. This Agreement shall be an Exhibit to each Multistate Manufacturer Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.

b. It is the intent of all parties that the State Outside Counsel Manufacturers Fee Fund function in a similar manner, with similar calculations and mechanics, as the “State Outside Counsel Fee Fund” established in **Exhibit S** of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

EXHIBIT T
Agreement on the Joint State Cost Fund

1. **Definitions.**

- a. “Opioids Defendant” means Teva, Allergan, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and “Opioids Defendants” means all of the foregoing.
- b. “Multistate Settlement” means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.
- c. “Settlement Agreement” means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.
- d. “Settling Opioids Defendant” means the Opioids Defendant that is a party to the Settlement Agreement.
- e. “Settling States” has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the “State Cost Fund”). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar “State Cost Funds” created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the “Joint State Cost Fund.” To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states’ litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, **Exhibit M** (the “Settling Opioids Defendant’s Contribution”) for the purpose paying States’ costs and expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the “Joint State Cost Fund Committee”) shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

- a. The Joint State Cost Fund Committee may select an administrator (the “Joint State Cost Fund Administrator”), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.
- b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

- a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.
- b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:
 1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)
 2. Funds in any State Cost Fund shall be primarily used to reimburse

costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:
 - the reasonable costs of the Joint State Cost Fund Administrator;
 - repayment of National Association of Attorneys General grants made in connection with opioid investigations and litigation, without regard to when the grants were made;
 - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;
4. The Joint State Cost Fund shall seek to prioritize costs in the following order:
 - litigation-related costs; then
 - investigation-related costs; then
 - settlement and negotiation related costs; then
 - cost shares.
5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.
6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.
7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual

state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.
 9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.
 10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.
 11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).
- c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.
 - d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.
 - e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost

Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.

- f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

- a. to only submit costs allowable under this Joint State Cost Fund Agreement;
- b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;
- c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and
- d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

Any person or entity described in clauses (2)-(3) shall be a Released Entity solely in the capacity described in such clause. A list of all of the indirect parents, subsidiaries, affiliates and joint ventures released pursuant to clause (1) is attached as Exhibit J. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than 1% of the total population of all of that State’s Subdivisions listed in Exhibit G opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case.

Unless otherwise specified, “Subdivision” includes all functional counties and parishes and other functional levels of sub-entities of a State that provide general governance for a defined area. Historic, non-functioning sub-entities of a State (such as Connecticut counties) are not Subdivisions, unless the entity has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, parens patriae, or any other capacity. The Subdivision and Special District Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to subsection X.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3) that addresses allocation from the Subdivision Fund. II. Participation by States and Condition to Preliminary Agreement

- A.** *Notice to States.* On November 22, 2022, this Agreement shall be distributed to all Eligible States. The Eligible States’ Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. Eligible States will decide whether to become Settling States for both this Agreement and the Allergan Global Opioid Settlement Agreement, or decline participation in both settlements. If a State is only an Eligible State with respect to one of the Agreements, the State need only decide whether to become a Settling State with respect to the Agreement for which it is an Eligible State. States that determine to become Settling States shall so notify the Enforcement Committee and Teva within thirty (30) days after November 22, 2022, and shall further commit to obtaining any

necessary additional State releases prior to the Effective Date. This notice period for States may be extended by written agreement of Teva and the Enforcement Committee.

- B.** *Ineligible States.* Non-Settling States and Prior Settling States shall not be eligible for any payments or have any rights in connection with this Agreement, except for Subdivisions and Special Districts within Oklahoma as specified in Exhibit H.
- C.** *Condition to Preliminary Agreement.* Following the notice period to Eligible States set forth in subsection II.A above, Teva shall determine on or before the Preliminary Agreement Date whether, in its sole discretion enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section X below. The determination to proceed shall be in the sole discretion of Teva and may be based on any criteria or factors deemed relevant by Teva. If Teva determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Teva determines that this condition has not been satisfied, it will so notify the Settling States by providing notice to the Enforcement Committee, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void other than Teva's funding of Implementation Costs incurred to date. The Preliminary Agreement Date may be extended by written agreement of Teva and the Enforcement Committee.
- D.** *Later Joinder by States.* After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Teva, in its sole discretion. If a State becomes a Settling State more than thirty (30) days after the Preliminary Agreement Date, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts.

III. Cessation of Litigation Activities

- A.** Following the Preliminary Agreement Date, if Teva has determined to proceed with notice pursuant to subsection X.A, all Litigating States that intend to become Settling States and that are engaged in or have engaged in discovery and/or substantive motion practice ("Active Litigation") against a Released Entity shall make reasonable efforts to immediately cease litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Teva, where feasible, or to minimize litigation activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice. Teva shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Teva determines it is not going forward with the Agreement. This subsection III.A does not apply to Litigating States with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating States and Teva shall engage in good faith discussions regarding the potential cessation of litigation activity.
- B.** Following the execution of the Settlement Participation Form, attached as Exhibit K, indicating its intention to participate in the global settlement, a Litigating Subdivision

or Litigating Special District shall take reasonable steps to immediately cease all litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Teva, where feasible, or minimize litigation activity by means of an agreed upon temporary “stay” of litigation and/or deadline extensions or postponement of litigation activity including depositions, document productions, and motion practice, unless the Litigating Subdivision or Litigating Special District reasonably concludes that it would be prejudiced by doing so. Teva shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Teva determines it is not going forward with the settlement. This paragraph III.B does not apply to Litigating Subdivisions and Litigating Special Districts with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating Subdivisions and Litigating Special Districts and Teva shall engage in good faith discussions regarding the potential cessation of litigation activity.

- C. Following the Reference Date, the Settling States shall endeavor to file Consent Judgments (the contents of which must be agreed upon with Teva) within thirty (30) days of the Reference Date. Participating Subdivisions and Participating Special Districts, as applicable, shall request dismissal of their actions with prejudice within fourteen (14) days of the Reference Date. The Settling States, Participating Subdivisions, and Participating Special Districts shall use best efforts to get Consent Judgments or orders of dismissal with prejudice, as applicable, entered promptly after filing.

IV. Injunctive Relief

- A. *Entry of Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the Injunctive Relief Terms attached as Exhibit P.

V. Release

- A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasors’ Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors), and Participating Special District (for itself and its Releasors) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release Claims. The Release shall be a complete bar to any Released Claim.

B. *Claim Over and Non-Party Settlement.*

1. *Statement of Intent.* It is the intent of the Parties that:
 - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Agreement;
 - b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
 - c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and
 - d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties. Any amounts payable by Teva pursuant to this Agreement, including but not limited to the Net Abatement Amount and any attorneys' fees, shall not be reduced or otherwise affected by any obligation by Teva to pay any contractual indemnity or agreed-to contribution amount to Allergan.

The provisions of this subsection V.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. *Contribution/Indemnity Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.
3. *Non-Party Settlement.* To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Teva in subsection V.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim Over. However, and notwithstanding

the foregoing, this provision shall not preclude Allergan from seeking indemnification under its agreement with Teva. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. *Claim Over.* In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection V.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection V.B.3, and such Non-Released Entity asserts a Claim Over against a Released Entity, that Releasor and Teva shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by Teva:
 - a. Teva shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or sixty (60) days of the Effective Date of this Agreement, whichever is later;
 - b. Teva and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay more with respect to Covered Conduct than the amounts owed by Teva under this Agreement;
 - c. That Releasor and Teva shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Teva under this Agreement. Such steps may include, where permissible:
 - (i) Filing of motions to dismiss or such other appropriate motion by Teva or Released Entities, and supported by Releasors, in response to any Claim filed in litigation or arbitration;
 - (ii) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;
 - (iv) Return of monies paid by Teva to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

- (v) Payment of monies to Teva by that Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (vi) Credit to Teva under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and
 - (vii) Such other actions as that Releasor and Teva may devise to hold Teva harmless from the Claim Over.
 - d. The actions of that Releasor and Teva taken pursuant to paragraph (c) must, in combination, ensure Teva is not required to pay more with respect to Covered Conduct than the amounts owed by Teva under this Agreement.
 - e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Teva may seek review by the National Arbitration Panel, provided that, if the Parties agree, such dispute may be heard by the state Court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Teva shall have a Claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Teva harmless from the Claim Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Teva may have.
5. To the extent that the Claim Over is based on a contractual indemnity, the obligations under subsection V.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Teva shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.
- C. *General Release.* In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would

have materially affected his or her settlement with the debtor or released party.

A Releasor may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement, the Participating Subdivisions' decision to participate in the Agreement, or the Participating Special District's decision to participate in the Agreement.

- D.** *Res Judicata.* Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement, and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.
- E.** *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States, its Participating Subdivisions, and its Participating Special Districts expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) any of the respective Settling State's past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; (4) any Participating Subdivisions; and (5) any Participating Special District. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.
- F.** *Effectiveness.* The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.
- G.** *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

- H.** *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals, Claims for Medicaid rebates, Claims asserted, or that could be asserted, by any State or Subdivision, related to the causes of action in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, in the United States District court for the District of Pennsylvania, MDL No. 2724, and any related action (such excluded claims include, but are not limited to, all antitrust claims and any claims related to any non-opioid generic drugs), and any claims arising under the Agreement for enforcement of the Agreement.

VI. Monetary Relief Overview and Maximum Payments

- A.** Excluding Teva's share of Implementation Costs and Settlement Fund Administrator Costs, there are four main categories of monetary payments:

1. *Annual Payments to the Settlement Fund.* These payments are generally addressed in Section VII. The maximum amount Teva shall pay in Annual Payments to the Settlement Fund is the Net Abatement Amount of \$2,945,529,111.00, which reflects the application of the Prior Settlements Credit to the Global Settlement Abatement Amount. Annual Payments will be made over thirteen (13) years on the Payment Dates. The actual amount paid will depend on, among other things, the level of participation of Eligible States, their Subdivisions, and their Special Districts.
2. *Cash Conversion of Settlement Product.* These potential monetary payments are generally addressed in Section IX. The maximum monetary amount Teva shall pay for the cash conversion of Settlement Product is \$240,000,000.00. Payments for cash conversion of Settlement Product will be made over twelve (12) years on the Payment Dates. The actual amount paid will depend on, among other things, the level of participation of Eligible States and the number of Settling States opting for cash conversion.
3. *Additional Restitution Amount.* These payments are generally addressed in Section XIII. The maximum amount Teva shall pay for the Additional Restitution Amount is \$28,669,762.00. Payments for the Additional Restitution Amount will be made over six (6) years on the Payment Dates. The actual amount paid will depend on the number of Eligible States listed in Exhibit F-2 that become Settling States.
4. *Attorney Fee and Cost Payments.* These payments are generally addressed in Section XIV and Exhibits M, R, S and T. They consist of payments for the State Outside Counsel Fee Fund, the State Cost Fund, and the Attorney Fee and Cost Fund. These payments will be made over six (6) years on the Payment Dates. The maximum amount Teva shall pay into these funds is the Global Settlement Attorney Fee Amount of \$366,335,847.76.

- B.** The aggregate maximum amount Teva shall pay for these for these payment categories is \$3,580,534,720.76. This figure does not include costs related to injunctive relief and

document disclosure addressed in Exhibits P and V, Implementation Costs and Settlement Fund Administrator Costs addressed in this Agreement, or WAC value of Settlement Product.

- C. *Settlement Fund Administrator and Implementation Costs.* If this Agreement becomes effective, Teva shall be responsible for one-third of the Implementation Costs. The full amount of the Implementation Costs shall be jointly advanced by Teva and Allergan. If this Agreement becomes effective, then Teva shall deduct from Teva's Initial Year Payment the difference between the excess amount it advanced for Implementation Costs and its one-third obligation for such costs. Settlement Fund Administrator Costs shall be paid out of interest accrued on the Settlement Fund. Should such interest prove insufficient to fully cover the costs, the remaining cost amounts shall be paid one-third by Teva, one-third by Allergan and one-third from the Settlement Fund through the disbursement of Teva's final Annual Payment.

VII. Annual Payments to Settlement Fund

A. Structure of Payments to Settlement Fund

1. All payments under this Section VII shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VIII.
2. Teva shall pay into the Settlement Fund the Net Abatement Amount consisting of \$2,945,529,111.00 minus: (1) any offsets specified in subsection VII.C below; (2) any unearned Incentive Payments under subsection VII.E below; and (3) any adjustments under Section XII below.
3. The payments to the Settlement Fund shall be divided into Base Payments and Incentive Payments as provided in subsections VII.D and VII.E below and set out in Exhibit M-1.

B. Settlement Fund Payment Process

1. Except as otherwise provided in this Agreement, Teva shall make one Initial Year Payment (the first Annual Payment) and twelve (12) additional Annual Payments of equal installments of the Net Abatement Amount (after all applicable offsets) into the Settlement Fund. The Settlement Payment Schedule is set forth in Exhibit M. Annual Payments shall be made on the Payment Date, provided that the necessary wire instructions and W-9 form for the Settlement Fund are provided to Teva at least twenty-one (21) days before the relevant payment is due. If there is a delay in making a payment because wire instructions and/or a W-9 form were not provided at least twenty-one (21) days in advance of the Payment Date, then the Annual Payment will be made within twenty-one (21) days of both the wire instructions and W-9 form being provided.
2. The Initial Year Payment shall consist of only Base Payments (after all applicable offsets). The other twelve (12) Annual Payments shall each consist of Base

Payments (after all applicable offsets) and Incentive Payments (after all applicable offsets). The amount of the Initial Year Payment and each other Annual Payment, payable by Teva shall not exceed the maximum amounts allocated to each Payment Year in Exhibit M.

3. To determine each Annual Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data in its records sixty (60) days prior to the Payment Date for each payment. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to Settling States and Exhibit G Participants consistent with the terms of this Agreement as quickly as practical.
4. The Settlement Fund Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:
 - a. determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the State is entitled by applying the criteria in this Section;
 - b. applying any reductions or offsets required by Sections VII and XII; and
 - c. determining the total amount owed by Teva to all Settling States and Exhibit G Participants.
5. If, no later than fifty (50) days prior to the Payment Date for each payment for Payment Year 2 forward, Teva and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State, Teva shall pay the agreed-upon Annual Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in subsection VII.B.4. If the Settlement Fund Administrator is not so informed, it shall give notice to Teva, the Settling States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, following the determination described in subsection VII.B.4, and the following timeline shall apply:
 - a. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, Teva, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Payment, or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Teva identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

- b. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Teva identifying the basis for disagreement with the notice of dispute.
 - c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Teva shall pay the adjusted amount as the Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Teva of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M.
 - d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Teva into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Exhibit G Participants.
6. If a Settling State informs the Settlement Fund Administrator that it and its Exhibit G Participants have reached consensus on the amount of its Statewide Payment Amount, determined pursuant to subsections VII.B.3 or VII.B.4, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Exhibit G Participants, the Settlement Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State. For a Settling States that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section VII, among the separate types of funds for the Settling State (if applicable), and among its Exhibit G Participants using the following procedures:
- a. As soon as possible for each payment and following the determination described in subsections VII.B.3 and VII.B.4, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Exhibit G Participants of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Exhibit G Participants.
 - b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Exhibit G Participant may dispute, in

writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

- c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.
 - d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.
 - e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Exhibit G Participants.
- 7. Disputes described in this subsection (other than those for which no response is filed under subsections VII.B.5.c or VII.B.6.d) shall be resolved in accordance with the terms of Section XV.
 - 8. The Settlement Fund Administrator may combine the disbursements of Annual Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.
 - 9. For the avoidance of doubt, Subdivisions and Special Districts not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

C. Offsets to Annual Payments to the Settlement Fund for Non-Settling States

- 1. An offset equal to the Net Abatement Amount of \$2,945,529,111.00 times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by Teva to the Settlement Fund.
- 2. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the Annual Payments specified in Exhibit M are reduced by the aggregate State Allocation Percentage of Non-Settling States as set forth in Exhibit F-2.

D. Base Payments

1. Teva shall make Base Payments into the Settlement Fund in an amount equal to 45% of the Net Abatement Amount of \$2,945,529,111.00 minus any offsets for Non-Settling States specified in subsection VII.C.1. The maximum total for Base Payments is \$1,325,488,100.00. The Base Payments will be paid in accordance with the Settlement Payment Schedule specified by Exhibit M-1, subject to potential offsets for Non-Settling States as provided in subsection VII.C.1.
2. The Base Payments will be allocated by Settling State proportionate to each Settling State's State Allocation Percentage in Exhibit F-2, adjusted for any Non-Settling State.

E. Incentive Abatement Payments

1. Teva shall make potential Incentive Payments totaling up to a maximum of 55% of the Net Abatement Amount of \$2,945,529,111.00 for all Settling States with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is \$1,620,041,011.00.
2. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in subsection VII.E.1 times the Settling State's State Allocation Percentage specified in Exhibit F-2. Incentive Payments are state-specific, with each Settling State receiving an Incentive Payment based on the incentives for which it is eligible for that year under the criteria set forth below and any offset specified in Section XII.
3. The Incentive Payments shall be divided among four (4) categories, referred to as Incentives A–D. Incentives A–C will be due in installments over the twelve (12) Payment Years beginning with Payment Year 2, and Incentive D will be due in installments over ten (10) years beginning with Payment Year 4, as shown on Exhibit M-1. The total amount of Incentive Payments in an Annual Payment shall be the sum of the Incentive Payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The Incentive Payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.
4. The maximum amount available for Incentive Payments, \$1,620,041,011.00, is divided into two pools. The maximum amount of Incentive Payments for Incentives A-C shall be \$1,413,853,973.00, which is 48% of the maximum Net Abatement Amount. A Settling State may be eligible for its full allocable share of this payment by either achieving Incentive A or by fully earning both Incentives B and C. The maximum amount of Incentive Payments for Incentive D shall be \$206,187,038.00, which is 7% of the maximum Net Abatement Amount. (These figures represent maximum payments prior to being adjusted for any offsets and assumes every State is a Settling State and will satisfy the requirements specified below to earn its maximum incentive amount. The Incentive Payments will be paid in accordance

with the payment schedule in Exhibit M-1, subject to potential deductions as provided herein.) A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. Settling States may qualify for Incentive Payments in four ways. If a Settling State qualifies for Incentive A, it will become entitled to receive the maximum payment allocable to the State for Incentives A-C as stated in subsection VII.E.5. If a Settling State does not qualify for Incentive A, it can alternatively qualify for Incentive B and/or Incentive C. A Settling State can qualify for Incentive D regardless of whether it qualifies for another Incentive Payment.

5. *Incentive A: Full Participation or Fully Released Claims of Litigating Subdivisions, Litigating Special Districts, Non-Litigating Subdivisions with Population Greater Than 10,000, and Non-Litigating Covered Special Districts.*
 - a. A Settling State's total potential Incentive A payment allocation is \$1,413,853,973.00 times the percentage allocation assigned that Settling State in Exhibit F-2.
 - b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section V above from all Litigating Subdivisions, Litigating Special Districts, and Subdivisions with a population of 10,000 or more, and Non-Litigating Covered Special Districts; (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District Claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a "Litigating Subdivision" or "Litigating Special District" if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered "Non-Litigating." For purposes of Incentive A, Non-Litigating Covered Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.
 - c. If a Settling State qualifies for Incentive A after receiving an Incentive Payment under Incentives B or C, described below, the Settling State's payments under Incentive A will equal the remainder of its total potential Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its total potential Incentive A payment allocation shall not receive additional Incentive Payments under Incentives B or C.
 - d. A Settling State that is not eligible for Incentive A as of two (2) years after the Effective Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.

6. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*
- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.
 - b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population are either Participating Subdivisions, Participating Special Districts, or have their claims resolved through Case-Specific Resolutions.
 - (i) A Settling State's litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State's litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.
 - (ii) For example, if School District A is a Litigating Special District in City B with a population of 1, City B is itself a Litigating Subdivision with a population of 8, and City B is located within County C, and County C is a Litigating Subdivision with a population 10, then each of their individual populations shall be added together (i.e., 1 + 8 +10) to determine the total litigating population (i.e., 19).
 - c. The following time periods apply to Incentive B payments:
 - (i) Period 1: Zero to two hundred ten (210) days after the Effective Date.
 - (ii) Period 2: Two hundred eleven (211) days to one year after the Effective Date.
 - (iii) Period 3: One year and one day to two years after the Effective Date.
 - d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State's litigating population are Participating Subdivisions or Participating Special Districts, or have their Claims resolved through Case-Specific Resolutions during Period 1, then a sliding scale will determine the share of the funds available under Incentive B, with a maximum of 60% of the Settling State's total potential Incentive Payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State's litigating population become

Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

Participation or Case-Specific Resolution Levels (As percentage of litigating population)	Incentive B Award (As percentage of total amount available to Settling State for Incentive B)
75%	50%
76%	52%
77%	54%
78%	56%
79%	58%
80%	60%
85%	70%
90%	80%
95%	90%
100%	100%

- e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1 but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.
- f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.
- g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and/or Litigating Special Districts (or Case-Specific Resolutions of their Claims) during Periods 2 and/or 3. Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased

litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.

- h. The percentage of the available Incentive B amount for which a Settling State is eligible by the end of Period 3 shall cap its eligibility for that Payment Year and all subsequent Payment Years. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or Participating Special Districts, or achieved Case-Specific Resolution status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.
- i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.
- j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. Calculations to increase Incentive Payments in later periods based on additional joinder shall not reduce any amount already vested at the end of a prior period.

7. *Incentive C: Participation or Release of Claims by Primary Subdivisions*

- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.
- b. Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) collectively representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.
 - (i) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). A Settling State's Primary Subdivision population shall include all Primary Subdivisions whose populations overlap in whole or in part with other Primary Subdivisions, for instance in the case of a Primary Subdivision that is a city contained within a Primary Subdivision that is a county. Because Primary Subdivisions include Subdivisions whose populations overlap in whole or in part with other Subdivisions, the Settling State's Primary Subdivision population may be greater than the Settling State's total population. (Special Districts are not relevant for purposes of Incentive C calculations.)

- (ii) For example, if City A is a Primary Subdivision with a population of 1 within County B, and County B is a Primary Subdivision with a population of 10, then each of their individual populations shall be added together (i.e., 1+10) to determine the total Primary Subdivision population (i.e., 11).

- c. A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

Participation or Case-Specific Resolution Levels (As percentage of total Primary Subdivision population)	Incentive C, Part 1 Award (As percentage of total amount available to Settling State for Incentive C, Part 1)
60%	40%
70%	45%
80%	50%
85%	55%
90%	60%
91%	65%
92%	70%
93%	80%
94%	90%
95%	100%

- d. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the Settling State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.
- e. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the Effective Date, the Settlement Fund Administrator will conduct a lookback to assess which Subdivisions had agreed to participate or had their Claim

resolved through a Case-Specific Resolution that year. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year. The percentage of the available Incentive C amount, for both Part 1 and Part 2, for which a Settling State is eligible three years after the Effective Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

8. *Incentive D: No Qualifying Lawsuits Surviving Threshold Motions at Two Look-Back Dates.*
 - a. A Settling State's total potential Incentive D payment allocation is \$206,187,038.00 times the percentage allocation assigned that Settling State in Exhibit F-2.
 - b. If, at any time within five and one-half (5.5) years of the Preliminary Agreement Date, any Subdivision or Special District within a Settling State files litigation pursuing Released Claims against any Released Entity (a "Qualifying Lawsuit"), then Teva shall, within thirty (30) days of Teva or any Released Entity being served or otherwise informed of the prosecution of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Teva under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Teva shall confer and use reasonable efforts to promptly resolve a Qualifying Lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a Qualifying Lawsuit.
 - c. Part 1: Under Incentive D, Part 1, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at two years after the Effective Date (the "*First Look-Back Date*"), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.
 - (i) After the First Look-Back Date, a Settling State can become re-eligible for Incentive Payment D, Part 1 if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall become eligible for Incentive Payment D less any litigation fees and cost incurred by the Released Entity in the interim, except that if the dismissal motion occurs after the

completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

- d. Part 2: Under Incentive D, Part 2, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at five and one-half (5.5) years after the Preliminary Agreement Date (the “*Second Look-Back Date*”), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.

VIII. Allocation and Use of Settlement Funds

- A.** *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section VI into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Teva.
- B.** *Use of Settlement Payments.* It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Exhibit G Participants be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VIII.C. In no event may less than 85% of Teva’s payments pursuant to subsection VI.A.1–4 over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.
- C.** While disfavored by the Parties, a Settling State or Exhibit G Participant may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or Exhibit G Participant uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Exhibit G Participant shall identify such amounts and report to the Settlement Fund Administrator and Teva how such funds were used, including if used to pay attorneys’ fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement. It is the intent of the Parties that the reporting under this subsection VIII.C shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VIII.C as used to pay attorneys’ fees, investigation costs, or litigation costs shall be included in the “Compensatory Restitution Amount” for purposes of subsection VIII.G and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.
- D.** *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The

Settlement Fund Administrator will then, for each Settling State and its Exhibit G Participants, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under subsection VII.D among the Settling States in proportion to their respective State Allocation Percentages. Base Payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under subsection VII.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection VII.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.
3. Application of Adjustments. If any offset under Section XII applies with respect to a Settling State, the offset shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.
4. Settlement Fund Administrator. Prior to the Initial Participation Date, Teva and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.

E. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under subsections VIII.E.1–2, then the default provisions of subsection VIII.E.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VIII.E.1–2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after July 26, 2022 shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a

required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Teva and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VIII.E.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VIII.E only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.
3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. An Exhibit G Participant may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.
4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VIII.E.1–2 do not apply, and subject to any voluntary redistribution pursuant to subsection VIII.E.3, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VII.D shall be distributed as follows:
 - a. Amounts apportioned to that State's State Fund shall be distributed to that State.
 - b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VIII.F. Each Settling State shall

submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust, then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.

- c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection X.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.
 - d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VIII.E.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.
5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section X, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection X.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VIII.E.1 or by an Allocation Statute or a Statutory Trust described in subsection VIII.E.2.

F. *Provisions Regarding Abatement Accounts Fund.*

- 1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsections VIII.E.1 or VIII.E.2 as applicable, and all direct payments to Subdivisions comply with subsections X.E–H.
- 2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely

for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

- (i) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VIII.F.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.
- (ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.
- (iii) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.

- b. *Subdivision Block Grants.* Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, Bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each

Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.

- c. *Small States.* Notwithstanding the provisions of subsection VIII.F.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VIII.F.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VIII.F.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the State is a region.
- d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:
 - (i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
 - (ii) Composition that includes at least an equal number of local representatives as state representatives;
 - (iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and
 - (iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

- 3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

G. *Nature of Payment.* Teva, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

- 1. Teva has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts;
3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts; and (b) the portion of the Compensatory Restitution Amount received by each Settling State, Participating Subdivision or Participating Special Districts is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State, Participating Subdivision or Participating Special Districts;
4. The payment of the Compensatory Restitution Amount by Teva constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Teva;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States, Participating Subdivisions and Participating Special Districts to the same position or condition that they would be in had the Settling States, Participating Subdivisions and Participating Special Districts not suffered the Alleged Harms;
6. No portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation. The entire Compensatory Restitution Amount is properly characterized as described in subsection VIII.G. No portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and
7. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution, including the provision of Settlement Product set out in Section IX below. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Teva.

IX. Settlement Product

- A.** The Settlement Product is Naloxone Hydrochloride Nasal Spray (generic Narcan®), a medication that counteracts the life-threatening effects of opioid overdose and significantly reduces opioid-overdose mortality.
- B.** For the purposes of this Agreement, Teva has agreed to provide the Settling States Settlement Product valued at \$1,200,000,000, which equals 9,600,000 kits of Settlement Product, valued at a fixed WAC of \$125 per kit, allocated in accordance with the allocation percentage as reflected in Exhibit D-1. Teva shall cover the cost of the Settlement Product distribution set forth in this Agreement. For the avoidance of doubt, Participating Subdivisions and Participating Special Districts are not eligible to make a Settlement Product election pursuant to this Agreement.
- C.** Consistent with the Settlement Product Election Form contained in Exhibit D, each Settling State shall have the discretion to convert any portion of the Settlement Product allocated to the Settling State into a cash value equaling twenty percent (20%) of the WAC value of the Settling State's allocated Settlement Product in the following years: 2023, 2025, 2027, 2029, and 2031. The State's election shall apply and remain in place for each following year until the next election date.
- D.** Within thirty (30) days of the Effective Date, each Settling State shall notify Teva and the Settlement Fund Administrator of its Settlement Product election by submitting the Settlement Product Election Form reflected in Exhibit D.
- E.** Settling States that do not make a Settlement Product Election within 30 days of the Effective Date shall be deemed to have elected to receive the full Settlement Product Cash Conversion Amount for the first two-year period, allocated in accordance with the State Allocation Percentage as reflected in Exhibit D-1. Commencing within thirty (30) days of the Effective Date, the Settling States that have submitted a Settlement Product Election Form may place periodic orders for Settlement Product consistent with Section IX and Exhibit D.
- F.** By or before January 1, 2025, 2027, 2029 and 2031, each Settling State may submit a new or updated Settlement Product Election Form, which will be effective beginning with the Forecast submitted on the same date for the following calendar year. Settling States that do not submit a new or updated Settlement Product Election Form will be deemed to have made no changes to their most recent Settlement Product Election Form.
- G.** As is reflected in Exhibit D and the Settlement Product Election Form contained therein, Settling States may elect to convert all or a percentage of their allocation of Settlement Product into a Settlement Product Cash Conversion Amount, in the manner and method described in Exhibit D.
- H.** Teva will make Settlement Product Cash Conversion Amount payments to Settling States that have elected to receive a full or partial Settlement Product Cash Conversion beginning with its second Annual Payment in accordance with the Settlement Payment Schedule as set forth in Exhibit M-2.

- I.** The Parties understand that the provision of Settlement Product constitutes compensatory restitution within the meaning of 26 U.S.C. § 162(f)(2)(A) and that the receipt of Settlement Product must be reported on IRS Form 1098-F consistent with subsection VIII.G.7 above.
- J.** In addition to offering Naloxone Hydrochloride Nasal Spray per this Section IX and Exhibit D, Teva, at its sole discretion, may also offer Settling States different versions or greater amounts of Settlement Product or different products that can be accepted by the Settling State in lieu of its full allotment of the Settlement Product or Settlement Product Cash Conversion Amount. Distribution and other terms related to such substitute product shall be set out in Teva's offer. Nothing in this subsection IX.J changes the terms of this Agreement regarding the provision of Settlement Product or the calculation or availability of the Settlement Product Cash Conversion Amount. With regard to the annual product delivery schedule, to the extent that the Settling State's needs for each drug varies from year to year, such that the Settling State needs a reasonably lesser quantity one year to be offset by a reasonably greater quantity the next year, Teva will use reasonable commercial efforts to be flexible in meeting that variation in demand.
- K.** In the event of a Force Majeure Event, Teva shall promptly provide written notice to the Settling States. Teva and the States shall meet and confer within seven (7) days of such written notice to establish a commercially reasonable plan to resolve any inability to supply as quickly as reasonably possible, it being understood that, unless otherwise agreed to by the Parties, it is Teva's obligation to use reasonable efforts which are consistent with accepted industry practices to resume performance as soon as practicable under the circumstances.

X. Participation by Subdivisions and Special Districts

- A.** *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Teva, shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions and Special Districts in the Settling State that are (1) Litigating Subdivisions or Litigating Special Districts, or (2) Non-Litigating Subdivisions listed in Exhibit G.³ To the extent a Non-Litigating Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Teva's share of costs of the written notice shall be paid by Teva as part of the Implementation Costs. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions, Litigating Special

³ Because Teva has settled with Oklahoma, but not with Oklahoma Subdivisions and Special Districts, Teva shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Oklahoma Subdivisions and Special Districts. For purposes of this Section X, references to a "Subdivision in a Settling State" or "Special District in a Settling State" shall include Subdivisions and Special Districts in Oklahoma.

Districts, and known counsel for Non-Litigating Subdivisions listed on Exhibit G and Non-Litigating Special Districts listed on Exhibit G. The notice will include that the deadline for becoming an Initial Participating Subdivision or Initial Participating Special District is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions or Special Districts about becoming a Participating Subdivision or Participating Special District, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

- B.** *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Subdivision submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither.
- C.** *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection X.B for Non-Litigating Subdivisions, commits it to promptly dismiss its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Subdivision or Later Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- D.** *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections X.B or X.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Implementation Administrator until Teva provides the notice in subsection XI.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective. If Teva determines not to proceed, all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not

represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.
2. A Later Participating Subdivision that becomes a Participating Subdivision after Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Subdivision (unless the Later Participating Subdivision is subject to subsections X.E.3 or X.E.4 below). A Later Participating Subdivision that becomes a Participating Subdivision after June 15, 2023 shall receive no share of the Initial Year Payment.
3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payments or Incentive Payments.
4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions or Later Participating Special Districts shall not increase the payments due from Teva.

G. *Ineligible Subdivisions and Special Districts.* Except for Subdivisions and Special Districts in Oklahoma, prior Settling Subdivisions, and Subdivisions and Special Districts in Non-Settling States or Prior Settling States are not eligible to be Participating Subdivisions or Participating Special Districts.

- H.** *Non-Participating Subdivisions and Non-Participating Special Districts.* Non-Participating Subdivisions and Non-Participating Special Districts shall not directly receive any portion of any Base Payments or Incentive Payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions and Non-Participating Special Districts.
- I.** *Unpaid Allocations to Later Participating and Non-Participating Subdivisions.* Any Base Payments and Incentive Payments allocated pursuant to subsection VIII.E to a Later Participating or Non-Participating Subdivision or a Later Participating or Non-Participating Special District that cannot be paid pursuant to Section X, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.
- J.** *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts.* A Non-Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Special District agrees to the terms of this Agreement pertaining to Special Districts, (2) that the Special District releases all Released Claims against all Released Entities, (3) that the Special District agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Special District submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither.
- K.** *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection X.J for Non-Litigating Special Districts, commits it to promptly dismiss its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Special District or a Later Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Allergan Global Opioid Settlement Agreement, or neither. Except for trials begun before the Initial Participation Date, a Litigating Special District or a Later Litigating Special District may not become a Participating Special District after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- L.** *Initial Participating Special Districts.* A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special

District set forth in subsections X.J or X.K by the Initial Participation Date. Provided however, all Special District Settlement Participation Forms shall be held by the Implementation Administrator until Teva provides the notice in subsection XI.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.

M. *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. or any agreement reached by the applicable Settling State with Initial Participating Special Districts. The following provisions govern what a Later Participating Special District can receive (but do not apply to Initial Participating Special Districts):

1. Except for the Initial Year Payment, a Later Participating Special District shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Special District.
2. A Later Participating Special District that becomes a Participating Special District after Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Special District (unless the Later Participating Special District is subject to subsections X.M.3 or X.M.4 below). A Later Participating Special District that becomes a Participating Special District after June 15, 2023 shall receive no share of the Initial Year Payment.
3. A Later Participating Special District that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Special District (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District prior to such judgment; *provided, however*, that if the Special District appeals the judgment and the judgment is affirmed with finality before the Special District becomes a Participating Special District, the Special District shall not receive any share of any Base Payments or Incentive Payments.
4. A Later Participating Special District that becomes a Participating Special District while a Bar or Case-Specific Resolution involving a different Special District exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District without such Bar or Case-Specific Resolution.

XI. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed With Settlement.* Teva will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Litigating

Subdivisions and Litigating Special Districts in the Settling States (through participation under Section X, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Teva, in good faith, and may be based on any criteria or factors deemed relevant by Teva.

- B.** *Notice by Teva.* On or before the Reference Date, Teva shall inform the Settling States and MDL Plaintiffs' Executive Committee of its determination pursuant to subsection XI.A. If Teva determines to proceed, the Parties will proceed to file the Consent Judgments. If Teva determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions and Special Districts) and other commitments or obligations contained herein will be void and Settlement Participation Forms shall be returned to the Subdivision or Special District or destroyed to the extent not prohibited by then existing legal obligations or document holds.

XII. Potential Payment Adjustments

- A.** *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply: If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Teva shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G.
- B.** *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*
1. If Teva made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Teva shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State and its Exhibit G Participants. This offset will be calculated as the dollar amount difference between (1) the total amount of Incentive Payments paid by Teva during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Teva during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of Incentive Payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision or Special District that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision or Participating Special District (in addition to all other Participating Subdivisions and Participating Special Districts) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for one or both parts of Incentive D, the Settling State and its

Exhibit G participants shall return to Teva all relevant payments made under Incentive D through offsets as set forth above.

2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Teva's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any Incentive Payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

XIII. Additional Restitution Amount

Additional Restitution Amount. Teva shall pay an Additional Restitution Amount to each Settling State listed in Exhibit N in the amount and on the schedule set forth in Exhibit M-3. The maximum Additional Restitution Amount of \$28,669,762.00 shall be reduced by the allocation set forth on Exhibit F-2 for any Non-Settling States listed on Exhibit N. The Settlement Fund Administrator shall allocate such funds among and within the Settling States listed in Exhibit N at the same time as its allocation of Annual Payments pursuant to subsection VII.B.

Additional Restitution Amount funds shall not be subject to allocation as provided in Sections VIII.D through VIII.F

XIV. Plaintiffs' Attorneys' Fees and Costs

Attorneys' fees and costs are addressed in the following exhibits and are incorporated herein by reference:

1. The State Outside Counsel Fee Fund is addressed in Exhibit T.
2. The State Cost Fund is addressed in Exhibit S.
3. The Attorney Fee and Cost Fund is addressed and the Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R.

XV. Enforcement and Dispute Resolution

- A. *Enforceability.* The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Teva. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Teva with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VII; *provided, however*, that each Settling State shall allow

Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.

B. *Consent to Jurisdiction and Service of Process.* Teva consents to the jurisdiction of the Court in which the Consent Judgment is filed, and any appellate court thereof, limited to resolution of disputes identified in subsection XV.G.2; for a civil action for any appropriate relief to enforce compliance with the Parties' Agreement for Injunctive Relief pursuant to Exhibit P, subsection K.5 herein; and for any proceedings for or related to the enforcement or collection of any payments on the Consent Judgment for resolution in the Court in which the Consent Judgment is filed. Teva further agrees any service of process or notice required for such action or proceeding may be effectuated on Teva through delivery of all required papers by hand or by a nationally recognized private courier on Teva's representatives identified in subsection XVI.P herein. To be clear, for the purposes of this Agreement only, Teva consents to personal jurisdiction before such courts, and will not contend service must be effectuated through personal service of the Hague Convention process.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms in Exhibit P shall be resolved as provided therein and pursuant to subsection XV.E.3 herein.
2. In the event Teva believes the 85% threshold established in subsection VIII.B is not being satisfied, any Party may request that Teva and the Enforcement Committee meet and confer regarding the use of funds under subsection VIII.B. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VIII.B shall: (i) be limited to Teva seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 85% threshold established in subsection VIII.B; (ii) only reduce Annual Payments to those Settling States and its Participating Subdivisions that are below the 85% threshold established in subsection VIII.B; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VIII.F.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.
3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Enforcement Committee Actions to Enforce Agreement.*

1. The Parties agree that in the event of any failure by Teva to make any required payments under this Agreement, the Enforcement Committee, on its own or through its designee such as a Settling State or Participating Subdivision acting by its authorization and on its behalf, shall have the ability and right to file an action or proceeding in any New York state court, or federal court of the United States of America, sitting in New York, for or related to the enforcement or collection of such payments.
2. If any National Dispute involving a Settling State, Participating Subdivision, and/or Teva is pending before a National Arbitration Panel concerning a given year's payment to all Settling States, any action or proceeding pursuant to this subsection XV.E shall be stayed as to any disputed amounts only, but may proceed as to any and all undisputed amounts. In the event there is a dispute between the Parties as to the disputed amounts at issue, the Enforcement Committee or any party to that dispute may seek an expedited determination from the National Arbitration Panel for that proceeding as to the disputed and undisputed amounts.
3. The Parties further agree that in the event of Teva's breach of the Parties' Agreement for Injunctive Relief (Exhibit P attached hereto), the Enforcement Committee, on its own or through its designee such as a Settling State or Participating Subdivision acting by its authorization and on its behalf, shall have the ability and right to file a civil action pursuant to Exhibit P, subsection K.5, in any New York state court, or federal court of the United States of America, sitting in New York, seeking any appropriate relief to enforce compliance with such Agreement for Injunctive Relief.
4. Teva consents to the jurisdiction of the New York state court, or federal court of the United States of America, sitting in New York, and any appellate court from any thereof, in which any action or proceeding is initiated pursuant to this subsection XV.E, and for enforcement or collection of any related judgment entered by such court. Teva further agrees any service of process or notice required for such action or proceeding, including for any action or proceeding for enforcement or collection of any judgment entered thereon, may be effectuated on Teva through delivery of all required papers by hand or by a nationally recognized private courier on Teva's representatives identified in subsection XVI.P herein. For the purposes

of this Agreement only, Teva consents to personal jurisdiction before such courts and will not contend service must be effectuated through personal service or the Hague Convention process.

5. The enforcement rights under this subsection XV.E are in addition to, and not in lieu of, any other enforcement and collection rights of the Parties herein, including but not limited to enforcement rights as to payments as allowed by subsection XV.A.

F. *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XV.G.4.a.iv to seek resolution of any failure by Teva to make its required Base Payments and/or Incentive Payments in a Payment Year.

G. *Other Dispute Resolution Terms.*

1. Except as provided in subsection XV.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this subsection XV.G to resolve the dispute.
2. Except as provided in subsections XV.C and XV.G.4, disputes not resolved informally shall be resolved in either the Court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:
 - a. disputes concerning whether expenditures qualify for Opioid Remediation;
 - b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XV.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;
 - c. whether this Agreement and relevant Consent Judgment are binding under state law;
 - d. the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release Claims;
 - e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and
 - f. all other disputes not specifically identified in subsections XV.C and XV.G.4.

3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.
4. National Disputes involving a Settling State, Participating Subdivision, and/or Teva shall be resolved by a National Arbitration Panel.
 - a. "*National Disputes*" are disputes that are exceptions to subsection XV.G.2's presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State's law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:
 - (i) the amount of offset and/or credit attributable to Non-Settling States;
 - (ii) issues involving the scope and definition of "Product";
 - (iii) interpretation and application of the terms "Covered Conduct" and "Released Entities";
 - (iv) disputes over a given year's Annual Payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Teva over the amounts owed to only that State shall not be considered National Disputes);
 - (v) questions regarding the performance and/or removal of the Settlement Fund Administrator;
 - (vi) disputes involving liability of successor entities;
 - (vii) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D,;
 - (viii) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and
 - (ix) any dispute subject to resolution under subsection XV.G.2 but for which all parties to the dispute agree to arbitration before the

National Arbitration Panel under the provisions of this subsection XV.G.4.

- b. The “*National Arbitration Panel*” shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Teva, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.
 - (i) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.
 - (ii) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.
 - (iii) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party’s request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.
 - (iv) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Teva on a state law issue.
 - (v) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Teva, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Teva whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.
- c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

- d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XV.G. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Teva and Settling States/Participating Subdivisions shall be split 50% by Teva and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.
 - 5. Prior to initiating an action to enforce pursuant to this subsection XV.G, the complaining party must:
 - a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.
 - b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.
 - 6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XV.G.2 or XV.G.4, a committee comprising the Enforcement Committee and sufficient representatives of Teva such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.
- H.** *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Teva reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

XVI. Miscellaneous

- A.** *No Admission.* Teva does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an

admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Teva.

- B.** *Population of Subdivisions.* The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.
- C.** *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used, other than the use of "Covered Special District": (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at 25% of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at 10% of the population served.
- D.** *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.
- E.** *Most-Favored-Nation Provision.*

 - 1. If Teva enters into any settlement agreement with any Non-Settling State after November 23, 2022 that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State on a net present value basis (calculated with a 7% discount rate) on overall payment terms the Non-Settling State would have received under this Agreement based on the same level of participation, then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XVI.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that the Settling State(s) may obtain, with respect to Teva, overall payment terms at least as favorable as those obtained by such Non-Settling State. "*Overall payment terms*" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.
 - 2. For any settlement with a Non-Settling State involving Released Claims, Teva shall provide the Enforcement Committee with a copy of the settlement agreement or relevant Consent Judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.
 - 3. In the event that the one or more Settling State(s) believes that the overall payment terms of an agreement by Teva with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the considerations set forth in Section XVI.E.1, the Settling State(s) and Teva shall engage in the following process:

- a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or Consent Judgment is provided to the Enforcement Committee, to Teva of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. Such notice shall be confidential and not disclosed publicly to the extent allowed by law and shall state, in detail, the basis for the Settling State's belief that it is entitled to a revision of the Agreement.
 - b. Teva shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is entitled to more favorable overall payment terms than those provided for in this Agreement.
 - c. In the event the Settling State(s) and Teva do not reach agreement as to the application of Section XVI.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XVI.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section XV.G.4.
 - d. The Settling State(s) and Teva shall be bound by the determination of the National Arbitration Panel.
4. This Section XVI.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Teva that is entered into: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Teva and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Teva jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) with a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or, (c) the earlier of: (i) after a Non-Settling State has obtained any court order or judicial determination that grants judgment (in whole or in part) against Teva in the Non-Settling State's case; (ii) after a sanctions ruling against Teva in the Non-Settling State's case against Teva; or, (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.
 5. This Section does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Teva and (a) federally-recognized tribe(s), (b) Non-Participating Subdivisions or (3) Non-

Participating Special Districts. This Section XVI.E will not apply to any agreement entered into more than six (6) months after the Reference Date.

F. *Tax Reporting and Cooperation.*

1. Upon request by Teva, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Teva to establish the statements set forth in subsection VIII.G to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
2. Without limiting the generality of subsection XVI.F, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Teva with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
3. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
4. Neither Teva nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take

such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

- K.** *Entire Agreement.* This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.
- L.** *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.
- M.** *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.
- N.** *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any Claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.
- O.** *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement or in any litigation or arbitration concerning Teva's right to coverage under an insurance contract.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this subsection.

- Q.** *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.
- R.** *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

S. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Teva and its respective successors and assigns.
2. Teva shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Teva's obligations under this Agreement.
3. Teva shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Teva) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Teva where the sale or transfer transaction is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Teva's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction. The above restriction shall not apply if Teva obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Teva's remaining Payment Obligations under this Agreement equal to the percentage of Teva's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Teva's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This subsection XVI.S.3 shall be enforceable solely by the Enforcement Committee, and any objection under this subsection XVI.S.3 not raised within twenty (20) calendar days from the date that Teva transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this subsection XVI.S.3 shall be a National Dispute as described in subsection XV.E and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

- T.** *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Teva along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VIII.F.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing. Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling State and each Participating Subdivision affected by that modification, amendment, or alteration

must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Teva will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

U. Termination.

1. Unless otherwise agreed to by Teva and the Settling State in question, this Agreement and all of its terms (except subsection XVI.O and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:
 - a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or
 - b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).
2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XVI.U.1, then:
 - a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Teva and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and
 - b. Teva and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and Claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Teva and the Settling

State and its Participating Subdivisions in question shall be in the same position with respect to those actions and Claims as they were at the time the action or Claim was stayed or dismissed.

3. Unless Teva and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 13, *provided* that Teva has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.
- V. *Waiver.* Teva, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of any of its business affairs: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the “Texas Statutes”), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes, in each case until such time as all of Teva’s obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Teva’s obligations hereunder are satisfied in full, Teva’s rights to execute a divisional merger or equivalent transaction or restructuring that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.
- W. *Affirmative Representation of Solvency.* Teva Pharmaceutical Industries Ltd. and Teva Pharmaceuticals USA, Inc. hereby warrant and represent that, as of the date of the execution of this Agreement, it is not insolvent as such term is defined and interpreted under 11 U.S.C. §§101 et seq. (“Code”) including, without limitation, Code §§ 547 and 548.
- X. *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel’s authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Teva or against which Teva is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

Exhibit D
Settling States Plan for Acceptance and Delivery of Settlement Product

1. Completion of the Settlement Product Election Form

Within thirty (30) days of the Effective Date and on or before January 1 in each of the calendar years 2025, 2027, 2029 and 2031 (each, an “Election Year”), before placing any orders for Settlement Product for the two (2) calendar years immediately following the Election Year (“Two-Year Term”), each Settling State must execute and return to the Settlement Fund Administrator the Settlement Product Election Form as set forth below in this Exhibit D if it elects to receive, consistent with the Settlement Product Election Form, all or any portion of the Settlement Product allocated to the Settling State as reflected in Schedule D-1 (“Product Election Amount”). The Two-Year Terms are: (1) 2024-2025; (2) 2026-2027; (3) 2028-2029; (4) 2030-2031; and (5) 2032-2033.

2. Settlement Product Allocation

Schedule D-I (attached hereto) sets forth the maximum annual quantity of Settlement Product (“Maximum Annual Quantity”) and maximum 10-year total quantity of Settlement Product (“Maximum Total Quantity”) for each Settling State. The Parties agree that the total WAC value of the Settlement Product to be provided to a Settling State under this Agreement is set forth next to the Settling State’s name on Schedule D-I, and that for purposes of this Agreement the WAC value per kit of Settlement Product is \$125.

For each calendar year during the applicable Two-Year Term, the difference in quantity of Settlement Product between the Settling State’s Maximum Annual Quantity and the annual Product Election Amount will be converted (the “Converted Quantity”) into a cash value equaling twenty percent (20%) of the WAC value of the Converted Quantity.

A Settling State shall not request in its annual Forecast quantities of Settlement Product that exceed the Product Election Amount for the applicable period. The quantities of Settlement Product set forth in a Settling State’s four (4) quarterly Purchase Orders per calendar year shall not exceed the quantities set forth in the Settling State’s Forecast.

3. Calculation and Payment of Cash Conversion Amount

A Settling State that elects to receive Settlement Product Cash Conversion Amount in any Two-Year Term will receive a Settlement Product Cash Conversion Amount in each year of that Two-Year Term in proportion to 8.33% (i.e. 1/12) of the State’s total Settlement Product Cash Conversion Amount. The remaining Settlement Product Cash Conversion Amount owed to the State for that Two-Year Term will be paid out in two equal installments of 1.67% of the State’s total Settlement Product Cash Conversion Amount in Payment Years 12 and 13 as reflected in Exhibit M-2.

For example, assume State X is allocated \$60 million in Settlement Product at WAC, which would convert to \$12 million in Settlement Product Cash Conversion (based on the 20% conversion rate). Therefore, State X would receive \$6 million in Settlement Product at WAC annually over 10 years

or \$1 million in Settlement Product Cash Conversion annually over 12 years if it elected full Settlement Product Cash Conversion in Year 1. However, if State X elects to convert to cash for a given Two-Year Term, it would receive: (i) \$999,600 (i.e., 8.33% of \$12 million) in each calendar year of that Two-Year Term, and (ii) \$200,400 (i.e., 1.67% of \$12 million) in Payment Years 12 and 13, for a total Settlement Product Cash Conversion of \$2.4 million.

4. Forecast, Orders, Purchase Order Fulfillment, Distribution & Delivery

Forecast to TEVA USA

Within one hundred and twenty (120) days of the Effective Date, and each January 1 thereafter, each Settling State that elects to order Settlement Product shall provide Teva USA a written forecast of the estimated quantities of Settlement Product that the Settling State anticipates ordering from Teva USA for delivery during the immediately following calendar year (each, a “Forecast”).

Orders to TEVA USA

The Office of the Attorney General, or a state office, agency, officer or official designated by the Office of the Attorney General, on behalf of each Settling State, shall have the right to place periodic purchase orders setting forth the quantity of the Settlement Product to be delivered and the Settling State’s desired delivery date (each, a “Purchase Order”) based on annual Forecasts submitted by the Settling State. Not less than six (6) months prior to its desired first delivery date, the Settling State will issue its first Purchase Order. Thereafter, the Settling State shall place periodic Purchase Orders not to exceed four (4) quarterly Purchase Orders per calendar year to Teva USA for fulfillment of Settlement Product over a period of ten (10) calendar years commencing six (6) months after the Settling State submits its first Forecast and ending on December 31, 2033.

Each Purchase Order from the Settling State shall be in writing and directed to Teva USA’s affiliate Anda, Inc., 2915 Weston Road, Weston, FL 33331, Attention: Patrick Cochrane, patrick.cochrane@andanet.com and Anthony Mihelich, anthony.mihelich@andanet.com. If the Settling State has any questions regarding the Settlement Product, the Settling State will contact Anda Customer and Sales Support, Attention: Elizabeth Shefferman at elizabeth.shefferman@andanet.com or (954) 217-4500 x76806 (“Anda Customer and Sales Support”). The Settling State shall designate, in each Purchase Order, up to five (5) delivery locations within the Settling State that will receive the Settlement Product on behalf of the Settling State (“Delivery Locations”).

Fulfillment of Purchase Orders by TEVA USA

Purchase Orders submitted to Teva USA on behalf of a Settling State pursuant to this Agreement shall in all respects be processed and filled by Teva USA as though such Purchase Orders had been submitted by Teva USA’s regular paying customers, except to the extent inconsistent with the terms of this Agreement.

The delivery date of Settlement Product for the Settling State’s first Purchase Order shall be no earlier than the later of (a) six (6) months after the Settling State submits its first Forecast and (b)

January 1, 2024. For a Settling State's first Purchase Order, Teva USA will use its good faith efforts to ship the order directly to the Delivery Locations within six (6) months of Teva USA's receipt of the Purchase Order, at no cost to the Settling State. For all Purchase Orders received after the first Purchase Order, Teva USA will use its good faith efforts to deliver Settlement Product within ninety (90) days of Teva USA's receipt of the applicable Purchase Order for Settlement Product.

Teva USA shall respond to the Settling State's Purchase Order request within seven (7) calendar days confirming the order. Teva will use commercially reasonable efforts to fulfil the orders but will have the right to allocate the quantities forecasted by the Settling State evenly on a calendar quarter basis during such calendar year. For each Purchase Order received, Teva USA shall provide the Settling State with estimated delivery dates for receipt of the Settlement Product. Teva USA will use good faith efforts to deliver Settlement Product with at least thirteen (13) months remaining shelf life.

Teva USA will have the right to reject any Purchase Order that would result in quantities of Settlement Product being ordered during a calendar year in excess of the annual Forecast for that calendar year. In the event the Settling State desires to order less than the amount set forth in its Forecast, it shall notify Teva USA in writing of any changes to the Settling State's Forecast promptly after the changes are known by the Settling State. The Settling State shall use its good faith efforts to ensure the accuracy of its Forecasts and to monitor its inventory levels of Settlement Product to ensure that it does not order Settlement Product in excess of its requirements thereby increasing available Settlement Product for patients in need and mitigating the possibility of expired Settlement Product in the Settling State's inventory. In the event a Settling State does not order the quantities of Settlement Product set forth in its Forecast in a given calendar year, it will not be permitted to order any shortfall during any subsequent calendar year.

For purposes of this Agreement, the term "Force Majeure Event" means any event reasonably beyond the control of Teva, including wars, hostilities, revolution, riots, civil commotion, national emergency, unavailability of supplies, epidemics, fire, flood, earthquake, force of nature, explosion, terrorist act, embargo, or any act of God, or any law, proclamation, regulation, ordinance, or other act or order of any court or governmental authority. In the event of a Force Majeure Event or other inability to supply any order made by a Settling State for Settlement Product, Teva USA shall promptly provide written notice to the Settling State. Teva USA and the Settling State shall meet and confer within seven (7) days of such written notice to establish a commercially reasonable plan to resolve any inability to supply as quickly as reasonably possible.

1. The Governmental Entity is aware of and has reviewed the Teva Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Teva Settlement as provided therein.
2. Following the execution of this Settlement Participation Form, the Governmental Entity shall comply with Section III.B of the Teva Settlement regarding Cessation of Litigation Activities.
3. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, file a request to dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in In re National Prescription Opiate Litigation, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs’ Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at [website link to national settlement website to be provided].
4. The Governmental Entity agrees to the terms of the Teva Settlement pertaining to Subdivisions as defined therein.
5. By agreeing to the terms of the Teva Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
6. The Governmental Entity agrees to use any monies it receives through the Teva Settlement solely for the purposes provided therein.
7. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s

8. The Governmental Entity has the right to enforce the Teva Settlement as provided therein.
9. The Governmental Entity, as a Participating Subdivision or Participating Special District, hereby becomes a Releasor for all purposes in the Teva Settlement, including but not limited to all provisions of Section V (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Teva Settlement.

12. Nothing herein is intended to modify in any way the terms of the Teva Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Teva Settlement in any respect, the Teva Settlement controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

NOTES:

1. All figures for the base and incentive payments are maximum figures that reflect the following:
 - The credits amount of \$666,032,651 for prior settlements, including San Francisco, have already been applied.
 - An assumption that all Eligible States are Settling States.
 - An assumption that all incentives are earned.
2. The Additional Restitution Amount and the state and subdivision fees and costs amounts will be broken out into separate columns before the exhibit is finalized.
3. Any offsets under Section V.C for Non-Settling States would be deducted from the Base Payments and the maximum Incentive Payments (A, B & C and D) by subtracting from all payments the amount of the payment times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2.
4. A schedule for Product is in Exhibit M-2 below. Settlement Product (and Settlement Product Cash Conversion Amount) are not included in this Exhibit M-1.

NOTE: The Product Payment Schedule is showing the maximum amount of product offered (valued at WAC), which assumes all states choose to accept their full allotment of Settlement Product, and the maximum available Settlement Product Cash Conversion Amount, which assumes all

states fully convert the Settlement Product to cash payments. The purpose of the chart is to show the periods of time in which Settlement Product or Settlement Product Cash Conversion would be provided and the maximum amount of each per payment year. Individual Settling States will choose between Settlement Product and Settlement Product Cash Conversion (or a mix of both). The maximum amount of Settlement Product available to each Individual Settling State measured in quantity of kits per payment year is shown in Exhibit D, Schedule D-I. The deadlines in Exhibit D govern the Parties' Settlement Product obligations related to forecasting, ordering, shipment, and delivery. This chart should not suggest any obligation of Teva to provide both the maximum amount of product and the maximum amount of cash conversion.

Exhibit O
Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section VIII and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes⁴ the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.
4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

⁴ Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section VIII and is approved by the State and by the State's Subdivisions pursuant to the terms above.

5. In the event that the Independent Monitor Committee and Teva do not agree to the dismissal of the Independent Monitor, either the Independent Monitor Committee (through one of the Settling States on the Independent Monitor Committee) or Teva may submit the question of the Independent Monitor's dismissal to the court to which the Consent Judgment was presented in any Settling States on the Independent Monitor Committee, and the Independent Monitor shall only be dismissed if the court finds that there is Good Cause for dismissal. C. Costs of the Independent Monitor

1. Teva shall pay all reasonable and necessary fees and costs of the Independent Monitor. Reasonable and necessary fees and costs shall be limited to those set out in the Independent Monitor work plan and contract, but in no event shall they exceed \$1,000,000 per year, inclusive of fees and costs for any personnel or third-parties that the Independent Monitor engages or retains.

It is not intended that the Independent Monitor will conduct his or her own inquiry into the historical events that allegedly gave rise to this Consent Judgment or into matters beyond the scope of the Injunctive Terms of this Consent Judgment. The work plan shall also include all reasonable and necessary costs of the Independent Monitor, as well as a process by which Teva may challenge Independent Monitor costs as excessive, duplicative or unnecessary.
3. If the Independent Monitor, the Independent Monitor Committee and Teva fail to reach agreement on a work plan within the designated time frame, the Independent Monitor Committee shall determine a fair and reasonable work plan and contract in consultation with Teva and the Independent Monitor.
4. At least annually, and more frequently if appropriate, Teva and the Independent Monitor Committee will meet in person or virtually to discuss the work of the Independent Monitor and any suggestions, comments, or improvements Teva may wish to discuss with or propose to the Independent Monitor Committee, including with respect to the scope and costs of the work of the Independent Monitor, unless Teva and the Independent Monitor Committee believe such a meeting is unnecessary.

F. Independent Monitor Access to Information

1. In connection with its review of Teva's compliance with the terms identified in Section VI.E above, the Independent Monitor shall be vested with reasonably broad discretion to review Teva's compliance with the terms of Exhibit P covered by the Scope of Work, including access to documents and the right to interview employees, as is reasonably necessary to fulfill its duties under this Consent Judgment, with reasonable notice to Teva and without unreasonable interference in Teva's or its employees' ability to perform day-to-day operations. The Independent Monitor shall have all powers reasonable and necessary to efficiently and effectively discharge its responsibilities.

2. The Chief Compliance Officer of Teva shall serve as the primary point of contact for the Independent Monitor to facilitate the Independent Monitor's reasonable access to documents, materials, or employees necessary to review for compliance with Exhibit P. The Independent Monitor shall make a good faith effort to leverage Teva's existing compliance mechanisms when reviewing Teva's compliance with the terms of Exhibit P identified in Section VI.E, above. The Independent Monitor shall communicate any request for documents, materials, or access to employees to the Chief Compliance Officer, but, subject to the terms hereof, is not prohibited from speaking with any other current or former employees of Teva. Teva shall not intimidate, harass, threaten, or penalize any employee or former employee for his or her cooperation with or assistance to the Independent Monitor.
3. If at any time the Independent Monitor reasonably believes that there is undue delay, resistance, interference, limitation, or denial of access to any records or to any employee deemed necessary by the Independent Monitor to implement or review compliance by Teva with the Injunctive Terms, the Independent Monitor may meet and confer with Teva's Chief Compliance Officer. If the Independent Monitor cannot resolve such limitation or denial, it shall be immediately reported to the Independent Monitor Committee.
4. To the extent that any of the documents requested by the Independent Monitor contain material protected from disclosure by the attorney-client privilege or attorney work product doctrine, Teva may redact the privileged material before providing the documents to the Independent Monitor.

G. Settling States' Access to Independent Monitor

1. There shall be no limitation on the ability of the Independent Monitor to communicate at any time with Settling States regarding Teva's conduct.

H. Independent Monitor Reports

To the extent that the reviews conducted by the Independent Monitor raise questions or concerns about particular decisions made or conduct engaged in by Teva regarding issues within the Scope of Work, the Independent Monitor may conduct interviews of personnel of Teva who were involved in the decisions or conduct at issue. If the Independent Monitor continues to have questions or concerns about particular decisions or conduct, after conducting interviews, the Independent Monitor shall include a description of the question or concern in the Final Report described below. If the Independent Monitor notes any areas for potential improvement regarding matters within the Scope of Work during the course of the reviews conducted pursuant to the Injunctive Relief Terms, the Independent Monitor shall include any such recommendations in the Final Report. Collectively, any such questions, concerns or recommendations will be referred to as "Observations and Recommendations."

2. Draft and Final Reports

- i. No later than thirty (30) calendar days after the close of a Reporting Period and/or at any other time deemed reasonably necessary by the Independent Monitor, the Independent Monitor shall provide Teva with a draft report identifying and detailing any Potential Violations and the bases therefore (the "Draft Report"). Potential Violations shall mean Teva's failure to comply with the specific provisions of Exhibit P that the Independent Monitor is tasked with overseeing as set forth in the Scope of Work and work plan, as reasonably determined by the Independent Monitor and supported by documentation (where available). Identification of Potential Violations in the Draft Report shall not be considered a breach of the Consent Judgment. Teva shall have the right to cure any Potential Violation, in accordance with the below provisions. The Draft Report will also contain detailed descriptions of any Observations and Recommendations.
- ii. Within thirty (30) calendar days of its receipt of the Draft Report, Teva will provide comments and responses to the Draft Report. Teva will, among other things:
 - (1) Respond to each Potential Violation, including, where appropriate, explaining why no violation occurred, or describing any corrective action taken (or to be taken) as a result of the findings made by the Independent Monitor, including, where appropriate, providing documentation supporting a relevant decision or additional context explaining the Potential Violation and why it occurred.
 - (2) Respond to each Observation and Recommendation.
- iii. Within thirty (30) calendar days of receipt of Teva's comments and responses to the Draft Report, the Independent Monitor shall provide a final report (the "Final Report"). The Independent Monitor shall provide the Independent Monitor Committee with a copy of any Draft Report that has been subsequently revised upon conferral with Teva and, upon request, the Independent Monitor Committee shall be granted access to any other Draft Reports.
- iv. The Final Report shall set forth:
 - (1) The Independent Monitor's evaluation of Teva's compliance with the provisions identified in Sections VI.E and VI.F above and the factual basis for the Independent Monitor's conclusions, including whether a Potential Violation has occurred and an explanation of the nature of the Potential Violation.
 - (2) The Independent Monitor's conclusion as to whether Teva has cured any Potential Violations. In the event that the Independent Monitor changes its initial determination after receiving Teva's response, the Independent Monitor will report its initial determination and its revised determination in the Final Report in sufficient detail so that the Independent Monitor

Committee can evaluate the basis for both determinations. The identification of uncured Potential Violations in the Final Report can be considered a breach of the Consent Judgment.

- (3) The Final Report need not recite or describe comprehensively Teva's history or compliance policies, procedures and practices, but rather may focus on those areas with respect to which the Independent Monitor wishes to make recommendations, if any, for improvement or which the Independent Monitor otherwise concludes merit particular attention.
 - (4) The Final Report shall include a listing of the Observations and Recommendations made by the Independent Monitor and responses of Teva.
- v. For the duration of the Independent Monitor's term, the Settling States may take any action against Teva to enforce the Injunctive Relief terms within the Independent Monitor's Scope of Work as identified in Section VI.E above upon receiving notice of an uncured Potential Violation in a Final Report. The Settling States are not required to abide by the procedures set forth in the Notice and Cure provision below with regard to such uncured Potential Violations.
- vi. For the duration of the Independent Monitor's term, should a Settling State disagree with the Independent Monitor's determination as to whether a Potential Violation has occurred or been cured under the Injunctive Relief terms within the Independent Monitor's Scope of Work as identified in Section VI.E above, the Settling State shall meet and confer with the Independent Monitor, the Independent Monitor Committee, and Teva to express its concerns. Teva shall have a reasonable opportunity to explain why it believes it is in compliance with Exhibit P, to further explain the actions taken to cure the Potential Violation and/or to take additional corrective actions to address the state's concerns. If, after engaging in this meet and confer process and affording Teva a reasonable opportunity to explain or take further action, the Settling State is not satisfied that the Potential Violation has been cured, it may take any action to enforce the terms of this Consent Judgment.
- vii. Notwithstanding Sections VI.H.2.v and VI.H.2.vi, the Settling States may take any action, including, but not limited to legal action to enforce compliance with the Consent Judgment, without delay if the Settling State believes that a threat to the health or safety of the public requires immediate action.
- viii. The Independent Monitor's reports and testimony may be used by the Settling States in any action or proceeding. No action or lack of action by the Settling States regarding information received from the Independent Monitor regarding Teva's conduct shall be considered affirmation, acceptance, or ratification of that conduct by the Settling States.
- ix. Nothing in this Judgment limits the right of the Settling States to conduct investigations or examinations unrelated to the work of the Independent Monitor.

I. Confidentiality

1. Teva may designate materials and information that it believes contain trade secret or other commercially sensitive information as “Confidential.” Materials and information provided by Teva to the Independent Monitor that are designated “Confidential” (and any parts, portions, or derivations thereof) and shall not be disclosed or distributed to any person or entity other than those authorized by these provisions, subject to the provisions in Section VI.H.2.e.

Each of the Settling States agrees to provide Teva with at least ten (10) business days' advance notice before complying with any Third-Party Request for Confidential Information, except where state law requires a lesser period of advance notice.

J. Retention of Documents

1. Teva shall generate, retain and make readily available to any of the Settling States for inspection, upon reasonable notice and without the necessity of a subpoena or other legal process, all material records and documents reasonably necessary to document compliance with Exhibit P. Teva shall maintain these records and documents for a minimum of five (5) years after the Independent Monitor's last Final Report.

VII. ENFORCEMENT

- A. For the purposes of resolving disputes with respect to compliance with Exhibit P, other than those addressed in Sections VI.H.2.v and VI.H.2.vi, should any of the Settling States have reason to believe that Teva has violated a provision of Exhibit P, then such Settling State shall notify Teva in writing of the specific objection, identify with particularity the provisions of Exhibit P that the practice appears to violate, and give Teva thirty (30) days to respond to the notification (“Response Period”).
- B. Teva may request a reasonable amount of additional time to cure any violation through such remedial measures (“Cure Period”) and the Settling State shall not unreasonably withhold approval of such request.

- C. The Settling State may not take any action concerning the alleged violation of Exhibit P during the Response and Cure Periods. Nothing shall prevent the Settling State from agreeing in writing to provide Teva with additional time beyond the thirty (30) days to respond to the notice. However, the Settling State may take any action, including, but not limited to legal action to enforce compliance with the Consent Judgment, without delay if the Settling State believes that a threat to the health or safety of the public requires immediate action.
- D. The Settling State may bring an action against Teva to enforce the terms of Exhibit P, but only after providing Teva an opportunity to respond to the notification and, if agreed upon, a period to cure any violation, as described above, or within any other period as agreed to by Teva and the Settling State.
- E. Nothing in this Consent Judgment shall be interpreted to limit any Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law.
- F. Nothing herein shall be construed to exonerate any failure to comply with any provision of Exhibit P after the Effective Date, or to compromise the authority of any Settling State to take action for any failure to comply with Exhibit P.

The CSMP Committee shall not include any employee(s) or person(s) performing any sales functions on behalf of Anda; provided that service on the CSMP Committee by any senior executives listed in this paragraph whose responsibilities may include, but are not limited to, management of sales functions shall not constitute a breach of the Injunctive Relief Terms.
- B. Anda's CSMP Committee shall have regular meetings during which the Chief Diversion Control Officer shall present to the CSMP Committee with respect to, and the CSMP Committee shall evaluate, among other things: (1) any material modifications and potential enhancements to the CSMP including, but not limited to, those relating to Customer due diligence and Suspicious Order monitoring and reporting; (2) any significant new national and regional diversion trends involving Controlled Substances; (3) Anda's adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; and (4) any technology, staffing, or other resource needs for the CSMP. The CSMP Committee shall have access to all CSMP reports. The CSMP Committee will review and approve the specific metrics used to identify the Red Flags set forth in Section VIII.
- C. On a quarterly basis, Anda's CSMP Committee shall send a written report to Anda's Chief Executive, Chief Financial, and Chief Legal Officer, as well as its Board of Directors, addressing: (1) Anda's substantial adherence to the CSMP policies and

procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (2) recommendations as appropriate about the allocation of resources to ensure the proper functioning of Anda's CSMP; and (3) significant revisions to the CSMP. The Board of Directors or a committee thereof at Anda shall document in its minutes its review of the quarterly CSMP Committee reports.

- D. To the extent not already established, the Board of Directors of Anda shall establish its own compliance committee (the "Board Compliance Committee") to evaluate, at a minimum, and on a quarterly basis: (1) the CSMP Committee's written reports; (2) Anda's substantial adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (3) Anda's code of conduct and any whistleblower reporting policies, including those prescribed by Section V.E; and (4) any significant regulatory and/or government enforcement matters within the review period relating to the distribution of Controlled Substances. Anda meets this requirement if it established, prior to the Effective Date, multiple committees of its Board of Directors that together have responsibilities outlined in this paragraph.
- E. The Board Compliance Committee shall have the authority to: (1) require management of Anda to conduct audits on any CSMP or legal and regulatory concern pertaining to Controlled Substances distribution, and to update its full Board of Directors on those audits; (2) to commission studies, reviews, reports, or surveys to evaluate Anda's CSMP performance; (3) request meetings with Anda's management and CSMP staff; and (4) review the appointment, compensation, performance, and replacement of Anda's Chief Diversion Control Officer.

VII. MANDATORY TRAINING

- A. Anda shall require all new CSMP personnel to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, and its duties with respect to maintaining effective controls against potential diversion of Controlled Substances and reporting Suspicious Orders pursuant to state and federal laws and regulations prior to conducting any compliance activities for Anda without supervision.
- B. Anda shall provide annual trainings to CSMP personnel on its CSMP, its obligations under the Injunctive Relief Terms, and its duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.
- C. On an annual basis, Anda shall test its CSMP personnel on their knowledge regarding its CSMP, its obligations under the Injunctive Relief Terms, and its duties to maintain effective controls against potential diversion of Controlled Substances and to report Suspicious Orders pursuant to state and federal laws and regulations.
- D. Anda shall train all third-party compliance consultants (defined as non-employees who are expected to devote fifty percent (50%) or more of their time to performing work related to Anda's CSMP, excluding information technology consultants not

engaged in substantive functions related to Anda's CSMP) performing compliance functions for Anda in the same manner as Anda's CSMP personnel.

- E. At least every three (3) years in the case of existing employees, and within the first six (6) months of hiring new employees, Anda shall require operations, sales, and senior executive employees to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, the hotline established in Section V.E, and its duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.

VIII. RED FLAGS

- A. Within one hundred and twenty days (120) of the Effective Date, Anda shall, at a minimum, apply specific metrics to identify the potential Red Flags described in Section VIII.D with respect to Independent Retail Pharmacy Customers. For Chain Customers, the metrics used to identify the Red Flags described in Section VIII.D may be adjusted based on the specific business model and supplier relationships of the Chain Customer.
- B. Anda shall evaluate and, if necessary, enhance or otherwise adjust the specific metrics it uses to identify Red Flags set forth in Section VIII.D.
- C. Anda shall provide annually to the Monitor the specific metrics it uses to identify Red Flags as set forth in Section VIII.D. The Monitor shall review the metrics used to identify Red Flags as set forth in Section VIII.D to assess whether the metrics are reasonable. The Monitor may, at its discretion, suggest revisions to the metrics in the annual Audit Report as part of the Red Flags Review set forth in Section XVIII.G.3.f. Anda may rely on its specific metrics to comply with the requirements of Section VIII unless and until the Monitor proposes a revised metric in connection with Section XVIII.
- D. For purposes of the Injunctive Relief Terms, "Red Flags" are defined as follows:
 - 1. **Ordering ratio of Highly Diverted Controlled Substances to non-Controlled Substances:** Analyze the ratio of the order volume of all Highly Diverted Controlled Substances to the order volume of all non-Controlled Substances to identify Customers with significant rates of ordering Highly Diverted Controlled Substances.
 - 2. **Ordering ratio of Highly Diverted Controlled Substance base codes or drug families to non-Controlled Substances:** Analyze the ratio of the order volume of each Highly Diverted Controlled Substance base code or drug family to the total order volume of all non-Controlled Substances to identify Customers with significant rates of ordering each Highly Diverted Controlled Substance base code or drug family.
 - 3. **Excessive ordering growth of Controlled Substances:** Analyze significant increases in the ordering volume of Controlled Substances using criteria to

identify customers that exhibit percentage growth of Controlled Substances substantially in excess of the percentage growth of non-Controlled Substances.

4. **Unusual formulation ordering:** Analyze ordering of Highly Diverted Controlled Substances to identify customers with significant ordering of high-risk formulations. High-risk formulations include, but are not limited to, 10mg hydrocodone, 8mg hydromorphone, 2mg alprazolam, single-ingredient buprenorphine (i.e., buprenorphine without naloxone), and highly-abused formulations of oxycodone. On an annual basis (or as otherwise necessary), high-risk formulations of Highly Diverted Controlled Substances may be added, removed, or revised based on Anda's assessment and regulatory guidance.
5. **Out-of-area patients:** Analyze Pharmacy Customer Data or Dispensing Data to assess volume of prescriptions for Highly Diverted Controlled Substances for out-of-area patients (based on number of miles traveled between a patient's zip code and the pharmacy location, depending on the geographic area of interest) taking into consideration the percentage of out-of-area patients for non-Controlled Substances.
6. **Cash prescriptions:** Analyze Pharmacy Customer Data or Dispensing Data to assess percentage of cash payments for purchases of Controlled Substances taking into consideration the percentage of cash payments for purchases of non-Controlled Substances.
7. **Prescriber activity of Customers:** Analyze Pharmacy Customer Data or Dispensing Data to identify Customers that are dispensing Highly Diverted Controlled Substance prescriptions for Top Prescribers as follows:
 - a) Top Prescribers representing a significant volume of dispensing where the prescriber's practice location is in excess of 50 miles from the pharmacy ("out-of-area"), relative to the percentage of out-of-area prescriptions for non-Controlled Substances.
 - b) Top Prescribers representing prescriptions for the same Highly Diverted Controlled Substances in the same quantities and dosage forms indicative of pattern prescribing (e.g., a prescriber providing many patients with the same high-dose, high-quantity supply of 30mg oxycodone HCL prescription without attention to the varying medical needs of the prescriber's patient population).
 - c) Top Prescribers where the top five (5) or fewer prescribers represent more than fifty percent (50%) of total prescriptions for Highly Diverted Controlled Substances during a specified period.
8. **Public regulatory actions against Customers:** Review information retrieved from companies that provide licensing and disciplinary history records (e.g., LexisNexis), and/or other public sources, including governmental entities, showing that the Customer, pharmacists working for that Customer, or the Customer's Top Prescribers have been subject, in the last five (5) years, to professional disciplinary sanctions regarding the

dispensing or handling of Controlled Substances or law enforcement action related to Controlled Substances diversion. Continued licensing by a relevant state agency may be considered, but shall not be dispositive, in resolving the Red Flag. For Chain Customer locations, representations from each Chain Customer that it reviews its pharmacists' licensing statuses annually and for the regulatory actions described in this paragraph has either (i) taken appropriate employment action, or (ii) disclosed the regulatory action to Anda, may be considered in resolving the Red Flag.

9. **Customer termination data:** Review information from Anda's due diligence files and, when operable, from the Clearinghouse, subject to Section VIII.F, regarding Customers that have been terminated from ordering Controlled Substances by another distributor due to concerns regarding Controlled Substances.
- E. For any Red Flag evaluation in Section VIII.D that may be performed using Pharmacy Customer Data or Dispensing Data, Anda will analyze the Red Flag using Pharmacy Customer Data, to the extent feasible based on the functionality of a Customer's pharmacy management system, until Dispensing Data is collected and analyzed by the Clearinghouse as described in Section XVII. Until Dispensing Data is collected and analyzed by the Clearinghouse, Anda may satisfy the Red Flag evaluations in Sections VIII.D.5 through VIII.D.7 by engaging in considerations of out-of-area patients, cash payments for prescriptions and Top Prescribers without satisfying the specific requirements of Sections VIII.D.5 through VIII.D.7. In the event that the Clearinghouse is not collecting and analyzing Dispensing Data within two years of the Effective Date, Anda and the State Compliance Review Committee shall meet and confer to consider alternatives for the performance of the analysis required by Sections VIII.D.5 through VIII.D.7 using Pharmacy Customer Data.
- F. The foregoing Red Flag evaluations may be performed by the Clearinghouse and reported to Anda.
- G. Anda and the State Compliance Review Committee shall work in good faith to identify additional potential Red Flags that can be derived from the data analytics to be performed by the Clearinghouse.

IX. ONBOARDING

- A. Anda, prior to initiating the sale of Controlled Substances to a potential Customer, a member of Anda's CSMP department (or a qualified third-party compliance consultant trained on Anda's CSMP) shall perform the following due diligence:
 1. Interview the pharmacist-in-charge, either over the telephone, via videoconference, or in person. The interview shall include questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled Substances.
 2. Obtain a "Pharmacy Questionnaire" completed by the owner and/or pharmacist-in-charge of the potential Customer. The Pharmacy Questionnaire shall require going-concern potential Customers to list their

top ten (10) prescribers for Highly Diverted Controlled Substances combined, along with the prescriber's specialty, unless Anda is able to obtain this data otherwise. The Pharmacy Questionnaire shall also require disclosure of the identity of all other distributors that serve the potential Customer, and whether the potential Customer has been terminated or suspended from ordering Controlled Substances by another distributor and the reason for any termination or suspension. The Pharmacy Questionnaire shall request information that would allow Anda to identify Red Flags, including questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled Substances. A potential Customer's responses to the Pharmacy Questionnaire shall be verified, to the extent applicable and practicable, against external sources (for example, the Clearinghouse, once operational, and Automation of Reports and Consolidated Orders System ("ARCOS") data made available to Anda by the DEA). The Pharmacy Questionnaire shall be maintained by Anda in a database accessible to its CSMP personnel.

3. Complete a written onboarding report to be maintained in a database accessible to Anda's CSMP personnel reflecting the findings of the interview and any site visit, the findings regarding the identification of and, if applicable, conclusion concerning any Red Flag associated with the pharmacy, as well as an analysis of the Pharmacy Questionnaire referenced in the preceding paragraph.
 4. For going-concern potential Customers, review Pharmacy Customer Data to assist with the identification of any Red Flags.
 5. Document whether the potential Customer or the pharmacist-in-charge has been subject to any professional disciplinary sanctions or law enforcement activity related to Controlled Substances dispensing, and, if so, the basis for that action. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- B. For Chain Customers, Anda may obtain the information in Section IX.A from a corporate representative of the Chain Customer.
- C. In the event that Anda identifies one or more unresolved Red Flags or other information indicative of potential diversion of Controlled Substances through the onboarding process or otherwise, Anda shall refrain from selling Controlled Substances to the potential Customer pending additional due diligence. If following additional due diligence, Anda is unable to resolve the Red Flags or other information indicative of diversion, Anda shall not initiate the sale of Controlled Substances to the potential Customer and shall report the potential Customer consistent with Section XIV. If Anda determines that the potential Customer may be onboarded for the sale of Controlled Substances, Anda shall document the decision and the bases for its decision. Such a good faith determination, if

documented, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms. For Chain Customers, these provisions shall apply to the potential specific pharmacies in question.

X. ONGOING DUE DILIGENCE

- A. Anda shall periodically review its procedures and systems for detecting patterns or trends in Customer order data or other information used to evaluate whether a Customer is maintaining effective controls against diversion.
- B. Anda shall conduct periodic proactive compliance reviews of its Customers' performance in satisfying their corresponding responsibilities to maintain effective controls against the diversion of Controlled Substances.
- C. Anda shall review ARCOS data made available to it by the DEA and, once operational, by the Clearinghouse, to assist with Customer specific due diligence. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- D. Anda shall conduct due diligence as set forth in its CSMP policies and procedures in response to concerns of potential diversion of Controlled Substances at its Customers. For Chain Customers, these provisions shall apply to the specific pharmacies in question. The due diligence required by Anda's CSMP policies and procedures may depend on the information or events at issue. The information or events raising concerns of potential diversion of Controlled Substances at a Customer include but are not limited to:
 - 1. The discovery of one or more unresolved Red Flags;
 - 2. The receipt of information directly from law enforcement or regulators concerning potential diversion of Controlled Substances at or by a Customer;
 - 3. The receipt of information concerning the suspension or revocation of pharmacist's DEA registration or state license related to potential diversion of Controlled Substances;
 - 4. The receipt of reliable information through the hotline established in Section V.E concerning suspected diversion of Controlled Substances at the Customer;
 - 5. The receipt of reliable information from another distributor concerning suspected diversion of Controlled Substances at the Customer; or
 - 6. Receipt of other reliable information that the Customer is engaged in conduct indicative of diversion or is failing to adhere to its corresponding responsibility to prevent the diversion of Highly Diverted Controlled Substances.
- E. On an annual basis, Anda shall obtain updated pharmacy questionnaires from one hundred (100) Customers to include the following:

1. The top 25 Customers by combined volume of Highly Diverted Controlled Substances purchased from Anda measured as of the end of the relevant calendar year; and
2. Additional Customers selected as a representative sample of various geographic regions, customer types (Independent Retail Pharmacy Customers and Chain Customers), and distribution centers. Anda's Chief Diversion Control Officer shall develop risk-based criteria for the sample selection.

F. Scope of Review

1. For reviews triggered by Section X.D, Anda shall conduct due diligence and obtain updated Pharmacy Customer Data or equivalent, or more comprehensive data from the Clearinghouse if needed, as set forth in its CSMP policies and procedures.
2. For questionnaires collected pursuant to Section X.E, Anda shall conduct a due diligence review consistent with Anda's CSMP policies and procedures. These annual diligence reviews shall be performed in addition to any of the diligence reviews performed under Section X.D, but may reasonably rely on reviews performed under Section X.D.
3. If Anda decides to terminate the Customer due to concerns regarding potential diversion of Controlled Substances, Anda shall promptly cease the sale of Controlled Substances to the Customer and report the Customer consistent with Section XIV. If Anda decides not to terminate the Customer, Anda shall document that determination and the basis therefor. Such a good faith determination, if documented, shall not, without more, serve as the basis of a future claim of non-compliance with the Injunctive Relief Terms.

XI. SITE VISITS

- A. Anda shall conduct site visits, including unannounced site visits, where appropriate, of Customers, as necessary, as part of Customer due diligence.
- B. During site visits, Anda's CSMP personnel or qualified third-party compliance consultants shall interview the pharmacist-in-charge or other relevant Customer employees, if appropriate, about any potential Red Flags and the Customer's maintenance of effective controls against the potential diversion of Controlled Substances.
- C. Anda's CSMP personnel or qualified third-party compliance consultants who conduct site visits shall document the findings of any site visit.
- D. Site visit and all other compliance reports shall be maintained by Anda in a database accessible to all CSMP personnel.

XII. THRESHOLDS

- A. Anda shall use Thresholds to identify potentially Suspicious Orders of Controlled Substances from Customers.
- B. Anda's CSMP department shall be responsible for the oversight of the process for establishing and modifying Thresholds. The sales departments of Anda shall not have the authority to establish or adjust Thresholds for any Customer or participate in any decisions regarding establishment or adjustment of Thresholds.
- C. Anda shall not provide Customers specific information about their Thresholds or how their Thresholds are calculated.

1. Threshold Setting

- a) Anda shall primarily use model-based thresholds. For certain circumstances, Anda may apply a non-model threshold based on documented customer diligence and analysis.
- b) Anda shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.G.3.c) to the Monitor summary statistics regarding the use of non-model thresholds and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.
- c) For the purposes of establishing and maintaining Thresholds, Anda shall take into account the Controlled Substances diversion risk of each drug base code. The diversion risk of each base code should be defined and reassessed annually by Anda's CSMP Committee and reviewed by the Monitor.
- d) Anda shall establish Thresholds for new Customers prior to supplying those Customers with Controlled Substances and shall continue to have Thresholds in place at all times for each Customer to which it supplies Controlled Substances.
- e) When ordering volume from other distributors becomes readily available from the Clearinghouse, Anda shall consider including such information as soon as reasonably practicable in establishing and maintaining Thresholds.
- f) Anda shall incorporate the following guiding principles in establishing and maintaining Customer Thresholds, except when inapplicable to non-model Thresholds:
 - (1) Thresholds shall take into account the number of non-Controlled Substance dosage units distributed to, dispensed and/or number of prescriptions dispensed by the Customer to assist with the determination of Customer size. As a general

matter, smaller customers should have lower Thresholds than larger customers.

- (2) For the purposes of establishing and maintaining Thresholds, Anda shall use statistical models that are appropriate to the underlying data.
- (3) For the purposes of establishing and maintaining Thresholds, Anda shall take into account a Customer's ordering and/or dispensing history for a specified period of time.
- (4) For the purposes of establishing and maintaining Thresholds, Anda shall take into account the ordering history of Customers within similar geographic regions, or, where appropriate for Chain Customers, ordering history within the chain.
- (5) If appropriate, Thresholds may take into account the characteristics of Customers with similar business models.
 - (a) A Customer's statement that it employs a particular business model must be verified, to the extent practicable, before that business model is taken into account in establishing and maintaining a Customer's Threshold.

2. Threshold Auditing

- a) Anda shall review their respective Customer Thresholds at least on an annual basis and modify them where appropriate.
- b) Anda's CSMP department shall annually evaluate its Threshold setting methodology and processes and its CSMP personnel's performance in adhering to those policies.

3. Threshold Changes

- a) Anda may increase or decrease a Customer Threshold as set forth in its CSMP policies and procedures, subject to Sections XII.C.3.b through XII.C.3.e.
- b) Prior to approving any Threshold change request by a Customer, Anda shall conduct due diligence to determine whether an increase to the Threshold is warranted. This due diligence shall include obtaining from the Customer the basis for the Threshold change request, obtaining and reviewing Dispensing Data and/or Pharmacy Customer Data for the previous three (3) months for due diligence purposes, and, as needed, conducting an on-site visit to the Customer. This Threshold change request diligence shall be conducted by Anda's CSMP personnel.

- c) Anda shall not proactively contact a Customer to suggest that the Customer request an increase to any of its Thresholds, to inform the Customer that its Orders-to-date are approaching its Thresholds or to recommend to the Customer the amount of a requested Threshold increase. It shall not be a violation of this paragraph to provide Chain Customer headquarters reporting on one or more individual Chain Customer pharmacy location(s) to support the anti-diversion efforts of the Chain Customer's headquarters staff, and it shall not be a violation of this paragraph for Anda's CSMP personnel to contact Customers to seek to understand a Customer's ordering patterns.
- d) Anda's Chief Diversion Control Officer may approve criteria for potential adjustments to Customer Thresholds to account for circumstances where the Thresholds produced by the ordinary operation of the statistical models require modification. Such circumstances include adjustments to account for seasonal ordering of certain Controlled Substances that are based on documented diligence and analysis, adjustments made to permit ordering of certain Controlled Substances during a declared national or state emergency (e.g., COVID-19 pandemic), IT errors, and data anomalies causing results that are inconsistent with the design of the statistical models. Anda shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.G.3.c) to the Monitor information regarding the use of this paragraph and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.
- e) Any decision to raise a Customer's Threshold in response to a request by a Customer to adjust its Threshold must be documented in a writing and state the reason(s) for the change. The decision must be consistent with Anda's CSMP and documented appropriately.

XIII. SUSPICIOUS ORDER REPORTING AND NON-SHIPMENT

- A. Anda shall report Suspicious Orders to the Settling States ("Suspicious Order Reports" or "SORs"), including those Settling States that do not currently require such SORs, at the election of the Settling State.
- B. For the SORs required by the Injunctive Relief Terms, Anda shall report Orders that exceed a Threshold for Controlled Substances set pursuant to the processes in Section XII that are blocked and not shipped.
- C. Anda shall not ship any Order that it (i) reports pursuant to Sections XIII.A or XIII.B, or (ii) would have been required to report pursuant to Sections XIII.A or XIII.B had the Settling State elected to receive SORs.

- D. In reporting Suspicious Orders to the Settling States, Anda shall file SORs in a standardized electronic format that is uniform among the Settling States and contains the following information fields:
1. Customer name;
 2. Customer address;
 3. DEA registration number;
 4. State pharmacy license number;
 5. Date of order;
 6. NDC number;
 7. Quantity;
 8. Explanation for why the order is suspicious (up to 250 characters): Details that are order-specific regarding why an order was flagged as a Suspicious Order, including specific criteria used by Anda's Threshold system (except phrases such as "order is of unusual size" without any additional detail are not acceptable); and
 9. Name and contact information for a knowledgeable designee within Anda's CSMP department to be a point of contact for the SORs.
- E. On a quarterly basis, Anda shall provide a summary report to the Settling States that elect to receive it that provides the following information for the relevant quarter with respect to the top ten (10) Customers by volume for each Highly Diverted Controlled Substance base code that have placed a Suspicious Order for that base code, in that quarter (for Chain Customers, only individual pharmacies in the chain will considered for evaluation as a top ten (10) Customer):
1. The number of SORs submitted for that Customer by base code;
 2. The Customer's order volume by base code for the quarter for all Highly Diverted Controlled Substances;
 3. The Customer's order frequency by base code for the quarter for all Highly Diverted Controlled Substances;
 4. For each Highly Diverted Controlled Substance base code, the ratio of the Customer's order volume for that base code to the volume of all pharmaceutical orders for the quarter; and
 5. The ratio of the Customer's order volume of all Controlled Substances to the volume of all pharmaceutical orders for the quarter.

- F. Anda shall only be required to file a single, uniform, electronic form of SOR with any Settling State that receives SORs pursuant to these Injunctive Relief Terms. A Settling State retains the authority pursuant to applicable state law or relevant state agency authority to request additional information about a particular SOR.
- G. It is the objective of the Settling States and Anda for Anda to provide SORs to Settling States that identify the same Suspicious Orders as reported to the DEA pursuant to the definition and requirements of the federal Controlled Substances Act and its regulations, although the fields of the SORs submitted to the Settling States as required by Section XIII may differ from the content required by the DEA. To the extent federal definitions and requirements materially change during the term of the Injunctive Relief Terms, Anda may be required to adjust the format and content of the SORs to meet these federal requirements. Anda and the State Compliance Review Committee will engage in good faith discussions regarding such adjustments.
- H. It shall not be a violation of the Injunctive Relief Terms if Anda ships a Suspicious Order or fails to submit or transmit a SOR if:
 - 1. The shipment of the Suspicious Order or failed SOR transmission was due to a computer error (data entry mistakes, coding errors, computer logic issues, software malfunctions, and other computer errors or IT failures); and
 - 2. Anda reports the error, including a description of measures that will be taken to prevent recurrence of the error, to any affected Settling State, the State Compliance Review Committee, and the Monitor within five (5) business days of its discovery.

XIV. TERMINATED CUSTOMERS

- A. Anda shall report to the Clearinghouse, once operational, within five (5) business days (or as otherwise required by state statute or regulation), Customers it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date.
- B. Anda shall report to the relevant Settling State(s), within five (5) business days (or as otherwise required by state statute or regulation) Customers located in such Settling States that it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date. Such reports will be made in a uniform format. Anda and the State Compliance Review Committee shall use best efforts to agree on such uniform format for inclusion prior to the requirement taking effect.

- C. In determining whether a Customer should be terminated from eligibility to receive Controlled Substances, Anda shall apply factors set out in its CSMP policies and procedures, which shall include the following conduct by a Customer:
1. Has generated an excessive number of Suspicious Orders, which cannot otherwise be explained;
 2. Has routinely demonstrated unresolved Red Flag activity;
 3. Has continued to fill prescriptions for Highly Diverted Controlled Substances that raise Red Flags following Anda's warning or communication about such practices;
 4. Has failed to provide Pharmacy Customer Data or Dispensing Data in response to a request from Anda or otherwise refuses to cooperate with Anda's CSMP after providing the Customer with a reasonable amount of time to respond to Anda's requests;
 5. Has been found to have made material omissions or false statements on a Pharmacy Questionnaire (the requirements for the contents of a Pharmacy Questionnaire are described in Section IX); or
 6. Has been the subject of discipline by a State Board of Pharmacy within the past three (3) years or has had its owner(s) or pharmacist-in-charge subject to license probation or termination within the past five (5) years by a State Board of Pharmacy for matters related to Controlled Substances dispensing or a federal or state felony conviction.
- D. Once the Clearinghouse has made Customer termination data available to Anda, Anda shall consider terminating Customers that have been terminated from eligibility to receive Controlled Substances by another distributor as a result of suspected diversion of Controlled Substances if the Customer is ordering only Controlled Substances from Anda. If Anda determines not to terminate Customers to which this paragraph applies, Anda shall document its decision-making. A good-faith decision to continue shipping Controlled Substances to Customers to which this paragraph applies, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms.
- E. For Chain Customers, the provisions in Section XIV.A-D shall apply to the specific pharmacies in question.

XV. EMERGENCIES

- A. In the circumstances of declared national or state emergencies in which the healthcare community relies on Anda for critical medicines, medical supplies, products, and services, Anda may be required to temporarily modify its CSMP processes to meet the critical needs of the supply chain. These modifications may conflict with the requirements of the Injunctive Relief Terms.

- B. In the case of a declared national or state emergency, Anda shall be required to give notice to the State Compliance Review Committee of any temporary material changes to its CSMP processes which may conflict with the requirements of the Injunctive Relief Terms and specify the sections of the Injunctive Relief Terms which will be affected by the temporary change.
- C. Anda shall document all temporary changes to their CSMP processes and appropriately document all customer-specific actions taken as a result of the declared national or state emergency.
- D. Anda shall provide notice to the State Compliance Review Committee at the conclusion of the declared national or state emergency, or sooner, stating that the temporary CSMP processes put into place have been suspended.
- E. Provided Anda complies with the provisions of Sections XV.A through XV.D, Anda will not face liability for any deviations from the requirements of the Injunctive Relief Terms taken in good faith to meet the critical needs of the supply chain in response to the declared national or state emergency. Nothing herein shall limit Settling States from pursuing claims against Anda based on deviations from the requirements of the Injunctive Relief Terms not taken in good faith to meet the critical needs of the supply chain in response to a declared national or state emergency.

XVI. COMPLIANCE WITH LAWS AND RECORDKEEPING

- A. Anda acknowledge and agree that it must comply with applicable state and federal laws governing the distribution of Controlled Substances.
- B. Good faith compliance with the Injunctive Relief Terms creates a presumption that Anda is acting reasonably and in the public interest with respect to Settling States' existing laws requiring effective controls against diversion of Controlled Substances and with respect to the identification, reporting, and blocking of Suspicious Orders of Controlled Substances.
- C. The requirements of the Injunctive Relief Terms are in addition to, and not in lieu of, any other requirements of state or federal law applicable to Controlled Substances distribution. Except as provided in Section XVI.D, nothing in the Injunctive Relief Terms shall be construed as relieving Anda of the obligation to comply with such laws, regulations, or rules. No provision of the Injunctive Relief Terms shall be deemed as permission for Anda to engage in any acts or practices prohibited by such laws, regulations, or rules.
- D. In the event of a conflict between the requirements of the Injunctive Relief Terms and any other law, regulation, or requirement such that Anda cannot comply with the law without violating the Injunctive Relief Terms or being subject to adverse action, including fines and penalties, Anda shall document such conflicts and notify the State Compliance Review Committee and any affected Settling State the extent to which it will comply with the Injunctive Relief Terms in order to eliminate the conflict within thirty (30) days of Anda's discovery of the conflict. Anda shall comply with the Injunctive Relief Terms to the fullest extent possible without violating the law.

- E. In the event of a change or modification of federal or state law governing the distribution of Controlled Substances that creates an actual or potential conflict with the Injunctive Relief Terms, Anda, any affected Settling State, or the State Compliance Review Committee may request that Anda, State Compliance Review Committee, and any affected Settling State meet and confer regarding the law change. During the meet and confer, Anda, the State Compliance Review Committee, and any affected Settling State will address whether the change or modification in federal or state law requires an amendment to the Injunctive Relief Terms. In the event Anda, the State Compliance Review Committee, and any affected Settling State cannot agree on a resolution, and the dispute relates to whether the generally applicable Injunctive Relief Terms herein should be changed, Anda, the State Compliance Review Committee, or any affected Settling State may submit the question to the National Arbitration Panel. If the dispute relates to whether a change in an individual State's law requires a modification of the Injunctive Relief Terms only with respect to that State, Anda, the State Compliance Review Committee, or any affected Settling State may seek resolution of the dispute pursuant to Section XIX. Maintenance of competition in the industry and the potential burden of inconsistent obligations on Anda shall be a relevant consideration in such resolution.
- F. Recordkeeping: Anda shall retain records it is required to create pursuant to its obligations hereunder in an electronic or otherwise readily accessible format. The Settling States shall have the right to review records provided to the Monitor pursuant to Section XVIII. Nothing in the Injunctive Relief Terms prohibits a Settling State from issuing a lawful subpoena for records pursuant to an applicable law.

XVII. CLEARINGHOUSE

- A. Starting ninety (90) days after the Effective Date, Anda shall participate in Phase 1 and Phase 2-A of the Clearinghouse.
- B. Anda shall provide to the Clearinghouse and/or facilitate the Clearinghouse's collection of the following:
1. Anda's transaction data for Controlled Substances and non-Controlled Substances, specified at the NDC, date, quantity, and customer level.
 2. Anda's information on Customers that have been terminated and/or declined onboarding due to concerns regarding Controlled Substance dispensing following the Effective Date.
- C. Anda shall comply with state and federal transactional and Suspicious Order reporting requirements related to Controlled Substances as follows:
1. Until such time as the Clearinghouse is able to provide transactional and Suspicious Order regulatory reporting to the states on behalf of Anda, Anda shall continue to file all required reports under state law and those reports required by these Injunctive Relief Terms.
 2. Once the Clearinghouse is able to process and submit such reports, the Clearinghouse may process and submit those reports on behalf of Anda to

the states. At all times during Phase 1, Anda shall remain responsible for the identification of Suspicious Orders and will remain liable for a failure to submit transactional data or Suspicious Order reports required under state law or these Injunctive Relief Terms.

3. Anda may elect to fulfill its reporting obligations directly, rather than have the Clearinghouse assume the responsibility for the transmission of the various reports.

D. Anda shall receive information, analyses and reports from the Clearinghouse on the same basis as other distributors participating in Phase 1 and 2-A of the Clearinghouse.

1. Anda shall be permitted to use information obtained from the Clearinghouse for anti-diversion purposes, including the uses expressly contemplated by the Injunctive Relief Terms.
2. Anda shall ensure any data obtained from the Clearinghouse cannot be accessed by any of its parent's business units, or their employees or agents, who are involved in manufacturing or marketing of pharmaceuticals or sales or distribution of pharmaceuticals they manufacture.
3. Anda shall not receive from the Clearinghouse information specific to another distributor. Notwithstanding the prior sentence, Anda may receive from the Clearinghouse blinded data reflecting total Orders (across all distributors) for a particular Customer, region, and/or state at the base code and NDC number level and all transactional data information.
4. Anda may use information it receives from the Clearinghouse only for the purposes of identifying, minimizing, or otherwise addressing the risk of Controlled Substances diversion. Anda shall not attempt to obtain revenue from this information.
5. Anda shall not sell (or obtain license fees for) data obtained from Clearinghouse to any third-parties. Nothing in the Injunctive Relief Terms shall prohibit Anda from using its own data, including data provided to Anda by third-parties other than the Clearinghouse, for any commercial purposes, including selling or licensing its data to third-parties.

E. Anda, in its sole discretion, may elect whether to participate in Phase 2-B of the Clearinghouse. CSMP functions that are assumed by the Clearinghouse during Phase 2-B will no longer be performed by Anda individually through its CSMPs. CSMP functions performed by the Clearinghouse during Phase 2-B will assist Anda to satisfy the applicable legal obligations of Anda. In the event that Anda elects not to participate in Phase 2-B, Anda shall have no obligation to implement the Clearinghouse's determinations as to identification of Suspicious Orders and Suspicious Order reporting.

F. Liability Related to the Clearinghouse.

1. Anda is entitled to rely upon information or data received from the Clearinghouse, whether in oral, written, or other form. Anda shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Clearinghouse. In addition, Anda shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Anda based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Clearinghouse, unless the information or data was incorrect, inaccurate, incomplete or otherwise erroneous because Anda itself provided incorrect, inaccurate, incomplete or otherwise erroneous data or information to the Clearinghouse.
2. Reports or analysis generated by the Clearinghouse may not be based on complete data due to a lack of participation by other distributors and pharmacies. As such, Anda shall not be held responsible for actions or inactions related to reports and analysis prepared by the Clearinghouse which may be based on incomplete data due to a lack of participation by other distributors and pharmacies.
3. Nothing in the Injunctive Relief Terms shall require Anda to indemnify or otherwise be responsible to pharmacy customers for any claims resulting from the provision of Dispensing Data to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse.
4. Anda and the Settling States shall not be liable for any breaches of any databases maintained by the Clearinghouse. This does not excuse the Clearinghouse or its vendor(s) from compliance with all state and federal laws and regulations governing (1) the protection of personal information and protected health information, or (2) notifications relating to Data Security Events.
5. The Clearinghouse's performance of CSMP functions during Phase 2-B will not relieve Anda from its legal obligations unless (i) Anda and the State Compliance Review Committee jointly enter into a written agreement for the Clearinghouse to assume legal requirements during Phase 2-B; and (ii) all vendors and consultants working on the Clearinghouse agree in writing to assume such obligations.

G. Funding Obligations.

1. For a period of ten (10) years from the Effective Date, Anda will contribute to the cost of the operation of the Clearinghouse in an amount to be determined based on the financial and relative size of Anda compared to the three distributors initially participating in the Clearinghouse.
2. Anda shall engage with the three distributors initially participating in the Clearinghouse and the State Compliance Review Committee to determine

Anda's required contribution. If Anda and the State Compliance Review Committee cannot reach an agreement on the amount of the contribution, the issue will be submitted to the National Arbitration Panel for resolution subject to the cap provided by Section XVII.G.4.

3. In the event that Anda elects not to participate in Phase 2-B, Anda shall have no obligation to fund future costs directly related to Phase 2-B of the Clearinghouse.
4. In no case shall Anda's required contribution for Phase 1 and Phase 2-A during the first two (2) years of its participation in the Clearinghouse exceed \$250,000 per year, nor shall it exceed \$100,000 per year during its third through tenth years of participation.
5. Anda and the State Compliance Review Committee agree to engage in good faith discussions regarding potential continued operation and funding of the Clearinghouse following the initial ten (10) year period.

XVIII. MONITOR

- A. Anda shall engage a Monitor to perform the reviews described in Section XVIII.G in a professionally independent and objective fashion. The Monitor shall employ or retain personnel who have appropriate qualifications related to the pharmaceutical industry and the laws governing the distribution of pharmaceuticals, the distribution of Controlled Substances, and the applicable requirements of federal and state law. The Monitor may also employ or retain personnel who have appropriate qualifications in the audit and review of sample documents in order to conduct the reviews described in Section XVIII.G. To the extent additional expertise is required for the engagement, the Monitor may retain the services of third-party consultants after consultation with and input from Anda and the State Compliance Review Committee.
- B. The Monitor and any retained third-parties shall at all times act in good faith and with integrity and fairness towards all parties.
- C. Monitor Selection and Engagement
 1. The parties have agreed that the initial Monitor shall be Gil Soffer of Katten, Muchin Rosenman LLP.
 2. The Monitor can be replaced upon agreement of the State Compliance Review Committee and Anda. If the parties so agree, the process for selecting a replacement Monitor shall be the process described in paragraphs i-iii below. The provisions of this Exhibit Q shall apply to any successor Monitor.
 - i. State Compliance Review Committee and Anda will each identify the names of up to three (3) individuals, groups of individuals or firms as the pool of recommended candidates to serve as the Monitor, within (60) calendar days of the date the parties agree to replace the Monitor.

- ii. The State Compliance Review Committee and Anda shall have the right to meet with and otherwise evaluate the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The following qualifications may be relevant considerations for the State Compliance Review Committee and Anda in evaluating candidates: (a) prior monitorship or oversight experience; (b) experience with applicable laws and regulations governing the distribution of Controlled Substances; (c) experience with the pharmaceutical; (d) access to sufficient resources to carry out the duties of the Monitor; and (e) experience with internal investigations or the investigative process.
 - iii. If the State Compliance Review Committee and Anda do not agree on the appointment of any of the candidates from the initial pool of recommendations, State Compliance Review Committee and/or Anda may identify additional qualified candidates, as the timeline permits. However, in the event the parties fail to reach agreement on a Monitor within ninety (90) calendar days of the date the parties agree to replace the monitor, the State Compliance Review Committee shall appoint a Monitor.
- 3. In the event that the State Compliance Review Committee and Anda do not agree to the dismissal of the Independent Monitor, either the State Compliance Review Committee (through one of the Settling States on the State Compliance Review Committee) or Anda may submit the question of the Monitor's dismissal to the court to which the Consent Judgment was presented in any Settling States on the State Compliance Review Committee, and the Monitor shall only be dismissed if the court finds that there is Good Cause for dismissal. Good Cause for dismissal shall mean (a) a material and substantial breach of the terms of this Exhibit Q by the Monitor, including the failure to comply with the terms and limitations of this Exhibit Q; (b) any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct by the Monitor; (c) any intentional act of bias or prejudice in favor or against either party by the Monitor; or (d) conduct by the Monitor that demonstrates unfitness to fulfill the functions of the Monitor reasonably and competently. Good Cause shall not include disagreements with the decisions of the Monitor pursuant to this Exhibit Q, unless there is a clear pattern in the Monitor's decisions that demonstrates that the Independent Monitor has not been acting as an independent third party in rendering decisions.
- 4. Anda shall be responsible for the Monitor's fees and costs directly related to its performance of the work specified by the Injunctive Relief Terms up to a limit of \$300,000 per year. Should the Monitor require additional fees and costs to perform adequately the work specified in these Anda Injunctive Terms, the Monitor may request an increase in the budget to cover these unanticipated costs, and Anda will not unreasonably withhold approval of same. Further, to the extent there remains funds not yet expended under Teva's monitor budget (Section VI.C. of Exhibit P of the Settlement Agreement), those may be used to cover these unanticipated costs at Teva's discretion.

D. Term and Reporting Periods

1. The term of the Monitor will be five (5) years from the date the Monitor is appointed, divided into one-year periods for purposes of the reviews and reporting described in Section XVIII (“Reporting Periods”). The Monitor may align Anda’s Reporting Periods with the reporting periods provided by the Big 3 Distributor Injunctive Relief Terms.

E. Monitor Access to Information

1. In connection with its reviews set forth in Section XVIII.G, the Monitor may request to interview employees with appropriate authority and responsibilities as necessary. In the event that Anda believes that the Monitor is requesting an unreasonable number of interviews or requesting interviews of employees who do not have relevant information to the reviews required by Section XVIII.G, Anda and State Compliance Review Committee shall meet and confer in good faith to resolve this issue.
2. The Chief Diversion Control Officer of Anda or a direct report of the Chief Diversion Control Officer shall serve as the primary point of contact for the Monitor to facilitate the Monitor’s access to documents, materials, or staff necessary to conduct the reviews specified in Section XVIII.G. The Monitor shall communicate any request for documents, materials, or access to staff to the Chief Diversion Control Officer or her designee.
3. If at any time the Monitor believes there is undue delay, resistance, interference, limitation, or denial of access to any records or to any employee or former employee deemed necessary by the Monitor to conduct the reviews specified in Section XVIII.G, the Monitor shall notify the Chief Diversion Control Officer of Anda and they shall meet and confer to resolve such issue. If the Monitor believes that the matter was not resolved, the Monitor shall immediately report the issue to the State Compliance Review Committee.
4. To the extent any of the documents requested by the Monitor contain material protected from disclosure by any legal privilege, including the attorney-client privilege or attorney work product protections, Anda may redact such material before providing the documents to the Monitor, but must provide the Monitor with a privilege log describing the redacted information and identifying the basis for redaction.
5. Notwithstanding any other information referenced and produced pursuant to Section XVIII, the Monitor shall have access to, and Anda’s Chief Diversion Control Officer shall produce to the Monitor, any settlement agreements with government entities entered into after the Effective Date specifically concerning the requirements contained in the Injunctive Relief Terms and Anda’s distribution of Controlled Substances (as opposed to distribution of pharmaceutical products in general).

F. Settling States' Access to Monitor

1. Other than in connection with the initiation of a Notice of Potential Violation set forth in Section XIX.B.2, should the Monitor believe it needs to initiate communication with the State Compliance Review Committee regarding Anda's compliance with the Injunctive Relief Terms, the Monitor's communications should include the Chief Diversion Control Officer or counsel of Anda, regardless of the form of communication.
2. The State Compliance Review Committee shall have access to any settlement agreements produced to the Monitor pursuant to Section XVIII.E.5.

 - (1) For each Reporting Period, Anda shall prepare a report summarizing the status of Anda’s CSMP integration with the operation of the Clearinghouse (“Clearinghouse Integration Report”). The Monitor shall review Anda’s Clearinghouse Integration Report, determine whether the information reflects substantial compliance with the requirements of Section XVII,

and include any Observations and Recommendations in its annual Audit Report.

H. Observations and Recommendations:

1. If the Monitor notes any areas for potential improvement during the course of the reviews conducted pursuant to the Injunctive Relief Terms, the Monitor shall include any such recommendations in the Audit Report. Collectively, any such questions, concerns or recommendations will be referred to as “Observations and Recommendations.”

I. Audit Reports:

1. No later than one hundred and twenty (120) calendar days prior to the end of a Reporting Period and/or at any other time deemed reasonably necessary by the Monitor, the Monitor shall provide Anda with a draft report detailing any instances of substantial noncompliance with the applicable provisions of the Injunctive Relief Terms from the reviews in Section XVIII.G (the “Draft Report”). The Draft Report will also describe any Observations and Recommendations.
2. Within thirty (30) calendar days of its receipt of the Draft Report, Anda will provide comments and responses to the Draft Report. Anda will, among other things:

 - b) Respond to each Observation and Recommendation.
3. Within thirty (30) calendar days of its receipt of Anda’s responses to the Draft Report, the Monitor shall provide a final report (the “Audit Report”) to Anda and the State Compliance Review Committee. J. Confidentiality:

1. Materials and information provided by Anda to the Monitor that are designated “Confidential” (and any parts, portions, or derivations thereof) (the “Confidential Information”) will be kept confidential and not be shown, disclosed, or distributed to any other party, including any other distributor.

2. The Monitor will not use materials or information received from Anda, or information or analysis developed using the Confidential Information of Anda, in its assessment of any other distributor. Because Anda operates pursuant to its own unique policies and procedures intended to comply with legal and other requirements of the Injunctive Relief Terms, the Monitor shall apply the standards of Anda to its reviews without preference to the practices or standards applied by any other distributor.
3. If any of the Settling States or the Monitor receive a request for disclosure of any material or information created or shared under the Injunctive Relief Terms, pursuant to a Third Party Request, the Settling State or the Monitor, respectively, shall notify Anda of the Third Party Request and the Confidential Information to be disclosed so that Anda may seek a protective order or otherwise challenge or object to the disclosure. The Settling State or the Monitor will provide Anda with at least ten (10) days' advance notice before complying with any Third Party Request for Confidential Information, except where state law requires a lesser period of advance notice.
4. Nothing herein will be deemed to prevent any party from claiming any applicable exemption to the public information act, freedom of information act, public records act, or similar law.

XIX. ENFORCEMENT OF INJUNCTIVE RELIEF TERMS

A. State Compliance Review Committee:

1. Any Settling State may initiate a review of a Potential Violation consistent with the process set forth in Section XIX.
2. The State Compliance Review Committee shall assign the Monitor the responsibilities set forth in Sections XIX.B.3 through XIX.B.7, regarding review of a Potential Violation and an opportunity to cure, except with respect to matters requiring interpretation of the Injunctive Relief Terms subject to Section XIX.C.2. The objective of the Monitor shall be to facilitate a resolution among the parties, providing an opportunity to cure, as applicable, for the party against whom a Potential Violation has been alleged.
3. No less than six (6) months before the Monitor's term expires pursuant to Section XVIII, the State Compliance Review Committee and Anda shall meet and confer in good faith to determine the parameters and processes for continued enforcement, consistent to the maximum extent possible with the provisions set forth in Section XIX, for the period after the Monitor's term has ended. Absent agreement between the State Compliance Review Committee and Anda, all provisions set forth in Section XIX involving the Monitor are excused after the Monitor's term has ended.
4. Should Anda allege in good faith that a Settling State or the Monitor has impaired the ability of Anda to meet the Injunctive Relief Terms, Anda may

request the State Compliance Review Committee to mediate any dispute in an effort to avoid the time and expense of litigation regarding interpretation and enforcement of the Injunctive Relief Terms.

B. Process for Review of Potential Violations and Opportunity to Cure:

1. Definition of “Potential Violation”: A Potential Violation occurs when Anda is alleged to not be in substantial compliance with (i) the Injunctive Relief Terms or (ii) a Corrective Action Plan adopted consistent with the process set forth in Section XIX.B.7.
2. Submission of Notice of Potential Violation. An allegation of a Potential Violation shall be submitted to the State Compliance Review Committee in writing by one or more Settling States (“Notice of Potential Violation” or “Notice”) and shall include the following to the extent practicable:
 - a) Specification of the particular Injunctive Relief Term(s) and/or Corrective Action Plan(s) implicated by the Potential Violation;
 - b) Description of the Potential Violation with specificity;
 - c) The reasoning for and, if available, any documentation supporting the allegation that a Potential Violation has occurred, including whether the Potential Violation is a matter identified by the Monitor in an Audit Report; and
 - d) Description of the time-sensitivity of the Potential Violation, if relevant.
3. Assignment to Monitor. The State Compliance Review Committee shall review every Notice. If the State Compliance Review Committee reasonably believes that further review is warranted, the State Compliance Review Committee shall forward the Notice to the Monitor. The Monitor shall ensure that Anda receives a copy of the Notice and a proposed schedule consistent with the process set forth in Sections XIX.B.4 and XIX.B.
4. Response to Notice of Potential Violation. Within thirty (30) days of receipt of the Notice of Potential Violation, Anda shall provide a written response to the referring Settling State(s), the Monitor, and the State Compliance Review Committee (collectively with Anda, the “parties to the Notice”). The response (a) shall set forth the reasons Anda believes that it is in substantial compliance with the relevant Injunctive Relief Term(s) and/or Corrective Action Plan(s), and (b) as applicable, shall explain efforts undertaken to cure the Potential Violation and a schedule for completing the efforts to cure.
5. Conference for Parties re Notice of Potential Violation. The parties to the Notice shall meet or otherwise confer regarding the Potential Violation. The parties and the Monitor shall make themselves available for such a meeting (which may at any party’s election be a virtual or technology-based

meeting), provided, however, that the meeting is not required to take place sooner than fifteen (15) days after a written response to the Notice of Potential Violation.

6. Process for Previously-Submitted Notices of Potential Violation. At the request of the parties to a Notice, the Monitor shall determine whether the Notice implicates the same or similar issues as a previously submitted Notice involving Anda or is a matter previously identified by the Monitor in an Audit Report involving Anda, and make an initial determination as to whether the issues needs to be addressed anew. The Monitor shall inform the Settling State and Anda of its determination within five (5) business days of receipt of the Notice. The Settling State and Anda shall have five (5) business days to object to the determination. If an objection is made, the Monitor shall respond to the objection within five (5) business days. If no objection is made, the party involved in the prior Notice may rely on the response to the previously submitted Notice or matter previously identified by the Monitor in an Audit Report and no further action shall be required.
7. Monitor Resolution of Potential Violation and Opportunity to Cure. Within thirty (30) days of the meeting pursuant to Section XIX.B.5, the Monitor, taking into consideration the submissions of the parties involved in the Notice and other information available to the Monitor, shall resolve the Notice as follows:
 - a) If the Monitor reasonably believes that a Potential Violation is not ongoing or has been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Anda.
 - b) If the Monitor reasonably believes that a Potential Violation is ongoing and has not been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Anda and request that Anda prepare, within thirty (30) days of the receipt of such written notice, a Corrective Action Plan to remedy such Potential Violation, including a reasonable period for implementation of such plan. The Monitor may extend the period of time to submit a Corrective Action Plan up to ninety (90) days based on a reasonable request by the affected party.
 - c) A Corrective Action Plan may address multiple Potential Violations, and an existing Corrective Action Plan may be amended to address additional Potential Violations.
 - d) Within ten (10) business days of submission of a Corrective Action Plan regarding a Potential Violation, the Monitor shall confer with

the State Compliance Review Committee and the Settling State(s) and Anda regarding the proposed Corrective Action Plan. The Monitor may recommend revisions in its discretion. The conference required by this paragraph may at any party's election be a virtual or technology-based meeting.

- (e) Within thirty (30) days of the conference in Section XIX.B.7.d, the Monitor shall advise the State Compliance Review Committee and the Settling State(s) and Anda whether the Monitor has adopted the proposed Corrective Action Plan or whether the Monitor has adopted it after making modifications. The Monitor shall also set forth a reasonable period for implementation of any such plan that has been adopted. Anda must begin to comply with the Corrective Action Plan within five (5) business days of receiving notice of the Corrective Action Plan has been adopted, unless it seeks review by the State Compliance Review Committee pursuant to Section XIX.C.1.

C. Enforcement Responsibilities of State Compliance Review Committee:

1. The Settling State(s) or Anda may request the State Compliance Review Committee to review the resolution (including a resolution pursuant to Section XIX.B.7.a) and/or Corrective Action Plan adopted by the Monitor regarding that Notice. Any such request must be made within five (5) business days of a resolution or adoption of a Corrective Action Plan by the Monitor. The State Compliance Review Committee, taking into consideration the resolution by the Monitor, submissions of the Settling State(s) or Anda, and other information available to the Committee, shall within thirty (30) days of receipt of the request resolve the matter by written notice to the affected parties, which shall include the State Compliance Review Committee's reasoning in reaching its resolution. The State Compliance Review Committee may agree, disagree, or modify any resolution or Corrective Action Plan that it reviews. If the Corrective Action Plan is affirmed or affirmed as amended by the State Compliance Review Committee, Anda must within five (5) business days begin to comply with the Corrective Action Plan.
2. The State Compliance Review Committee shall review any issues raised by a Notice regarding the interpretation of the Injunctive Relief Terms at the request of the Settling State(s), Anda, or the Monitor. Such a request may be made at any time after the Notice's submission, and the request will not extend the timelines set forth in Sections XIX.B and XIX.C.1. The State Compliance Review Committee shall notify the Monitor, Settling State(s) and Anda of its determination. Settling States and Anda do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.
3. The State Compliance Review Committee may, independent of a Notice of Potential Violation, review requests by a Monitor, Settling State, or Anda regarding the interpretation of the Injunctive Relief Terms. The State

Compliance Review Committee shall notify the Monitor and requesting party of its interpretation, including the State Compliance Review Committee's reasoning in reaching its conclusion. Settling States and Anda do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.

4. The State Compliance Review Committee shall make available to all Settling States and Anda any interpretation it issues pursuant to Sections XIX.C.2 and XIX.C.3.

D. Composition of State Compliance Review Committee:

1. A Settling State on the State Compliance Review Committee that is in active litigation with Anda, or in another potential conflict of interest involving compliance with Controlled Substances laws and regulations, may not serve on the State Compliance Review Committee, and the remaining Settling States on the State Compliance Review Committee shall within five (5) business days select an alternate Settling State as a replacement.
2. If the affected state on the State Compliance Review Committee disputes that it has a disqualifying active litigation or other conflict of interest, the determination of whether that state has a conflict disqualifying it from serving on the State Compliance Review Committee shall be made by the remaining states on the State Compliance Review Committee.

E. Enforcement Actions:

1. Any written notice or resolution by the State Compliance Review Committee regarding the matters set forth in Sections XIX.B and XIX.C shall provide the State Compliance Review Committee's assessment of the matter but will not be an official opinion of any individual Settling State.
2. Following the issuance of a written notice or resolution of the State Compliance Review Committee pursuant to Section XIX.C, a Settling State or Anda may take whatever action it deems necessary related to the written notice or resolution issued by the State Compliance Review Committee, provided that the Settling State or Anda is either (a) the Settling State that sought review by the State Compliance Review Committee, or (b) Anda. Such action may include but is not limited to bringing an action to enforce the settlement agreement, filing a new original action, or, the parties to a Notice attempting to negotiate a Corrective Action Plan directly with each other.
3. The Settling States agree that prior to taking any court or administrative action, other than an action that is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined in Sections XIX.B and XIX.C.

4. A Settling State or Anda must bring a court or administrative action within six (6) months of any resolution of the State Compliance Review Committee, unless the alleged violation is also an independent violation of state or federal law, or an action that a Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the State, or that a public emergency requiring immediate action exists, in which cases, the applicable statute of limitations (if any) for sovereign actions shall apply.

II. MDL Direct Cost Fund and Subdivision Cost and Expense Fund (“Cost Fund”)

- A. The total Cost Fund shall be \$30 million dollars funded as set forth below.
 - 1. Total cost to be paid by Teva in each of the relevant Payment Years² under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

¹ Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

² Payment Year shall have the same meaning for Teva as set forth in the Teva Agreement and Teva Exhibits M-1 and M-3. Payment Year shall carry the same definition for Allergan as set forth in the Allergan Agreement and Allergan Exhibits M-1 and M-2.

	Cost Fund
Payment Year 1	\$9,000,000.00
Payment Year 2	\$9,000,000.00

2. Total cost to be paid by Allergan in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

	Cost Fund
Payment Year 1	\$6,000,000.00
Payment Year 2	\$6,000,000.00

3. The Cost Fund shall be split into the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund.
- The MDL Direct Cost Fund shall be Seven Million Five Hundred Thousand Dollars (\$7,500,000), payable 50% in Year One, and 50% in Year Two. The MDL Direct Cost Fund shall make payment without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, provided the costs have been approved by the Cost and Expense Fund Administrator appointed by the Court. The MDL Direct Cost Fund will be paid directly to the MDL Opiate Capital Account. The Cost and Expense Fund Administrator may include costs incurred by the MDL PEC in furtherance of litigation, mediation, implementation, and management of the Settlements.
 - The Subdivision Cost and Expense Fund shall be Twenty-Two Million Five Hundred Thousand Dollars (\$22,500,000), payable 50% in Year One and 50% in Year Two.
 - It is the intention of the Parties that the Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
 - The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.
 - The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of

Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs in pursuit of claims against Allergan or Teva. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds.

III. Attorney Fee Fund

- A. An Attorney Fee Fund shall be paid in the following amounts and years:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	\$ 46,215,837.93	\$ 40,778,855.53
Payment Year 2	\$ 46,215,837.93	\$ 40,778,855.53
Payment Year 3	\$ 55,215,837.92	\$ 46,778,855.53
Payment Year 4	\$ 55,215,837.92	\$ 46,778,855.53
Payment Year 5	\$ 55,215,837.92	\$ 0.00
Payment Year 6	\$ 55,215,837.92	\$ 0.00

- B. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.
1. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.
- C. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Teva Agreement and Allergan Agreement or if the Teva Agreement does not proceed past Teva's determination in subsection XI.A of the Teva Agreement or if the Allergan Agreement does not proceed past Allergan's determination in subsection X.A of the Allergan Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.
- D. *Attorney Fee Fund and Sub Funds.*
1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.
 2. In no event shall Teva or Allergan be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in subsection III.A., which amounts are reflected in Exhibit M to the Teva Agreement and Allergan Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.
 3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Teva Agreement and Allergan Agreement, as set forth in Exhibits F-2 and G to the Teva Agreement and Exhibits F and G to the Allergan Agreement, and shall be made applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is

encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in subsection III.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

E. *Common Benefit Fund (60% of the Attorney Fee Fund).*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph III.E.6. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	\$ 27,729,502.76	\$ 24,467,313.32
Payment Year 2	\$ 27,729,502.76	\$ 24,467,313.32
Payment Year 3	\$ 33,129,502.75	\$ 28,067,313.32
Payment Year 4	\$ 33,129,502.75	\$ 28,067,313.32
Payment Year 5	\$ 33,129,502.75	\$ 0.00
Payment Year 6	\$ 33,129,502.75	\$ 0.00

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
 - a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and
 - b. satisfy the eligibility criteria set forth in subsection III.G.
3. For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against Teva or Allergan have also reached a settlement for Released Claims with Teva and Allergan. These settlements shall be the subject of separate agreements with Teva and Allergan. Attorneys representing

Tribal Nations are eligible for Common Benefit consideration, provided such agreements with Teva and Allergan became effective under their terms. Such Attorneys must meet the eligibility criteria in subsection III.G.

4. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in subsection III.G shall be eligible.
5. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.
6. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) the Initial Participation in the Teva Agreement or the Allergan Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Teva Agreement, including the Teva Tribal Agreement, or the Allergan Agreement, including the Allergan Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Teva Agreement or Allergan Agreement or not. It is the intent of this provision to recognize that the goal of the Teva Agreement and Allergan Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Teva Agreement or Allergan Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Teva Settlement and the Allergan Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any offsets provided to Teva or Allergan as set forth in subsection III.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or

“representing” a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

7. As set forth in subsection III.H, the Fee Panel must consider the factors described in paragraph III.E.6 to determine how and whether to reduce the amounts to be paid by Teva or Allergan under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Teva or Allergan in this Fee Agreement shall be applied against the last Payment Year for that defendant and working backwards. Any reduction to an Applicant not credited to Teva or Allergan shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.
8. The MDL PEC will seek, and the Attorneys General for Settling States, Teva, and Allergan, will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.
9. If Teva and Allergan agree to go forward with their respective Agreements under subsections XI.A and X.A of their Agreements, they shall pay the full Common Benefit (60%) Fee into the Common Benefit Fund without regard to the number of Settling States or Participating Subdivisions. Should Teva and/or Allergan pay a judgment to, or settle with, a Non-Participating State or a Non-Participating Litigating Subdivision subsequent to the Reference Date, and such settlement or judgment results in a common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund, the following shall apply:
 - a. Teva or Allergan shall be credited dollar-for-dollar for the amount paid for the fee assessment up to 7.5% of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G that the Non-Participating State or Non-Participating Litigating Subdivision would have received if it had participated in the Settlement Agreement;
 - b. Except as set forth below in subparagraph III.E.9.c, for any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G, no credits shall be taken against Teva or Allergan’s obligation to make payments into the Common Benefit Fund for that portion of the settlement or judgment in excess of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit

F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G;

- c. For any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in Exhibit F-1 or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in Exhibit G that the Later Litigating State or Later Litigating Subdivision would have received if it had participated in the Settlement Agreement, where the Later Litigating State or Later Litigating Subdivision is represented by any member of the MDL PEC or that member's law firm, Teva or Allergan shall be credited dollar-for-dollar for the full amount of the 7.5% common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund;
- d. If a credit is made to Allergan or Teva pursuant to subparagraph III.E.9.c., then that amount shall be calculated as a direct reduction to any common benefit fee award made under this Fee Agreement to the MDL PEC firm(s) that represented the Later Litigating State or Later Litigating Subdivision;
- e. Any credits shall be taken first against Teva's or Allergan's payment to the Common Benefit Fund in Teva's or Allergan's respective final Payment Year as set forth in paragraph III.E.1 (for Teva Year 6; for Allergan Year 4), up to the full amount of Teva's or Allergan's final year payment obligation, then from the next-to-final Payment Year's payment obligation, and so on;
- f. Teva and Allergan shall not be entitled to any credits against the Common Benefit Fund for settlements or judgments paid after Teva's or Allergan's final fee Payment Year.

F. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	\$ 18,486,335.17	\$ 16,311,542.21
Payment Year 2	\$ 18,486,335.17	\$ 16,311,542.21
Payment Year 3	\$ 22,086,335.17	\$ 18,711,542.21
Payment Year 4	\$ 22,086,335.17	\$ 18,711,542.21
Payment Year 5	\$ 22,086,335.17	\$ 0.00
Payment Year 6	\$ 22,086,335.17	\$ 0.00

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection III.G.
 - a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of subsection III.G.
 - b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
 - c. Under the terms of the Teva Agreement and Allergan Agreement Litigating Subdivisions must become a Participating Litigating Subdivision under both Agreements to be eligible to participate. Therefore, Exhibit R applies jointly to Teva and Allergan with the Attorneys' Fee Fund and MDL Cost Fund to include the combined payment from Teva and Allergan.
3. Teva and/or Allergan shall each be entitled to a pro-rata reduction to their own portion of the Contingency Fee Fund payment(s) in accordance with subsection III.F.4., unless, by the Payment Date for the Initial Year Payment, (i) 41 states are Settling States for Teva or 43 states are Settling States for Allergan, (ii) 98% of all Litigating Subdivisions are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, and, (iii) 97% of all Non-Litigating Subdivisions with Populations over 10,000 as listed in Exhibit I are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, in which case no offset shall be applied.
4. If the participation conditions in paragraph III.F.3 are not met, then the amounts owed by Teva and/or Allergan to the Contingency Fee Fund shall be reduced as follows:
 - a. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.
 - b. Following the calculation in subparagraph III.F.4.a., the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

5. In the event that after the date of the Settlement Agreement Teva, prior to the Effective Date of the Teva Agreement, or Allergan, prior to the Effective Date of the Allergan Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the defendant's Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Teva Agreement or the Allergan Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Teva or Allergan as if determined under (a)(ii) above, except that such credit shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement and credits apply equally over the Fee Payment Years.
6. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against Teva and Allergan, including by jointly seeking stays or severance of claims against Teva and Allergan, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph III.G.3, must be subject to the criteria set forth in subsection III.C, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.
3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
 - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
 - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
 - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.
 - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit order.
 - e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

- f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Teva Agreement or Allergan Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
 - g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
 - h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Teva Agreement and the Allergan Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.
- 4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Participating Subdivision except Common Benefit Fees as described in paragraph III.E.2. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this paragraph.
- 5. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.
- 6. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.
- 7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund.

If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Teva and Allergan when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Teva Agreement or the Allergan Agreement, represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Teva or Allergan. Teva, Allergan, or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Allergan or Teva to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.
9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Teva Agreement or Allergan Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from Teva or Allergan as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph III.E.6; and (c) such other information as Teva or Allergan may voluntarily elect to provide.
2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Teva and Allergan) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in subsection III.G of this Fee Agreement and the criteria set forth in paragraph III.E.2. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
 - a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
 - b. The novelty, time, and complexity of the Qualifying Representations;
 - c. The skill requisite to perform legal services properly and undesirability of the case;
 - d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
 - e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as

counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

- f. Any “common detriment,” as set forth in paragraph III.E.6.
- g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);
- h. The experience, reputation, and ability of the Applicant;
- i. Whether the Applicant’s clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Applicant;
- k. The nature of any work by the Applicant on “bellwether” cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Applicant in cases against Teva or Allergan or any risk for Teva or Allergan created by the Applicant in cases against them;
- m. Any risk for defendants created by Applicants in cases against Teva or Allergan;
- n. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- o. The date of filing of any cases filed by the Applicant;
- p. Obtaining consolidation of the litigation in the Applicant’s jurisdiction;
- q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Applicant’s clients brought claims against Teva or Allergan;
- s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

- u. Whether the Applicant's cases have survived motions to dismiss;
 - v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
 - w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Teva Agreement or Allergan Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and
 - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate common benefit fund to be administered by the Fee Panel, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Fee Panel may:
- a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;
 - b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after November 14, 2022;
 - c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
 - d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
 - e. Be guided in their work by the Orders of the Court related to Fees and Costs.
5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel

shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
 - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
 - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
 - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - g. Notwithstanding “a-f” above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.
6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
- a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in subsection III.G.
 - b. Reduce, on an annual basis, Teva’s or Allergan’s payment obligations, as set forth in paragraph III.E.7. The Panel shall inform Teva or Allergan, and the MDL PEC of all such amounts and adjust payment obligations accordingly.
 - c. Using criteria set forth in subsections III.E and III.H, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the

principles set forth in paragraph III.E.6 and shall allocate any reduction in the payments specified in paragraph III.E.7 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:
 - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in subsection III.G.
 - b. Apply the Mathematical Model in Exhibit A.
 - c. Use such allocations to reduce on an annual basis the payment obligations of Teva or Allergan to the Attorney Fee Fund as set forth in paragraph III.F.4, and distributions therefrom, and inform Teva or Allergan and the MDL PEC of all such adjustments.
8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Teva or Allergan is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
